Maitland Alexander, D. D., the cup by the Rev. Alexander MacColl, D. D., and the following Ruling Elders served in the distribution of the elements: J. G. Moffat, John R. Stoddard, A. E. Dutcher, A. S. Dillingham, J. H. Jackson, Allen Campbell, Charles W. Logan, John A. Thompson, George W. Rogers, Leon Westmoreland, William J. Yates, Richard Thomas, Ellton Shaw, James McAlpin, Charles E. Smith, J. G. Eldridge, Craig N. Ligget, F. C. Meads, William L. Threlkeld, Raymond Loranz, Benjamin F. Stead, Elmer A. Miner, Arthur H. Gilles, William Logan, Charles B. Taylor, John R. White, J. H. THURSDAY, May 19, 1921, 2.30 P.M.

The Assembly met and was opened with prayer by the Moderator.

The Committee on Arrangements, through its Chairman, Dr. J. C. Breckenridge, made announcement concerning the reception for the Commissioners and Officers of the Assembly, in the new Tabernacle, Winona Lake, Thursday evening, May 19, 1921, at 8.00 P. M.

The following telegram was received from the President of the United States, and was read to the Assembly.

The White House, Washington, D. C.
Moderator and Commissioners, Presbyterian General Assembly.

A word of greeting on the occasion of the General Assembly of the Presbyterian Church in the U. S. A. I am very glad indeed to express my interest in every such good work. Surely there is no intellectual and moral body in the country to which we may more confidently turn for wise assistance and safe guidance than to the Christian people who make up the body of our churches. Whatever may stimulate them to greater activity and, I feel, to increasing recognition of the concern of Christian citizenship with the administration of our public affairs, must necessarily be of service to the Nation.

Warren G. Harding,
President of the United States.

The following telegram was received from the Vice-President of the United States and was read to the Assembly.

The Vice-President's Chamber, Washington, D. C.
Moderator and Commissioners, Presbyterian General Assembly.

Notice of the General Assembly of the Presbyterian Church to be held at Winona Lake has been received. It is to me a message of hope and cheer. There are here and there striking efforts made against every form of righteous authority, whether represented by the Church or by organized government, but their efforts will prove unavailing. It is a consolation to realize that every day in the year, every night, every Sabbath, there are organizations, especially of a religious nature, meeting all over our land, of men and women dedicating themselves to a life of obedience to righteous authority. Against that holy movement there is no power that can prevail.

Calvin Coolidge,
Vice-President of the United States.

The following telegram was received from the Governor of the State of Indiana, and was read to the Assembly.

"Indianapolis, Indiana.

I greatly regret that I cannot be with you during your conference at Lake Winona. I wish to assure you, however, of my heartfelt interest in your meeting. Never was there a time when the world needed God, peace and food more than it does now. Such gatherings of Christian people who are unselfishly striving to benefit humanity and extend the Kingdom of Christ cannot fail to have a most wholesome influence upon society in general. My best wishes are with you for a most successful Assembly.

Warren T. McCray,
Governor of Indiana."

The Permanent Committee on Commissions through its Chairman, Rev. Edward L. Warren, D. D., made a report and the following ministers and elders were recognized as duly appointed Commissioners, and their names were entered upon

A telegram was received from the Presbytery of Sioux Falls, stating, that neither the principal nor the alternate commissioner could come to the Assembly, and requesting permission for the Moderator and Stated Clerk of Presbytery to appoint an elder commissioner. This matter was laid on the table.

The Acting Stated Clerk called attention to the fact that certain Synodical records presenting judicial matters had been placed in his hands. These records were referred to the Committee on Judicial Business.

The Permanent Judicial Commission, through its Clerk, announced that the Commission was organized and ready for business. Also that the terms of the following members of the Commission expire with this Assembly, namely, Rev. Harlan G. Mendenhall, D. D., Rev. Robert H. Morris, D. D. Rev. Ezra B. Newcomb, D. D., Elder Arthur L. Jackson and Elder George Nicholson.

The Executive Commission, through its Chairman, Rev. Samuel S. Palmer, D. D., presented its printed report, which was received as the tentative report of the Executive Commission. The report as finally adopted appears later in these *Minutes*.

The Budget Committee of the Executive Commission, through its Chairman, Rev. W. O. Thompson, D. D., LL.D.,

presented a supplementary report to its report as contained in the Executive Commission's tentative report, paragraph XVII, concerning the allocation of the Budget to the Boards of Publication and Sabbath School Work, Education, and Sustentation, which was referred to the Committee on Bills and Overtures.

The Executive Commission, through its Chairman, Rev. Samuel S. Palmer, D. D., presented a supplementary report to its tentative report, which on motion was received, amended, and adopted seriatim, as follows:

The Executive Commission has received throughout the year a number of "overtures" and other communications addressed to it calling upon the Commission to make the present an occasion for reorganization of the Offices of the General Assembly. The Commission at first was not disposed to heed these communications since it was of the opinion that any reorganization of the offices should originate with the Assembly rather than with the Commission. But the repeated action of presbyteries led the Commission to believe that its duty to the Church required that it should give some consideration to the subject and be prepared, if the Assembly so desired, to present its conclusions to the Assembly.

Prolonged and careful consideration was given to this important subject. There were certain phases of it that did not demand any action on the part of the Assembly. The Commission was of the opinion that there was no need of action concerning the Moderatorship, or concerning the continuing of the Land Title and Trust Company, Philadelphia, a banking corporation, as the Treasurer of the Assembly.

The Presbyterial Communications styled "overtures" to which reference has already been made, accompany this Report, although the Commission does not regard action upon them by the Assembly as necessary. Before reaching its conclusion the Commission sought assistance from the Assistant Stated Clerk and the Permanent Clerk of the Assembly.

RECOMMENDATIONS:

1. That the office of Permanent and Assistant Clerkships be abolished.
2. That the term of the Stated Clerk be fixed at five years, subject to re-election at the pleasure of the Assembly.
3. That a Stated Clerk upon reaching the age of seventy,

shall be retired on an emeritus salary by the Assembly next preceding such birthday anniversary, which Assembly shall fix his emeritus salary taking into consideration his length of service in this office; the same to take effect on his seventieth birthday.

4. That upon the adjournment of this Assembly, the tenure of office of the Permanent Clerk terminate; and, that in grateful recognition of his faithful, painstaking, and courteous service to the Assembly, during the years of his occupancy of his office, the Rev. Edward L. Warren, D. D. be made Permanent Clerk Emeritus.

5. That the Executive Commission gratefully recognizes the efficient management during the past year of the office of Stated Clerk by the Assistant Stated Clerk, Rev. James M. Hubbert, D.D., and having due consideration of his desire not to be considered for the office of Stated Clerk, unanimously recommends that he be made the Acting Stated Clerk for the present Assembly and during the coming year, or until a Stated Clerk is elected and qualified.

6. That in the event of the adoption of this report, the present Committee on Management of Stated Clerk's office appointed by the last Assembly be discharged, and that the Executive Commission be directed to appoint a Committee of Management to serve until a Stated Clerk is elected and qualified.

7. That in the event of the office of Stated Clerk becoming vacant in the future through death, resignation, or disability, the Executive Commission shall take charge of the office, pending action by the Assembly.

8. That the following mode of procedure in filling the existing vacancy in the office of Stated Clerk be adopted:

That a committee to nominate a Stated Clerk be created by this Assembly, this Committee to be formed of one representative from each electing section, the same to be chosen by each section, an elder to be chosen from each even section, and a minister to be chosen from each odd section, and the chairman of the committee to be appointed by the Moderator. This Committee to report to the Assembly for action at this Assembly, looking forward to the election of a Stated Clerk at this Assembly, the one elected to take office at the beginning of the next Church year, April 1, 1922.

9. That the Stated Clerk shall be in charge of the "Office of the General Assembly" and shall discharge the duties assigned to him by the Constitution of the Church, or Assembly enactment.

That he shall have necessary assistants selected by him with the approval of the Executive Commission.

That the budget of said office shall be submitted annually for approval to the Executive Commission, and be reported to the Assembly.

10. That for the meetings of the General Assembly the Stated Clerk shall nominate to the Assembly a sufficient number of competent clerks selected by him.

The Report of the Presbyterian Commission in Coöperation with the World Alliance for Promoting International Friendship through the Churches, in the absence of Rev. Arthur J. Brown, D. D., the Chairman of the Commission, was presented by Rev. John A. Marquis, D. D., and pending the adoption of the report, the Assembly was addressed by Rev. H. A. Atkinson, the General Secretary of the World Alliance for Promoting International Friendship through the Churches. The report of the Commission is as follows:

This Commission was appointed by the General Assembly of 1916, and has been continued by subsequent Assemblies, to coöperate, in line with similar commissions of other denominations, with the World Alliance of Christian men and women who are seeking to promote international friendship through the Churches. The Commission has continued the policy of functioning through the central office of the American Council of the World Alliance, at 70 Fifth Avenue, New York City, thus insuring the efficient service of its executive secretaries, and at the same time avoiding the duplication of machinery and the cost of an independent organization. This policy enables the Commission to serve without expense to the General Assembly. The Chairman of the Commission, the Rev. Dr. Arthur J. Brown, is a member of the Executive Committee of the American Council of the Alliance, and two other members of the Commission, the Rev. Dr. William P. Merrill and Mr. George A. Plimpton, are respectively President and Treasurer of the Council.

The Alliance is finding increasingly numerous opportunities for service. Two great conferences have been held since the Armistice was signed, one at The Hague, Holland, in September, 1919, and the other at St. Beatenberg, Switzerland, in August, 1920. In the interim, the International Organizer visited practically all the countries of Europe, and Councils were established in twenty-two nations. These Councils are made up of some of the strongest representatives of the Churches in these nations.

The Archbishop of Canterbury has accepted the Presidency of the World Alliance, to which he was elected at the St. Beatenberg Conference. Both because of the

strength of its personnel and the efficient program that it is developing, this movement offers the Alliance an excellent channel for the coöperation of the Churches in promoting international goodwill. Of course, we must recognize that the World Alliance, up to the present, has made only a start at the huge task that is before it; but when we consider that over two hundred prominent Christian men and women, from twenty-two different nations, met for conference and prayer in St. Beatenberg, to consider how the Gospel of Christ could be more effectively applied for the healing of racial and national enmities and suspicions, and the cultivation of the spirit of brotherhood, we cannot fail to see the profound significance of this movement.

One of the encouraging incidents of the year was the notable enlargement of the membership of the American Branch. Over twelve hundred new names were enrolled. The membership now includes members of twenty-eight denominations.

The efficient International Organizer, Dr. George Nasmyth, died suddenly, in Geneva, shortly after the St. Beatenberg meeting. His devotion to the cause, his energy and enthusiasm, as well as his broad culture and wide experience with men and international problems, made him especially valuable in the work he did so well.

The American Council has been able this year to form important contacts with many of the European Councils. The Secretary is in frequent communication with the representatives of Great Britain, France, Spain, Italy, Portugal, Rumania, Hungary, Jugo-Slavia, Holland, Belgium, Greece, Switzerland, Austria, Germany and the Scandinavian countries. Eight of these nations publish monthly bulletins or magazines. The American publication, WORLD FRIENDSHIP, is exchanged with these European Councils, and by enlarging the scope of this correspondence and interchange of news, it is hoped to bring the Christian people of all of these nations into closer accord.

The American Council of the World Alliance coöperated with The Federal Council of the Churches of Christ in America in sending a strong delegation last summer to visit the various countries of Europe. These friendly visitors were everywhere received with the utmost cordiality, and evidences were numerous that a more sympathetic understanding was developed. England, France, Belgium, Holland, Italy, Switzerland, Germany, Austria, Hungary, Rumania, Jugo-Slavia, Poland, Czecho-Slovakia, were all visited. No expense to the Alliance or to The Federal Council was involved. Special interest attached to

the Deputation to Austria and Hungary, three of whose members bore the commission of the General Assembly's Committee on Aid to Protestant Churches in Europe, in harmony with the action of the Assembly of 1920 (*Minutes*, pp. 132-139), and one of whom, the Rev. Dr. Arthur J. Brown, also bearing, with the Rev. S. H. Chester of the Presbyterian Church, U. S., and the Rev. Dr. James I. Good of the Reformed Church, U. S., the special commission of the Western Section of the Executive Committee of the World Alliance of the Reformed Churches holding the Presbyterian System, under instructions to confer with our brethren of the Reformed Churches of those countries and to bear them messages of fraternal remembrance and cheer. The report of the Deputation is given in the Minutes of the meeting of the Western Section, February 16-17, and in several published articles.

Through a Committee appointed for the purpose of bringing about regular interchange between the churches of these countries, America was visited during the year by the following Christian leaders from Great Britain: President Alfred E. Garvie, Canon E. A. Burroughs, the Rev. Alexander Ramsay, D.D., the Rev. T. Rhondda Williams, the Rev. R. C. Gillie, D.D., and Mr. E. Harold Spender; and also by the following men from France: General Robert Georges Nivelle, Colonel Paul Azan, and the Rev. Andre Monod. The latter visitors came to America as the guests of The Mayflower Council, which was organized for the celebration of the Tercentenary of the Landing of the Pilgrims and which was representative of most of the religious faiths of America. The American Council actively coöperated in these arrangements and in planning for the mass meetings which were held in seventy cities by seven teams of speakers in the month of November.

The Treasurer of the Alliance, Mr. George A. Plimpton, made an extended trip through China, Korea and Japan, in which he counselled with many of the leaders of these countries regarding the questions that are so seriously affecting international friendship.

In harmony with the resolutions of the General Assemblies of 1919 (*Minutes*, pp. 133-134), and of 1920 (*Minutes*, 205-206), the Alliance constantly advocated ratification of the League of Nations by the Senate of the United States, up to the time that this question became a disputed point of party politics in the presidential campaign when it became obvious that the Alliance could not take sides in a partisan controversy. From the experience of the year and the voluminous correspondence carried on through the

central office of the Alliance, it is clear that the religious people of America are overwhelmingly in favor of an identification of our country with other countries in the gigantic task of rebuilding a demoralized world and in preventing a repetition of the horrors of 1914-1918.

The Program of the American Branch for 1921 includes the following points:

1. Follow up the program of 1920 in endeavoring to make effective in every community the work of the local committees that have been established.

2. Prepare for the meeting of the International Committee, to be held in Europe next year.

3. Hold a North American Congress on Reduction of Armaments, this Congress to be followed by a series of regional conferences in several large cities.

4. Study American relations with Mexico and Japan, and work for a peaceful solution of the involved problems on the basis of a true Christian understanding.

5. Assist in furthering legislation designed to avoid discriminatory acts in favor of one race or people as against another.

6. Assist in the work of the Commission on Interchange of Speakers and Preachers between America, Great Britain and France.

7. Carry on a campaign of education throughout the country for the due recognition of America's international duties and an entrance into the League of Nations under such reservations as our Government may deem necessary.

As we view the world of international relationships, the sky seems dark. The advocates of international goodwill face extraordinary difficulties. Selfishness, greed, scepticism, and a recrudescence of materialism render it difficult for the ideals of an organization for racial friendship to win a fair hearing. Nevertheless, along with these sinister passions there is a growing belief, forced upon large numbers of men in all countries by the very ruin on every hand, that the only way out of the present distress and uncertainty is through religion and the application of the principles of Christ to the whole round of life. To aid pastors and churches in extending the Divine message of peace and goodwill on earth in the name of Christ is the primary object of The World Alliance for Promoting International Friendship Through the Churches.

The Commission recommends that it be continued, without expense to the General Assembly.

In behalf of the Commission,

ARTHUR J. BROWN, *Chairman.*

The following recommendations were presented, and the report and the recommendations were adopted:

Resolved, 1. That the Commission be continued without expense to the General Assembly.

Resolved, 2. That in harmony with the appeal that is being made to the Christian Church in America, this General Assembly strongly urges upon its ministers and churches their hearty coöperation in the use of Sunday, June 5, to present the cause of a general reduction of armament by international agreement and secure if possible a response from their congregations in accordance with the appeal of the World Alliance.

The Permanent Committee on Evangelism, through its Chairman, Mr. Charles L. Huston, presented its report. Pending action on the recommendations, the Assembly was addressed by the Rev. George G. Mahy, D. D., Rev. William F. Klein, Rev. Walter B. Greenway, D. D., secretaries of the Permanent Committee on Evangelism, and by the Rev. Phil C. Baird, D. D., Rev. Francis S. Downs, Rev. L. M. Beebe, Rev. Maitland Alexander, D. D., Rev. Harle W. Hathaway, and Elder C. W. Wayne. An abstract of the report appears in the Appendix.

The recommendations of the Report were adopted, as follows:

Resolved, 1. That your Committee recommends the election by the General Assembly, of the following ministers and elders to serve for a term of three years: H. C. Rogers, D. D., S. S. Palmer, D. D., Asa J. Ferry, D. D., elders, Charles L. Huston, Thomas W. Synnott and Calvin N. Payne.

Resolved, 2. That the Assembly instructs the Permanent Committee on Evangelism,

(1) To exercise all the powers conferred upon it and to perform the duties entrusted to it, by this and previous Assemblies; to inaugurate a comprehensive plan for the development of the evangelistic spirit, and the direction of the evangelistic work of the Church on an expanding program with the assistance of other Agencies of the Assembly in its execution.

(2) To continue among the presbyteries the work of organizing their Evangelistic Committees, that they may be enabled to formulate and carry out such plans for evangelistic work as will reach every church within their bounds.

(3) With this end in view to arrange, as in former years, for Evangelistic Institutes and Conferences in various sections of the country, with Synodical Committees, Presbyterial Evangelistic groups, and with the committees of individual presbyteries.

(4) To assist, as far as possible, presbyteries which have

voted to enter upon definite Evangelistic Campaigns in accordance with the suggestions of the Assembly's Committee, and to furnish these presbyteries with help in the matter of organization for personal service and evangelistic preaching to the full extent of the Committee's resources.

(5) To enlarge the scope of its correspondence with individual churches and to provide an increased distribution of literature among them to be sent only on request, and particularly to keep in touch, through the sessions, with those churches which are pastorless or only irregularly supplied.

(6) To arrange, as in former years, for a Pre-Assembly Conference on Evangelism for Tuesday afternoon and evening, and a part of Wednesday preceding the General Assembly.

(7) To carry on the work of College Evangelism in connection with the Candidate Enlistment program of the General Board of Education through a Joint Committee on College Work which shall be composed of an equal number of members of the Board of Education and the Permanent Committee on Evangelism; the Permanent Committee on Evangelism to be primarily responsible for the evangelistic emphasis.

Resolved, 3. That the Committee be authorized to coöperate with the Evangelistic Commission of the Federal Council of Churches and with the Evangelistic Committees of other denominations, and that the General Secretary of the Evangelistic Committee be authorized to carry on such work as may be necessary in the capacity of General Secretary of the Evangelistic Committee of the World Presbyterian Alliance; and that the Assembly authorize the Committee to take any further action towards coöperative work in evangelism which may appear to the Committee to be wise and productive of the best results.

Resolved, 4. That the Assembly calls upon all the churches to coöperate with the Committee on Evangelism as its distinctive Agency appointed to stimulate the evangelistic spirit and direct the evangelistic work of the Church, and that it urges upon all pastors and sessions to give their utmost time and strength to the fundamental work of evangelism; that in every Church its truest members may be set apart, trained and assigned to the work of personal evangelism, and that special seasons be set aside for prayer and for an intensive presentation of the evangelistic message, and particularly that pastors are requested to coöperate with presbyterial committees in such evangelistic programs as the several presbyteries may adopt.

Resolved, 5. That the Assembly again calls upon synods and presbyteries to establish or strengthen their committees on

evangelism, and where these committees have failed by reason of inefficient leadership, or have been abandoned by presbyteries for any cause, that they be recreated as standing committees on evangelism in order that the Permanent Committee on Evangelism may through them contribute the largest possible coöperative service in men and money for the carrying forward of the evangelistic work of the churches.

Resolved, 6. That the Moderator and the Stated Clerk of the General Assembly be ex-officio members of the Committee, and that the Committee be authorized to appoint special representatives to coöperate with it in its work throughout the Church.

On motion by Rev. A. Edwin Keigwin, D. D., Presbytery of New York, it was ordered that the electing sections meet immediately after adjournment, or as soon thereafter as possible, for the appointment of a representative each for the committee authorized for the nomination of a Stated Clerk, and that the names of the committee be given to the Acting Stated Clerk at once so that the appointment of a chairman for the committee by the Moderator may be facilitated.

Rev. W. Beatty Jennings, D. D., of the Presbytery of Philadelphia North, conducted the devotional service.

The Permanent Committee on Commissions, through its Chairman, Rev. Edward L. Warren, D. D., reported the following additional Commissioners, who were duly enrolled: *Ministers*—Henry Thompson Graham, Presbytery of Indianapolis; Arthur Leonidas Duncan, Presbytery of Chicago; *Ruling Elders*—George D. Zeadles, Presbytery of Chattanooga; George Huntington Richards, Presbytery of New York; John L. Oakley, Presbytery of Riverside.

The Assembly took recess until 2.30 P. M. and was closed with prayer by the Rev. W. Beatty Jennings, D. D.

FRIDAY, May 20, 1921, 2.30 P. M.

The Assembly met and was opened with prayer by the Moderator.

The Permanent Judicial Commission, through its Clerk, announced that the Commission would hear the case of the Presbytery of New Castle appealing against a decision of the Synod of Baltimore, at 9.00 o'clock Saturday morning, May 21, 1921.

The Moderator announced the appointment of the Vice-Moderator, Elder Nathan G. Moore, as the chairman of the committee on nomination of a Stated Clerk.

To the General Assembly:

In accordance with action taken by the last Assembly, the following communication was sent to the Presbyteries:

To the Presbyteries of the Presbyterian Church, U. S. A.:—

At the meeting of the General Assembly of the Presbyterian Church, U. S. A., held in Philadelphia, Pa., May 20-28, 1920, the Assembly's Special Committee on "Church Coöperation and Union" reported to the Assembly that, at the invitation of the General Assembly meeting at Columbus, Ohio, in May, 1918, a Council of the Evangelical Churches in the U. S. A. had been held, and that a "Plan of Union for Evangelical Churches in the U.S. A." had been formulated and adopted by said Council, and overtured back to the Supreme governing bodies of the constituent Churches, to proceed thereupon in accordance with the constitution of each Church. And the report of the Assembly's Committee set forth said "Plan" in detail; and the General Assembly adopted the following recommendation, offered by said Committee:

"Your Committee heartily recommends to the General Assembly the adoption of this Plan of Union, and that an Overture be sent down to the Presbyteries, authorizing the General Assembly to associate our Church with this visible body to be known as the 'United Churches of Christ in America.'"

The following telegram was received from the Secretary of State of the United States:

"*Department of State, Washington, D.C.*
MR. MODERATOR:

I take pleasure in sending most cordial greetings to the General Assembly of the Presbyterian Church. The deliberations of the General Assembly cannot fail to be of the greatest value in maintaining that sound public sentiment which alone can afford the basis for progress.

All the efforts to solve the problems of the country will be fruitless unless we are inspired by a sense of justice and an unselfish devotion to the common interest, and unless in the conduct of public and private affairs we carefully observe the restraints imposed by an enlightened conscience.

CHARLES E. HUGHES,
Secretary of State."

The following telegram was received from the Secretary of Labor of the United States:

Offices of Secretary of Labor, Washington, D.C., May 20.

To the Moderator and Commissioners, Presbyterian General Assembly, Winona Lake, Indiana.

GREETINGS:

No better exposition of the problem that today faces the American people can be found than that outlined in President Harding's speech of acceptance, delivered in Marion on July 22. This speech, which every church paper might well reprint, suggests a solution, a task, which the churches of America should make their own. I send it to you.

With a membership of nearly fifty million, our churches today constitute the greatest force for good in the world. If this force would help in solving the national problem, the problem of the individual, it must be more practically applied.

I should like to see the teachings of the Master interpreted in the light of modern conditions to both employer and employe. Ours must not be a church of pacifists but a church of fighters, fearlessly taking a stand for the right.

With both employer and employe sitting before the pulpit, a complete understanding between the two becomes almost a church obligation. Why should not the church help bring this about? Why should not ministers talk to both employer and employe with a view to bringing about a better understanding between them?

Many ways in which the church can help solve industrial problems will present themselves to our enlightened ministry with thoughtful study of the President's presentation. For instance, the church might well consider the organization of a national employment bureau, and through its membership ascertain where there is demand for labor, and where the unemployed may be found. Let the church preach economic and social justice, economy and thrift.

And above all, let the church teach the practical application of the Golden Rule, not as a millenial theory but as a vital principle for our daily guidance in all the business affairs of today—"Whatsoever ye would that men should do to you, do ye even so to them." The practical application of this text is real Christianity.

(Signed) JAMES J. DAVIS,
Secretary of Labor.

The Moderator and Acting Stated Clerk were authorized to send suitable response to the above mentioned telegrams.

The Special Committee on Christian Life and Work, through its Acting Chairman, Rev. Hugh B. MacCauley, D.D., presented its report, which was received, and was referred to the Standing Committee on Narrative.

The Special Committee on the New Era Movement, through its General Secretary, Rev. William Hiram Foulkes, D. D., presented its report, which on motion was received, and pending its adoption, the Assembly was addressed by

Dr. Foulkes. The recommendations were adopted seriatim, as follows:

Resolved, 1. That the General Assembly reaffirms the endorsement of the principles of the New Era Movement given by the three preceding General Assemblies and that it approves the policies of the General Assembly's Committee as set forth in the foregoing report, subject to the modification of any specific resolution hereafter adopted and that it authorizes the General Assembly's Committee and its Boards and Agencies to coöperate in carrying out the proposed policies and programs.

Resolved, 2. That the General Assembly's Committee is authorized to put into effect such adjustment of its field organization as shall be agreeable to the various synods and presbyteries and in the interests of economy, looking toward a permanent presbyterial and synodical basis for the coörd native and promotive work of the Church.

Resolved, 3. That the whole budget system as revised and presented by the Committee in the foregoing paragraphs is approved by the General Assembly and that all the Boards and Agencies and the various judicatories of the General Assembly—synods, presbyteries and congregations—are urged to join in carrying out the activities of the budget system thus amended.

Resolved, 4. That in furnishing opportunities to those churches and individuals which may "desire to have their contributions used to assure as far as possible the full quota of each Board and Agency in accordance with the ratio of the total budget" the Central Receiving Agency shall keep a faithful account of all such contributions and shall use such contributions and only such contributions for the foregoing purposes.

Resolved, 5. That the work of the *Divisions* of Coördination and *Promotion*, including the Departments of Missionary Education, Stewardship, Every Member Organization and Financial Ingathering is approved and that the work of these divisions and departments be prosecuted vigorously within the limits of the authorized budget of expenditure during the ensuing year.

Resolved, 6. That in order to enable the General Assembly's Committee on the New Era Movement to carry forward its work during the coming year upon a basis of stricter economy and to insure at the same time the integrity and efficiency of the Movement, the *total budget* for the General Assembly's Committee on the New Era Movement for the year June 1, 1921, to May 31, 1922, be $322,592; that the Boards and Agencies and the self-supporting synods are authorized to

finance the Movement on this basis, advancing funds as needed in accordance with the ratio of the budget of 1921-22, final adjustment to be made at the end of the year upon the basis of receipts from living givers during the year 1921-22; that two-thirds of this amount be provided directly for the New Era Movement in the budget of $12,000,000 and one-third be provided from the budgets of the Boards and Agencies and the self-supporting synods; that, if this can not be done, the churches be urged to provide enough in excess of $12,000,000 to cover two-thirds of the amount approved for the New Era Movement, inasmuch as a definite share of its labors has to do with the Church at large, through activities not carried on by the Boards and Agencies and in order that the whole load of the Movement may not finally fall upon the Boards and Agencies and self-supporting synods, as will be the case if the principle of including a due proportion of the New Era expenses in the total benevolence budget is not affirmed. This action is taken with the understanding that, if the General Assembly lays upon the New Era Committee or the Boards and Agencies any additional responsibilities they must be cared for within the approved budget of $322,592, leaving the Committee free to distribute the items within the total budget.

The Moderator appointed Rev. A. Edwin Keigwin, D. D., of the Presbytery of New York, to conduct the devotional services on Saturday noon.

The Acting Stated Clerk was authorized to incorporate in the Necrological Report, the names of 43 deceased ministers whose names were reported to the Stated Clerk's Office and not reported in the Church papers, and the names of 37 deceased ministers whose names were reported in the Church papers but were not reported to the Stated Clerk's Office.

Rev. Charles Little, D. D., LL. D., in behalf of the local Committee presented to the Moderator a gavel containing woods from the house of the late Rev. J. Wilbur Chapman, D. D., at Winona Lake, Indiana; the flagstaff of the house of Benjamin Harrison, former President of the United States, at Indianapolis; from Wabash College, Crawfordsville, Indiana; from Hanover College, Hanover, Indiana; from the Indiana Presbyterian Church of Vincennes, Indiana; from the cottage of the late Rev. Bluefield, W. Va., May 20th, 1921.

Rev. Henry C. Swearingen, Moderator, General Assembly, Winona Lake, Ind.

It is one of the regrets of my life that I am prevented from attending the meeting of the General Assembly at my home town. However, I am here in the mountains of West Virginia preaching to these people who are pouring into Bluefield over the mountains and on special trains, hungry for the Gospel. The greatest asset to this or any nation is Christianity. Our churches will be largely attended as they meet the wants, sufferings and bereavements of the people. It is always to the Church that humanity must turn for the last word on the eternal destiny of their souls, therefore she must not fail to hold up the bleeding form of Jesus Christ as God's ultimatum for sin and man's only hope for salvation. My prayers are with you.

WILLIAM A. SUNDAY.

The Special Committee on Assembly Digest, through its Chairman, Rev. John V. Stephens, presented its report and a resolution, which were adopted, as follows

The Committee on the Digest respectfully reports as follows:

Previous to 1911, the Committee on Digest was composed of the Stated and Permanent Clerks of the General Assembly. In 1911 (*Minutes*, p. 249) the Secretary of the Board of Publication and Sabbath School Work was added to the Committee. In 1915 (*Minutes*, p. 284) "the Rev. John V. Stephens, D.D. on the recommendation of the Stated Clerk, was added to the Committee on the Digest, to act in relation to matters connected with the records of the Cumberland Presbyterian Church." The Rev. William H. Roberts, D.D., was the *Chairman* of the Committee. After the death of the Chairman, by the appointment of the Moderator of the General Assembly, the Rev. Samuel S. Palmer, D.D., the Rev. John V. Stephens, D.D., became Chairman, taking the place of the Rev. William H. Roberts, D.D. The Committee as now constituted is composed of the Rev. John V. Stephens, D.D., *Chairman*, the Permanent Clerk of the General Assembly, the Rev. Edward L. Warren, D.D., and the Secretary of the Board of Publication and Sabbath School Work, the Rev. Harold McA. Robinson, D.D.

Attention is drawn to an action of the General Assembly in 1908, according to which a new plan for the New Digest was approved—"the plan of placing in a separate volume all Permanent Documents of the Church and its Agencies,

and including in the Digest only matters which have direct relation to the interpretation of the Constitution of the Church and the current work of its Agencies.

As far back as 1912, the Rev. William H. Roberts, D.D., the Editor of the New Digest, reported to the General Assembly that "the manuscript for the new edition of the Digest is practically in hand, and needs but little additional matter." The Committee has been informed that "all acts, decisions and deliverances of the General Assembly from 1908 to 1917 or 1918" have been "collated and arranged." It is not clear, however, whether this collation has been worked into the previously gathered materials, and the whole classified on some given plan. These facts remain to be discovered by the new Editor. It appears that the materials covering a few years are yet to be collated and arranged. No distribution has been made of "matters connected with the acts and deliverances of the General Assembly of the Cumberland Presbyterian Church," as directed by the General Assembly. Such matter, however, has been prepared, and its distribution can easily be made. In one of his reports to the General Assembly, the Editor said: "There is need for a very careful personal revision of all material in the Digest, prior to publication." This suggestion should be carefully heeded. If the materials collected, new and old, have not already undergone "a very careful personal revision," the new Editor will have this duty to perform, and should be given ample time and opportunity to do it. The New Digest ought to be made complete, dependable and simple—a book which a busy layman, as well as a minister, will want to consult.

Four reasons have been assigned by the Editor for the delay in issuing the New Digest: (1) "The Digest has always been issued at considerable intervals of time." (2) "The demand for the Digest is limited, at best, and the expense of production is considerable." (3) "The exceeding great cost of printing." (4) "The illness of the Stated Clerk," who was the Editor.

The Board of Publication and Sabbath School Work, at whose expense the Digest is published and circulated, reports that "the edition of the Assembly's Digest in its present form has been exhausted." Naturally, the Board is ready and anxious to proceed with the work on the New Digest as soon as possible.

The Committee on Digest recommends the adoption of the following:

Resolved, That this Report, together with the whole matter of bringing out the New Digest, be referred to the

Standing Committee on Publication and Sabbath School Work; and that said Committee be instructed, after conference with representatives of the Committee on Digest, also with representatives of the Board of Publication and Sabbath School Work, to present to this General Assembly a report on the subject, with such recommendations as the facts and the situation may warrant.

JOHN V. STEPHENS, *Chairman.*

The Special Committee on Fund to Aid Protestant Churches in Europe presented its report through Rev. William Hiram Foulkes, D. D., in the absence of the Chairman, Rev. Harlan G. Mendenhall, D. D. The report and its recommendations were adopted, as follows:

The General Assembly's Committee to Administer the Fund for the Aid of Protestant Churches in Europe was called into being two years ago in order to enable the Presbyterian Church to discharge distinct responsibilities toward Protestant Churches in the war zone of Europe. The original purpose of the Committee was to secure limited funds for the immediate aid of the war impoverished Protestant Churches of France and Belgium. No sooner, however, had the Committee begun its labors than it received urgent appeals from Italy and the Balkans. During the past two years the Committee has received and disbursed over $200,000, practically all of it being sent to the struggling churches of the war zone.

The General Assembly in constituting the Committee requested it so to carry on its work that all of the funds should be available for use in Europe without overhead charges. The Chairman, Secretary and Treasurer have served without compensation. Stenographic and clerical help have been provided by the Board of Foreign Missions and the New Era Movement, without cost to the General Assembly's Committee.

At the outset, the Committee determined not to attempt to establish American Presbyterianism in Europe, but rather to coöperate with the sister churches already on the field. The bounty of the church has been distributed among the Protestants of France, Belgium, Italy, the Czecho-Slovak Republic, Hungary, and Transylvania. In addition, stirring appeals have come from Poland and Austria, which for lack of funds the Committee has not been able to heed.

The Committee has administered its funds in each case through officially accredited bodies representing the Protestant Churches of the various countries of Europe, in

most cases the predominant element in each group has been that of the Reformed Churches. The funds contributed to France and Belgium were sent through or reported to the Federal Council of Churches to a similar body in Paris where all of the evangelical Protestant efforts of France center. Much good has already been done in rebuilding churches, repairing historic buildings, paying pastors' salaries, and in maintaining Theological Seminaries.

In Italy the coöperation of the Committee has been altogether with the Waldensian Church, the oldest Protestant Church in the world. It is not necessary to refer to the thrilling story of this brave people, our Presbyterian ancestors who have kept the light of the pure Gospel burning for so many years and who are now coming to the realization of their hopes and prayers.

Over forty years ago, Italian Pastors came to this country seeking aid, but it was not until 1906 that the American Waldensian Aid Society was formed. The General Assembly's Committee has coöperated with the American Waldensian Aid Society and has made its remittances through its Treasurer. According to current reports, there are sixty Waldensian Churches and one hundred and fifty mission stations in Italy, besides orphanages, hospitals, homes for the aged, schools and social work of various sorts. The high quality of teaching in the Waldensian Schools is so regarded that its three High Schools are the only Protestant High Schools recognized by the Government of Italy. Work has been begun on the new dormitories at Torre Pellice and at Domaretto. The Theological School for many years in Florence has been moved to Rome where it is destined to become a strong center of Protestant influence. The outlook in this ancient Kingdom for a pure Gospel was never brighter. Waldensian pastors became chaplains in the Italian Army, during the war, and distributed Gospels freely.

It is deeply to be regretted that the Committee has not received sufficient funds to fulfill its plans for the Waldensian Church. Indeed, the officials of that Church, encouraged by the hopes expressed by the Committee, had become involved in extensive developments which are now seriously threatened because of lack of funds. It should be pointed out that the contributions received by the Committee have come largely from churches making use of the budget system and that for the most part churches that do not use the system have not recognized this Cause.

It is a far cry from Italy to the Balkans, but it was the Waldensian Church which sent its missionaries into that

region. It is claimed that Peter Waldo himself, whose voice was heard in Prague, was one of those missionaries. The influence of Huss stirred Bohemia before Luther and Calvin began their reformation. So rapidly did the Reformation doctrine spread that all Bohemia was dominated by the Reformed faith, until the theological differences which separated Luther and Zwingli made their appearance and soon Protestantism in Central Europe became divided. To-day, with all the past telling the story of defeat and disaster, the Lutheran, Reformed, and Moravian brethren have come together in the United Brethren Church of Bohemia and Moravia. The General Assembly's Committee has sent $14,000, during the past year, into this country. It has been used in paying salaries, building churches, and enlarging the home mission work.

The days of which Huss dreamed have come at last and the Protestant Church of Czecho-Slovakia has taken advantage of them. A great religious revolution is taking place in the Roman Church within the bounds of this young Republic. More than 500,000 Roman Catholics have left the Greek Church and have founded a National Czech Church in which the Scriptures are read and the service is in the language of the people. Huss is the patron saint. The people elect their own priest and these priests elect their own bishop. At least one hundred priests, it is reported, have already deserted to this Movement. A petition from 1500 curates has been forwarded to Rome, asking for reforms and concessions, including permission to marry. In Prague there are 80,000 members in this new Church. The General Assembly's Committee has appropriated $16,500 for work in Czecho-Slovakia, during the year which has just closed.

The General Assembly's Committee has also made appropriations to the Protestant Churches in Hungary and in Transylvania. Certain difficulties have been faced in Hungary on account of the relation of the Hungarian Churches to the Independent Hungarian Church in the U. S. These difficulties have not been satisfactorily adjusted and they exist as a barrier to thorough-going understanding and coöperation. In Transylvania, which is now a part of Roumania, there is a Protestant population of 1,526,597, of which 412,000 are Lutherans and 70,000 Unitarians. The opposition to growth here comes from the Greek Orthodox Church. The Saxons, or Lutherans, who came in the 12th century, have sworn allegiance to the State, but the Magyars refuse to do so and because of this refusal their Schools have been closed, their glebe-lands

seized and given to the people, and their ministers put into prison. The Roumanians claim the persecution is because of political acts. The Reformed Church denies the accusation and maintains the persecution is religious and for the purpose of stamping out the Reformed Church. The Roman Catholic, Reformed, and Unitarian Churches have been included in this persecution, and even the Lutherans find their own hopes are being crushed, notwithstanding their allegiance. The General Assembly's Committee has appropriated $14,000 to the Reformed Churches in Hungary, and $19,000 to the Reformed Churches in Transylvania, in each case the funds being administered by a Committee of representative church leaders in the several countries.

The Committee calls the attention of the General Assembly to the fact that in the midst of all the physical relief given to the stricken people of Europe through large contributions of funds, in which Presbyterian benevolence is generously represented, the work of the General Assembly's Committee has been specifically concerned with the restoration and maintenance of the Protestant faith in the stricken war zone of Europe. The Committee believes that if the Church at home knew the full significance of the struggle of Protestantism to become master of the new day that is breaking in Europe, it would put large resources at the disposal of the Committee for the carrying on of its important work.

The Committee regrets to report that the Executive Commission of the General Assembly did not include the work of this Committee in the benevolent budget for the ensuing year, and that subscriptions which have already been made on the basis of the budget do not include any provision for this appealing work. The Committee notes that the Executive Commission, in its reconsideration of the budget, has recommended to churches and sessions that out of any undesignated gifts that may be in their hands, they make provision for this Cause among others and expresses the hope that the sum of $25,000 may be provided by the Presbyterian Church for its stricken sister churches across the sea. The General Assembly's Committee appreciates the effort of the Executive Commission to right the wrong that was done in omitting its work from the budget, but believes that this method of making provision will not produce the desired results. The Committee, therefore, recommends that the General Assembly make provision for the work of this Committee, during the present fiscal year, to the extent of $50,000, in addition to the sum included

in the budget of the Boards and Agencies, and that the Assembly direct that hereafter this Cause be placed in the regular benevolence budget of the Church.

The Committee is aware of the fact that previous to the World War a Standing Committee of the General Assembly had been carrying on work in Europe, directing its efforts in behalf of English-speaking people in various European cities. The Committee believes the time has come when its own existence as a Special Committee may be discontinued, and when the Standing Committee on Work in Europe may be entrusted with a continuance of the tasks now given to the Special Committee, so long as the present emergencies may exist in Europe. The Committee, therefore, recommends (1) that the General Assembly's Committee to Administer the Fund for the Aid of Protestant Churches in Europe be discontinued, and that its work be transferred to the Standing Committee on Work in Europe, to be carried on by it as long as the present emergent needs continue.

The Committee also recommends (2) that in order to carry on such work to the best advantage, the Standing Committee on Work in Europe be enlarged, and that the following persons be added to its present membership from the membership of the Special Committee which has administered the Fund, during the past two years.

Rev. Arthur J. Brown, D.D.
Rev. William Hiram Foulkes, D.D.
Rev. John A. Marquis, D.D.
Rev. H. G. Mendenhall, D.D.
Rev. Ford C. Ottman, D.D.
Rev. David G. Wylie, D.D.
Mr. W. S. Coffin.

Whereas, the Protestant Churches of France, Belgium, Italy, Czecho-Slovakia, Transylvania and other countries of Europe are facing a momentous opportunity in view of the unprecedented religious awakening, which is taking place in the hearts of their people and as these churches are in a weakened condition as the result of the war and are not able unaided to make full use of the opportunity which is theirs at the present time, and

Whereas, their Protestant compatriots in the United States are greatly interested in their spiritual welfare and are eager to send money and men to the assistance of the Protestant Churches of Europe, and as it is highly important that this missionary interest on the part of our new citizens

be encouraged and stimulated and the aid which they are able to give augmented by a missionary fund

Be It Resolved: That the enlarged Committee on Work in Europe be especially charged by the General Assembly with the responsibility of aiding the Protestant Churches in Europe by sending both men and money and that in working out this plan of assistance, the Board of Home Missions be authorized to coöperate with the Committee, through its City and Immigrant Work Office, which is allied with representative groups of these nationalities in this country, such as: the Presbyterian Conference on Italian Evangelization, the Presbyterian Conference on Magyar Work, the Bohemian Presbytery of the Central West, the Bohemian Presbytery of the South West and other groups. Furthermore, we recommend that the Committee be authorized to receive gifts designated for this object and that churches and individuals be urged to contribute generously to the work of this Committee.

The report of Mr. Dwight H. Day, Treasurer of the Board of Foreign Missions, which is the Treasurer of the General Assembly's Committee to Administer the Fund for the Aid of Protestant Churches in Europe, is herewith attached as a part of the report of the Committee. The audit of the report is included in the audit of the Board of Foreign Missions.

Respectfully submitted,

The Special Committeee on Work on the Continent of Europe, through its Chairman, Rev. S. W. Beach, D.D., presented its report, which was received, and pending the adoption of the recommendations, the Assembly was addressed by the Revs. Misolav Filipi, J. W. Dobias, and Joseph Krenek. The report and its recommendations were adopted, as follows:

Your Special Committee on Work on the Continent of Europe would respectfully report as follows:

The work of the Committee the past year has been limited to the American Church in Paris, and the "Latin Quarter Reunions" of the Students. As reported last year, the two departments of work in Paris have been merged so that "The Atelier Reunions" form the department of the activities of the Rue de Berri Church. The consummation of plans looking to the raising of a fund of Two Million Dollars has been delayed, owing to financial conditions prevailing throughout the country, but encouraging progress has been made as the following report will indicate:

For this dual work in Paris, contributions have been made as follows:

Denominational Boards:			
Congregational	$100,000		
Presbyterian	10,000	(for three years)	
Methodist	50,000		
Total	$160,000		$160,000
Churches for Pew Endowments:			
Congregational	$4,809		
Presbyterian	5,727		
Collegiate of New York	500		
Total	$11,036		11,036
			65,855
Individuals:			
		Total	$236,891

We have a list of fifty-seven churches, including Baptists, Collegiate, Congregational, and Presbyterian, in all parts of the country, interested in endowing pews. There is also a list of twenty-two individuals of large means from whom liberal contributions have been promised in the future.

The actual cash received for deposit makes a total amount collected, from October 28, 1919 to April 10, 1921, of $38,776.74; the expenses for the same period have been

$19,850.74, leaving a balance in the bank of $18,926.00, and $14,000 of this has been invested in United States Victory Notes at 4¾%. Conserving what must be held for pew endowments (thus far paid in), we have only about $10,000 free funds to send to Paris as occasion may require.

The Chairman of the Special Committee on Work on the Continent of Europe has also, by appointment of the General Assembly, been a member of the Committee for the Administration of Funds for Protestant Churches in Europe, and it has seemed wise to this latter committee that the scope of the work of the Special Committee on work in Europe should be widened, so as to include the whole field of operations, now divided between the two committees.

In view of this conviction on the part of the Committee on the Administration of Funds for the Protestant Churches of Europe, the following action was taken at a meeting held in New York, April 7, 1921:

"*We Recommend:* That the Committee to Administer Funds for the Protestant Church in Europe be discontinued, and that its work, as long as the present emergent needs continue, be transferred to the Special Committee on Work in Europe. It is also recommended that the Committee on Work in Europe be enlarged to thirteen (13) members, and that the following be added to its present membership: the Rev. Drs. Brown, Foulkes, Marquis, Mendenhall, Ottman, Wylie, with Mr. W. S. Coffin."

Should this merger be adopted by the General Assembly, the Committee on Work in Europe, with this wider field of operation, would be constituted as follows: the Rev. Drs. Sylvester W. Beach (Chairman), Arthur J. Brown, Joseph Cochran, William H. Foulkes, John A. Marquis, Harlan G. Mendenhall, Ford C. Ottman, Tertius Van Dyke, Charles Wood, with Messrs. W. S. Coffin, Cheeseman A. Herrick, Alba B. Johnson.

Respectfully submitted,
SYLVESTER W. BEACH, *Chairman.*

At the request of the Executive Commission, the substitute report of its Budget Committtee, which it offered yesterday as an amendment to Paragraph XVII of the Executive Commission's Tentative Report, was returned to the Commission for amendment.

As amended, the substitute was passed by the Assembly, and became a part of Paragraph XVII of the Report of the Executive Commission. This paragraph as thus amended, appears later in the Executive Commission's Report as adopted as a whole.

Moderator.
JAMES M. HUBBERT,
Acting Stated Clerk.

The Permanent Committee on Sabbath Observance, in the absence of its Chairman Emeritus, Mr. James Yereance, and its Chairman, Rev. H. H. McQuilkin, D.D., presented its report through Rev. Walter L. Whallon, D.D., which was received with its recommendations, and pending action on the recommendations, the Assembly was addressed by Rev. Harry L. Bowlby, D.D., General Secretary of the Lord's Day Alliance, and the Rev. Robert Watson, D.D., of New York City.

The report was approved and resolutions were amended and adopted as follows:

Resolved, 1. That the General Assembly most emphatically condemns the organized attack on the Lord's Day in putting on the so-called "Blue Law" propaganda last November, the purpose of which was to discredit the Lord's Day Alliance of the United States, the intermediary of the Churches in the department of Sabbath Observance, and which propaganda was used by these opponents of the Christian Sabbath as a smoke screen to conceal their real purpose of breaking down all the Sunday Laws and thereby commercializing their business, the movies, sports and other unnecessary profit making institutions on Sunday; and that pastors and church officials are urged to keep close watch on recurrences of the propaganda showing itself in the daily press, the movies and thea-

tres, and to request their people to enter prompt and effective protests against it in their communities to the newspapers and other mediums of information, and to the parties aiding the propaganda.

Resolved, 2. That our Churches be requested and urged to give increased moral and substantial financial support to the Cause of the Sabbath, especially in view of the bitter and powerful attacks that are being made against it and which must be decisively and immediately mastered.

Resolved, 3. That the General Assembly approves the hearty and effective coöperation of the Committee with the Lord's Day Alliance of the United States and its affiliated societies, appreciates the excellent measures of success which have attended their efforts in the prosecution of educational programs, and their aggressive work on constructive and progressive plans for the defense and preservation of the American Sunday.

Resolved, 4. That the column assigned to the Cause of the Sabbath now on the statistical blanks sent by the Stated Clerk to the Churches be made to read, "Sabbath Observance."

Resolved, 5. That the General Assembly requests pastors and official boards of our Churches to place on the Church calendar frequently during the year scriptural texts and items bearing on the Sabbath and its problems, that pastors preach on the subject at least at one Sabbath morning and evening service, and that organizations of the churches, Sabbath Schools, Young People's Societies, Men's and Women's Clubs, and Classes and missionary societies, give a place to this vital subject on their regular, conference, and convention programs.

Resolved, 6. That we again heartily commend the movement for the early enactment of a Sunday rest law for the District of Columbia in which is located our National Capitol and assure our Permanent Committee on Sabbath Observance, the Lord's Day Alliance of the United States, and the Pastors Federation of Washington, of every possible support toward the accomplishment of this desired end; and that we ask our churches to take suitable action respecting the bill as information reaches them through our accredited agencies from time to time.

Resolved, 7. That the Assembly heartily endorses the plan of the Saturday half holiday, commends all employers who grant it to employees and recognize it as tending to a more proper observance of the Christian Sabbath; and that it earnestly requests all public officials to exercise great care and determined action for the defense of the laws protecting

Sunday from rapacious commercialism, to secure their enforcement, and help to strengthen these laws where they are weak.

Resolved, 8. That the General Assembly recommends that the Sabbath Observance Committees of the Presbyteries and Synods coöperate with the Permanent Committee, with affiliated societies of the Lord's Day Alliance where such exist, or other societies working for the protection of the Christian Sabbath; and that similar committees be organized in Presbyteries and Synods where they do not exist at the present time.

Resolved, 9. That the members of the Permanent Committee on Sabbath Observance, whose terms of office expire with this Assembly, be re-elected for a term of three years:

Herbert Booth Smith, D.D., Los Angeles, Cal.
David G. Wylie, D.D., New York City.
F. W. Johnson, D.D., Newark, N. J.
Hon. Wm. J. Bryan, Miami, Florida.
Mr. Henry P. Crowell, Chicago, Ill.
Mr. Charles L. Huston, Coatesville, Pa.

The devotional service was conducted by Rev. A. Edwin Keigwin, D.D., of the Presbytery of New York.

The following telegrams were received and read to the Assembly, and were referred to the Standing Committee on Correspondence for suitable reply.

"Paducah, Ky., May 20th.

General Assembly of the Presbyterian Church, Winona Lake, Ind.

Greetings are hereby sent to you from the General Assembly of the Colored Cumberland Presbyterian Church now in session at Paducah, Ky. Read Psalm 133.

G. W. SADLER,
Ruling Elder, Moderator.
REV. JAMES EDWARD,
Stated Clerk."

"Nashville, Tenn., May 20th.

General Assembly Presbyterian Church, U. S. A.

As Chairman of Southern Methodist Conferences Committee, we beg your coöperation and endorsement of proposed national Sunday law to stop all Sunday interstate commerce trains, newspaper, mails, securing Sunday as Rest day. We must all coöperate to save our Sabbath or our nation will soon go like Israel to Babylon, like Europe to ruins. The cry of Blue Law is like Ahab accusing Elijah. Please don't fail to act. Notify me at my expense.

NOAH W. COOPER."

The Assembly ordered that certain judicial papers referred to the Judicial Commission, be referred to the Standing Committee on Judicial Business.

The Assembly took recess until 2.30 P. M. and was closed with prayer by the Moderator.

SATURDAY, May 21, 1921, 2.30 P. M.

The Assembly met and was opened with prayer by Rev. David G. Wylie, D.D., LL.D.

A communication from the churches in Czecho-Slovakia, was referred to the Special Committee on Work on the Continent of Europe.

The Permanent Clerk reported that Elder O. M. Fitzhugh of the Presbytery of Austin was unable to serve as Temporary Clerk, and was excused by the Assembly. The Permanent Clerk than nominated Elder J. L. Oakey of the Presbytery of Riverside, California, as Temporary Clerk, and he was duly elected.

The Special Committee on Reorganization and Consolidation of Assembly Agencies, through its Chairman, Rev. John Timothy Stone, D.D., presented its report, which was received, and pending action on the recommendations, the Assembly was addressed by Rev. Maitland Alexander, D.D., Elder B. O. Steiner, Ph.D., Rev. John T. Reeve, D.D., Rev. William A. Byrd, D.D., Rev. John A. Savage, D.D., Rev. D. H. Edwards, and Rev. G. W. King, D.D.

The report and its recommendations were adopted, as follows:

Fathers and Brethren:

Your Committee, as constituted by the 1920 General Assembly, and appointed by the Moderator, consisted of the following five ministers: John Timothy Stone, Alexander MacColl, William H. Black, Robert J. MacAlpine, Walter H. Houston; and the following five elders—J. M. I. Finney, M. D., Fred M. Bartlett, Andrew Timberman, M.D., J. I. Buchanan, Montgomery Webster (Resigned).

The Committee has held three regular meetings, and has, through sub-committees, carried on much additional investigation, inviting and receiving from the Boards and Agencies of the Church statements of their activities, statistics of their work, past and proposed budgets, and various relative communications. When possible, representatives from the Boards have been consulted in personal conferences. From the first, the Committee has been open-minded, welcoming the opinion, counsel and suggestion of all who have approached them, and inviting views from those who have differed broadly from them, but whose experience and interest should command attention.

The Committee feels that the Church at large has sometimes suffered through compelling conditions which have

prompted undue haste. It is our belief that a full and frank discussion of the whole question should be encouraged, and that the entire Church should have opportunity to discuss this question, and to act deliberately, even at the cost of time, and through a policy of Presbyterial referendum, if such action should be considered wise by the Assembly. Such discussion, carried on with full freedom of the Boards and Agencies to present all facts to the Church, would tend to a clearer knowledge and a wiser conclusion than could be expected from hasty action influenced by limited representation or individual judgment.

The subject of the consolidation of our Boards and Agencies has been before the Church for many years. In 1906, on the recommendation of the Committee on Bills and Overtures, a Special Committee on Administrative Agencies was appointed, consisting of ten ministers and eleven elders, the chairman being Rev. James D. Moffat, D.D., LL.D. This Committee made a prolonged study of the case for and against consolidation, and of instances of over-lapping in the work of the Boards. In 1908 (*Minutes*, page 147), it reported that there was "one belief that made it impossible for your Committee to recommend any merging of two or more Boards, under existing circumstances. This was that the union of two Boards with the loss of one of their collections in the churches would result in the diminution of the amount of money for its united work, as compared with the amount usually obtained by the separate Boards."

In 1909, this Committee reported: that "the legal obstacles to consolidation are, without question, at present insurmountable." Upon recommendation of this Committee, the Executive Commission of the General Assembly was established, and the Commission was instructed "to consider and formulate a plan for the consolidation and rearrangement of such Boards as they may deem advisable" (as soon as the legal difficulties can be removed).

In 1910, the Assembly, on recommendation of the Executive Commission (which declared its belief that none of the many obstacles to consolidation, legal or otherwise, was insurmountable), took this action: "*Resolved*, That the Boards of Home Missions, Church Erection, and Freedmen, if the way be clear, should be either consolidated, merged, or so rearranged that their general direction and supervision may be brought under one general control, and that further time be given to the Executive Commission, in order to determine, with the advice of expert counsel, what form such proposed rearrangement or consolidation

should take; and also the rearrangement or consolidation of any other Boards or Agencies of the Church, if the same should be found to be feasible; and, when so determined, to report the same to the General Assembly." (*Minutes*, p. 87.)

In 1911, at Atlantic City, the Committee having been advised by its counsel that there were legal barriers in the way of consolidation, presented a plan "for consolidation in the personnel of the Boards' members, through such an intersphering of the membership of the Boards as to make two or three Boards out of one group of persons." This plan was proposed, 1: in relation to the Board of Home Missions, the Board of Church Erection, and the Board of Missions for Freedmen; 2: in relation to the Board of Education and the College Board; 3: in relation to a third group. The recommendation as to the first two groups was adopted by the *Assembly*, but the action proposed was not mandatory and has never been effected.

Since this time, there have been at least three important developments affecting the whole matter of consolidation. 1. The Budget Plan of giving has largely superseded the method of "collections" throughout the Church, removing the principal obstacle to consolidation suggested in 1908, i.e.—"that the union of two Boards with the loss of one of their collections in the churches would result in the diminution of the amount of money for its united work, as compared with the amount usually obtained by the separate Boards." 2. The legal consolidation of the Board of Education and the College Board *has* been effected. 3. The number of Boards and Permanent Agencies of the Church has been even further increased.

As to the legal aspects of the question, it is notable that while we have asked for legal reasons against possible consolidations, ensuant upon the study of these matters, no specific replies have come, though there have been general statements which simply affirm that there are legal barriers. For instance: one legal opinion given implies that a court would not be likely to effect a transfer of moneys, securities, and properties from one corporation to another, even in the same Church body. However, attention may be called to the fact that such transfer of money, securities and properties of the Board of Education, which is a corporation of one state, to the General Board of Education, which is a corporation of another state, was legally effected in 1917. We may infer that this could probably be done again, if such action were desirable and were ordered by the General Assembly. It is also a natural

inference that a division of the activity could be effected, if such action should be deemed wise.

The Committee desires to say that a sub-committee has gone quite fully into this whole legal question, as related to our different Boards and Agencies, and is prepared to report in due time, if so directed; also, to continue further such consideration and investigation.

However, the Committee holds in remembrance that the General Assembly has already approved consolidation plans with reference to the union of most of the Boards and Agencies under consideration (*Minutes* 1911, pp. 151-159).

Consolidation has been effected between the Board of Ministerial Relief and the Board of Sustentation, and also between the Board of Education and the College Board. In these cases experience has apparently justified the consolidation. The legal difficulties are not insurmountable, although they were alleged to be at the time the plans were approved by the General Assembly, in Atlantic City, in 1911. With this experience in trying out, piecemeal, the legal aspects of consolidation measures, it would appear *that, so far as the law is concerned, there is no insurmountable difficulty in the way. The vital question is one of expediency and utility.*

The times are new; the problems are vast; the law is old and conservative, but it is no intention of law to interfere with the progress of the State or of the Church, and therefore if changes in organization are desired, a way can and should be found by which to effect them.

Again, the Presbyterian Church is one Church, and all its Boards, congregations, ministers, property, of every description, are included in the holdings of this one Church. It has a right to decide what it will do in, with, and for itself. The law, as expressed by the Supreme Court in its late decisions concerning the union, has reaffirmed that anything which the Presbyterian Church can do constitutionally for itself, it can do with any one or all of its subordinate agencies.

The Committee finds, from definite statement and conference, that some of the Boards and Agencies are opposed to any consolidation plans. Naturally, this is generally true of those Boards which are liable to be affected by such consolidation. These Boards and Agencies, however, favor closer coöperation and a better understanding. Each Board and Agency has the right to feel the importance of the special need and Providence which called it into being, but to your Committee it does not appear that because a problem has Providentially emerged and has been Prov-

identially met, therefore, Providence provides for the permanence of the form of agency first established. It may be equally justifiable to believe that the call for the consolidation of the Boards and Agencies, which seems to express itself in so many different quarters of the Church, is now the Providential call for action in order to carry out the *present* will of God.

The Committee is directed to consider the reorganization and consolidation of the Boards and Permanent Agencies of the Church. Such consideration may be pursued in either of two directions:

(A) A comprehensive plan for the reorganization of the entire work of the Church may be presented. Several such plans have been before us and have been considered. They provide for a substantial reduction of the number of the Boards and Permanent Agencies of the Church, ranging in scope and suggestion from a minimum of two to a maximum of eight Boards or Departments, with regrouping which would tend to eliminate overlapping, and to an effective coördination which would increase coöperation.

(B) A plan for the consolidation of certain existing Boards, on the lines already initiated by previous Assemblies, as in the case of the College Board and the Board of Education, now the General Board of Education.

The Committee is not at this time prepared to recommend a final program in either of these directions, but believes that the continual multiplication of agencies is unfortunate, and that their reduction and simplification would be appreciated greatly by the Church at large.

The Committee believes that some adjustments, supposed to be impossible, are actually possible, and are supremely worth doing; but the questions involved are very large and perplexing. In any plan of reorganization, every real interest of every Board and Agency must be studied and jealously conserved. The consideration of all these questions demands more time than the Committee has been able to give. The Committee of 1906 spent three years upon its work. Such work calls busy and responsible ministers and elders from their regular duties and involves considerable time and expense to them and to the Church.

Before proceeding further, if such be the will of the Assembly, the Committee desires to have the assurance that the general direction in which their study has been pursued has the approval of the Church, and in order to secure definite expression from the Assembly, it submits for the Assembly's consideration the following recommendations:

1. That the Special Committee on Reorganization and

Consolidation of the Boards and Agencies of the Church be continued, vacancies being filled by the Moderator, and that it report to the next General Assembly.

2. That the Committee be directed to pursue its work upon the general plan as outlined in paragraph A of this report, i.e., that a comprehensive plan for the reorganization of the entire work of the Church be presented; a plan which provides for a substantial reduction of the number of the Boards and Permanent Agencies of the Church, for a regrouping which will tend to eliminate overlapping and to far more effective coöperation through coördination.

In concluding, the Committee desires to express to the General Assembly their judgment that the questions involved in this matter are so serious and far-reaching that personal desires must be subordinated in any effective consideration of them. The Committee wishes to express their high appreciation of the work which has been undertaken and efficiently carried on by the organizations which have hitherto directed and administered our Church policies and funds, and would commend the fidelity of the men and women who have given, and are giving, their lives to the great tasks as secretaries and officers of our Boards and Agencies.

Faithfully submitted,

JOHN TIMOTHY STONE, *Chairman.*

Overtures 802–895 were referred to the Special Committee on Reorganization and Consolidation of Assembly Agencies.

The Standing Committee on Men's Work, presented its report through its Chairman, Rev. Phil C. Baird, D.D., which was received, and pending action on its recommendations, the Assembly was addressed by the Rev. Charles H. McDonald, D.D.

The report was approved, and its recommendations were adopted as follows:

1. That we gratefully record our gratitude to God, that after many years of believing prayer, anxious waiting and earnest endeavor, the Men's Work has attained to its present growth and stability.

2. That the Assembly urges Sessions in all our Churches to avail themselves of the help its Committee on Men's Work offers for stimulating existing men's organizations, or setting up new ones, for constructive programs of activities in the Churches.

3. That the Assembly again reminds Synods and Presbyteries of the urgent need to appoint on committees on Men's

Work, men who have Men's Organized Work in their own Churches.

4. That while the Assembly commends the Churches for increased contributions to the Men's Work during the past year, it reminds them that the present budget is inadequate to meet the needs in Men's Work.

5. That the Assembly requests all Sessions that designate funds for the Boards and other Permanent Agencies to include Men's Work in such designation in order that the Men's Work shall receive its Assembly percentage.

6. That the Assembly urges Presbyterian men everywhere to renewed consecration of time and money for the work of their own local Churches, and for the Boards and Agencies of their own Church.

7. That the Assembly commends to our men's organizations every practical form of coöperative work with similar organizations in other Churches.

8. That the Assembly approves the action of the special committee on the National Service Commission, January 21, 1921, in transferring to the Assembly's Committee on Men's Work, the direction of the work for service men, in accordance with the action of the last Assembly (*Minutes*, 1920, page 163); and that the Assembly directs the Men's Work Committee to carry out this provision:

(*a*) By preparing for distribution a leaflet based on plans which have been successful in some of the Churches in enlisting service men in the work of the Churches.

(*b*) By directing to pastors a communication requesting the observance of the Sunday nearest Armistice Day as a time of recognition and of enlistment of service men in Christian activities.

(*c*) By requesting all pastors to follow closely the service men who remove from their congregations and to furnish the addresses of such men to the pastors into whose localities they have gone.

(*d*) By preparing a list of suitable speakers and entertainers available in different regions, for the information of pastors and other leaders, who desire such help for men's meetings.

9. That the Assembly instructs the Stated Clerk to provide a column for Men's Work in the statistical blanks sent to Stated Clerks of Presbyteries, and in the statistical reports of Churches in the *Minutes* of the General Assembly.

10. That the docket of the Assembly be so arranged that the report of the Standing Committee on Men's Work be made to the Assembly Saturday morning, so that this report to the Assembly shall precede the Popular Meeting on Men's Work, as is the custom with the other Boards and Agencies.

11. That the election of Rev. George P. Horst, D.D., as Field Secretary for Men's Work be approved.

12. That the following members of the Committee whose terms expire with this Assembly be re-elected for a term of three years:

William C. Covert, D.D.	William D. B. Ainey
D. Draper Dayton	James J. Parks
Daniel E. Jenkins, D.D.	J. Willison Smith

and that Phil C. Baird, D.D., be elected as a member of the Class of 1924; and Josiah Sibley, D.D., be elected as a member of the Class of 1922; and that Arthur B. Hall be elected as a member of the Class of 1923.

13. That the Moderator and Stated Clerk be *ex-officio* members of the Committee.

The Special Committee on Reorganization and Consolidation of Assembly Agencies was increased by the addition of three ministers and two elders, to be appointed by the Moderator.

Greetings were received from the General Assembly of the Presbyterian Church in the United States, and were read to the Assembly. The telegram was referred to the Committee on Correspondence for suitable reply.

Popular meetings were held on Sunday, May 22, at 3.00 P. M., in behalf of the Boards of Foreign Missions and Home Missions, and the Woman's Boards of Foreign Missions and Home Missions.

MEMORIAL SERVICE FOR DR. ROBERTS.

The Executive Commission at its meeting in Chicago, February 24, 1921, took the following action:

> "The Moderator reported that in his judgment there should be held, during the next Assembly, a service in memory of the late Stated Clerk, Dr. Roberts, and that he had requested Rev. J. Ross Stevenson, D.D., to arrange for such a service.
>
> "His action was approved, and the defraying of the expenses of the service was authorized."

In accord with the above action of the Executive Commission, there was held in the Winona Lake Auditorium at 4 o'clock, a service in memory of the late Stated Clerk, Rev. William Henry Roberts, D.D., LL.D., who had served the Assembly as its Permanent Clerk for two years, and as its Stated Clerk for thirty-six years, and passed to his reward June 26, 1920.

Dr. Stevenson presided and prayer was offered by the Moderator, Rev. Henry C. Swearingen, D.D. Rev. Eben B. Cobb, D.D., of Elizabeth, N. J., paid a tribute to Dr. Roberts' life and service as a pastor and evangelist. Rev. Maitland Alexander, D.D., of Pittsburgh, Pa., gave an address concerning Dr. Roberts's service in Presbyterianism as Clerk of the Assembly, and as an authority on the faith and order of the Church, whose interests covered the whole life and work of his own denomination. Rev. John A. Marquis, D.D., Secretary of the Board of Home Missions, spoke of Dr. Roberts's relationship to the whole Protestant Church, and of his conviction as to the need and possibility of one united evangelical Protestant Church. Rev. Samuel S. Palmer, D.D., of Columbus, O., offered a closing prayer and pronounced the benediction.

At 7.30 P. M. a popular meeting was held in the Tabernacle in behalf of the General Board of Education.

MONDAY, May 23, 1921, 9.00 A. M.

The Assembly met and was opened with prayer by the Rev. B. A. Hodges, D.D., of the Presbytery of Waco.

The Minutes of Saturday's sessions were read and approved.

The Moderator read the reply telegram of Rev. W. A. Sunday, D.D., to the invitation sent to him to address the Assembly, as follows:

"Bluefield, W. Va.

Rev. H. C. Swearingen, D.D., Moderator.

It is worth the efforts and sacrifices of a life time to be honored with an invitation to address the General Assembly. It would require me to miss the services tonight, a meeting in a neighboring city on Monday, the services here on Tuesday and addressing the graduation class of the State Normal on Wednesday. All these engagements make it next to impossible for me to accept the kind invitation which I appreciate more than words can express.

W. A. SUNDAY."

The following message from the Secretary of War was received, read to the Assembly, and referred to the Standing Committee on Correspondence for suitable reply:

"*The Church and Reconstruction.*

The nation is gradually putting its house in order, but neither the President by executive decree, nor the Congress by the enactment of legislation, can wholly return the country to a normal state. The solution of our problems, both social and industrial, will not be very difficult when the citizen himself decides to return to a state of normalcy; and it is in this connection that the Church, I think, has a duty to perform, the importance of which cannot be overemphasized.

The first line of defense of the Republic from the enemy without and the enemy within is not the Navy or the Army, but the Home. This great

nation was founded on the little group of sturdy Christian homes that constituted the Plymouth Colony, and it is to the American Home that America owes its greatness and power, not to its commerce, its mighty fleets, or its victorious armies. It is the source of our strength, and we cannot lessen its influence or importance without dangerously weakening the very foundation of the Republic. Keep the home fires burning, and bolshevism and I. W. W.-ism and anarchy will die of malnutrition.

There are abroad in the land influences which are steadily undermining the home life of America, and the tendency of our modern life is to seek a substitute for the home. In returning the nation to a state of normalcy, our first duty is the restoration of the sanctity, the integrity, and the importance of the American home. The Church is in more intimate relationship with the home than any other agency in the body politic, and in these days of reconstruction the Church can, if it will, exert a steadying and sobering influence in a time when men are not inclined to think clearly, and can render the nation and itself no greater service than to undertake as its part in the readjustment of the affairs of the country, the re-establishment of the old fashioned American home.

JOHN W. WEEKS,
Secretary of War."

The following telegram was received from the Indiana Christian Missionary Association, and was read to the Assembly. It was referred to the Standing Committee on Correspondence for suitable reply:

"Tipton, Ind.

General Assembly, Presbyterian Church, Winona Lake, Ind.

The Convention of the Indiana Christian Missionary Association in session sends brotherly greeting to your Assembly.

J. FRANCIS ASHLEY."

The standing rules of the Assembly were suspended in so far as they affect the appointment of more than one chairman of standing committees from one electing section.

The Moderator announced that he had appointed Rev. George E. Hawes, D.D., Chairman of the Standing Committee on Temperance and Moral Welfare.

The Committee on Bills and Overtures, through its Chairman, Rev. Hugh T. Kerr, D.D., submitted a report, which was adopted as follows:

That the report of the Standing Committee on Theological Seminaries, arranged for Monday afternoon, at 5.00 P. M., be placed on the docket for Tuesday afternoon, following the report of the Committee on Education, and that the report of the Korean Commission, arranged for 4.30 P. M., Tuesday, be docketed for Monday afternoon, following the report of the National Service Commission.

Overtures 900-977, inclusive, with reference to the first paragraph therein, we recommend that no action be taken. With reference to the second paragraph, we recommend affirmative action.

Overture 1155, we recommend that all Boards and Agencies be urged to economize, in so far as this will not defeat essential

efficiency; and to take the necessary steps to demonstrate to the Church that this is being done.

Overture 1156, no action; but attention of the Assembly is directed to the desirability of placing the "Blue Book" in the hands of the Commissioners at least a week previous to their departure to attend the General Assembly.

Overture 1404, no action.

Overture 1405, affirmative action.

Overtures 979-1154, affirmative action, with the understanding that this action shall be effective April 1, 1922.

Overture 1157, in view of action already taken by the Assembly on this subject, we recommend no action.

Overtures 1320 and 1321, in view of action taken by former Assemblies, we recommend no action.

Overture 1408, reference to Standing Committee on Temperance and Moral Welfare.

Overtures 1409 and 1410, reference to Standing Committee on Narrative.

The Every Member Plan Committee, through its Representative, Mr. David McConaughy, presented its report together with certain recommendations, which were adopted. (See report of Executive Commission Par. XVIII.)

The Executive Commission, through its Chairman, Rev. Samuel S. Palmer, D.D., presented a substitute report for the report as printed in paragraph XIV of the report of the Executive Commission.

The time of the order of the day having arrived, it was ordered that the time for discussing the report of the Executive Commission be extended fifteen minutes.

It was ordered that the report of the Executive Commission concerning paragraph XIV be made a special order of the day for 2.30 P. M. Monday.

The Committee on Church Coöperation and Union, through its Chairman, Rev. J. Ross Stevenson, D.D., presented its report, which was received. The recommendations and the report were adopted as follows:

The Committee on Church Coöperation and Union respectfully presents to the General Assembly its Report, arranged under the following heads:

1. The Presbyterian Church and other Churches.
2. Jurisdiction of the Committee.
3. Membership.
4. Meetings.

5. The Federal Council of the Churches of Christ in America.
6. The World Conference on Faith and Order.
7. The World Conference on Faith and Life.
8. The Council on Organic Union of Evangelical Churches.
9. Reformed Church in the U. S.
10. Cumberland Church, Colored.
11. The Reformed Church of Hungary.
12. United Assembly of the Presbyterian and Reformed Churches.

I. The Presbyterian Church and Other Churches.—The attitude of the Presbyterian Church toward other Churches has been set forth in the following declaration of the Assembly, which has been repeatedly affirmed:

"The Presbyterian Church holds Christian fellowship with all who confess and obey Jesus Christ as their divine Saviour and Lord, and acknowledges the duty of all Churches that recognize Him as the only Head of the Church Universal to work together in harmony and love for the extension of His Kingdom and the good of the world; and this Assembly earnestly desires to commend and promote this Christian coöperation, and also practically to advance the cause of Church Union by confederation, and, where possible, by consolidation among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization."

II. Jurisdiction of the Committee.—In keeping with the high ideals as to Christian unity expressed by the Assembly, your Committee has been acting under the following definite instructions, adopted when the original appointment was made in 1903 and reaffirmed each succeeding year:

"Whereas, This Assembly earnestly desires to commend and promote Christian coöperation, and also practically to advance the cause of Church Union by confederation, and, where possible, by consolidation among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization; therefore, be it

"Resolved, 1. That a Committee be appointed by the Moderator to consider the whole subject of coöperation, confederation, and consolidation with other Churches.

"Resolved, 2. That this Committee be instructed to enter into correspondence with any Churches of the Reformed Family with whom, in the judgment of the Committee, such correspondence would be likely to promote closer relations.

"Resolved, 3. That this Committee shall report to the next Assembly such plans and measures as seem to them wise, proper, and profitable for the advancement of fraternal relations, for the increase of harmonious work, and, if God shall open the way, and incline the hearts of the Churches thereto, for the reunion of those who hold the same faith and order in the service of Christ. Adopted." (*Minutes*, 1903, pp. 90, 91.)

III. Membership of the Committee.—Since the last Assembly, the Committee has lost by death its honored and

efficient Chairman, the Rev. William Henry Roberts, D.D., LL.D., and desires to have the Assembly place on record the following minute concerning his interest and service in the cause of Church Coöperation and Union.

Your Committee desires to place on record the long and wide-reaching service of the late Rev. William Henry Roberts, D.D., LL.D., in the interests of church coöperation and union. When this Committee was appointed by the General Assembly in 1903 he was named as its Chairman, and through the succeeding years, until the time of his death, with unfailing tact and wise judgment, with whole-hearted interest and self-sacrificing effort, with loyalty to his Master and the Church he loved, he faithfully endeavored to promote the expressed desire of the Assembly for a closer "coöperation, confederation and consolidation with other Churches." Striving to promote that unity for which Christ prayed, his labors were greatly blessed, and culminated in that most impressive occasion when the Welsh Calvinistic Methodist Church, the Church of his fathers, came as a body into the membership of the Presbyterian Church. Referring to this union, Dr. Roberts declared, a short time before his death, "it was the crown of my life, for which I shall always thank God alike in earth and heaven."

Another member of the Committee, the Rev. William J. Darby, D.D., has been called to his heavenly reward, and in grateful memory of his character and devotion to Christian unity the following minute is presented:

During the past year one of the most active members of the Committee on Coöperation and Union has passed away. The Rev. William J. Darby, D.D., LL.D., was pastor at Evansville, Indiana, in 1903, when negotiations for union between the Cumberland Presbyterian Church and the Presbyterian Church, U. S. A., were inaugurated. Dr. Darby was one of the influential men at the Assembly at Nashville, Tennessee, urging the importance of union and the selection of a Committee on Negotiations. He was made a member of that Committee and from the beginning was one of the active promoters of the union. When it was consummated successfully, in 1906, Dr. Darby was made a member of the Committee on Coöperation and Union of the Presbyterian Church, U. S. A., and, up to the time of his death, served efficiently. He was not present at the last meeting, but has generally been in the conferences of the Committee. Genial, enthusiastic, practical and sensible, his counsels were invaluable and appreciated most heartily by his brethren of the Committee. His very eminent service to the Church in other capacities, as pastor, secretary, educational promoter, organizer of various Boards, particularly in connection with the Cumberland Presbyterian Church, are hereby recognized, but cannot be presented in detail. He was "ripe for the harvest." He was busy in the evening with his correspondence, lay down to sleep feeling as usual, chatted for a little while, and then—fell asleep. Such was the gracious manner of parting with his wife, his children, and his Church. "The Lord giveth His beloved sleep."

In the reorganization of the Committee the Rev. J. Ross Stevenson, D.D., was elected Chairman, and the Rev. H. G. Mendenhall, D.D., was made the Secretary. An Executive Committee of five members was appointed, as were also sub-committees, to study the business entrusted to the Committee by the last Assembly.

When the Committee was first appointed, in 1903, it consisted of eleven members. The membership was subsequently increased to fifteen, and in 1905 the Assembly

limited the membership to twenty-one. Members, however, have been added at different times by the General Assembly for specific service, so that the present number is twenty-four. The Rev. Robert McKenzie, D.D., who for a number of years has been a faithful and useful member, has resigned because of inability to attend Committee meetings. It is recommended:

1. That the Assembly approve a membership of twenty-one when the present membership has reached that number.
2. That when any member of this Committee is absent, without excuse, from three successive meetings, the Committee shall declare his place vacant and notify the Moderator of the Assembly so that he may make a new appointment.

IV. Meetings of the Committee.—The Committee has held two full meetings during the year, one at Atlantic City, N. J., Sept. 30, 1920; and one at Philadelphia, Feb. 9, 1921. The main purpose of these meetings was to confer with representatives of the Presbyterian Church, U. S., the United Presbyterian Church, the Reformed Church, U. S., and the Reformed Church in America, regarding the Plan of Closer Union with Reformed and Presbyterian Churches, presented at the last Assembly and referred back to this Committee for further consideration. (*Minutes*, 1920, p. 59.) In connection with these meetings your Committee considered the other matters referred to it by the Assembly, and concerning which we make full report. In the interim between the two general meetings, sub-committees have met and worked out the details necessary to final action by the whole Committee.

V. The Federal Council of the Churches of Christ in America.—In connection with the report of the Federal Council of Churches of Christ in America, it is important that the Church keep in mind the distinction between it and the American Council on Organic Union of the Churches of Christ. This latter is the name attached to the movement inaugurated by the General Assembly of 1918, at Columbus, Ohio. Its object, as its title indicates, is the organic union of the Churches of Christ in America. The Federal Council of Churches is purely a Coöperative Movement and by its own constitution is limited to the field of coöperation. There is, therefore, no conflict of purpose between them and no duplication of effort.

Inasmuch as the Assembly places all relations of the Presbyterian Church, U. S. A., with the Federal Council in the hands of the Committee on Church Coöperation and

Union, we feel that the financial situation should be presented in full. The organization of the Federal Council, as outlined in its reports, includes a radical change in its method of financing. Heretofore the Council has depended mainly on gifts from individuals to meet its expenses. In the effort to bring it into more vital connection with its constituent Church bodies, it feels that the best course hereafter is to throw itself on these bodies for its entire support. Such an arrangement, if it can be effected, will make the Council more responsive to the Churches than it would likely be while drawing the chief part of its support from individuals.

In accordance with this plan a budget of $300,000 has been prepared to cover all the expenses of the Council and its commissions. Of this sum the Presbyterian Church is asked to contribute $40,000. The Committee on Church Coöperation and Union realize that however much this large sum of money is needed, the Treasury of the General Assembly does not have sufficient funds to warrant such a contribution, or anything approaching it. The Committee feels, however, that a reasonable increase in the amount heretofore contributed ought to be made. We are recommending, therefore, that the Assembly increase its contribution from $1,600 to $2,500.

Your Committee has been informed that the officers of the Federal Council have requested the Budget Committee of the Executive Commission of the Assembly to place the Council in the Benevolent Budget of the Church, along with the Boards and Agencies. We understand this has been done for the amount of $30,000. In case this sum is secured, the $2,500 recommended from the Treasury of the General Assembly should be deducted. It is recommended:

1. That the work of the Federal Council of the Churches of Christ in America be commended to synods, presbyteries and congregations of our own body, in the new day opening to it by reason of its reorganization.

2. That the General Assembly appropriate out of its treasury the sum of $2,500 for the work of the Council during the current year.

VI. The World Conference on Faith and Order.—A preliminary meeting of the World Conference on Faith and Order was held at Geneva, Switzerland, August 12, 1920, at which representatives of eighty different church bodies from forty nations were enrolled. Our own Church was represented by Revs. William P. Merrill, D.D., Charles L. Thompson, D.D., and Arthur J. Brown, D.D. The

study of the Church as it exists in the mind of God, of what is meant by unity, of the sources of the Church's inspiration, of the best expression in language of a living faith, occupied the prayers and thoughts of the members of the Conference. At the sessions, Anglican, Baptist, Old Catholic, Presbyterian, Wesleyan, Lutheran, and Quakers were present, took part in the discussion, sat together at the Lord's table, and engaged in public worship; all of which was a remarkable demonstration of that peace and love which marked the whole Conference. The practical outcome was an agreement "That there must be some kind of a visible church to which some kind of universal order is necessary and that there must be a common statement of belief as the foundation and bond of unity." A Continuation Committee, of forty-five members, was approved, which is to meet at least once a year and whose duty it shall be to continue the work so auspiciously begun by this preliminary meeting and to prepare for the General Conference on Faith and Order when this shall be called. It is recommended:

1. That the Chairman of the Assembly's Committee on Church Coöperation and Union, the Rev. J. Ross Stevenson, D.D., be appointed to represent the Presbyterian Church in this Continuation Committee.

2. That the appropriation of $1000 made last year be renewed to defray the expenses of the Continuation Committee.

3. That May 8th to 15th be observed so far as possible as a special season of prayer for the closer union of the churches throughout the world.

4. That the General Assembly entrust all negotiations having in view the proposed World Conference and all matters connected with the preparation therefor, expenses included, to the Committee on Church Coöperation and Union as the authorized representative of the Assembly.

VII. The World Conference on Faith and Life.—Your Committee has also received the following communication regarding a preliminary meeting held in Geneva last August to consider the advisability of holding a Universal Conference of the Church of Christ on Life and Work, accompanied by the printed "Records" of this meeting.

"The Conference proved to be of extraordinary interest. The attendance was large and came from many different countries and Christian communions. The outcome was a unanimous conviction that a Conference should be held that should not deal with organic union, or any ecclesiastical or theological questions at issue between different communions, but should

concern itself solely with the practical work of the Church at home and abroad. The proposal attracted wide and favorable comment in Europe. The Archbishop of Sweden, who was the original mover in the matter, believes that it could be made a memorable event in the history of the Church of God, and the Archbishop of Canterbury has said that it ought to be the most notable assemblage of the followers of Christ since the Council of Nicea.

"The delegates in Geneva appointed a temporary Committee on Arrangements, whose names you will find on pages 30-31 of the enclosed pamphlet; but with the distinct understanding that this Committee was entirely provisional and with no authority to do anything except to seek the official actions of the various ecclesiastical authorities. It was the unanimous conviction of the delegates that the proposed Conference should be distinctively a Conference of the authorized representatives of the churches themselves, and not merely a conference of individual Christians or self-appointed committees. Communications are therefore being sent to the ecclesiastical authorities of the various communions, expressing the hope that they will approve the plan and choose their own representatives upon the Committee on Arrangements.

"It has been agreed that, in addition to the two members at large appointed at Geneva—Dr. Merrill and Dr. Brown, the Presbyterian Church, U. S. A., should be asked to appoint three members of the Committee. Dr. Merrill and Dr. Brown, however, very cordially desire that the proper authority in the Presbyterian Church should appoint all the Presbyterian representatives so that the entire number of Presbyterians will serve by appointment of the Church. Dr. Merrill and Dr. Brown therefore gladly place the whole matter in the hands of the General Assembly's Committee on Church Coöperation and Union, which we understand to be the agency of the General Assembly for dealing with all matters which relate to our coöperation with other denominations.

"We venture to ask therefore that your Committee appoint five members of the permanent Committee on Arrangements. We hope that you will feel that the way is clear to do this at an early date, as the present Committee appointed at Geneva is, as we have intimated, only provisional, with no authority except to present the matter to the ecclesiastical bodies, and it will cease to exist as soon as those bodies have designated their representatives upon a permanent Committee. The procedure, as far as it has gone, has been purely preliminary, and it is not operative until the Church bodies, through their authorities have taken proper action. It is highly desirable that the representatives of the churches should be chosen so that the authorized Committee can meet in January to effect a permanent organization and get to work upon a program and the many other important matters that will require attention.

"Arthur J. Brown
"Charles L. Thompson
"William Pierson Merrill."

Your Committee decided that it was highly desirable to have our Presbyterian Church represented in the Committee to arrange for this Universal Conference of the Church of Christ on Life and Work, and appointed as Presbyterian representatives, C. L. Thompson, A. J. Brown, W. P. Merrill, E. P. Hill and H. G. Mendenhall, subject to the approval of the General Assembly. We respectfully present this whole matter to the Assembly with the request that our action in appointing these representatives to serve on the Committee be approved.

VIII. The Council on Organic Union of Evangelical Churches.—With respect to this matter of organic

union of evangelical Churches, your Committee reports that, at the last meeting of the Council on Organic Union, it adopted the name, American Council of Organic Union of the Churches of Christ. It has continued its Ad Interim Committee, and that Committee has been extending the invitation of the Council to adopt the Plan of Organic Union, which has been commonly called "The Philadelphia Plan."

By a recent publication of the Ad Interim Committee we are informed that the following is the status of the invitations and the action thereon: The list of the evangelical Churches entitled to be admitted to such an organic union was verified and checked by the late lamented Rev. William Henry Roberts, D.D., LL.D., the original President of The Council and the honored Stated Clerk of the General Assembly. The supreme governing or advisory bodies to whom this invitation is or is to be extended have, some of them, not yet convened since the Council of 1920, but the invitations have been communicated to their recording or stated clerks.

The General Synod of the Reformed Church in America and the United Presbyterian Church have voted No. The vote of the last-named body was expressly stated to be for the reason that it was the declared purpose of the Council on Organic Union to displace the Federal Council of the Churches of Christ in America. As pointed out elsewhere in this report, this is clearly a misapprehension. There is no identity of constitution, constituency or purpose, between the Federal Council and the Council on Organic Union. This is pointed out in the declaration of the Ad Interim Committee. The constitution of the one was drawn on the express understanding of *no* organic union; the constitution of the other is *based on such a union.* The constituents of the one have each a purpose which is being achieved regardless of the union of any two or of all such constituents. The constituents of the other give to the Council, which they create, definite, explicit, effective executive and administrative powers. The Federal Council is an advisory body; the Council on Organic Union is an authoritative body. In the opinion of your Committee, the functions of neither will be antagonistic, but, on the contrary, ought to be in furtherance of the efficiency of each other.

It was reported to the last Assembly that the Welsh Calvinistic Methodist or Presbyterian Church had adopted the Plan prior to its consolidation with the Presbyterian Church, U. S. A., at the Assembly in Philadelphia.

The Reformed Church, U. S., similarly received the deputation and adopted the Plan, and sent it down to its classes.

The Methodist Episcopal Church received the deputation and upon the report of its committee authorized the Bishops to appoint representatives when the Council should be organized and put into operation, and meanwhile cordially commended the Plan to their churches for careful study.

The Moravian Church, which is in relation to the Church overseas, took action stating that it preserved its sympathetic attitude toward union, that it consented to consider the Plan, and that it would consider uniting with the "United Churches of Christ in America" when the Council should have met and been constituted, and, while declining to bind itself at present, it urges a closer union of the Churches, and authorized the continuance of its representation upon the Ad Interim Committee.

The Presbyterian Church, U. S., received our deputation but deferred referring the matter to its Presbyteries, in view of its present negotiations in the matter of reunion with the Presbyterian Church, U. S. A., the United Presbyterian, and the two Reformed Churches, under a plan of federal union now in formulation between those five denominations.

The Methodist Protestant Conference, through its Bishops, has notified the deputation of the Ad Interim Committee that they will receive and listen to them later.

The Disciples received our deputation and have notified us that they will act later.

With respect to the action of our own Assembly, the resolution prepared by a representative of the Ad Interim Committee and moved by the present chairman of this Committee at the last Assembly,—advising the Presbyteries that the invitation had been received at the General Assembly, that the General Assembly approved the same, that it sought by way of referendum for the ratification of such approval by the Presbyteries, and if and when approved, would determine what constitutional changes should be proposed and adopted to effectuate such approval,—was lost or mislaid, and does not appear in the *Minutes* of the Assembly of 1920, and no copy thereof was preserved, though two copies were furnished to the temporary and permanent clerks. As a result, the record in the General Assembly *Minutes* confused the Presbyteries voting upon this overture. Your Committee is informed that some refused to vote, on the ground that it did not appear what constitutional changes were required.

Most of the Presbyteries have been led to believe, by the representations which have been made, that it was not a referendum, but a final act; that this Plan involved the imposition upon the Presbyterian Church of a hastily and ill-conceived scheme for a super-government subversive of the sanctity of the property rights of our Church, capable of admitting other than evangelical bodies, destructive of our creed and confessional statements,—all of which objections have, we believe, been carefully and dispassionately met in the Second Declaration of the Ad Interim Committee, dealing with these very objections.

Your Committee presents the following recommendations for adoption:

WHEREAS, the Plan for the Council of Organic Union of Evangelical Churches has not received the approval of the Presbyteries necessary to its adoption by the Presbyterian Church in the U. S. A., we recommend:

1. That your Committee on Church Coöperation and Union be instructed to communicate the action of the Presbyteries to the Ad Interim Committee of the Council on Organic Union of the Evangelical Churches.

2. That your Committee take up with the Ad Interim Committee the advisability of further negotiation looking to the actual Organic Union of Evangelical Churches on a clear and unmistakable evangelical basis.

3. That no further action regarding *Overture 1173* is necessary.

4. That *Overture No. 261* be answered in the negative—as our constitution makes no provision whereby office-bearers of other ecclesiastical bodies may exercise their powers in our Church. This overture, however, is referred to the Committee on Church Coöperation and Union with the recommendation that it take up this matter with other Protestant evangelical denominations looking to mutual constitutional enactments, that will meet the situation referred to in said overture.

IX. REFORMED CHURCH IN THE U. S.—At the meeting of the last Assembly the Committee on Church Coöperation and Union was specifically authorized to enter into negotiations with the Commission of the Reformed Church, U. S., on the basis of organic union between the two bodies. No action, however, has been taken pending the result of negotiations with this Church and with other Reformed and Presbyterian Churches as to a United Assembly which will bring into closer relations these several bodies.

X. Cumberland Presbyterian Church, Colored.—The work among the Cumberland Presbyterians, colored, provided for at the time of the reunion in 1906, has been under the supervision of a sub-committee of your Committee on Church Coöperation and Union. The following are the members of this sub-committee: W. H. Black, E. A. Elmore, and E. E. Beard. They report that there were two missionary evangelists among the Cumberland Presbyterians, colored, one under the Board of Publication and Sabbath School Work, and the other under the Board of Freedmen, and that both were doing good work. Dr. Elmore has had special supervision of the work of the Rev. Mr. DeShong, in Tennessee, Alabama, and Mississippi, and reports that this work is being effectively and successfully carried forward.

XI. The Reformed Church of Hungary.—There has been referred to your Committee certain papers reporting an agreement entered into by representatives of the Conventus of Hungary and of the Presbyterian Church, U. S. A., and the Reformed Church, U. S., dated July 24, 1920. We have ascertained from the signers of this agreement that it was understood by them to be only tentative and as a basis for negotiations in accordance with which the Hungarian Church would unite with Presbyterian and Reformed Churches in America and give up their independent position.

The Conventus of Hungary and its churches in this country did not so understand it, and very serious complications have arisen which are not settled at the time of this report. Cables and letters have passed between your committee and the Conventus, by which we hope a better understanding will be reached.

Without entering into the complications above referred to, we offer for approval the following suggestions which can then be used by Presbyteries and Synods in negotiations with Reformed Hungarian Churches.

1. The payment of back salaries due the ministers of Magyar churches applying for admission into the Presbyterian Church, U. S. A., is the concern of the missionary agencies of the Presbyteries receiving such churches.

2. Any Magyar church applying for admission will assume the same relation to the presbytery to which application is made as is sustained by any regular Presbyterian congregation. No special relationships can be established or privileges accorded.

3. Ministers received from the Reformed Church of

Hungary shall come in on the same terms as ministers coming from any other branch of the Reformed family of churches; that is, their ordination shall be recognized and they will be asked to assume the obligations and relationships assumed by our own ministry.

4. Ministers and churches of the Hungarian Reformed Body, at the time of being received into the Presbyterian Church, U. S. A., shall sever all ecclesiastical connections with the said Hungarian Reformed Church, and shall sustain the same relation to other communions as the other ministers or churches of our body.

5. Any property coming with congregations seeking admission will be subject to the same laws and the same ecclesiastical control of the use thereof as applies to the property of other Presbyterian congregations.

6. That the Committee on Church Coöperation and Union be authorized to convey this action to the European Churches concerned with any necessary explanation.

XII. United Assembly of the Presbyterian and Reformed Churches.—At the last meeting of the Assembly a tentative plan for the Constitution of a proposed United Assembly of Presbyterian and Reformed Churches was received and approved and referred back to this Committee for further consideration, with corresponding Committees from the other Reformed and Presbyterian Churches and with a special Committee of the Council of Reformed Churches in America.

As already reported, two meetings have been held, and after prolonged study and discussion a Constitution was approved with reference to which the following is offered:

"The Chairman of the Committee of the Presbyterian Church in the United States on closer relation with Presbyterian and Reformed Churches, having informed your Committee that his Committee will recommend postponement of action on the proposed Constitution for a united Assembly for one year and the continuance of the Committee, your Committee on Church Coöperation and Union would recommend the following action:

1. That the Assembly refer back to its Committee on Church Coöperation and Union the proposed constitution for a united Assembly of Presbyterian and Reformed Churches, with instructions to the effect that while willing to approve any measures which will promote closer relation with Presbyterian and Reformed Churches, it is united and earnest in the desire for an actual union of the Churches of the Reformed faith and order.

2. That the Assembly instruct the Moderator and Stated Clerk to send a message to the Assembly of the Presbyterian Church of the United States, now in session at St. Louis, expressing the desire of the Presbyterian Church in the United States of America, for the real union of the Presbyterian and Reformed Churches, and the hope that the Assssmbly of the Presbyterian Church in the United States may take such action as will not only promote closer relations but secure the reunion of our two kindred bodies.

3. That a similar message be sent to the Assembly of the United Presbyterian Church, the Synod of the Reformed Church in the United States of America, and the Synod of the Reformed Church in the United States.

We recommend that the Committee be continued, and that the necessary appropriations be made for the Committee's work.

Respectfully submitted,
J. Ross Stevenson, *Chairman.*

A telegram from the Sunday School Department of the World's and National Woman's Christian Temperance Union was received and read to the Assembly. This was referred to the Standing Committee on Temperance and Moral Welfare for suitable reply:

"Riverside, California.

Moderator of Presbyterian General Assembly.

The Sunday School Department of the World's and National Woman's Christian Temperance Union expresses grateful appreciation of your temperance work and respectfully petitions General Assembly to continue fortifying Bible temperance teaching in the Sunday Schools, designating a strengthening temperance lesson in International series and promoting total abstinence through pledge signing.

Superintendent."

The Executive Commission, through its Chairman, Rev. Samuel S. Palmer, D.D., presented paragraph XI of its report, which, with its recommendations, was adopted, and appears in the Report of the Executive Commission as adopted as a whole.

The Standing Committee on Judicial Business, through its Chairman, Rev. D. H. Johnston, D.D., presented its report, which was adopted, as follows:

The Committee on Judicial Business recommends that the case of the appeal of the Presbytery of New Castle from a decision of the Synod of Baltimore be sent to the Permanent Judicial Commission.

In the case of the complaint of Chas. J. Turck against the Synod of Texas, after examining the records of the case, the

Committee finds that the complaint is irregular and recommends that it be dismissed.

The Standing Committee on Ministerial Relief and Sustentation, through its Chairman, Rev. Robert Watson, D.D., presented its report and recommendations, which were received, and pending action on the recommendations the Assembly was addressed by the Rev. Hugh A. Cooper, Rev. Henry B. Master, D.D., General Secretary of the Board of Ministerial Relief and Sustentation, Rev. J. A. Savage, D.D., Rev. Wm. A. Byrd, D.D., Rev. Selton W. Parr, and Rev. George S. Hackett, D.D.

The time of the order of the day having arrived, the time of discussion was extended fifteen minutes, at the end of which time the devotional service was conducted by Rev. George B. Swinnerton of the Presbytery of Utica.

Special prayer was offered for Mr. Fulton, proprietor of the Winona Hotel, who was called suddenly to pass through a serious operation.

The Assembly then took recess until 2.30 P. M., and closed with prayer.

MONDAY, May 23, 1921, 2.00 P. M.

The Assembly met and was opened with prayer by the Rev. Ford C. Ottman, D.D.

Special prayer was offered by Rev. James A. Kelso, D.D., in behalf of a commissioner in whose family a death had occurred.

The Committee on Bills and Overtures, through its Chairman, Rev. Hugh T. Kerr, D.D., presented a report, which was adopted as follows:

That the unfinished business connected with the report of the Standing Committee on Ministerial Relief and Sustentation follow the report of the Executive Commission concerning the payment of the debts incurred on account of Inter-Church and New Era movements.

The Executive Commission, through its Chairman, Rev. Samuel S. Palmer, D.D., continued its report, which was adopted. (See paragraph XIV of the report of the Executive Commission.)

The Standing Committee on Ministerial Relief and Sustentation, through its Chairman, Rev. Robert Watson, D.D., continued its report.

The time of the order of the day having arrived, the Special Committee on Chaplains in the United States Army and Navy, presented its report through Rev. Wallace Radcliffe, D. D., its Chairman. Resolution three, containing a request for an appropriation was referred, under the rules, to the Executive Commission, which subsequently reported a substitute resolution, that was adopted and made a part of the report as finally adopted. The report and its recommendations are as follows:

The General Assembly's Committee on U. S. Army and Navy Chaplains reports that by the recent military reorganization the army includes 175,000 officers and enlisted men, and the navy 118,000 officers and enlisted men. The number of chaplains is to be limited from time to time, according to army and navy strength. The army has now 24 chaplains more than the legal ratio of one chaplain to 1200 men would authorize. The navy lacks 18 chaplains. Our Church quota in both army and navy is filled with capable and effective men. The Navy Department has intimated that in the present imperative need good candidates will be accepted irrespective of denominational allotments—an inviting and large opportunity for blessed patriotic service, which is commended heartily to the sympathy and consecration of our younger ministry.

In answer to many inquiries, we repeat here the instructions with respect to candidates for both branches of service.

For army chaplaincy, the applicant must be between 23 and 45 years of age, must furnish certificate of standing as an ordained minister, with some letter of endorsement, and be endorsed by this committee, and accepted after examination by the chief chaplain. Rank, pay, and allowance are according to length of service; for less than 5 years, that of First Lieutenant; from 5 to 14 years, that of Captain; from 14 to 20 years, that of Major; and for 20 years or more that of Lieutenant Colonel.

For navy chaplaincy, the maximum age is 35 years. When received, the candidate is practically upon probation for three and one-half years. He begins with the rank, pay, and allowance of Lieutenant j-g, and is promoted toward that of Captain, which corresponds with that of Colonel in the army.

All communications should be primarily addressed to the

chairman of this Committee. It is well to remember, however, that as our quota in both army and navy is full our opportunities will be limited except through cases of death or retirements.

The number of chaplains is, in the army 180; in the navy, 93. The denominational apportionment is as follows:

	Army	Navy
Baptists, Northern	17	6
Baptists, Southern	2	8
Christian Science		1
Congregationalists	9	3
Disciples	10	4
Lutheran	13	2
Methodist Episcopal	26	11

A communication was received from the General Committee on U. S. Army and Navy Chaplains, of the Federal

Council of the Churches of Christ, calling attention to the present inadequacy and irregular supply of chaplain equipment, and recommending that pending adequate provision by the U. S. Government, the various denominations contribute uniformly a sum not to exceed $300.00 per annum for the individual chaplain, to be administered directly through the respective denominational agencies.

A communication was also received from our National Service Commission, offering to supply the requisite funds to enable this committee to enter upon this supplementary work, until the approaching meeting of the General Assembly. The offer of this supplemental equipment fund was heartily approved and adopted, and the very generous offer of the National Service Commission gratefully accepted. We have already received from the Commission, and distributed to the chaplains in monthly installments of $25.00 each, the sum of $2500.00. We have already received on every hand most grateful appreciation. It has afforded relief for many most serious embarrassments and burdens and given cheer and needed help. The National Service Commission deserves the thanks of the Church for this thoughtful and loyal generosity. It is understood that all the other denominations are adopting this very worthy plan. Surely, the Presbyterian Church will insist upon taking its place among the Churches in such brotherly demanding service.

We regret to announce the death of Major General John C. Breckinridge, ruling elder. He was for many years a useful and honored member of this Committee and his counsel and companionship will be sadly missed.

We recommend the following resolutions:

1. The Church reiterates its interest and pride in the faith and loyalty and devoted service of our chaplains in the army and navy and assures them of our unchanging sympathy and prayer in their needful and blessed work.

2. The presbyteries are urged to keep in vital knowledge and association with all of their members in the army and navy chaplaincy by annual correspondence, by special meetings, and public appointments for visiting chaplains, and such like recognition, and especially to encourage individual churches in the adoption of chaplains in the same personal relation as is now so frequent.

3. That the General Secretary and Treasurer of the General Board of Education concurring, the General Assembly direct the General Board of Education to pay to the Special Committee on Chaplains the sum of $2800 out of the fund under its control known as the Soldiers and Sailors Fund; also an additional sum, not to exceed $2000 in all from the

same fund, this additional sum to be determined in amount by the demands made upon the Soldiers and Sailors Fund by those having the first claim upon it under the rules governing its distribution. It is understood that these appropriations are apart from and in addition to the $2200 to be paid into the Chaplain's Fund by the National Service Commission.

4. That this Committee be continued, with the additional appointments of Admiral W. R. DuBose, and Hon. James P. Newton, ruling elders, both of Washington, D. C.

Respectfully submitted,
WALLACE RADCLIFFE, *Chairman.*

The Presbyterian Historical Society made a report through its General Secretary, Rev. Joseph B. Turner, D.D., which was received and approved.

The American Bible Society, represented by Rev. J. Oscar Boyd, D.D., made a report to the Assembly, and the following resolutions were adopted:

WHEREAS, The American Bible Society presents to the Church both in its nation-wide and in its world-wide Bible program a challenge to its faith in God's Word and as summons to its gifts, its labors and its prayers for the realization of that program: therefore,

Resolved 1, That the General Assembly reminds the Churches of the share which the Presbyterian Church must in honor and duty take in the preparation and circulation of the Bible at home and abroad, and urges upon them the full raising of the quota assigned to the American Bible Society in the current Budget.

Resolved 2, That the Assembly notes with pleasure the increase in the Society's income from the Churches and the advance in the Society's work during the past year; notably, in the development of the Colored Agency into a nation-wide organization for supplying the millions of Americans of African descent with the Word of God, and in the addition to its list of Foreign Agencies those of the Arabic-speaking world in the Levant and of the Upper Andes in South America.

Resolved 3, That the Assembly recognizes at the present moment the peculiarly loud call to meet the Bible situation in China, due to the enormously increased literacy promised by the introduction of the new phonetic script, and in the Levant, due to the release of literate Christians and Mohammedans from the terror of Turkish censorship and oppression.

Resolved 4, That ministers and Churches are recommended to continue and extend next November, and on the last Sunday of each November, that observance of "Universal Bible Sunday" which proved so happy an occasion last November for the commemoration of the Landing of the Pilgrim Fathers.

Resolved 5, That the action of the Assembly of last year, appointing the Moderator a member of the Advisory Council of the American Bible Society, be renewed this year, and that the Moderator of the General Assembly be, and he hereby is, authorized to represent the Presbyterian Church in the U. S. A. on said Advisory Council, and in the event of his not being able personally to attend its meeting, he is authorized to appoint a substitute who shall officially represent the denomination—the same relation to continue each year in the case of each successive Moderator unless and until this action is rescinded.

The American Tract Society, represented by Rev. J. D. Steele, D.D., presented a report, and the following resolutions were adopted:

Resolved, That the Assembly reaffirms its former deliverances and commendations of the unique, indispensable and world-wide service of the American Tract Society, and earnestly commends it as worthy of generous support, and urges every Session of our Church to include the Society in its annual financial budget.

Resolved, That the Assembly, in recognition of the value of Christian literature and the wisdom of greatly increasing its circulation, approves and commends the observance of the last Sunday in January of each year as Christian Literature Sunday.

The National Service Commission, in the absence of its Chairman, Rev. John F. Carson, D.D., presented its report through Rev. Ford C. Ottman, D.D. The report and its resolutions were adopted, and the Commission was discharged with the thanks of the Assembly. Its report and recommendations are as follows:

The Special Committee of the National Service Commission, following the instructions given by the last General Assembly, would respectfully report as follows:

1. The work carried on by your Committee in the military hospitals for sick and disabled soldiers was transferred to the Board of Temperance and Moral Welfare and is, at the present time, under the direction of that Board.

The expense, in connection with this work, was cared for by your Committee until January first, after which the obli-

gation was assumed entirely by the Board of Temperance and Moral Welfare.

The character and value of this work will doubtless be presented in the report of that Board.

2. The movement known as the "Allied Comrades" was placed under the direction of the Permanent Committee on Men's Work. Our Committee, on vouchers presented by the Committee on Men's Work, has met the expenses involved up to the end of May.

The value of this movement and the advisability of its continuance will doubtless be brought to the attention of the General Assembly in the report made by the Permanent Committee on Men's Work.

3. A movement in behalf of the Army and Navy Chaplains of our Church was initiated by your Committee.

At a meeting held in the city of Washington, attended by representatives of nearly all the evangelical denominations, a resolution was passed to secure, if possible, an agreement between the different denominations by which chaplains of the Army and Navy should receive, in addition to the amount paid them by the Government, a sum not exceeding $300 each year, to be paid in monthly payments.

The need of such a supplementary payment, until by act of Congress the chaplains should receive more liberal treatment, was clearly evident, and the representatives of the different denominations agreed to urge this matter before the proper authorities of their churches.

Your Special Committee offered to finance this movement until the present General Assembly, through the Assembly's Committee on Army and Navy Chaplains. This offer was accepted by that Committee and each of our army and navy chaplains has received this monthly payment of $25.

The need for the continuance of this support will be presented in the report made to the Assembly by your Committee on Army and Navy Chaplains.

4. The Treasurer's statement is attached to and made a part of this report.

5. A balance on hand of $1,499.41 was by vote of the Committee appropriated and paid to the Assembly's Committee on Army and Navy Chaplains.

Having completed its work the Committee would respectfully ask that it be discharged.

Respectfully submitted,

J. F. Carson, *Chairman.*

New York, May 6, 1921.

The Bills and Overtures Committee, through its Chairman, Rev. Hugh T. Kerr, D.D., presented a report recommending that the first order of the day on Tuesday be the report of the Special Committee appointed to nominate a Stated Clerk, which was adopted.

It was ordered that the Report of the Standing Committee on Ministerial Relief and Sustentation should be continued after the report of the Korean Commission, if time permitted.

The Chosen (or Korean) Commission, through its Chairman, Rev. Thomas R. Good, presented its report and recommendations, which were adopted, as follows:

In response to *Overtures* Nos. 160 to 169, 277 and 289, the General Assembly of 1920 appointed a Commission to make a full investigation of certain conditions which have arisen between the missionaries in Chosen and the Board of Foreign Missions, to hold hearings in which all parties concerned should be heard in full, to attend the Post-War Conference of Missionaries in Princeton, and then to frame such Definitions and Interpretations in the matter of field administration, together with such changes in the Board's Manual as the Commission might deem proper to recommend to the General Assembly.

The Commission as appointed by the Assembly was made up as follows:

Ministers—Revs. Samuel S. Palmer, D.D., Moderator of the General Assembly, Thomas R. Good, Alfred H. Barr, John Harvey Lee; and *Elders* George W. Sutherland, William B. Hay, George G. Barber. Dr. Palmer found it impossible to serve, and appointed Rev. Minot C. Morgan to take his place. Elder Sutherland was also unable to serve, and, by common consent, to save delay, the Commission was organized with six members, the Rev. Thomas R. Good being elected Chairman.

In accordance with its instructions, this Commission now reports:

I. That it has carefully examined the correspondence covering a period of eight years. It has conducted hearings

where representatives of the missionaries and the Board were fully heard. It has attended the Post-War Conference of representatives of the twenty-seven Missions of the Church, and, after careful inquiry, has arrived at the following understanding of the facts of the case:

Certain differences of opinion between a majority and minority party in the Chosen Mission have existed for many years, and have finally developed into open controversy not only between the missionaries on the field, but also between the majority party of the Mission and the Board. This controversy centers in certain questions arising out of the location of a Union Christian College for Chosen, and concerns itself principally with opposing views of missionary educational policy, and the relations which ought properly to exist between the Board and the Mission in matters of field administration.

The questions at issue are intricate and involved, and have been complicated still further by the large number of letters written by the Board's Secretaries, and the strongly marked controversial spirit of the correspondence from the field.

After long conference and deliberation, the Commission has unanimously arrived at the following conclusions:

a Whatever differences have arisen, all parties concerned have been moved by a conscientious conviction that their position was necessary to the best interests of the Kingdom of God in Chosen.

b The actions of the Board, which have been called in question, were taken after careful deliberation, and at no time exceeded the powers conferred upon it by the General Assembly.

c The policy which the Board supported in the establishment of the Union Christian College in Seoul is in harmony with the generally accepted educational policy successfully operating in other Mission fields, and conforms to the mind and spirit of the Church in America, to which the Board is responsible.

d A consideration of all the facts available leads us to believe that a strong Christian College in Seoul was inevitable, sooner or later, as a strategic part of the program of a sound missionary policy. The question of location was referred to the Joint Committee, in the United States, by the Educational Senate on the field, and, in spite of the fact that some confusion arose as to the exact terms of reference, we feel that our Mission, having entered into a Union Movement of both Boards and Mis-

sions, should have accepted the action of the Joint Committee as final.

e The Board made an error of judgment in designating the Pyeng Yang College as an Academy, and adopting a policy which subordinated that institution to the College in Seoul, with the limitation of development to that of a Junior College or Middle School. We believe that the splendid evangelistic work which centers in Pyeng Yang justifies a policy of full development for a College devoted primarily to the training of children of the Church, and the development of Christian leaders for the future.

f It is unfair to characterize the Board's conformity to the Ordinance of the Japanese Government in 1915 as a "surrender of vital Christian principles." Inasmuch as the Charter obtained for the Seoul College under that Ordinance specifically declares that "The object of this Charter shall be to establish and maintain this College in accordanee with Christian principles," that "the Managers, Officers, Members of the Faculties, and all the instructors must be believers in, and followers of, the doctrines contained in the Christian Bible," that these sections of the Charter are not subject to future revision, and in fact both religious exercises and Bible teaching have been carried on freely in extra curriculum courses without hindrance, it would seem that the Board used its best judgment to secure the maximum of Christian liberty possible at that time. Since, however, the latest decision of the Japanese Government promises a way by which full religious liberty may be attained by all Mission Schools, further discussion of this matter is unnecessary.

In order that the present differences may be brought to an end, the Commission most earnestly expresses its judgment as follows:

1. The question of first and vital importance is the development of a new attitude of heart and mind. We feel that the spirit of controversy and distrust, which has been so painfully evident to us in all our investigations is at the root of a large part of the difficulty. We therefore, in the most fraternal spirit, counsel both the Majority and the Minority parties of the Mission to exercise a new spirit of patience and mutual forbearance, forgetting all past grievances, "forgiving each other, even as God also in Christ forgave you."

2. Believing that the spirit of toleration should be extended to the field of educational policy, we recommend that the principles of inclusion and comprehension adopted by the Post-War Conference in defining educational ob-

jectives should be given specific application in the present situation, and the Colleges in Pyeng Yang and Seoul should not be regarded as mutually exclusive, but rather as complementary to each other.

3. We recommend that the Board continue its relation to the Union Christian College in Seoul, and that the Mission officially give its sympathy and coöperation, to the end that a strong Christian institution may be built up in the Capital for the leavening of the national life with sound Christian principles.

4. We recommend that the Board give its hearty support and encouragement to the College in Pyeng Yang. That as soon as circumstances permit, and funds are available, the College be advanced to the full development its Charter permits, to the end that the results of the unique evangelistic work in this field may be conserved and extended, through the education of trained workers developed in the atmosphere of a fervent evangelistic spirit.

5. We counsel both Board and missionaries to work together with singleness of purpose in both Seoul and Pyeng Yang Colleges, without disparagement of or discrimination against either, to the end that both educational breadth and evangelical soundness may be coördinated in both institutions, in harmony with the standards of the Presbyterian Church.

Finally, we commend to our brethren the words of our Lord and Master, when He prayed for His disciples, "That they may be perfected into one; that the world may know that Thou didst send me."

The Commission further reports:

II. That, in accordance with the instructions of the General Assembly, it has carefully gone into the whole problem of democratic self-government in the field force of missionaries, and its relation, under present conditions, to proper Board authority, and to the Churches in the mission field, and has framed a tentative report dealing with the same, which was duly printed and forwarded to the twenty-seven Missions of the Church and to the Board, that they might consider the same, and propose any changes which they may desire.

III. Since sending out such tentative report, it has been represented to the Commission by both the Board and the Missions that, inasmuch as the Missions hold full meetings but once a year, it would be impossible for them, without serious dislocation of their work, to consider the report until the summer or fall of the present year.

IV. In view of the far-reaching importance of the questions involved in the evolution of missionary policy, we believe it is essential that the fullest opportunity be given to both the missionaries on the field and the Board at home to consider all proposals made, and to offer such suggestions as they think fit before any final report is presented to the Assembly.

We, therefore, recommend that the Commission be continued for another year, and instructed to present its final report to the General Assembly of 1922.

Respectfully submitted,

THOMAS R. GOOD, *Chairman.*

The Standing Committee on Ministerial Relief and Sustentation, through its Chairman, Rev. Robert Watson, D.D., continued its report, and pending action on the resolutions, the Assembly was addressed by Rev. J. V. Stephens, Rev. J. B. Fleming, Rev. Stanley B. Roberts, D.D., and Rev. Henry T. Babcock. Resolution three was referred to the Executive Commission for action, as it pertained to the Budget of the Board. Subsequently the Executive Commission reported a substitute which was adopted and appears in the resolutions. The report and its resolutions, as amended, were adopted as follows:

The work of the Board of Ministerial Relief and Sustentation needs only to be fully stated in order to be both appreciated and approved. Its development has been slow but steady and constructive. Our Church seems glacial at times in both its sympathy and its motion; but when its mind has been enlightened and its feeling kindled by the facts and needs, fully presented, it flames and moves with both power and rapidity. Not yet have the facts or the needs reached the great mass of our membership; but we are slowly learning and thus coming to realize that the work of this great Board is imperative in its necessity. Without the work of this Board constantly enlarging and faithfully functioning, no real progress can come in building the Kingdom of God! Does that seem an overstatement of the case? How can we advance the Kingdom of our Lord or participate in its blessings if we fail to provide for those of our own household in the faith? Can we be Christ's and neglect these needy ones? Can we be Christians and fail to provide for the widows and orphans of the faithful servants of His Church whom He has taken unto Himself? The first proof that we belong to the Kingdom is that we do this for those who have given all for Him.

It is, therefore, with real joy that we report that last year was the best year in the Board's history. We desire to con-

gratulate the Board upon three notable achievements: first, that they have been able to provide the sum of $600 annuity for the Veterans on the Honor Roll; second, that they have expressed their kindly interest and thoughtful sympathy toward the Veteran Servants of our Church by continuing the $15 Christmas gift of the past few years; and third, that, during this year, 100 per cent of the maximum benefits will be paid to all the members of the Sustentation Fund who may be eligible for such benefits. These three items in the Board's activity are significant of its virility and progressiveness.

It has been the privilege of your standing committee, in pursuance of the task assigned to it, to confer at some length with the members of this Board. We have found them men of deep consecration and earnest devotion to the work to which they have been called, with a high conception of the importance and sanctity of their task, and with fine human sensibilities and broad Christian sympathies in the understanding of each individual case which comes before them.

What could not our great Church do if it saw this ministry of love as these men see it! How we need to lay upon the hearts of the men and women of our churches the tremendous claims of this great cause! We have not yet fully sensed our indebtedness to the aged ministers. What is $600 per year if it be one's sole support in these days of the high cost of living? Prices may and will decline but even at the normal level of pre-war times this is no more than sufficient to supply the bare necessities of life. And what of the pittance which, thus far, represents the maximum which we are able to supply to meet the needs of the widows and orphans of these heroes of the faith? For widows, $300 and for orphans $250 per year. Can our Church do less than this and still continue to ask young men and young women to give their lives to its service!

Brethren, the burden of this Board increases each year as our beloved Church continues to expand. We have this year 1805 persons receiving aid from this Board. During the year 251 have been added to the roll of beneficiaries, and 90 removed to the Home of our Heavenly Father, a net gain of 161 in one year.

We would gratefully mention and commend to the interest and sympathy of the churches the splendid work of the four homes under the control of the Relief Department, as well as the Ministers' Memorial Cottage at Albuquerque, where many of our brethren are cared for in the early stages of tuberculosis, and very often are restored to perfect health under skillful treatment. Truly, "God hath done great things for us, whereof we are glad."

In this very brief and altogether inadequate attempt to

emphasize some of the more salient achievements of this year's activity, your committee would hope to stimulate a deeper interest in, and sympathy for, the distinctive labor of love being so splendidly attempted and accomplished by this Board. Shall we not carry back to our several Presbyteries and individual churches a message of soul-stirring obligation to our Veterans in the service of our King! Shall we not gladly welcome to our pulpits and churches those whom the Board sends and assist them in enlisting the money power of our congregations to meet these needs?

In the ever enlarging responsibility of the Board, two needs stand out as particularly urgent and pressing: first, there is a growing conviction that the time has come to provide a fully equipped infirmary to care for those saddest of all cases, who, besides experiencing the burden of inadequate resources, require personal attendance and more than ordinary medical care. These brethren in the Lord's household should stir our hearts to immediate action in supplying adequate assistance. Second, the endowment fund of $10,000,000, endorsed by General Assembly for several years past, is still far from complete. If this Board is to adequately meet the responsibilities assigned to it by the Church, it must be placed upon a sound and workable financial basis, which will not be accomplished until the whole of this endowment has been secured. During the later months of the great struggle for world democracy, the slogan was, "Let us finish the job." Brethren, "Let us finish the job" with thoroughness and dispatch for the sake of those who have labored faithfully and well.

There have been referred to this committee what would seem to be a remarkable number of overtures from Presbyteries all over the Church. In one sense this fact is gratifying, in that it shows the live interest of the Church at large in the activity and potentiality of this Board. In considering these overtures your committee had enjoyed the fullest coöperation and most sympathetic assistance of the Board members, and, especially, of their actuary, Mr. George A. Huggins. They have shown the most kindly spirit toward the suggestions of the overtures as they express the desires of the Church. Their willingness is only limited by the financial ability of the funds in hand.

In the light of these rather thorough investigations, your committee would recommend:

(a) In re *Overtures Nos. 377-516, 795,* and *1463-1475,* referring to the matter of transfer to the Sustentation Fund of ministers coming to the Presbyterian Church, U. S. A., from other denominations, inasmuch as any such action would involve a very considerable additional burden upon our

already inadequate reserve, your committee would recommend that, until we are able to properly care for all of our own members in all classes, no action be taken.

(b) In re *Overtures Nos. 517-794, 1476-1508*, and *1568-1572*, referring to the transfer of the members of the 70-year class to the 65-year class of membership in the Sustentation Fund, after a careful consideration of the financial statement of the Sustentation Department, your committee is convinced that the action contemplated cannot possibly be undertaken at the present time, owing to the fact that it would throw an added burden on the Fund which its present resources could not stand. We would, therefore, recommend that this General Assembly heartily approve the principle involved in these Overtures, and refer them to the Board of Ministerial Relief and Sustentation for consideration, with a view to putting into effect the action therein contemplated, namely, fixing the age, for all members, at which the old age annuity begins at 65 years instead of 70 years, as soon as such action may be financially possible. It is understood that any member transferring from the 70 to the 65 year class, must pay his due proportionate share of the additional expense accruing by reason of such transfer.

(c) In re *Overture 796*, referring to the admittance of workers, other than ordained ministers and commissioned assistants, into membership in the Sustentation Fund, we would recommend that this matter also be referred to the Board of Ministerial Relief and Sustentation, to report at the next General Assembly.

Your committee would further recommend that the following resolutions be adopted:

1. That the Minutes of the Board and the audited report of the Treasurer be approved.

2. That the action of the General Assembly of 1912 be renewed, requesting the Board to raise for endowment and reserve the sum of $10,000,000 and we heartily approve the plan of the Board to prosecute this work vigorously until the ull amount if obtained.

3. That the General Assembly direct the Executive Commission to include in the Budget for 1922-3 an item of $700,000 (instead of $1,000,000 asked for by the Board in its printed report), for the Reserve Fund of the Sustentation Department, this to be in addition to such increase of endowment as the Board may be able to secure in accordance with the previous action of the Assembly. (Resolution No. 3 was referred to the Executive Commission, wh'ch Commission reported the following substitute which was adopted by the General Assembly.)

With reference to the resolution in the report of the Standing Committee on Ministerial Relief and Sustentation referred to the Executive Commission for consideration and report to this Assembly, the Executive Commission would recommend that the Assembly direct the Executive Commission to do its utmost, with the interests of all the Boards and Agencies in mind, to place in the 1922-3 Budget the whole of the $700,000 asked by the Board of Ministerial Relief and Sustentation for the reserve fund of its Sustentation Department.

4. That General Assembly approve of the Board's suggestion that $600 represent the maximum to be allowed to Honor roll men, so long as, in the judgment of the Board, its resources will so warrant.

5. That General Assembly approve of the Board's proposal to pay for the ensuing year 100 per cent of the annuity in the Sustentation Department.

6. That the Board be directed to place in its Budget for the year 1922-3 an amount sufficient to maintain the level of the payments to annuitants in the Relief Department during the year at, or above, the level of the payments during 1921-2.

7. That General Assembly recommend the prosecution of an immediate and vigorous campaign to secure the $300,000 necessary to build, equip and maintain an hospital and sanitorium where cases, otherwise eligible for admission to the Homes, but barred on account of the condition of health, may be received and cared for.

8. That the General Assembly urges all churches, Presbyteries and Synods to make it possible for representative of the Board to present the work and ask for subscriptions for the permanent and reserve funds as hitherto.

9. That the following persons, whose terms of office expire at this meeting of the Assembly be re-elected, namely:

Rev. Andrew Mutch, D.D., Bryn Mawr, Pa.
Rev. J. Ritchie Smith, D.D., Princeton, N. J.
Mr. Richard H. Wallace, Philadelphia, Pa.
Mr. William Thomson, New York City.

10. That the General Assembly call the attention of the eldership of the church to the urgency of the work of this Board, and recommend that they use their utmost efforts in their own churches, and Presbyteries to promote its interests.

11. That the General Assembly endorse the Board's custom of asking all pastors to devote a Sunday, preferably the last in September, to a consideration of the work of this Board.

12. That members of the Sustentation Department in the 70-year class who are eligible to membership in the 65-year class, be extended the privilege of transferring, before March 31, 1922, to the 65-year class, paying thereafter the dues as of their attained ages at the date of transfer, but having credited to their new certificates all accumulations to the credit of the original certificates.

All of which is respectfully submitted.

The Standing Committee on Temperance and Moral Welfare, through its Chairman, Rev. George E. Hawes, D.D., presented its report, which was received, and pending action on the report, the Assembly was addressed by Rev. W. J. Johnson, D.D. The recommendations as amended, were adopted as follows:

WHEREAS, America stands in a place of leadership in that world-wide democracy which is the coming great goal of the race: and WHEREAS this leadership ought to be Christian in the fullest sense, it demands of our citizens, fitness, physical, social, moral: and whereas the Presbyterian Church through her several agencies is endeavoring to discharge her obligations to this end, therefore be it *Resolved*

1. COMMENDATION—That this General Assembly approve and commend the fidelity, economy and efficiency with which the Board of Temperance and Moral Welfare has served our people and the several causes committed to it. The character, variety and scope of the work which is wrought in closest connection with all other enterprises of our denomination is such as to make it of the highest importance that our pastors and people generally acquaint themselves more fully with it and avail themselves of the work and service of this Board.

2. TEMPERANCE—(*A*) That this, the highest court of the Presbyterian Church in the United States of America hereby affirms its approval of the Volstead Act for the enforcement of the Eighteenth Amendment to the Federal Constitution, and commends the principle involved in the Supplemental Bill to this Act, now before Congress, an Act designed to carry out more effectively the purpose of said amendment.

(*B*) That we regret the dismissal at this particular time of such a large number of prohibition agents, since that is likely to encourage law breaking on this subject.

(*C*) That we ask that only such men as are known to be in sympathy with the law and have other necessary qualifications shall be appointed to enforce prohibition, local, state or national, and that especial care be exercised in the selection of a Federal Prohibition Commissioner, if a change is made.

(*D*) That a copy of the resolution on this subject be sent to the President of the United States, to the Hon. A. J. Volstead, Chairman of the Judiciary Committee of the House of Representatives, and Hon. David Blair, nominated for Commissioner of Internal Revenue.

(*E*) That we rejoice in the way in which so many of the states of our nation have come to the support of the Federal Government, by the enactment of state laws for the enforcement of prohibition and trust that the remaining states will do likewise.

(*F*) That we would continue to urge the teaching of Bible temperance in our Sunday Schools.

(*G*) That we urge Congress to take definite action making applicable to the Philippine Islands the provisions of the Eighteenth Amendment and Volstead enforcement Act.

3. Humane Education—We recognize the Christian element and character values in humane education. The cultivation of kindness and mercy to every living thing is a desire and aim of our Church. We commend the various agencies working to this end and offer coöperation through the Board to which this subject is committed. We recommend to our pastors and Sunday School superintendents more attention to this subject.

4. Marriage and Divorce—(*A*) The family is one of the divine institutions. A proper establishment of it is one of the vital duties of the Church and state. The minister's duty in the performance of marriage is clear and definite. Coupled with these facts we view with increasing alarm the growing evil of divorce. Often the marrying of parties who may have been divorced brings reproach upon the Church when the minister fails to uphold the high ideals of marriage. In view of these things the Assembly reaffirms former deliverances requiring Presbyteries and ministers to adhere strictly to our standard regarding marriage, divorce and the marrying of divorced people.

(*B*) We declare it to be the sense of this Assembly that ministers, when asked to perform the marriage ceremony, should ascertain the facts about the parties and should refuse to join in marriage persons not entitled to Christian marriage.

(*C*) This Assembly instructs the Board of Temperance and Moral Welfare to urge upon the reform agencies and the legislative bodies in the several states the wisdom of a law in each state, making a marriage license invalid until five days have elapsed from the date of its issuance. Furthermore, that we approve the proposed amendment to the Federal Constitution now before the Senate Judiciary Committee which proposes to give Congress power to enact uniform marriage and divorce laws.

(*D*) In view of the above and of the acts of former Assemblies which have given instructions to our ministers touching their conduct in regard to marrying divorced people, we recommend no action in answer to the *Overture 1408* from the Presbytery of Philadelphia.

5. Motion Pictures—Deploring the menace of moving picture shows to young people because of films that suggest crime, immorality, etc., we condemn the use of such films and those that make light of the marriage relation. We urge our people to coöperate with the widespread movement for better motion pictures. Since some of those engaged in the business are not amenable to the appeal for clean movies, we urge a nation-wide campaign for legal censorship by the Federal Government.

6. General—(*A*) That the work of the Board in behalf of prisoners and other delinquent or defective classes is approved.

(*B*) That the work done by the Board among disabled soldiers and sailors who remain in hospitals is commended.

(*C*) That in the interest of future citizens of this and other countries we reaffirm former deliverances regarding the injurious effects of tobacco, especially cigarettes on the young, and commend the constructive program of education on this subject being conducted by our Board. Legislation designed to prevent or correct this evil has our sympathy and support.

(*D*) That we recommend the continuance and enlargement of the campaign of education in behalf of social hygiene in so fas as circumstances warrant and funds permit.

(*E*) That in view of the prevalence of the use of habit forming drugs in this and other countries, we approve the efforts of our Board in coöperation with other agencies to prevent and correct this evil by endeavoring to prohibit the importation, possession, sale, transportation or exportation of such drugs, except for legitimate use. We especially commend the effort being made in connection with the world prohibition federation for the prevention and eradication of this evil in missionary lands.

(*F*) We recommend the approval of the Minutes of the Board.

(*G*) We recommend the approval of the Treasurer's Report as certified by the public accountant.

(*H*) That the Assembly condemn the coming pugilistic encounter in Jersey City on July 2d and commends the New Jersey ministers who have stood out against the same.

(*I*) We recommend the re-election of Rev. Robert H. Kirk, Rev. W. R. Craig, Mr. W. R. Zeigler, Mr. A. L. Mold. We recommend that the Rev. Stanley Hunter take the place of the Rev. J. R. Harris who has removed. We recommend the election of Elder Robert Gillies in place of Mr. Pierson who is unable to serve, and of Elder Brown in place of A. L. Ivory removed.

Respectfully submitted,
George E. Hawes, *Chairman.*

The Committee on the next place of meeting, through the Moderator, its Chairman, reported that invitations had been received from Des Moines, Iowa, and Atlantic City, New Jersey. Pending action, representatives of these two cities were heard by the Assembly. Des Moines was chosen by the Assembly as the next place of meeting. In this connec-

tion it was ordered that the church entertaining the Assembly should provide for the local expenses and the whole of the entertainment of the officers of the Assembly, and for foreign missionaries definitely authorized by the Board of Foreign Missions as returning from their fields of labor, and that the details of arrangements be left to the office of the Stated Clerk in consultation with the Executive Commission.

The devotional service was conducted by the Rev. Robert G. Ramsay, D.D., of the Presbytery of Shenango.

Gaston, D.D., and Rev. John A. Savage, D.D. A quintet from the Biddle University sang two selections. Rev. A. B. Pritchard, D.D., of Los Angeles also addressed the Assembly. The recommendations were adopted as follows:

(1) That the records and minutes of the Board be approved and the Secretary commended for the neatness and order with which they are kept.

(2) That the Assembly expresses its sincerest gratification and satisfaction that the Board has closed the year for the twenty-first successive time free of debt, and especially that such substantial results have been accomplished with such meager financial resources.

(3) That the Women's Department of the Board's Work be commended in the most generous words of appreciation and praise, their financial support exceeding that of the churches themselves and rapidly increasing, while the number of contributing churches is on the decrease.

(4) That the attention of our people be called to the recently established Sunday School Department and its plan of linking in a more personal way the contributing church with the assisted school, by which the Sunday Schools purchase certificates of stock in the day schools under the Board's direction and receive direct reports of the work being done.

(5) That the budget of the Board of Missions to Freedmen be so increased for the year 1922–23 that the work of the Board may be enlarged and extended to all the colored people of the whole country in a manner which its importance demands, and that the salaries of ministers and teachers may be made sufficient to secure and keep efficient workers in the various fields of the Board's activities.

(6) That the Sabbath nearest Lincoln's Birthday be designated as Freedman's Day in the Sunday Schools, when the offering for this Board shall be received.

(7) That we gratefully recognize and express our deep appreciation of the faithful, self-sacrificing service so freely rendered by the members of the Board.

(8) That the following members of the Board, whose terms expire with this Assembly, be re-elected:

Rev. J. M. Duff, D.D., Rev. S. J. Glass, D.D., Rev. R. H. Allen, D.D., Mr. A. C. Robinson, and Mr. Newton K. Delavan.

(9) That *Overture No. 279* (concerning change of name of Board) be answered in the negative.

(10) That *Overture No. 280* (concerning increased budget and opposing merger with any other Board) be referred to the Committee on the Consolidation of Boards and Agencies with our approval.

4. *Resolved,* That Sunday, May 7, 1922, be designated as Vocation Day, when the Christian principles of life investment shall be emphasized and the call of the ministry, missions and other forms of distinctly Christian service shall be definitely presented both to young people and to their parents.

5. *Resolved,* That in conjunction with the Assembly's Permanent Committee on Evangelism, which will provide the evangelistic emphasis, the Board arrange for a special effort in each Presbyterian College to win to Jesus Christ those students who are not His followers, to deepen the devotional life of the institutions, and to secure the workers needed for

trained life service in the fields and callings for which the Church is responsible.

6. *Resolved*, That the Assembly commends the practice of assembling selected boys of high school age and earnestly addressing them on the Christian attitude toward life-work choice in general, and in particular, on the need of, and opportunities for service in the ministry and mission work.

9. *Resolved*, That the General Assembly expresses its hearty approval of the action of the General Board of Education in seeking to make provision for the adequate training of lay-workers, and looks with favor on the plan for enlisting the interest of our theological seminaries in this important task, and approves the taking of further steps toward this end.

10. *Resolved*, In order to dispose of the legal questions, and to confirm title in connection with the Bidwell property at Chico, California, the following preamble and resolutions approved by counsel are recommended for adoption:

WHEREAS, By deeds dated March 30, 1914, and June 10, 1915, the late Mrs. Annie E. K. Bidwell conveyed to the College Board of the Presbyterian Church in the United States of America (corporation of the state of Illinois) certain property located at Chico, California, and fully described in said deeds, part of said property to be used as the site of a co-educational school and part to be sold and the proceeds used for scholarships or for the maintenance of the proposed school, and

WHEREAS, Said deeds contain the provision that upon the failure "of the party of the second part at any time faithfully to observe and perform all or any of said conditions, then the title granted and conveyed by this deed shall immediately cease and revert, go to and be invested in the General Assembly of the Presbyterian Church in the United States of America, a corporation organized and existing under the laws of Pennsylvania, to which corporation the party of the first (upon breach by the party of the second part or of failure to

perform all or any of said conditions) does hereby grant and convey all the said land and premises and all reversionary estate therein," and

WHEREAS, After three years of effort, the General Board of Education (administrative successor of the College Board) and the Synod of California are agreed that it is not feasible to establish and maintain such a proposed school at Chico, California, and

WHEREAS, It is the desire of the General Assembly of the Presbyterian Church in the United States of America that the wishes of the donor may be carried out as completely as possible, therefore

Resolved (1) That the General Assembly, in session at Winona Lake, Indiana, May 24, 1921, hereby instructs its trustees, namely the Pennsylvania corporation known as the Trustees of the General Assembly of the Presbyterian Church in the United States of America, to accept title to said property at Chico, California, by such legal processes as may be necessary;

Resolved (2) That having acquired title to the Bidwell property at Chico, California, the Trustees of the General Assembly of the Presbyterian Church in the United States of America be and hereby are instructed to convey said property by a full covenant warranty deed in fee simple to the General Board of Education of the Presbyterian Church in the United States of America;

Resolved (3), That upon the completion of the transfer herein before set forth the College Board of the Presbyterian Church in the United States of America be and hereby is instructed to convey to the General Board of Education, by such legal processes as may be necessary, the remaining portion of the Bidwell property which it holds in fee simple and without conditions as to its use;

Resolved (4), That the General Board of Education of the Presbyterian Church in the United States of America be and hereby is directed to receive said Bidwell property from the General Assembly and, in conference with the Synod of California through its Committee on Education, to devise a plan whereby said property or its proceeds may be used for such educational purposes within the Synod of California as are deemed to be most nearly in accord with the expressed wishes of the donor, and then to use said property or its proceeds in the manner indicated.

11. In connection with *Overture 264*, from the Synod of Colorado, in regard to the teaching of Christian Statesmanship in our colleges, we recommend that our colleges give increased emphasis to the training of their students for all phases of Christian service.

12. In connection with *Overtures 265–270*, concerning Albany College of Albany, Oregon, we recommend that the General Assembly authorize the Synod of Oregon to consummate a plan of joint control to said College by the Synod of Oregon of the Presbyterian Church in the United States of America, and the Synod of Columbia of the United Presbyterian Church, through the employment of a method that shall be satisfactory to both Synods and to the Boards of Education of both denominations, and with the understanding that the consummation of such joint control sha l in no wise interfere with any gifts contemplated by our General Board of Education to Albany College, nor with its fullest coöperation in the development of the College in the future.

13. Whereas, The General Assembly of 1919 adopted a plan of raising $35,000,000 in five years, or $7,000,000 a year, for Christian Education, of which sum $2,000,000 annually was to be sought through the every member canvass and $5,000,000 annually from individuals by the institutions to be benefited, and

Whereas, As a result of this plan there has been secured by colleges in the first year of the campaign the gratifying sum of $5,086,000, and

Whereas, It has become evident that a Challenge Fund is essential to the carrying out of the plan adopted by the General Assembly of 1919 and confirmed by the General Assembly of 1920, for raising $35,000,000 for Christian Education, and

Whereas, It has been found that the inclusion of so large a sum as $2,000,000 annually for Christian Education in the united budget of the Boards and Agencies may result in injury to other important interests of the Church.

Therefore be it Resolved, That the plan adopted by the General Assembly of 1919 and confirmed by the General Assembly of 1920 be so amended that instead of providing for the raising of $7,000,000 annually, of which $2,000,000 shall be secured through the Every Member Canvass and $5,000,000 from individuals, it shall be the plan to secure $4,000,000 a year for Christian Education; $900,000 of which shall be sought through the Every Member Canvass and $3,100,000 shall be secured from individuals by the colleges and university centres, with the help of the General Board of Education; and

Be it further Resolved, That in view of the decreased amount to be raised each year the length of the campaign for $35,000,000 be extended to cover a period of eight years instead of five, beginning as originally planned, with 1919.

14. WHEREAS, The Rev. Andrew Buchanan, who died about 1857 or 1858, having left a will executed in 1851 in which he gave his home for the use and benefit of Cane Hill Collegiate Institute, and

WHEREAS, Owing to the destruction of records, questions have arisen as to the custody and final disposition of the funds derived from the sale of said property amounting, on October 1, 1920, to $2,858.64 with interest, and

WHEREAS, The Synod of Arkansas on October 13, 1920, adopted the following report and resolution:

1. That the Synod petition the General Assembly to transfer all rights of the Board of Sabbath School Work and Publication in the funds of Cane Hill College to the General Board of Education to be held in trust by that Board for the education of ministerial students in the College of Ozarks of the Synod of Arkansas.

2. That the said funds shall be held in perpetual trust by the General Board of Education and only the interest shall be used for the purpose stated. The said fund shall be designated as "The Buchanan Scholarship Fund for the education of Ministerial Students."

3. That the General Board of Education shall be authorized to invest said funds through the Board of Trustees of the said College of the Ozarks or its legal successor as the Synodical College of the Synod of Arkansas, or invest the said funds through the Educational Commission (a corporate body) of the Synod of Arkansas.

4. That in case the General Board of Education finds that the interest from this fund is not needed in any particular year for meeting the expenses of ministerial students in said College of the Ozarks, that they be given the authority to turn that interest into the General Endowment Fund of the said College to be used for current expenses.

5. That the present Committee be continued and authorized to prepare and present the petition to the General Assembly.

6. That the Moderator and Stated Clerk of the Synod be authorized to sign the petition to the General Assembly.

7. That the Board of Publication and Sabbath School Work be requested to endorse this petition to the General Assembly.

Now, therefore, be it Resolved, That the matter of the ownership of the Cane Hill Collegiate Institute Fund and the custody and final disposition of said fund be referred to the Trustees of the Presbyterian Board of Publication and Sabbath School Work and the General Board of Education of the Presbyterian Church in the United States of America

for conference and disposition of said fund, with power to act in the premises.

15. *Resolved*, That the Assembly approves the re-election of the following members of the College Board, whose terms of office expire with this Assembly:

Subsequently the Standing Committee on Education, through its Chairman, Rev. Wallace F. Hamilton, D.D., presented a supplementary report, which was adopted as follows:

In reply to *Overtures 271 and 272* from the Presbyteries of George and Waukon we recommend to the General Assembly the appointment of a Committee of Conference of five, composed as follows:

Prof. A. C. Zenos, of the Presbytery of Chicago, *Chairman*; Rev. H. B. Boyd, of the Presbytery of Erie, Rev. Stanley B. Roberts, D.D., of the Presbytery of Minneapolis, Mr. Perry M. Hoisington, of the Presbytery of Emporia, and Mr. Frank J. Loesch, of the Presbytery of Chicago, to visit the University of Dubuque and to inquire into all matters referred to in said *Overtures* or connected with the welfare of the institution, and to report findings and recommendations to the Executive Commission which shall have power to act.

We recommend the approval by this Assembly of the election of the Rev. M. Willard Lampe, D.D., as the Secretary of the University Department, and of the Rev. Staunton Olinger, D.D., as the Secretary of the Finance Department.

The report of the Standing Committee on Theological Seminaries was made a special order of the day for 10 o'clock Wednesday morning.

The Standing Committee on Finance, in the absence of its Chairman, Elder Henry Dornette, presented its report through Rev. David Hughes, Ph.D., which was adopted as follows:

To the General Assembly of the Presbyterian Church in the United States of America.

The Standing Committee on Finance respectfully makes this its first partial report:

The report of the Trustees of the General Assembly, with the report of its Treasurer, the correctness of which is verified by certified public accountants (see same in Appendix) was submitted to and examined by your Committee.

These reports show that the Trustees are now administering the following trusts:

Princeton Theological Seminary Trusts:	
29 Scholarships	$46,575.83
4 Professorships	34,284.60
Permanent Fund	10,661.80
Students' Fund	10,794.10
	$102,316.33
38 Miscellaneous Funds	1,057,061.15
Principal Palethorp Legacy	88,179.39
Grand Total	$1,247,556.87

Of the various trusts, twenty-seven were founded prior to 1832. The earliest, in 1817. Eight of them are 100 years old and over.

Many of the miscellaneous funds are subdivided, thus largely increasing the number of beneficiaries.

The principal account of these trusts shows an increase during the year of $78,878.36, as follows:

Estate of Helen H. P. Manson.....	$9,427.93
Estate of Elmira B. Hines.....	1,000.00
Estate of Mary Stevenson.....	2,421.04
Addition to Mead Holmes bequest..	100.00
Addition to Palethorp Estate.....	16,929.39
J. C. Lord, Legacy.....	50,000.00
	$79,878.36
Less amount of E. B. Hines, Legacy paid to Board of Ministerial Relief	1,000.00
	$78,878.36

The addition to the Palethorp Legacy is accounted for by the fact that the accumulations of interest, etc., had heretofore been carried to income accounts. As the church building has been completed and these amounts expended in its construction, they have been carried to principal account, as a matter of bookkeeping.

The funds in the hands of the Trustees are invested as follows:

52 separate loans on real estate secured by first mortgage.....	$285,400.00
1 ground rent 6%.....	700.00
53 separate investments in securities.	855,307.81
Real estate devised to Trustees....	8,990.04
Real estate held for account of the Palethorp Legacy.....	88,179.39
Balance uninvested.....	8,979.63
	$1,247,556.87

The income from investments in stocks, bonds, mortgages and real estate, as reported by said Trustees, averaged nearly 4 9/10 per cent. Nearly all the investments in corporation bonds were made at a time when the income return was much smaller than that obtainable at the present time, besides which the Trustees are necessarily restricted to the highest class of investments. The entire regular expenses of administering the various trusts were $2451.50, including

salary of solicitor, secretary and the Treasurer, The Philadelphia Trust Company. The Treasurer received a salary of $1500.00. In addition to acting as Treasurer, the Company supplied to the Board, free of charge, a safe in its burglar-proof vaults, under two separate sets of keys, for the safe keeping of the securities. It also provided storage facilities for the large number of title papers, insurance policies, etc., which accompany the mortgages, and allowed $1249.65 interest on current balances in its possession.

The Palethorp Memorial Presbyterian Church in Philadelphia, for the erection of which there was received a legacy of $75,000, has been completed. The amount expended by the Trustees was $88,179.39. The excess over the amount received from the original bequest, being the interest accrued while awaiting construction and $2100.00 from other sources.

In accordance with the will of the Rev. John C. Lord, the income from the legacy received from his estate, to-wit, $50,000, is, as reported by the said Trustees, "to be disposed of and distributed by the General Assembly at each annual meeting for the furtherance of the Gospel of our blessed Saviour at home or abroad, as to the Assembly may seem best." The Trustees (the corporation aforesaid) whose account we are now considering, advises it will be necessary for this General Assembly to direct the said Trustees as to how the income from this legacy shall be distributed in accordance with the terms of the will, and respectfully requests such direction. In 1920 the direction was to distribute it equally between the Boards of Home and Foreign Missions respectively.

The report also shows that the indemnity bond of the Treasurer, the Land Title and Trust Company, for $25,000, has been renewed for another year.

There is in the possession of said Trustees $4829.33 of unexpended income from which the Committee assumes should be deducted a loss of $204.04 resulting from the sale of property at southerly corner of Craigland and Chestnut Roads, Paoli, Pa., at less than the cost as carried on the books.

Your Committee assumes that about $2200 of this fund belongs to the above mentioned John C. Lord Fund income, leaving a balance of about $2300 subject to the orders of this Assembly.

Your Committee respectfully recommend:

1. That the report of the Trustees of the General Assembly and of its Treasurer be received and approved, with the thanks of the Assembly for the faithful and efficient services rendered.

2. That the Assembly direct that the income from the

said Rev. John C. Lord Fund be distributed equally between the Boards of Home and Foreign Missions as suggested by said Trustees.

3. The death of Rev. William H. Roberts, D.D., one of the said Trustees, will make it necessary for the General Assembly to fill a vacancy in the membership of said corporation, and the Committee recommends that Rev. Lewis S. Mudge, D.D., the Stated Clerk elect, be elected to fill the vacancy in the membership of said corporation, and that the election to fill said vacancy be held on Thursday, to conform with the two days' notice required by the Assembly Rules.

Respectfully submitted,
HENRY DORNETTE, *Chairman.*

Subsequently, the Standing Committee on Finance respectfully made the following Supplementary Report:

We have examined the accounts of the late Rev. William Henry Roberts, D.D., LL.D., Stated Clerk, and those of Rev. J. M. Hubbert, D.D., Acting Stated Clerk, also the accounts of the Land Title and Trust Company, Treasurer of the General Assembly, for the year ending 31st of March 1921, and have found them to be correct.

The funds on hand, on the 31st of March, 1921, were found to be as follows:

In the Treasurer's Account:

General	$41,004.43	
Mileage	736.99	
		$41,741.42
In the hands of Acting Stated Clerk as petty cash.		69.17
		$41,810.59

After payment of all expenses in connection with the last General Assembly, the balance in the Mileage Account, $40,101.04, was transferred to the General Account.

Your Committee will not trouble you with the detailed report of Receipts and Payments by the late Stated Clerk, Acting Stated Clerk, and Treasurer, as these will appear in the Appendix of the Assembly *Minutes.*

Your Committee respectfully recommends:

1. That the report of the Assembly's Treasurer be received, and approved with the thanks of the Assembly for the faithful and efficient services rendered.

2. That pursuant to the action of the General Assembly, the following appropriations be made:

To the Federal Council of Churches of Christ in America	$2,500.00
To the Council of Reformed Churches	200.00
To the World Alliance of Churches holding the Presbyterian system	2,060.00
	$4,760.00

Respectfully submitted,

DAVID HUGHES, *Acting Chairman*

The Assembly having acted favorably on the Overture from the Woman's Board of Foreign Missions of the Presbyterian Church in the United States of America, asking that the Assembly shall "Direct and declare the new Board to be the successor of the six pre-existing Boards and to authorize the transfer of property to the new Board," we therefore recommend the following declarative action:

including all its Presbyterial Societies, Synodical Societies and Districts of Synodical Societies, as successor to the six pre-existing Woman's Boards of Foreign Missions above specified, that they and each of them do, forthwith, and with all convenient speed, and with such proper legal safeguards as each Board may be advised by its counsel, transfer their various properties, funds securities, and other assets, heretofore received and administered by them, to said The Woman's Board of Foreign Missions in the Presbyterian Church in the United States of America, incorporated in the State of New York, as aforesaid, which latter Board is hereby declared by the General Assembly to be the successor of each and every of said Boards, and intended to carry on the foreign missionary work of all the women of the Presbyterian Church in the United States of America, as aforesaid, and as such successor to be entitled to receive, hold and administer all the properties formerly held by the six Boards, of which it is the successor and subject, as to any trust funds, to the terms of the several trusts under which any of said six Boards originally received and held the same, and that such Board as such successor is commended to the women of the Presbyterian Church for their loyal support and aid.

report, which was received, and pending action the Assembly was addressed by Rev. John B. Laird, D.D., Hon. William Jennings Bryan, Rev. David Hughes, Ph.D., and Rev. Harry L. Crain, D.D. The report and its recommendations were adopted as follows, and authority given that the necessary expenses of the Special Committee appointed in connection with the report, be paid out of the Assembly funds.

The Standing Committee on Theological Seminaries respectfully submits the following report:

I. In examining the reports which have been submitted to your Committee from the Seminaries, we find them carefully prepared and fruitful of some interesting facts.

(*a*) FACULTIES—The following changes in the Faculties of these institutions involving teachers of professorial rank are reported:

At Omaha Seminary—The Rev. James Marquis Wilson, D.D., to be President of the Seminary and occupy the chair of Homiletics and Pastoral Theology and English Bible, taking the place of Dr. A. B. Marshall who had resigned.

At Lane Seminary—The resignation of the Rev. Selby F. Vance, D.D.

At Western Seminary—The election of the Rev. Selby F. Vance, D.D., to the chair of New Testament of Literature and Exegesis.

At Kentucky Seminary—The election of the Rev. Thornton Whaling to the chair of Apologetics and Systematic Theology, and the establishment of a professorship of Religious Education, Young People's Work and Church Efficiency, to which the new President, the Rev. John M. Vander Meulen, D.D., has been assigned.

At Dubuque Seminary—The election of the Rev. Guido Bossard, D.D., to be Professor of English Bible and the transfer of the Rev. George Cutler Fracker, Ph.D., to be Dean of the Collegiate Department.

At Princeton Seminary—The transfer of the Rev. Professor Caspar Wistar Hodge, D.D., to the chair of Didactic and Polemic Theology made vacant by the death of Professor Benjamin Breckenridge Warfield, D.D.

(*b*) STUDENTS—There has been no significant change in the attendance. While the Junior Classes in Lane and San Francisco show encouraging increases, these are counterbalanced by losses elsewhere. The encouraging point here is the high percentage of college graduates in all the Seminaries, indicating as it does that our intellectual standards in preparation for the ministry in our institutions are being maintained.

(*c*) Financial Conditions—It is at this point, taken especially in connection with the number of students enrolled that your Committee has found the most interesting facts. In general, the administration of the funds in the possession of the Seminaries seems perfectly sound. While there have been difficulties in several cases in meeting expenses, they have apparently been overcome, and the only point to be emphasized is the need for increased endowment to prevent future deficits.

The real point which attracts our attention here is the great expenditure of the Church in these theological establishments in proportion to the number of students enrolled. At one of our prominent institutions last year, there were but three students to one teacher and the cost of education amounted to $2810 per student. In another case, there were but six students to one instructor and the cost well over one thousand dollars per student. In the great majority of these institutions the cost in men and moneys seems to your committee so high as to challenge our thoughtful attention to this matter. We do not bring forward these facts in order to lay an indictment against our seminaries, for we know that the institutions already have taken cognizance of the situation and are thoughtfully seeking the way out. But we feel that one of two things lies before our seminaries—either an increase in the number of candidates for the ministry coming through the regular channels which will give employment in full to the resources of these institutions; or the complete revision of the use being made of these resources for the training of religious leaders and workers. For a task so difficult and delicate as the latter, the coöperation of the entire Church with the seminaries will be needed.

(*d*) Standards and Policies—The demand for practical training in modern church methods and the urgency of the call for men in many vacant fields, which has suggested to some the possibility of relaxing our standards of training, have brought before our Seminaries questions which deal with the whole character of the future ministry of our Church. We gather from the reports of our Seminaries that while quite aware of these practical needs and anxious to meet them, they are convinced that the first need of the Church more than ever before is a ministry of commanding intellectual and moral power, equipped for the task by the most complete academic discipline possible, and made thoroughly aware of modern problems and needs in their widest as well as their most immediately practical character. This conviction we most heartily share, and we desire to commend our seminaries both for the maintenance of the highest

standards, and for the increasing attention given to the application of Christian principles and Church organization to modern situations. Other needs, we believe, should be met by the provision of lay-workers, trained under the care of our own church, who will assist and supplement the work of these men of highest training and ability but not encroach upon their position and leadership.

II. In view of these facts, we make the following recommendations:

1. That in view of the death on February 17, 1921, of the Rev. Benjamin Breckenridge Warfield, D.D., LL.D., Litt.D., Professor of Polemic and Didactic Theology in Princeton Theological Seminary, the Assembly desires to place on record the irreparable loss which the Church has sustained in his death. He was recognized at home and abroad as probably the most distinguished and learned theologian and teacher of the Reformed Faith in our day. For nearly half a century his life was devoted to the training of the leadership of the Church, and by his scholarly attainments, his ability as a teacher, his wide-reaching service as an author, he has left his impress on the cause of evangelical truth throughout the world. Your Committee suggests that the Assembly stand while President Kelso of the Western Theological Seminary pays a brief tribute to Dr. Warfield's ministry in the theological world, and that President Landon of the San Francisco Theological Seminary be asked to lead us in prayer.

2. That the election of all directors, trustees and professors as reported to the Assembly by the seminaries be approved.

3. That the efforts of seminary faculties to secure candidates of high grade for the ministry be commended and specially encouraged; while not forgetting that there are causes for the lack of candidates rooted in the religious outlook of many modern homes, and the situation and conditions of Church life in many modern parishes, which can only be reached by courageous efforts on the part of the whole Church.

4. That in the matter of *Overture No. 978* from Flint Presbytery relative to increasing the efficiency of the modern ministry, in so far as its recommendations fall within the scope of this Committee, we recommend that no action be taken; in as much as we have all faith in the thoughtful and earnest efforts made by our Seminary faculties to make their training as deeply powerful and as broadly practical as possible.

5. In view of the great amount of money now invested in Theological Seminaries, in proportion to the number of their students, that a committee of five, three of them ministers and two elders, having no official connection with the present seminaries, be appointed by the Moderator to consider

the whole situation and to make recommendations to the next Assembly concerning the most efficient use of these equipments and endowments for the training of religious leaders and workers for the Church in her modern situation.

6. That in view of the establishment of a theological seminary at San Juan, Porto Rico, under partial Presbyterian control, with authorization from the General Assembly of the Presbyterian Church in the United States of America (see *Minutes* of 1919, page 209; and 1920, page 223), and in response to the request of the institution, we recommend that "the Evangelical Seminary of Porto Rico" be included in the *Minutes* of the General Assembly together with the other theological seminaries under complete or partial control of the General Assembly.

That in the matter of the payment to Lane Theological Seminary of the interest on the "Dhorety" Fund the following action be adopted:

WHEREAS, The General Assembly in 1917 (*Minutes*, page 245) directed the Board of Trustees of the General Assembly of the Cumberland Presbyterian Church to pay the interest earned by the Dhorety Fund which they control, to Lane Seminary "For a period of three years, after which time it shall again be taken up for further appropriation by the General Assembly," and

WHEREAS, By oversight the subject was not taken up by the last General Assembly, the first to convene after the expiration of the three year period, so that the interest for last year was not paid by said Board for lack of authority, therefore,

Resolved, That the said Board be and are hereby directed to pay to Lane Seminary the interest for last year on the said Fund, and hereafter, each year until other directions may be given by the General Assembly.

Respectfully submitted,
GEORGE CLARK VINCENT, *Chairman*.

The Standing Committee on Home Missions made its report through its Chairman, Rev. John B. Laird, D.D. The report was received and pending action on the recommendations *seriatim*, the Assembly was addressed by Rev. W. R. King, D.D., and Mrs. D. E. Wade.

Resolution 1, dealing with the discontinuance of the Home Missions Council, together with the overtures mentioned therein, was referred to the Special Committee on the Reorganization and Consolidation of Assembly Agencies.

The order of the day having arrived, the devotional service was conducted in the interests of the Near East Relief

and the China Famine Relief Funds, by Mr. Charles Vernon Vickrey and Rev. William Hiram Foulkes, D.D. An offering was taken for these Funds, the amount of which was announced later. The following resolutions were passed:

WHEREAS, Reports from the Near East reveal an appalling multitude of women and children in need of food and clothing, a cry that up to the present hour has not been adequately answered, in spite of the commendable and continued generosity of our people;

AND WHEREAS, More than one hundred thousand of these are the orphaned children of martyred Christian parents of Bible lands, who look to us for the means to live and to prepare themselves to carry forward the sacred traditions and holy ideals of their ancient national life;

AND WHEREAS, The withholding of this support by American Christians would not only endanger their lives but menace the cause of Christian missions and civilization in those lands;

AND WHEREAS, The recent annual report of the Near East Relief as presented to the Congress of the United States by which it is chartered reveals a conscientious and efficient administration of the trust imposed and a most encouraging accomplishment of the task thus far;

Therefore be it Resolved, That the General Assembly of the Presbyterian Church in the United States of America, heartily approves the purpose and program of the Near East Relief to save the lives of orphaned children and to secure the release of imprisoned womanhood and their restoration to kith and kindred with a view to the rehabilitation of these nations.

That we approve and endorse the appeal of the Near East Relief unto our churches and congregations.

That we urge our Synods, Presbyteries and Churches to give every coöperation possible in prayer and personal effort in the gifts of talents and means to promote and make fruitful the program within their own bounds and in the lands of the Near East.

That we authorize the New Era Committee to receive and transmit funds specified for this cause and to lend such coöperation as it may find possible without interference with its own work and program.

And furthermore be it Resolved, That in view of the unprecedented famine and consequent suffering in China, the Synods, Presbyteries, Churches and New Era Committee, be urged and instructed to give a like coöperation in the fostering and accomplishment of this appeal also.

The Assembly took recess until 2.30 P. M., and was closed with prayer.

WEDNESDAY, May 25th, 1921, 2.30 P. M.

The Assembly met and was opened with prayer by Rev. Levi J. Melton, D.D.

The Committee on Judicial Business, through its Chairman, Rev. David H. Johnston, D.D., made a report recommending that the appeal of E. N. Ware from the action of the Synod of Illinois be sent to the Committee on Polity, which was approved.

The Committee on Bills and Overtures, through its Chairman, Rev. Hugh T. Kerr, D.D., presented a report concerning *Overtures Nos.* 1236–1319, and 1549–1555, 1577–1578, recommending that the following overture be submitted by the General Assembly to the Presbyteries for their consideration and action, which was adopted, and is as follows:

Shall the following be substituted for the present Chapter XXII, Form of Government?

CHAPTER XXII.

Of Commissioners to the General Assembly.

I. The Commissioners and their Alternates to the General Assembly shall be elected by the Presbytery from which they come, at a stated meeting sufficiently in advance of the meeting of the General Assembly for the Commissioners to attend to their duty in due season; the Presbytery to determine whether it shall be at the Fall or Spring meeting. Such election shall be for the period of *two* years, save for the exception noted below, in Section II of this Chapter, and their commissions shall date from the first appointed meeting of the General Assembly after their election. The alternates shall be e ected by the Presbytery in the same manner as the principals and shall take the place of the principals if for any reason they cannot serve.

II. The manner of the election of these Commissioners shall be as follows:

(1) The first year after the adoption of Sections I and II of this Chapter, the Commissioners to be elected by each Presbytery shall be divided into *two classes*—one-half of the minister and elder Commissioners to serve *one year,* and the other half two years.

(2) In case of an odd number of minister or elder Commissioners being the allotment for any Presbytery, the bare minority of the minister or elder Commissioners shall be elected for one year, and the bare majority of the minister or elder Commissioners for two years.

(3) In case of there being but one minister and one elder Commissioner from any Presbytery, the Presbytery shall elect one for one year's service and the other for two years' service.

(4) Thereafter, *in all other years* after the first year designated in the above paragraphs of this Section, Presbyteries shall elect only *one-half* of the Commissioners allotted to them as their representation in the General Assembly, save those that have an odd number of minister or elder Commissioners, who shall elect a minority and majority number each succeeding year, in accordance with the terms of the second paragraph of this Section. Each Commissioner, so elected, shall then serve for a term of *two years*, Presbytery making out his commission in accordance with the form of Section III of this Chapter.

(5) No minister or elder shall be eligible for re-election until at least two years after the close of his former term of service, unless by unanimous consent of the Presbytery.

Old Section II of Chapter XXII to be new Section III with the addition of the words: (for a term of .....years) after phrase: "whenever the said Assembly may happen to sit."

Old Section III of Chapter XXII to be new Section IV.

The Judicial Commission, through its Moderator, Elder Arthur L. Jackson, presented its judgment concerning the following cases. The case of H. C. Rimmer *vs.* Synod of New Mexico, was referred to the Standing Committee on Polity.

The Moderator gave notice that the Assembly was about to sit as a Court, and exhorted the members to regard their high character as judges in a Court of Jesus Christ. The Assembly was organized as a Judicial Court. The record of case No. 1 was read, and the preliminary judgment by the Commission was confirmed as the final judgment of the General Assembly. The report is as follows:

Judicial Case No. 1.—William G. Bell vs. the Synod of Texas.

The facts in this case are that on the 31st of March, 1920, the Session of the First Presbyterian Church of Austin, Texas, according to its unwritten rule, elected William G. Bell, one of its elders, as its representative to all regular and called meetings of the Presbytery of Austin for a period of one year beginning April 1, 1920. On the first of September, 1920, at a meeting of the Session, the action of the Session electing Elder Bell as principal delegate to all regular and called meetings of the Austin Presbytery for a term of one year beginning April 1, 1920, was rescinded and on motion

another elder was elected as principal delegate to the Fall meeting of the Presbytery, 1920. Other actions in this connection were taken by the Session but it is not necessary to state them for the purpose of this opinion.

From this action, Elder Bell appealed to the Presbytery of Austin, and the matter duly came to the Judicial Commission of the Presbytery of Austin at its meeting held at Wrightsboro, Texas, September 23, 1920. The Presbytery of Austin did not decide this matter at all as by agreement of Elder Bell and the elder elected in his place, it was reported and adopted that neither elder be seated. From this action of the Presbytery of Austin, Elder Bell appealed to the Synod of Texas.

The Synod of Texas by the report of its Judicial Commission, which was adopted by the Synod, decided that the action of the Session of the First Presbyterian Church at Austin on September 1, 1920, in reconsidering their action of March 31, 1920, in electing Elder W. G. Bell to Presbytery for one year, was legal and binding on all parties, and that the election of Elder Stiles in lieu of Elder Bell was legal. From this action of the Synod of Texas, Elder Bell appealed to the General Assembly.

Opinion.

As this is clearly a non-judicial case, the proceeding should not be had under appeal but as a complaint, and your Commission has so treated it. Briefly stated, the question presented by this complaint is: Does the election of a representative to a higher court for a designated time preclude a judicatory from any other election or the recision thereof? The Commission is unanimously of the opinion that no rule or custom of a Church Session can prevent it from changing its own rules or modifying them at any time when in its judgment it sees fit. It is to be noted in this case that the question raised is now strictly a moot question, as the time for which Elder Bell was elected has already expired, but your Commission deemed it wise as a guide for the future, to decide this issue. This Assembly decided in 1918 in the case of Doane *vs.* the Synod of California that it was beyond the power of a Presbytery to bind itself by any rules and regulations which could not be repealed except by two-thirds vote, and that such provision for a two-thirds vote was illegal and not binding upon the Presbytery when passed or subsequently thereto. Similarly, no rule passed by the Session of the Austin Church or custom followed in that Church Session for the election of an elder, to represent it in Presbytery for a definite period could bind or prevent the

Session in its discretion from electing another or different elder to represent it at subsequent meetings. The same reasoning which the Assembly adopted in the case of Doane *vs.* Synod of California is applicable here.

Therefore, it is the judgment and finding of your Permanent Judicial Commission that the appeal of Elder Bell from the action of the Synod of Texas be not sustained and that the action of the Synod of Texas be and the same is hereby adopted and sustained.

The record of case No. 2 was read, and the preliminary judgment by the Commission was confirmed as the final judgment of the General Assembly. The report is as follows:

Judicial Case No. 2.—Joseph R. Milligan vs. Synod of Baltimore.

The Rev. Joseph R. Milligan, Stated Clerk of the Presbytery of New Castle, filed with the Stated Clerk of the General Assembly on November 9, 1920, a complaint against the Synod of Baltimore. The complaint is against certain exceptions to the minutes of the Synod of Baltimore under the date of October 25–27, 1920.

1. As it concerns the insertion of an extra leaf in the record book between pages 298–299.

2. As it concerns the finding of the Synod of Baltimore viz: that the negative action taken by the Presbytery of New Castle in the case of the Elkton Church was contrary to the intention of the Judicial Commission of the Synod of Baltimore.

It is the judgment of the Permanent Judicial Commission:

1. That the exception made by the Synod to the record of the Presbytery of New Castle was well taken; that the first ground of the complaint be not sustained.

2. That the findings of the Synod concerning the negative action of the Presbytery was erroneous; and that the second ground of complaint be sustained.

Mr. Arthur L. Jackson being a member of the Synod of Baltimore was not present and took no part in the decision of this case.

The record of case No. 3, parts A and B, were read, and the preliminary judgments by the Commission were confirmed as the final judgments of the General Assembly. The report is as follows:

Judicial Case No. 3.—Presbytery of New Castle vs. Synod of Baltimore. Part A.

The complaint and appeal in this case is filed by the Presbytery of New Castle against the Synod of Baltimore. It brings before us for consideration the propriety of the action of the Presbytery in dissolving the pastoral relation between the Rev. John McElmoyle, D.D., and the Elkton Presbyterian Church. A brief recital of the history of the case will clarify the issue.

On November 4, 1918, three elders of the church presented a petition to the Presbytery in which they alleged that the pastor was commercializing the sacred ceremony of marriage, thereby degrading the moral tone of the community, bringing ridicule and reproach upon the church and interfering with the spiritual life and growth of the people. The petition requested that Presbytery make a thorough investigation of conditions with a view to taking such action as it might deem advisable. Presbytery, upon the recommendation of its Judicial Committee, granted the request and appointed a Committee of five to conduct the investigation. Dr. McElmoyle was present.

Thereafter and before commencing the investigation Dr. McElmoyle was advised that the Committee would hear him and all persons produced by him. Subsequently the committee went to Elkton and spent seven days in the examination of witnesses. Dr. McElmoyle appeared before the Committee and made a long statement. The Committee heard all persons produced by him. The testimony covers two hundred closely printed pages.

On January 14, 1919, the investigating Committee presented its report of findings to Presbytery. Dr. McElmoyle was present. The Committee reported that it found conditions in the church deplorable, attendance upon the services very poor, the spiritual condition even more lamentable and the financial condition becoming alarming. The report submitted three resolutions, the first of which was

> "We deem it for the best interests of the church that the pastoral relations existing between Dr. McElmoyle and the Elkton Presbyterian Church be dissolved."

This report was adopted by Presbytery.

Presbytery met again in April, 1919, and on October 6, 1919, but no action affecting the issue raised by this appeal was taken. On October 29, 1919, however, Presbytery at

a meeting at which Dr. McElmoyle was again present adopted the following resolution:

> "Resolved that the congregation of the Elkton Presbyterian Church be cited to appear before the Presbytery of New Castle at a meeting to be held in Dover Presbyterian Church at Dover, Delaware, on November 17, 1919, at 10:20 A. M., to show cause, if any, why the pastoral relation existing between the Rev. John McElmoyle and the Elkton Presbyterian Church should not be dissolved."

Notice of this citation was sent by the Stated Clerk of the Presbytery to Dr. McElmoyle and was read by him from the pulpit to the congregation. On the return day of the citation, certain representatives of the congregation appeared before Presbytery to protest against the dissolution of the pastoral relation. They were fully heard. Dr. McElmoyle was not present. It was stated on his behalf that he was attending a funeral, but it is not shown that he requested an opportunity to be heard or an adjournment, or that he objected to Presbytery proceeding in the matter. After prolonged discussion and prayer, Presbytery voted to dissolve the pastoral relation.

From that action, certain members of the Presbytery complained to Synod assigning four reasons for complaint. Synod at its meeting in 1920 reversed the action of the Presbytery, not upon any one of the four reasons assigned by the complainants, but solely upon the ground that Presbytery had dissolved the pastoral relation "without having previously cited or given due notice to the pastor to appear." From that action of Synod, Presbytery complains and appeals to the General Assembly.

It thus appears that the question here before us is a very narrow one. No doubt exists as to the power of Presbytery to dissolve a pastoral relation, even over the protest of the congregation and pastor. (Rev. Henry Ward *vs.* Synod of New York, General Assembly 1908 P. 201). No necessity for discussing the evidence exists, except to say that it abundantly supports the finding of Presbytery that the participation of Dr. McElmoyle in the marrying of couples coming from outside of the State did bring reproach on the good name of the Church and community. The single narrow question presented for discussion is, should the action of Presbytery in this case be reversed because it failed to issue a citation directed to Dr. McElmoyle and serve it upon him?

In approaching this question, the nature of this proceeding must be kept in mind. There is no charge of an offense

against Dr. McElmoyle. His ecclesiastical standing as a minister of the Presbyterian Church in the United States of America is not affected by this proceeding. Therefore, the provisions of Chapter IV of the Book of Discipline as to the issuance of citations in such cases do not apply. Neither is the case one in which either the pastor or the congregation without concurrence of the other, requested dissolution of pastoral relations. Therefore, the provisions of Chapter XVII of the Form of Government as to the issuance of citations in such cases do not apply. In this case, the Presbytery acted under the broad powers given to it by Chapter X, Section VII, of the Form of Government which provides in part:

> "The Presbytery has power to ordain, install, *remove,* and judge ministers; - - - to visit particular churches for the purpose of inquiring into their state, and redressing the evils that may have arisen in them; - - - - - and, in general, to order whatever pertains to the spiritual welfare of the churches under their care."

It is to be noted that this section differs from the other parts of the Form of Government and Book of Discipline referred to, in that it contains no requirement or provision whatever as to the issuance of citations. The failure of Presbytery to serve a formal citation upon Dr. McElmoyle in this proceeding was therefore not a violation of any requirement of the Form of Government or Book of Discipline. We do not mean to be understood as approving of the practice of proceeding without service of citation in such cases. On the contrary, we advise and approve of the issuance and service of citations as being the most satisfactory proof that due notice has been given to the pastor concerned. But inasmuch as the service of the citation is not required, we hold that the only effect of Presbytery's failure to issue and serve it was to cast upon the Presbytery the burden of showing by some other means that Dr. McElmoyle had due notice of all proceedings affecting his rights and interests. This burden the Presbytery has in this particular case satisfactorily discharged. It is shown that Dr. McElmoyle was present at Presbytery when the petition for investigation was presented, he was advised in advance by the Investigating Committee as to its manner of procedure, he appeared before it as did all persons presented by him, he was at the meeting of Presbytery on the day when the report of the Investigating Committee was adopted and also on the day when the citation to his congregation was directed to be issued and that citation was sent to him and read by him to his congregation. It is,

therefore, fully shown that he had actual knowledge and notice of all the proceedings of Presbytery. He did not appear at the meeting of Presbytery on the return day of the citation, it is true, but it is not denied that he had actual knowledge of the meeting and of the fact that the dissolution of his pastoral relation with Elkton Church was to be considered, yet he made no request to be heard, no request for an adjournment, no protest against Presbytery proceeding in the matter. We cannot imagine any circumstances under which Dr. McElmoyle could possibly have had fuller notice or knowledge of the proceedings. We are of the opinion that because such complete knowledge is shown, the failure to issue and serve a citation does not warrant Synod's reversal of Presbytery's action. The case of Rev. Henry Ward, D.D., *vs.* The Synod of New York (General Assembly *Minutes* 1908, p. 201) upon which the Synod based its action is clearly distinguished by the fact that in that case it was alleged that the pastoral relation was dissolved *without the knowledge* of either the pastor or the congregation. No such allegation is made either by the pleadings or by the counsel in this case. On the contrary, the undisputed facts show the fullest knowledge.

It is, therefore, the judgment of the Judicial Commission:

1. That the appeal and complaint of the Presbytery of New Castle against the Synod of Baltimore be and the same is hereby sustained.
2. That the action of the Presbytery of New Castle in dissolving the pastoral relation between the Rev. John McElmoyle, D.D., and the Elkton Presbyterian Church be and the same is hereby affirmed.

Arthur L. Jackson, Esq., Moderator of the Commission, being a member of the Synod of Baltimore, was not present, and took no part in the hearing and decision of this case.

Judicial Case No. 3.—Presbytery of New Castle vs. Synod of Baltimore. Part B.

In the matter of the appeal and complaint of the Presbytery of New Castle against the action of the Synod of Baltimore in sustaining a complaint of the Rev. John McElmoyle and others against the action of the Presbytery of New Castle in refusing to enroll Mr. Malcolm R. Gilpin as the elder from the Elkton Presbyterian Church and enrolling Mr. W. Sterling Evans as the elder from said church, the Permanent Judicial Commission beg leave to make the following report and findings:

The Judicial Commission of the Synod of Baltimore held that the election of elders in the Elkton Presbyterian Church

on May 3, 1920, by the congregation was without authorization of the Session or Presbytery, but inasmuch as it conformed to the provisions of the recently amended charter of the Elkton Church the irregularities did not invalidate the election, and that although it was irregular, it was not illegal. The Judicial Commission of the Synod said that they deemed it best, and earnestly advised that the elders so elected resign, but they did not direct such action on the part of the elders. The Presbytery was ordered to call a meeting of the congregation within thirty days, after such resignation, for the election of elders.

At the meeting of the Presbytery, held on October 6, 1919, its Executive Commission, to which the affairs of the Elkton congregation had been referred, filed a report recommending that a congregational meeting be called for the purpose of electing elders, but the Presbytery adopted a resolution staying the proposed proceedings at the Elkton Church until the Synod should meet. The pastor of the church, Rev. John McElmoyle, filed a complaint to the Synod against the action of the Presbytery, which complaint was sustained. The Synod directed the Presbytery to consider, at its earliest convenience, the appointment of a day for the holding of a congregational meeting of the Elkton Church for the purpose of electing elders.

No congregational meeting for the election of elders was thereafter held either upon call of the Presbytery or of the Session of the Church.

The Presbytery of New Castle held an adjourned meeting on October 29, 1919, upon the adjournment of the Synod. The pastor of the Elkton Church, Dr. McElmoyle, was present. A resolution was adopted that the Elkton congregation be cited to appear before the Presbytery on November 17, 1919, to show cause, if any, why the pastoral relation existing between it and Dr. McElmoyle should not be dissolved.

On November 17, 1919, the Presbytery ordered that said pastoral relation be dissolved. It further decided to put the entire control of the Elkton Church in charge of a Presbyterial Committee, to be appointed by the Moderator.

To the action of the Presbytery in dissolving the pastoral relation a complaint to the Synod of Baltimore was filed by persons claiming to constitute at least one-third of the members attending the meeting of the Presbytery.

No committee to take charge of the Elkton congregation was actually appointed in behalf of the Presbytery.

One of the elders of the Elkton Church had died and the other three, being antagonistic to the pastor, refused to call

a congregational meeting. It seems, however, that a meeting purporting to be a congregational meeting was held upon call of the trustees of the church. At this meeting an amendment to the civil charter of the church was adopted providing for limited terms of elders and deacons, they to be chosen at an annual meeting of the congregation to be held on the first Monday of May every year.

On May 3, 1920, a meeting was held, pursuant to the provisions of this amendment to the charter. Action was taken purporting to elect three elders, among them Mr. Malcolm R. Gilpin, and also three deacons. Mr. Gilpin was appointed as delegate to the Presbytery. The Presbytery refused to recognize the claim of Mr. Gilpin to a seat in Presbytery and appointed Mr. W. Sterling Evans, theretofore an elder, to represent the Elkton congregation.

It is not claimed that the meeting held in May, 1920, was held upon call of the Session or the Presbytery. It appears from a statement of counsel at the hearing that at each of the regular morning services of the congregation on the two Sundays immediately preceding the meeting it was announced by Dr. McElmoyle that the meeting would be held. It is insisted that the election of elders and deacons at that meeting was valid because the meeting was held under the authority of the amended charter.

The laws of the State of Maryland do not provide for any form of charter for a religious society that would undertake to regulate the performance by the church, or any agency thereof, of any functions, or the exercise of any powers, that are purely ecclesiastical. They merely provide for the incorporation of churches, or trustees thereof, for the management of the property interests of the churches according to the known usages and customs of their respective denominations. They expressly provide that any rules and ordinances of church corporations shall not conflict with the discipline and practice of the denomination. Interpreting these statutes, the Court of Appeals of Maryland has said that the purpose of such corporations was to enable the churches to attend more readily and efficiently to their temporal affairs without any power or authority to interfere with forms of worship, articles of faith, or any other matter relating strictly to spiritual concerns (Shaeffer *vs.* Klee, 100 Maryland Reports, 264).

The Permanent Judicial Commission is of the opinion that the election of elders and deacons at the meeting held in May, 1920, was invalid, for the following reasons:

1. The amendment to the charter providing a mode of election of elders and deacons was void as not being authorized

by the laws of Maryland, and furthermore, if the State of Maryland or any other State should undertake to regulate the election of elders or deacons, whose powers or functions are purely ecclesiastical, such regulations would be void as violative of the constitutional guarantees of religious liberty and separation between Church and State. It is also violative of the laws of the Presbyterian Church and repugnant to its historic claim to immunity from civil interference with ecclesiastical affairs for any congregation to undertake to subject itself to such civil regulation. It is apparent that a majority of the members of the Elkton congregation felt that amid the apathy of the elders and the delay by the Presbytery, some steps must be taken to bring about a resumption of normal congregational government, but such steps must never be taken except by virtue of authority that is solely ecclesiastical.

2. The lawful method of calling and holding a congregational meeting for the election of elders and deacons is by authority given to the Session or the Presbytery, or by the Session upon petition of the majority of the qualified voters in the congregation, in accordance with the provisions of the Form of Government; and no meeting of the congregation can be lawfully called for such purpose by the pastor on his own motion alone.

3. At the time of the meeting held on May 3, 1920, the Elkton Church was legally in charge of the Presbytery of New Castle, and the power of the congregation to elect elders or deacons was suspended. In so holding, the Commission does not approve of the delay of the Presbytery in effecting the proper performance of duty by the lawful elders or in bringing about the election of elders who would perform the duties of elders.

The Permanent Judicial Commission is also of the opinion that it was within the power of the Presbytery of New Castle to appoint Mr. W. Sterling Evans as delegate to sit in the Presbytery; but this opinion is based upon the fact that at the time of such appointment the Elkton Church was in charge of the Presbytery and upon the principle that such power of appointment is implied from, or necessarily incident to, the power of the Presbytery to take charge of a church. We do not express any opinion upon the power of a Presbytery to appoint a ruling elder to represent a congregation when such congregation has not been taken in charge by the Presbytery.

It is, therefore, the judgment of the Permanent Judicial Commission that the attempted election of elders and deacons of the Elkton Church on May 3, 1920, was invalid and that

the Presbytery did not err in denying to Mr. Gilpin the right to sit in the Presbytery and in seating instead of him Mr. Evans; that the appeal and complaint of the Presbytery of New Castle be, and they are hereby sustained; and that the Presbytery of New Castle be directed within thirty days from the receipt of notice of this decision to call a meeting of the members of the Elkton Church for the purpose of taking all measures necessary to bring about the peace and harmony of the church.

The Moderator of the Commission, Mr. Arthur L. Jackson, being a member of the Synod of Baltimore, took no part in the hearing and decision of this case.

The judicial business having been completed the General Assembly rose as a court and proceeded to other business.

The Standing Committee on Publication and Sabbath School Work presented its report through its Chairman, Rev. Clinton W. Lowrie, D.D., which was received, and pending action on the recommendations the Assembly was addressed by the General Secretary of the Board of Publication and Sabbath School Work, Rev. Harold McA. Robinson, D.D., and Rev. Abraham L. Lathem, D.D.

The report and recommendations were adopted as a whole as follows:

The Committee on Publication and Sabbath School Work takes pleasure in presenting the following report for the consideration of the General Assembly.

We acknowledge with gratitude the favor of God upon all the activities of our Board in promoting the work of Christian instruction and training of the children and youth. It has been a trying year in which to carry out a great plan, both because of financial adjustments and also because of the world's unrest. But it has been a great year in the realm of Christian instruction and training in the home, the home church, and the home community. The whole Church has felt the touch of it.

The Committee has studied the Minutes with care, both those of the Board and those of its four Administrative Committees. They were found in due order and were unanimously approved. We have also examined the Annual Report and take occasion to congratulate the educational staff of the Board on its vigor in facing a great task, and upon its record of achievement.

Your Committee wishes to go on record in commending the Board upon its devotion in working out, in accordance with the instructions of the General Assembly a comprehensive

system of religious education and training for the children and youth. We wish to call especial attention to the statesman like plans, which are now in operation including Vacation Bible Schools and Week-Day Religious Instruction. It is our conviction that the slogan of the Board, which is Christian Education seven days in the week, in the home, in the individual church and in the community, and which is now being translated into action, is destined to lift the religious life of this age to higher levels.

The Committee notes with pleasure the personnel of the Board, the able General Secretary, and his strong administrative associates, and we commend them for their wise aggressiveness during the past year, and for the spirit of coöperation and good will which prevails among them, which is essential to successful administration. The Committee further commends the Board for its broad vision, and for its constructive temper as set forth in its declared purpose, and in its program of service.

We suggest that the Assembly approve these constructive plans as reflected in the report of the Board, which have for their end the winning of children and youth to the faith of our Lord; that the forces of organized evil, which are becoming more and more aggressive, may be counteracted, and that this tide of young life may be released to all its divine possibility.

The following recommendations are submitted for adoption:

1. That the Minutes of the Board and its four administrative Committees be approved.

2. That the Eighty-third Annual Report of the Board be approved.

3. That the General Assembly confirm the election of the following elder as a member of the Board, to fill a vacancy in the Class of 1922:

John C. McKinney in the place of William H. Scott, deceased.

And the following Ministers and Elders to serve for three years, beginning June, 1921:

W. Courtland Robinson, D.D.,	Thomas W. Synnott,
George H. Hemingway, D.D.,	George Hale, M.D.,
Raymond H. Gage, D.D.,	Thomas R. Patton,
Dayton A. Dobbs, D.D.,	George R. Russell,
William P. Armstrong, D.D.	J. Bird Moyer, Ph.D.

4. The following action is recommended, with reference to the overtures referred to this Committee:

(*a*) *Overtures No. 800 and No. 801,* "The Use of the Au-

thorized Version in Printing Sunday-school Helps." No action is recommended, because the Board has announced its intention to use both versions after January 1, 1922.

(*b*) *Overture No. 797*, "Young People's Organizations as a Part of Publication and Sabbath School Work." No action is recommended because no action is deemed desirable at the present time.

(*c*) *Overtures No. 798 and No. 799*, "Four Recommendations Suggested by the Board to the Presbyteries." These overtures have to do with a proposal looking toward full coöperation between the field forces of the Board of Home Missions and the Board of Publication and Sabbath School Work, by making the Chairmen of Synodical and Presbyterial Committees on Home Missions *ex-officio* members of the respective Committees on the Board of Publication and Sabbath School Work, and *vice versa*. No action is recommended since this plan is not mandatory, but only suggested for the consideration of each Synod and Presbytery. In this connection the Committee notes with satisfaction the fine spirit of coöperation between the Board of Home Missions, and the Board of Publication and Sabbath School Work in field work, as evidenced by the following resolution, adopted by the Executive Council of the Board of Home Missions, growing out of a Conference of the Field Representatives of the Board of Publication and Sabbath School Work, at which a representative of the Board of Home Missions was present:

"Whereas, The Board of Publication and Sabbath School Work has formulated a policy of religious education covering the home, the individual church, and the community, and embodying certain standards in connection therewith, by which religious education in the home is understood to imply not merely the erection of the family altar, but the maintenance of religious instruction by parents, and the inculcation of a Christian atmosphere; religious instruction in the Church to involve the promotion of week-day instruction in religion, as well as efficiency of operation in the work of the Sunday School, and religious education in the community to involve the policy of establishing Sunday Schools in neglected and spiritually destitute localities, and the utilization of such means as Daily Vacation Bible Schools, and other forms of community service directed toward meeting the religious needs of the community, and

"Whereas, The Board of Publication has intimated a desire to have the moral backing and coöperation of the Home Mission Board in promoting this program, therefore, be it

"*Resolved*, That the Board of Home Missions through its Executive Council hereby expresses its hearty approval of, and sympathy with the standards of religious education set up and promoted by the Board of Publication and Sabbath School Work and commends these standards to the churches receiving home mission aid."

5. With reference to the report of the Committee on Digest, referred to this Committee by the General Assembly, it is recommended that an Advisory Committee be appointed, consisting of Rev. John V. Stephens, D.D., *Chairman*, the Rev. Edward L. Warren, D.D., Rev. Harold McA. Robinson, D.D., Secretary of the Board of Publication and Sabbath School Work, and the Stated Clerk, *ex-officio*: and that the selection of an editor for the Digest be left to this Committee, in conference with the Editorial Committee of the Board of Publication and Sabbath School Work, with power.

6. We recommend that churches make their offerings for the Board of Publication and Sabbath School Work according to the percentage adopted by this General Assembly—that is to say, 5.22 per cent.—which per cent. displaces percentages previously announced, in order that the Board may not be disappointed in its expectations or embarrassed in its work.

7. That the Board be directed to secure a Director of Boys' Work on its Educational Staff as soon as possible, and otherwise to complete the personnel of the Educational Staff along the lines already approved by the General Assembly.

8. That the policy of the Board in seeking a better correlation of instruction and expression in its comprehensive program of Christian instruction and training be approved, and that it be directed to proceed therewith.

9. That the plans of the Board for a new short course Teacher-Training text-book of certificate value, specializing on Biblical material be approved.

10. That the plans of the Board for ministers' libraries be approved, and that the Board be instructed to proceed therewith when the funds are available.

11. That the policy of the Board in providing Field Representatives for Religious Education for the Synods which desire it, when the men and funds are available, be approved: and that a similar policy be recommended in the case of such Presbyteries as may, in the judgment of the Presbyteries and the Board be advisable.

12. We recommend that the Sunday Schools of our Churches make special observance of Children's Day and Rally Day, and that each school be urged and encouraged to share in the support of specific fields according to the plan

of the Board, sending their contributions to the Treasurer of the Board.

13. We cordially approve of the effort the Board is making to increase the remuneration made to the heroic and self-sacrificing missionaries in the fields, and we would urge a continuance of this policy as funds may permit.

14. We recommend that the General Assembly request that in the Presbyterian Year Book of Prayer for Missions, all the field workers of the Board of Publication and Sabbath School Work be included.

15. We recommend that the Assembly express its gratification at the fine showing of the business, which has been accomplished with the slightest raise in prices, of the lesson periodicals commensurate with good business judgment merely to cover the advance in the cost of manufacture. The volume of business has been greatly increased, and the net profit has been held down to practically the same as last year.

16. We recommend that the General Assembly commend the general policy of the Board in the distribution of its supplies at headquarters and through the depositories. Pressure has been brought to bear upon the Board to open depositories at other points, but in view of the present financial situation, the Committee is of the opinion that the Board must continue to pursue a conservative policy in this regard. Special attention is called to the success of the new depository established at Atlanta, Georgia, for the Board's colored constituency: and in particular to the fine work of Rev. Albert B. McCoy, D.D., District Superintendent of Missions in the Synods of Atlantic and East Tennessee, as well as Manager of this Depository.

17. That this General Assembly reiterate its approval of the series of hymnals and lesson periodicals, published by the Board, and recommends them to the use of all Presbyterian Churches and Sunday Schools.

Respectfully submitted,
C. W. Lowrie, *Chairman.*

The Standing Committee on Narrative of Christian Life and Work, reported through its Chairman, Rev. Edwin H. Dickinson, D.D., on the subject of Vacancy and Supply. The Committee submitted at the same time the annual report of the Permanent Committee on Vacancy and Supply, printed in the Appendix. Pending action, the Assembly was addressed by the Rev. George N. Luccock, D.D., Rev. Walter H. Houston, D.D., Rev. Charles A. Austin, Rev. A. C. Preston and Rev. J. C. Miller. The resolutions were amended and

adopted. Subsequently, Resolution 6 was reconsidered, amended and adopted. All the resolutions as amended and adopted are as follows:

1. The General Assembly declares its conviction that present conditions specially call for a revival and re-establishment of definite presbyterial supervision of all pastorless churches, and commends the persistent efforts of its Permanent Committee on Vacancy and Supply to bring about this condition throughout the Church by securing the effective operation in each Presbytery of the Vacancy and Supply Plan as prepared by the Committee and repeatedly approved by past General Assemblies.

2. Confronting a serious shortage in the number of candidates for the Gospel Ministry and realizing that recruits must come from the homes of our various congregations, the General Assembly would emphasize the responsibility that rests upon each pastor to present the facts to his people, and calls upon ministers and people alike to earnestly "Pray the Lord of the Harvest that He will send forth laborers into His Harvest."

3. Recognizing the seriousness of the economic conditions which in recent years have severely tested the faith and endurance of many of our pastors and their families, the General Assembly admonishes the officers and members of our various congregations to see that the amount of support furnished in each case is such as to enable the pastor to proceed with his work, free from harassing care, and to this end the Assembly records its conviction that where the full time service of a pastor is enjoyed, the annual support should not fall below the equal of $1500 and manse for a married man, and $1500 for a single man.

4. The General Assembly is gratified by the increasing number of congregations providing places of residence for their pastors, and expresses the hope that this good work will continue until a comfortable parsonage shall become a part of the permanent equipment of every church or group of churches united in the support of a pastor.

5. We recommend for election to membership of the Committee for the class of 1921-1924 the following ministers: Rev. John E. Bushnell, Rev. George N. Luccock, Elders, Henry P. Crowell and James M. Goodrich.

6. In view of the lack of ministers in some of the rural districts, and in view of the great need of the churches in these districts, Presbyterial Committees on Vacancy and Supply are urged when necessary or advisable, to use capable laymen to conduct services in the pastorless churches, thus keeping up

the interest and enthusiasm of the congregation until a regular pastor or supply is secured."

Respectfully submitted,
EDWIN H. DICKINSON, *Chairman.*

The Standing Committee on Narrative of Christian Life and Work, through its Chairman, Rev. Edwin H. Dickinson, D.D., presented also its report on Narrative, which was received and adopted with its recommendations as a whole, as follows:

The outstanding fact clearly apparent to all the members of your Committee is this: That the present form of Narrative Blanks can never stimulate answers upon the work of our great Church from churches, presbyteries, or synods, that shall make possible highly intelligent deductions upon the life and work of the church.

The character of that life and the type of work done by us in establishing the reign of our Lord here are our highest concern as a court of Jesus Christ. The reports coming up from the field should set forth with vivid distinctness the character of the work done in every church and Presbytery with reference to the great opportunities of Evangelism, social service and spiritual guidance in redeeming lives and building character which now as never before are calling to the Church.

No Committee can read into or deduce from these reports definite information upon either spiritual life or service. Something must be done, and soon, to devise some form of questionnaire that shall be brief, yet suggestive of answers that shall set forth the real state of the life of the Church, the ideals that are guiding clergy and laity, and the results achieved in evangelistic and social effort.

The statistical returns upon the great work to which we are commissioned may well be relegated to a comprehensive table appended to the report of the individual church, and the questionnaire be so prepared that as a sensitized plate it may photograph the work done by each church in its task for the Kingdom. This is the first conclusion resulting from a study of the Narrative returns.

The second is this, that where *Evangelism* is emphasized, there, according to these reports, the major accessions upon confession of faith are recorded. No Commissioner attending the Pre-Assembly Conference conducted by our Evangelistic Committee, could fail to rejoice in the evidence that our beloved Church is responding more widely than ever to the call of a lost world as indicated by the fact that accessions to our churches last year upon pledged loyalty to Jesus Christ were the largest in our history.

All of us who felt the spiritual quickening of that Conference must have prayed that the full force of our Church be marshalled back of the Committee in the great task of bringing all our churches, large and small, urban and sequestered, into a church-wide campaign this coming year of personal work for the one by one winning of men to life with Jesus.

The crying need of arousing our entire membership to this supreme and happiest of the tasks of the church is seen in the startling fact, which the returns of even our banner year uncover—that the average of results in soul winning is this—the conversions are but one to twelve of our membership. It is sadly startling that it required twelve of us, Christians, to win one convert in a whole year.

When our church shall awake to the fact that it is the great business of the church and of every member in it to win souls, and when our spiritual life shall be measured by that divine purpose everywhere, then shall the Te Deum Laudamus be heard round the world and the hearts of men shall thrill to the glory of it.

The Narratives very clearly make known that attendance at the evening services and mid-week prayer meetings is lamentably small throughout the church and that wholly insufficient methods are being used to reverse the fact. Your Committee is unanimously of the opinion that the time is opportune to suggest to the Committee on Evangelism that special methods be devised by it, and suggested to the churches with a view to helping pastors and sessions make these services respond to the great spiritual needs of the hour.

Another fact confronts us in the Narrative returns, *i. e.*, that wholly inadequate methods are still being used in the greater part of our church for the religious education of our youth; that little or no attention is yet being given to week-day religious instruction of our boys and girls, that we are far from the wisdom and practice of other great churches in this matter, and that in very many of our churches the duty and value of instructing our young candidates for membership in communion classes is not at all appreciated.

Your Committee has also been impelled, from a study of this year's returns from the church, to the conclusion that the church as a whole is not meeting the spiritual needs nor directing the activities of our young people in lines of *practical* service as it ought to do. In all the range of our present questionnaire no returns are more disappointing than those upon Community service. Very few of our churches have reported serious consideration of our efforts to meet the great social needs of our neighborhoods, by new or up-to-date

methods, and we believe that here is presented an opportunity of interesting our youth in practical Christianity which we may profitably study and exploit.

In connection with the statistics upon the spiritual life of our young people it is very significant that a study of the returns from twenty-five presbyteries, scattered throughout our land, the increase in candidates for the ministry as we pass from the East to the West is as follows:

In the East.....13
In the Central West.....23
In the Far West.....67

It is still further suggested in a study of the returns from these same twenty-five presbyteries that the percentage of conversions to membership steadily rises from East to West.

In the Narrative questions the church has endeavored to obtain from our wide domain an intelligent judgment upon the effect of the late war upon social and religious life. Judging from the almost unanimous opinion voiced in the replies, it is the judgment of the church, that the effect of that war upon life has been bad. We may well believe, however, that it is altogether too soon to expect intelligent judgment upon so complicated and vast a question.

One fact stands clear and illumining in the reports of the churches, viz., that the New Era Movement has greatly quickened the spiritual life of the church; that it has deepened and broadened its intelligence upon its world task; that it has shown the whole church its road to joy in the Christian life in sacrificial giving and personal service for the redemption of the world.

Your Committee recommends the reference of the whole question of Narrative Blanks to the Committee on Christian Life and Work. We also recommend favorable action by this Assembly upon the resolutions of that Committee already read to the Assembly, and found in its report as printed in the Appendix, with the exception of Resolution 6, upon which we recommend no action be taken, and with the further exception of Resolution 13, now irrelevant through previous action of the Assembly.

The minutes of that Committee have been submitted to the Committee on Narrative and are approved.

Your Committee recommends to the Assembly for favorable action the report of the Committee on Vacancy and Supply and that its resolutions be adopted. See printed report of the Committee.

In closing our report to this Assembly upon the spiritual life of the church we venture to express a desire, which we believe to be widely felt throughout this body, that some method

be devised in future Assemblies whereby it may be possible, for ministers and elders coming to the annual meeting, to receive the enlightenment upon the great task of the church, and the soul quickening they so much need, from the noble band of missionaries, both Home and Foreign, who are annually present at the meetings of the Assembly and whose voices we so seldom hear.

We are humbly grateful to our Heavenly Father for His abundant blessing upon the work of our church and for the increasing efficiency of its efforts in bringing the claims of Christ to the hearts of men.

The messages from the wide fields of service have brought glad tidings of large accessions upon confession of faith in our Divine Redeemer. No other message could so thrill the heart of the church and this blessed fact, which none will question, is our finest assurance that the church is true to that which is most vital in our faith.

Respectfully submitted,

EDWIN H. DICKINSON,
Chairman.

Subsequently, the following resolution concerning an improved Narrative Blank was offered by the Standing Committee on Narrative, through its Chairman, Dr. Dickinson, and was adopted.

"That the Special Committee on Christian Life and Work be hereby authorized to continue its labors for another year in behalf of an improved Narrative Blank, and when completed, to circulate it among the churches as a tentative plan for one year and report upon its acceptance to the next Assembly, with the proviso that the new blank shall first be submitted to the Executive Commission for its approval before being circulated."

Subsequently the Moderator appointed as the Class of 1921–1924 of the Special Committee on Christian Life and Work, Rev. William Pierson Merrill, D.D., New York, N. Y., Rev. George Edward Hawes, D.D., Harrisburg, Pa., Elder William Jennings Bryan, Miami, Florida, and in accordance with the General Rule for Judicatories, Rule VII, appointed the Vice-Moderator, Nathan G. Moore, to serve in his stead as Chairman of this Special Committee.

The Standing Committee on Home Missions, through its Chairman, Rev. John B. Laird, D.D., continued its report. The remaining resolutions were adopted, and the report and its recommendations were adopted as a whole, as follows:

The Standing Committee on Home Missions respectfully submits the following Report:

The Church should be profoundly grateful to Almighty God for the way in which His Spirit has blessed the work of Home Missions in the year now past. In particular we rejoice in the evangelistic achievements of the year. Evangelism we believe to be the life and breath of Home Missions. Additions on confession of faith in Home Mission churches were 11.5% of their previous membership, a percentage not exceeded since 1909 and equalled only 4 times in 25 years and considerably higher than the record of the Church at large, which is a truly remarkable and gratifying record, attesting not only the vitality and efficiency of the churches but their renewed spiritual power after the depression of the years of war.

We have examined the Minutes of the Board of Home Missions for the year 1920-1921 and recommend their approval by this Assembly. We have also examined the Board's Annual Report which reveals the increasing magnitude and complexity of the Home Mission task and sets forth in detail the specific problems met, the methods followed and the achievements of the year. We commend the Board for the broad program which has been developed and the energy with which it has been prosecuted and we congratulate both it and the Church upon the devotion, spirit and effectiveness with which the large body of missionaries have coöperated to advance the work of making America Christian.

We note that the expenditures of the Board exceeded those of any previous year in its history, this being occasioned in part by the great increase in the work of self-supporting agencies which use the Board's treasury and in part by the continued effort of the Board to increase the salaries of its missionaries to a point more adequate for their support and more compatible with the dignity of their calling. As a result, although the receipts from living givers and the total amount from all sources applicable to the current work increased respectively 16.7% and 26.6% over the previous year and represented new high points in the Board's history, the Board closed the year with a deficit for the first time since 1918. In consequence the Board is seriously curtailing its work for the year 1921–1922, though without any reduction in missionaries' salaries. We believe the judgment of the Church will commend the Board in its policy of adequate support for its missionaries even if this prevents any present enlargement of work and postpones the liquidation of the Board's accumulated debt.

We approve the Board's purpose and desire to build up a sufficient permanent fund to stabilize its financing and provide an adequate credit basis. But, we believe that in postponing the furtherance of this purpose and applying to its current

work available legacies received during the past two years it has done wisely, recognizing that the past year has constituted as great an emergency as the Board is apt soon to confront.

In view of the that fact now for the first time more than one-half of our population resides in our cities, calling for a more vigorous and comprehensive effort in this field of work, we note with approval the program of organized city church extension developed by the Board and coöperating agencies and urge upon the Church such loyal support as will suffice for the meeting of the critical situation thus presented. We also rejoice in the progress being made in the interpretation of the Gospel in terms not alone of individual salvation but also of sound Americanization and of many-sided service to the manifest needs of exceptional populations and of impoverished or retarded communities. The large spiritual results attained show how perfectly service and evangelism supplement each other in this work of the Church.

We have deep satisfaction in the progress made toward the elimination of competition in Home Missions and the furtherance of practical coöperation and Christian fellowship among Evangelical denominations as evidenced particularly in Utah, Porto Rico, Cuba, Santo Domingo and the Southern Mountains.

We believe that the continuing welfare of the Church and the Nation require that the Board of Home Missions shall have from the Church its continued and increased support, both spiritual and financial.

We rejoice that at last a modern hospital fully equipped has been given to the Board by the Commonwealth Fund of New York City for the use of its mission among the Esquimos at Point Barrow, Alaska—the most northern point in the American Continent and the most isolated and remote mission station in the world and we hereby express to the Commonwealth Fund the thanks of the Church.

In regard to the deficit mentioned above, the Assembly will be glad to know that since the close of the year, under the stimulus of a conditional gift of $10,000 by a member of the Board, $50,000 additional has been secured; and this $60,000 together with amounts due from agencies clearing through the Board's treasury covers the amount of the deficit so that the previous debt of the Board is not increased.

Your Committee is gratified at the progress made in the direction of Jewish evangelization and in the selection of a Superintendent, the Rev. J. S. Conning, D.D., who will give his entire time to the leadership of this work.

The Committee received from the Home Mission Council

a copy of its findings, the recommendations and suggestions of which were carefully considered. The matters requiring special emphasis are included in the recommendations which will follow.

Overture No. 288 from the Presbytery of Denver, requesting reorganization of the Board of Home Missions so that the membership of the Board may be representative of the entire church is referred to the Assembly's Committee on Reorganization and Consolidation of the Boards and Agencies together with that part of *Overtures No. 281–No. 284, No. 286, No. 287, No. 289–No. 330* on the same subject.

The matter of the discontinuance of the Home Mission Council which is included in the above Overtures has been acted on and recommendations will follow.

That *Overture No. 350,* being a communication from the Home Mission Board requesting the General Assembly to increase the number of Board members by 2, one in the Class of 1922 and one in the Class of 1924, be answered in the affirmative.

With reference to that part of *Overtures No. 281–No. 284, No. 286, No. 287, No. 289, No. 330, No. 351–No. 376, No. 1456–60, No. 1461, No. 1462,* referring to the discontinuance of the Home Mission Council we submit the following recommendations:

1. It appears that the Council has fulfilled the mission for which it was created by the Assembly of 1913. This Council with marked success has performed a large service not only for the Board of Home Missions but for the whole Home Missions cause of the Church. In making our recommendation for its discontinuance, we desire in this way to express both the gratitude of the Board and the Assembly for the vital service it has rendered. We recommend that the part of the Overtures asking for the Home Mission Council's discontinuance be answered in the affirmative. (This recommendation was referred to the Committee on Reorganization and Consolidation of Assembly agencies.)

2. That the Home Mission Board be instructed to continue its annual conference with the representatives of self-supporting Home Mission agencies and to include in these conferences the Chairmen of the Home Mission Committees of the aid-receiving Synods.

3. That if practicable the conference be held in September of each year or at some other time prior to the submission of the budget to the Executive Commission to aid in preparing the budget and in order that they may be followed by meetings of the various Synodical Committees in connection with the annual meetings of their respective Synods for the purpose

of adapting the policies and programs agreed on as to the needs of the field.

The following recommendations with reference to the work of the Board are submitted:

1. That the Home Mission Board be instructed by the General Assembly to prosecute with greater aggressiveness its distinctive work of sustaining weak churches especially in the towns and rural districts, and to devote a larger proportion of its annual budget to the development of this which is its primary function.

2. That in order to coördinate it more closely with the other forms of Home Mission work the administration of the Indian work shall as rapidly as practicable be transferred to the Synods and Presbyteries within whose bounds such work may be carried on.

3. That in order to recruit workers for home mission fields the Board be instructed to present the needs and opportunities of such fields to the students in high schools, colleges and seminaries so far as may be practicable.

4. That owing to the limited number of field workers and the increasing demands of the distinctive work to which they have been appointed, no other agency be authorized to utilize the time and energy of such workers for other forms of promotional work, except by consent of their respective Presbyterial and Synodical Committees on Home Missions.

5. (With reference to the recommendations concerning the relation of the Board of Home Missions and the Board of Church Erection.) Recognizing the necessity of the closest coöperation between the Board of Home Missions and the Board of Church Erection, we recommend:

a. That the two Boards arrange for the holding of one joint meeting each year, at which time all matters pertaining to the annual budget for the Board of Church Erection so far as it has to do with Home Mission building needs, shall be discussed. The share of the Board of Home Missions in the Church Erection budget shall be definitely agreed upon at this meeting.

b. The Board of Home Missions is instructed to appoint a special committee on buildings and equipment, which shall act jointly with the Committee on appropriations of the Church Erection Board upon all applications from fields under the care of the Home Mission Board and which are chargeable to the Home Board's share in the Church Erection Board's budget.

c. If the rules governing appropriation of funds by the Church Erection Board prevent the carrying into effect of the provisions of this plan, the Assembly instructs the Church

Erection Board to take such steps as may be necessary to enable the Board to function in this coöperative manner at the earliest possible date.

d. That the Home Mission Board in coöperation with the Church Erection Board take steps to inform the Church by means of literature and stereopticon slides with reference to the needs of home mission fields for adequate buildings and equipment.

6. That the matter of inviting representatives of the Women's Boards to the Budget making conference of Home Mission Agencies, be referred to the Home Mission Board for consideration with a favorable recommendation if in the interests of efficiency and coöperation such representation should be found necessary or advisable.

We recommend that in accordance with custom Sundays nearest Thanksgiving Day and Washington's Birthday be set apart by our Sunday Schools as Home Mission Days, with appropriate exercises, and offerings to be sent to the Treasurer of the Home Mission Board.

We recommend that the Board be instructed and empowered to secure adequate and regular reports from all Home Mission fields aided through its Treasury in order that results of work may be known and its efficiency increased, and that Synods and Presbyteries not using the Board's Treasury be urged to join with the Board in this matter so that uniform and reliable statistics may be secured covering the whole field.

We recommend that, as the budgets of the Board and of the self-supporting Agencies are included in the joint budget under one percentage, the Assembly approve the findings of the Home Mission Council that in every self-supporting Home Mission Agency the amount of the Home Mission percentage upon which such Agency shall exercise a prior lien for the support of work within its bounds shall be a matter of mutual agreement between the Board and the Agency concerned, subject always to the deliverances of the Assembly touching this matter.

We recommend that the following persons be elected to serve in the Class whose terms expire in 1924:

Rev. D. Stuart Dodge, D.D.	Elder W. M. Cosby
Rev. Lyman W. Allen, D.D.	Elder Robert D. Samuels
Rev. Henry Sloane Coffin, D.D.	Elder Ledyard Cogswell,
Rev. W. Francis Irwin, D. D.	Jr.
Rev. George E. Davies, D.D.	Elder George Nicholson
Rev. Dwight Witherspoon Wylie, D. D.	Elder J. W. Clarke

and, Rev. Carl Elmore, in the Class of 1922.

In view of the consolidation of the Home Mission work of the former Welsh Calvinistic Methodist Church with the work of the Home Board as a result of the union of the two Churches effected a year ago, we recommend, in order to give the Welsh Board representation on the Home Board, that the Rev. John Davies, D.D., of Utica, N. Y., be designated member-elect to fill the first vacancy occurring among the clerical members of the Board.

Your Committee has examined the Minutes of the Woman's Board of Home Missions for the year 1920–1921 and its forty-second Annual Report. We recommend that the General Assembly approve the same and record its congratulations on the achievements of the year and express appreciation of the faithfulness and efficiency of the Board.

We note with gratitude that the schools have reached 1500 more children and through the hospitals 15,000 more persons during the year than in any other previous year.

That, in women's and young people's organizations there has been a gain of 54,000 members during the year. The finances show an increase of $140,000 from living givers. The stress of the year, with its heavier financial demands, we regret, has resulted in closing the year with a cash deficit of $77,000 and an additional deficit of $88,000 on appropriations, making the total deficit $165,000. We recommend that the following whose terms expire in 1921 be elected for a term of three years:

Mrs. E. H. Bancker
Mrs. Thomas C. Chambers
Mrs. E. B. Cobb
Mrs. A. W. Corning
Miss Julia Fraser
Mrs. E. K. Hopper
Miss Annie Hyatt
Mrs. H. C. Louderbough
Mrs. J. E. McAfee
Mrs. A. C. McMillan
Mrs. E. C. Miles
Mrs. J. K. Mitchell
Miss Elinor K. Purves
Mrs. D. E. Waid

Also, the following in the Class of 1922:

Mrs. Charles Bryan
Mrs. Kenneth Miller
Mrs. Frederick Stockwell

We recommend that the following members be elected on Missions and Church Erection of the Cumberland Board:

Terms expiring in 1922.

Mr. John C. Cobb
Mr. Isaac H. Orr
Mr. W. J. Edwards

Terms Expiring in 1923.

Rev. Edward B. Surface, D.D.
Mr. Thomas H. Cobbs

Terms Expiring in 1924.

Rev. Chas. E. Hayes, D.D.
Rev. E. E. Morris, D.D.

Pending the adoption of these recommendations, we request that the Assembly hear the Rev. W. R. King, Secretary of the Board of Home Missions, and Mrs. D. E. Waid of the Woman's Board.

JOHN B. LAIRD,
Chairman.

The following resolution submitted by Hon. William Jennings Bryan, was adopted:

That the 133rd General Assembly of the Presbyterian Church of the U. S. A. viewing with grave concern the rivalry in armaments, threatening as it does the financial stability of the world as well as international friendships, appeals with earnestness and confidence to President Harding to call a conference of the nations for the purpose of securing progressive disarmament and the establishment of universal and perpetual peace.

The following resolutions submitted by Rev. Joseph B. Turner regarding the Presbyterian Historical Society, were adopted:

Believing it to be a high duty of the Church to collect and preserve for posterity the records of God's dealings with it, the memorials of its growth, its trials and its triumphs, the life story of its ministers and honored leaders, and whatever else may become sources of histories and biographies yet to be written; and believing also that the history of the church of Christ in all ages deserves special attention at the hands of His people; and that if we labor to collect and preserve the materials of such history we may with confidence look for the approval and blessing of God, and the encouragement and coöperation of His people; *be it resolved*

1st. That the Assembly is gratified to know that the great collections of the Presbyterian Historical Society, consisting of 20,000 volumes, more than 90,000 pamphlets, thousands of manuscripts, portraits and autographs, is in existence, and available to all who desire the information it may afford.

2nd. That the Assembly commends the work of this Society, which is the only one in the land devoted exclusively

to the collection and preservation of the records of what the Presbyterian and Reformed Churches have done, and are doing for the nation and the world.

3rd. That we urge the ministers, elders and members of our churches leave nothing undone which may increase the efficiency of the Society; that they help this Society, which is theirs, in adding to its collections whatever may serve to enlarge the knowledge of future generations concerning the men, the methods, and achievements of the Church past and present; that they transmit to the Society all local church publications, all printed matter, Minutes of Synods and Presbyteries, and in particular the letters, autographs, manuscripts, and memorials of deceased ministers; and the Assembly renews its direction that the records of all defunct churches and church courts be deposited with the Society for preservation.

4th. That the Assembly renews the action of the Assembly of 1920, in recommending to the sessions of our churches to make their pastors members of this Society, providing for the annual dues, upon which the Society is almost wholly dependent for the continuance of its work, out of the budget of the Church and out of their sessional funds.

The following resolution submitted by Elder Conrad Gillen was adopted:

That the Moderator and Stated Clerk be directed to communicate to the President, Vice President and Secretary of State of the United States, that we pledge our solemn and prayerful support and sympathy in any and all patriotic endeavors to hold up the high ideals of true Americanism at home and abroad, which tend and contribute to the establishment of peace, security and righteousness among all men everywhere.

The Moderator appointed Dr. Robert E. Speer to conduct the devotional service to-morrow noon to follow the report of the Standing Committee on Foreign Missions.

The Assembly then adjourned until 9.00 A. M. Thursday, and was closed with prayer by Rev. George N. Luccock, D.D.

A popular meeting in the interests of Foreign Missions was held in the auditorium at 7.30 P. M. Wednesday, presided over by Rev. Hugh K. Walker, D.D. Secretary Robert E. Speer, LL.D., introduced the speakers of the evening, as follows: Rev. Albert I. Good, of Africa; Mrs. Charles K. Roys, General Secretary of the Woman's Board of Foreign Missions; Rev. Roy H. Brown, of the Philippines, and Rev. George S. McCune, D.D., of Korea.

THURSDAY, May 26, 1921, 9.00 A. M.

The Assembly met and was opened with prayer by the Rev. George E. Hawes, D.D.

Rev. John R. Fleming, D.D., of Edinburgh, Scotland, Secretary of the World Alliance of the Reformed Churches holding the Presbyterian System, was enrolled as a Corresponding Member of the Assembly.

The Executive Commission, through its Chairman, Rev. Samuel S. Palmer, D.D., presented resolutions to be added to paragraphs XVI and XVII, and be substituted for paragraph XX respectively of its report. They were adopted, and appear in the report as finally adopted.

The report of the Executive Commission was finally adopted as amended and is as follows:

I. Meetings.

The Executive Commission met preceding and during the sessions of the General Assembly in Philadelphia, May

18-28, 1920. The first meeting of the Commission with a new Chairman and the newly elected members was held at Philadelphia, May 28, 1920. Subsequent meetings were held at Atlantic City, N. J., September 21-23, 1920; in Chicago, December 7-8, 1920; Chicago, February 24-25, 1921. The Commission is now in session at Winona Lake, Ind., and awaits the pleasure of the General Assembly.

II. Members.

Through some oversight, the Assembly of 1920 failed to fill an existing vacancy in the Commission.

There have occurred during the year an unusual number of vacancies in the Commission. Hon. Allen B. Endicott of Atlantic City, Class of '22, was removed by death, on November 3, 1920, and the Moderator appointed to the vacancy thus created Hon. Robert Lansing. The rule by which absence of a member from three consecutive meetings automatically removes him from the Commission and leaves a vacancy, operated in the case of Rev. William L. McEwan, D.D., Pittsburgh, Class of 1921, who was detained from the meetings by his prolonged illness. Edward H. Smith, Esq., Chicago, and Dr. John Willis Baer, Pasadena, both of Class 1921-22, resigned their membership, the former because of serious illness and the latter because of his great distance from the places of meeting of the Commission. The Moderator has made the following appointments to the Commission: President William W. Boyd, an elder, Oxford, O., to fill the vacancy left by the last Assembly, in the Class of 1920-21; Rev. Lewis S. Mudge, D.D., Harrisburg, Pa., to Class of 1920-21; Hon. Robert Lansing, Washington, D.C., to Class of 1921-22; Thomas E. D. Bradley, Esq., Chicago, to Class of 1921-22; Mr. Thomas D. McCloskey, Pittsburgh, to Class of 1921-22.

The members of the Commission whose terms of service expire with this Assembly are the following:

Rev. George B. Stewart, D.D., Auburn, N. Y.
Rev. William O. Thompson, D.D., Columbus, O.
Nelson H. Loomis, Esq., Omaha, Neb.
Pres. W. W. Boyd, Oxford, O.
Rev. Lewis S. Mudge, D.D., Harrisburg, Pa.

President William W. Boyd, Rev. George B. Stewart, and Rev. Lewis S. Mudge, having been chosen to fill vacancies have not filled a three-year term, and are, therefore, eligible to re-appointment.

III. Tribute to Judge Endicott.

The membership of the Executive Commission having been broken by death, in the decease of the Hon. Allen B.

Endicott, on November 3, 1920, the Commission takes occasion to bear testimony to his sterling Christian character, his devotion to the highest interests of the Church, and his faithful and valued services as a member of the Commission and Chairman of its Finance Committee.

IV. Finances of the Assembly.

The Executive Commission herewith submits the Budget for the expenses of the General Assembly for 1921-22. It is based upon the estimated Budget of last year, which was found to be reasonably accurate for that year and will doubtless answer for this current year, since conditions have not materially changed.

The vacancy created in the Chairmanship of the Finance Committee was filled by the appointment of President William W. Boyd.

Upon the withdrawal of Dr. Roberts from active connection with the office of Stated Clerk, his accounts were audited by expert accountants from April 1, 1920, the date of the previous auditing, to June 5, 1920, and found to be correct. The accounts of the Stated Clerk's office have been audited by expert accountants from June 5, 1920 to the end of the fiscal year, March 31, 1921, and found to be correct.

The Executive Commission has received regularly at its meetings the report from the Treasurer, in accordance with the provision of the Assembly's financial plan. The tentative Budget of the General Assembly for the year ending March 31, 1922, is as follows:

The Assembly of 1911 referred to the Executive Commission, with power, "the administration of the finances of the Assembly, the appointment of a treasurer included." (*Minutes*, 1911, pp. 130, 131.) A plan was adopted by the Commission, and became operative December 30, 1911, and is found printed in the *Manual* of the Assembly, 1920, pp. 110-116. The Executive Commission during this year has made certain slight modifications in this plan, which, as thus modified, is printed in the *Manual* for this Assembly, pp. 85-90.

VI. FEDERATION OF CHURCHES.

The Assembly of 1920 referred to the Executive Commission the consideration of the whole subject of the federation of churches, which appeared in that Assembly in connection with an Overture from Winona Presbytery, and resolutions before the Committee on Polity. (See *Minutes*, 1920, p. 196.) This matter has received the consideration of a special committee and of the Commission itself. The Commission makes the following report upon the same:

Whereas, Overture No. 261, known as the Winona Overture, addressed to the General Assembly of 1920, together with the action of the Assembly thereupon; also a resolution asking for a deliverance of the General Assembly on the subject of Federated Churches, were referred to the Executive Commission (*Minutes* G. A., 1920 p. 196); and

Whereas, matters of Comity with churches not members of the Council of Reformed Churches have been committed by the General Assembly to the Committee on Church Coöperation and Union (*Minutes* G. A., 1917 p. 286; *Minutes* G. A., 1918, p. 284); and

Whereas, the subject covered by these references, now before the Executive Commission, may be deemed by some to lie within the field of Comity; therefore the Executive Commission recommends the adoption of the following:

Resolved, That *Overture No. 261* to the Assembly of 1920, and related papers, all of which are returned herewith, be placed in the hands of the Committee on Church Coöperation and Union.

VII. The Committee on Supplies.

The General Assembly of 1913 authorized the appointment, by the Executive Commission, of a Committee on Supplies, consisting of three members, one representative from the Executive Commission, one from the Boards and Agencies of the Church, and a business man from the membership of the Church. The Committee was continued by the Assemblies of 1915 to 1920. During the past fiscal year, the Committee was composed of A. B. Endicott, Esq., of the Executive Commission (recently deceased), Mr. Henry F. Scheetz, for the Boards and Agencies, and Mr. Thomas W. Synnott, for the Church at large.

The Committee, through Mr. Scheetz as Chairman, has very recently submitted the following report:

"In response to inquiries made by the Chairman of the Committee, the Boards and Agencies of the Church directed him to arrange for the purchase of paper for printing the various Reports. Quotations were received from manufacturers, with the result that a slightly better price than last year was obtained. In 1920 the paper was bought at a figure considerably below the market rates.

"Some of the Boards have found it decidedly to their advantage to have much of their literature printed outside of the large cities in which they are located. It has proved more economical and very satisfactory.

"In view of the fact that the majority of the Boards are securing, independent of the Committee, competitive bids on much of their material, further continuance of the Supply Committee does not seem necessary; and, if the judgment of the Executive Commission so approves, they desire to be discharged; with the understanding that the Chairman of the Committee, the Manufacturer of the Board of Publication, may be conferred with whenever any of the Boards so desire.

We recommend that the Committee on Supplies be continued, that the attention of the Boards be called to this action, and that they be directed to conform to it.

"Henry F. Scheetz, *Chairman.*"

VIII. Columns in Statistical Reports.

The question of what causes should be allowed in the columns of Statistical Reports was brought to the attention of the Executive Commission by one of the Assembly's Agencies. The Commission made a somewhat exhaustive study of the actions of the Assembly regarding these columns and found that there had been in the past no consistent or uniform practice with reference to them.

The Commission felt that certain injustice is being wrought by the present practice and would recommend the adoption of the following:

Resolved, That Agencies not under the control of the Assembly should not be included in the Statistics of the Assembly *Minutes*, and that the Stated Clerk be directed to assign a column to Men's Work, after the present year.

IX. Conferences with the Boards.

There have been several conferences with the Boards and Agencies during the past year, namely; during the sessions of the last Assembly, in Philadelphia; at Atlantic City, in September; at Chicago, in December and in February. In addition to these more formal conferences there have been several informal but important conferences, of committees of the Commission with the New Era Committee and various Boards. These conferences pertained almost exclusively to the matter of the payment of the Interchurch Debt and the Budget for 1921-22. They have been characterized by unity of purpose and harmony of spirit, and the issue in every case has been accepted by all as the best possible, under existing conditions.

X. The Management of Stated Clerk's Office.

The Assembly of 1920 received from its Stated Clerk the following communication:

May 26, 1920.

"To the General Assembly:

"Dear Brethren:

"Your great kindness to me is warmly appreciated. One of the uplifts of my life has been the manner in which the General Assembly from year to year has approved my work. In the present situation, occasioned by my illness I ask the Assembly to appoint a Special Committee of the Executive Commission consisting of the Moderator, Rev. S. S. Palmer, D.D., Dr. John Willis Baer, Hon. Allen B. Endicott and Rev. George B. Stewart, D.D., said Committee to have from the Assembly full power to do anything that may be necessary to assist me in my work, and that the Executive Commission through this Committee shall have during the year full charge of my office.

"Wm. H. Roberts, *Stated Clerk.*"

The Assembly having granted this request, the Executive Commission, through the above named Committee, entered

upon the duties required. A conference with Dr. Roberts resulted in an arrangement that was mutually satisfactory, and which was partially of his proposing and entirely to his wishes. He retired from active connection with the office, which was left wholly in charge of the Commission, and became Stated Clerk Emeritus with full salary. His death, which was obviously imminent at the Assembly, occurred in about a month after the Assembly's adjournment; but it in no wise affected the routine of the office, as all necessary adjustments had been effected prior to that sad event.

Rev. William B. Pugh, whom Dr. Roberts had employed through a number of years in assisting him in the work of the Office, and who, prior to and during the last Assembly, performed a large part of the work previously done by Dr. Roberts, was continued in the office by the Commission, and with his valuable assistance the work of issuing the *Minutes* was carried forward, after many exasperating delays due largely to industrial conditions. The gratitude of the Commission and of the whole Church is due Mr. Pugh for his willing and capable service in the laborious work of editing this volume and to his church for generously releasing him temporarily for this purpose. Since September 1, 1920, Rev. J. M. Hubbert, D.D., Assistant Clerk, has been the Acting Stated Clerk, under the direction of the Committee appointed by the Assembly and the Commission. The Commission desires to express its appreciation of Dr. Hubbert's faithful, painstaking, and efficient service during the year. The circumstances made his position unusually difficult. Tact, self-effacement, technical knowledge and skill were required in large degree. He has shown these qualities, and therefore the affairs of the office have gone forward with every smallest duty performed and with the prevalence of the most delightful spirit. To this end the one stenographer retained in the office has been an efficient aid by her willingness and ability in the doing of increased work. The weekly pay-roll has been reduced by about $60 per week, and other economies have been put into effect. The Commission and its Committee have given constant and personal supervision to the office throughout the year.

XI. Publication of Minutes and the Reports.

On account of the death of the Stated Clerk, the publication of the *Minutes* of the Assembly and of the volume of the Reports of the Boards became one of the duties of the Executive Commission. It was brought to the attention of the Commission that the usableness and practical value

of these volumes might be increased by some changes and that this is an opportune time for making them.

There is much irritation throughout the Church because of the long delay in publishing the *Minutes* of the Assembly. The Statistical Tables are in large measure the occasion of this delay, in addition to their being open to criticism in their present form. Both volumes are bulky. The financial statements of the several Boards, since they are scattered through the volume, are rendered almost valueless for many who wish to use them. For these and other reasons the Executive Commission has given the matter of these publications careful consideration. We have reached the following conclusions:

1. That the material should be distributed into three volumes, instead of two as at present, and re-arranged. Thus the size of the books would be more convenient, duplication of material could be avoided, space saved, and cognate matter brought together.

2. The first volume should contain the Journal of the Assembly, the second the vital statistics of the Church and of the Boards and Agencies, suitably grouped for convenient comparison and study, and the third volume should contain the Reports of the Boards and their financial statements, omitting the contributions of the individual churches.

3. The statistics should be printed under the churches, instead of being under the pastors, as at present, and in alphabetical order, with the names of the ministers; and sessional reports on the left hand page, and the Board reports of the contributions of the churches on the right hand page. By the proposed arrangement all the vital statistics of each church will be spread out before the eye on pages facing each other.

The proposed arrangement will result in a saving of space and of composition, and so of money.

4. The members of presbytery who are not serving churches should be printed at the head of each presbytery in alphabetical order and in semi-solid form. The present method of printing the names of the ministers results in about 150 pages of type-setting of slugs or blank spaces opposite the names of those not in charge of churches. This type-setting is just as expensive as if the pages were filled out with figures, and is useless, undignified and expensive. With the names of these ministers set in a dignified manner at the beginning of the presbytery, as proposed, there would be a large money-saving.

We, therefore, offer for adoption the following

Recommendations.

1. That the Stated Clerk be authorized to publish three volumes, each bearing the general title "General Assembly of the Presbyterian Church, U. S. A.," with the appropriate year as part of the title; Volume I, to be designated as the "Journal," Volume II, as "Statistics," and Volume III, as "Reports of the Boards."

2. That in Volume I be included the Journal of the Assembly, the list of officers, past and present, of the Assembly, the Executive, Judicial and other Commissions and committees, Boards, Agencies, and their officers, and any other matter pertinent to the meeting of the Assembly, with full indexes.

3. That in Volume II be assembled all the statistics the Assembly deems valuable for publication pertaining to the churches and the Boards and Agencies. That the annual statistical reports of the churches be arranged in alphabetical order of churches, presbyteries, and synods, with the names of pastors and stated supplies, who are members of the same presbytery, opposite their churches. That in connection with the Statistical Reports there be printed, in a manner convenient for reference and comparison, the reports, by the Boards and Agencies, of contributions received from the churches. That at the head of each presbytery there be printed in alphabetical order and in a suitable form the names and addresses of the members of the presbytery who are not serving the churches in that presbytery as pastors or stated supplies.

4. That in Volume III there be included the annual reports of the Assembly's Boards and Agencies, excluding the reports of the contributions of the churches, which are in Volume II; and that the volume be suitably indexed.

5. That the classification of the material and the arrangement of it in the several volumes be left with the Stated Clerk, who shall aim to avoid duplication of material, and to present a full, accurate, and usable record of the year's history of the Assembly, its Boards, Agencies, and Churches.

6. That the above arrangement go into effect with the *Minutes* and Reports of 1922.

XII. New Era Magazine and Publicity Department.

Concerning the New Era Magazine and Department of Publicity, we offer the following recommendations:

1. That the Department of Publicity and the New Era Magazine be separated.

2. That, in reference to the New Era Magazine, the follow-

ing request received in writing from a Conference of Board Representatives be granted, namely, "that the Magazine proposed by the Executive Commission be committed to the Boards to be conducted and financed by them," with the understanding that they are to receive its assets and assume its liabilities, and the liabilities of the Executive Commission incurred on account of the Publicity Department and the New Era Magazine.

3. That, with reference to the Publicity Department (1) the same be continued under the direction of the Executive Commission; (2) the expenditure be limited to the funds in hand previously designated for this purpose which do not exceed $20,000.00.

XIII. Report of Director of Publicity and Editor of New Era Magazine.

To the Executive Commission of the General Assembly:

Publicity is being employed more and more by churches. During the past year there has been established the Vatican's own daily news service in addition to other extensive publicity agencies of the Roman Catholic Church. Some Protestant Churches spend much larger sums than our Church in this service. Our Church took a long step forward when it established the Department of Publicity. The first day the Department began its work, telegraph editors of the daily newspapers, in various parts of the country exclaimed in surprise "The A. P. is carrying news of the Presbyterian Church." The Associated Press began carrying this news because it was news and other press associations have rendered us a similar service. The Presbyterian Department of Publicity has come to be looked up to and accepted by the press of the nation as a permanent factor in the dissemination of news that is worth while. By mail and wire news reports of the activities of our Church, its Boards and Agencies, are transmitted daily, and the sole reason for the acceptance of these reports is in the fact that they are prepared by trained, seasoned and reliable newspaper men who are able to distinguish between straight news which editors welcome and propaganda which editors abhor. The Department can only maintain its integrity with the press by rigidly adhering to news material.

Section of Church Advertising.

The highly valuable service of aiding individual churches in their local advertising is conducted by the Department. More than 1600 of our churches have already accepted

this service and are now receiving from the Department and using regularly this practical aid in the development of their local field. The list is constantly growing. The pastors are supplied by the Department with suggested illustrated advertisements, helps for their bulletin boards, and practical suggestions for the improvement of their bulletins, leaflets and periodicals. News items are furnished them for local use.

In this, as in all branches of the Department's work, the Boards and Agencies are liberally and impartially served.

New Era Magazine.

The Director of Publicity has also served as editor of the New Era Magazine. Under its present name it has been published less than three years. Like other religious publications, it has constantly faced perplexing problems in the effort to maintain circulation and prestige.

Just what kind of magazine does the Church require? This question has been constantly confronting the Editor, and widely different answers have been given. By utilizing the best available advice, a composite magazine has resulted in an effort to promote the work of the several Boards and Agencies, assist pastors in their own self-improvement and the prosecution of their work, and to increase the religious effectiveness of the home.

Unsolicited testimony from thousands gives evidence that the Magazine has rendered a great service to the Church.

Experience, however, shows that the New Era Magazine is not yet just what is needed. It has not satisfied the Editor nor the Church. There is, however, a large field awaiting it, and the Church has a right to desire and expect in the near future a monthly magazine steadily gaining in strength and influence and more worthy of the Church and more fitted to the Master's service.

The Editor desires to bear testimony to the efficiency of Mr. Horace P. Camden, long the faithful Manager of the "Assembly Herald," and latterly of the New Era Magazine, and Business Manager of the Department of Publicity. He has worked unceasingly to hold and develop circulation and to overcome the difficulties created by the rapid and enormous increase in the cost of paper and production.

Expenses of Past Year.

The Department and the Magazine have been conducted under grave financial difficulties. The staff and office force were greatly reduced and the work redistributed. By a

policy of rigid economy, the deficit, about equally divided between the Magazine and Department has been kept within $40,000. If it had not been for the help of the New Era Committee this deficit could not have been carried and both the Department and Magazine would have been discontinued early in the year. The Magazine and Department are now conducted at a minimum of cost and efficiency. Further reduction in expenditure would be fatal to effective service to such degree as to suggest their discontinuance. Further, there must be an adequate plan for financing its agencies, since the deplorable conditions of last year must not continue.

RECOMMENDATIONS.

Growing out of my experience in the Department of Publicity from its beginning and the experience of the past year in connection with the Magazine, I am prepared to make the following recommendations to the Executive Commission:

1. That the Department and Magazine be separated from each other.
2. That the church advertising section of the Department of Publicity be continued, because of its large and growing importance to the churches.
3. That the Magazine be continued, with some important modifications, as the official organ of the Church, under its own Editor and with its own budget.
4. That a settled practicable policy for financing both the Department and the Magazine be adopted.

With grateful appreciation of the coöperation and support which I have received from the Executive Commission, the New Era Committee, and the staff of the Magazine and the Department during this past year, without which coöperation it would have been impossible to achieve such results as have been won, I herewith respectfully submit this Report.

WALTER I. CLARKE,
Acting Director of Publicity and Editor of New Era Magazine.

The above recommendations of the Director and Editor have been incorporated in foregoing recommendations of the Commission, and do not require separate action by the Assembly.

XIV. LIQUIDATING INTERCHURCH AND NEW ERA DEBTS.

WHEREAS, The General Assembly has certain outstanding financial obligations, to-wit, the balance of an underwriting

of the Interchurch World Movement, amounting to approximately $555,000 with accrued interest, and a balance of an underwriting of the New Era Movement, amounting to approximately $365,000 with accrued interest, making a total of approximately $920,000 with accrued interest, which must be liquidated, and

WHEREAS, It is impossible to assess either or both of these obligations against the funds held or administered in trust for special missionary and benevolent objects by any or all of the Boards and Agencies of the General Assembly, therefore,

For the purpose of liquidating the Interchurch debt,

Be It Resolved:

1. That the Moderator and the Stated Clerk of the General Assembly of the Presbyterian Church in the U. S. A. be authorized, empowered and directed to make, execute and deliver in the name and under the seal of the General Assembly certificates of indebtedness not to exceed the sum of $600,000 for a term of five years, bearing interest at the rate of 6% per annum, interest payable half yearly, in such denominations as the Boards and Agencies may elect; subject to redemption in whole or in part at any interest period as the Executive Commission may determine.

2. That such obligations be and are hereby declared to be authorized investments for the Boards and Agencies of the Church, to the repayment of which the good faith of the Church is pledged.

3. That such certificates of indebtedness be issued under the direction of the Executive Commission, and that the Boards and Agencies which participate in the percentages be empowered and directed to invest in the said issue in the proportion in which the receipts of each Board and Agency from living givers in the year 1920-1921 bears to the total receipts of the Boards and Agencies from living givers during that year, with the further provision that if any of these certificates of indebtedness are purchased by either or both of the women's boards, the amount of such purchase shall be deducted from the total issue before the proportion of the Boards and Agencies is determined.

4. That the funds realized from such issue be paid to the Treasurer of the General Assembly of the Presbyterian Church in the U. S. A. to pay out and retire the outstanding indebtedness incurred in the Interchurch underwriting amounting to approximately $555,000 and interest thereon.

5. That the Executive Commission be directed to place in the budget for the year 1921–1922 the sum of $350,000, in addition to the total budget of the Boards and Agencies, for retirement on account of these certificates of indebtedness

and all interest thereon and that all money realized from this item of the budget for said year be used and appropriated to reduce and retire the above authorized certificates of indebtedness and all interest thereon as the Executive Commission may determine.

6. That the Executive Commission be directed to place in the budget for the years following 1921–1922 a sum equal to 2% per annum of the total budget of all participating parties for the purpose of retiring certificates of indebtedness to the amount of percentage available from such proportionate part of the budget after paying therefrom all half yearly interest, and that a definite percentage be allocated for this purpose.

And, For the purpose of liquidating the New Era debt,

Be It Resolved:

1. That the Executive Commission be directed to place in the budget for the year 1921–1922, in addition to the total budget of the Boards and Agencies and the amount specified in paragraph 5 above, the sum of $150,000, and that all money realized from this item of the budget for said year be used and appropriated to liquidate said New Era indebtedness, including all interest thereon.

2. That the Executive Commission be directed to place in the budget for the years following 1921–1922 a sum equal to 1% per annum of the total budget of all participating parties for the purpose of completing the liquidation of said New Era indebtedness and interest and that a definite percentage be allocated for this purpose.

And, For the purpose of raising the amounts placed in the budget for 1921–1922 by the above resolutions,

Be It Resolved:

1. That the representatives of the Boards and Agencies on the New Era Committee be constituted a Special Committee of the General Assembly, and that it be empowered to use all available agencies of the Church, including the New Era Committee, to accomplish this purpose.

XV. Concerning Financial Resolutions.

The Executive Commission would respectfully invite the attention of the General Assembly to the action of the Assembly of 1909 (*Minutes*, p. 99), as recorded on p. 61 of the *Manual*, 1921, and to the Standing Rule, No. 24, as recorded on p. 27 of the *Manual*, 1921. They are as follows:

"RESOLVED, That all recommendations as to the amounts of money to be raised by the churches for benevolent and missionary work, made by Standing Committees upon the causes presented by Boards and Permanent Committees, be referred to the Executive Commission, to be reported back to the sitting General Assembly, together with recommendations.

"RESOLVED, That all recommendations made to a given Assembly as to the policy of any of the Boards in connection with the raising of funds or plans for new work, as they may affect the Budget, be referred to the Executive Commission, to report upon to the sitting Assembly, with its recommendations."

"All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee, before action by the Assembly."

The practice of the Assembly is not always in accord with these provisions. Furthermore, there has grown up the custom of approving financial measures and resolutions not included in the reports of standing committees, and these resolutions have been interpreted by the Executive Commission as a mandate from the Assembly. In some instances these resolutions and recommendations have seemed to authorize the inclusion of certain agencies with the Boards and established Agencies of the Church; in other instances they seem to carry the right to financial consideration and an appeal to the churches. During the past year the Executive Commission has had under discussion the general issue as to the significance of these Assembly votes upon resolutions involving the future policy of the Church. No criticism is offered as to the merits of the case involved in these resolutions or as to the importance of the causes thus presented to the Assembly. The point of issue is, that the Assembly's responding to an effective appeal approves and authorizes both appropriations and expenditures of money not provided for or included in the Budget.

As at present operated, the Budget makes no provision for the distribution or apportionment of any money to what may be termed temporary or miscellaneous causes. If the budget system is to be developed in the adjustment of the benevolences of the Church, it might be well for the General Assembly to declare a policy concerning the inclusion of miscellaneous benevolences in the Budget, under a distinct and separate title. It has been suggested by one member of the Commission that a small percentage of the undesignated gifts of the Church be allocated to a miscellaneous fund, from which some, if not all, of these worthy but extra budget items could be paid. At present the opportunity to assist the churches in Europe furnishes an approved and legitimate object of benevolence. It is not clear that such funds should be taken from or administered by any existing Board or Agency. From time to time other causes equally worthy will appear. To these appeals many in the Church will wish to respond. Would it not be well for the Assembly to make provision in the annual Budget for a fund upon which approved causes might draw

as the gifts of the Church would warrant? To be sure, such a fund would have to be safe-guarded against unwise apportionments.

The Assembly has grown to be a large and important deliberative body, dealing in a supervisory way with large and ever-expanding enterprises. The change in the personnel of the Assembly, from year to year, renders it difficult, under the pressure of business, to command the deliberate judgment of the Church in the presence of the enthusiastic presentation of new or exceptional activities pleading for both moral and financial support from the Church.

The sum total of the activities under the supervision of the Assembly is now so great that the Commission feels warranted in suggesting to the Assembly the importance of a more systematic analysis of all requests for money as a desirable means of developing systematic beneficence in the Church.

We, therefore recommend for adoption the following resolution:

That all resolutions bearing upon finances, before action by the Assembly, should be referred to the Commission to report back to the same sitting Assembly with recommendations, and that Standing Rule 24, in order to be brought into conformity, be changed to read: "All resolutions for the appropriation of money outside of the Boards, shall be brought before the Executive Commission before action be taken by the Assembly."

XVI. Concerning The Budget.

The Executive Commission, for the past year, has given more than the usual amount of time to the consideration of the annual Budget presented to this Assembly. This necessity has arisen out of the fact that in 1919-20 the Church was under the proposal of a Budget reaching a total of more than twenty-two millions of dollars. This was more than two and one-half times the amount of money the Church had ever given to its benevolent enterprises. The failure to reach a Budget of such a proportion brought the Executive Commission face to face with the very practical issue as to the maximum of the Budget to be presented to this Assembly for the coming year. The Boards and Agencies recommended a Budget of fourteen and one-half millions of dollars. After long consideration, at two different meetings of the Commission, the decision was definitely reached that the maximum of the Budget should be twelve millions of dollars, and that this amount

should include all the objects for which the Church was to make contribution.

In the first place, it should be noted that all the plans and projects of the Boards and Agencies in the previous year had been upon a scale of a little beyond twenty-two millions of dollars. This was more than seventy-five per cent. in advance of the Budget proposed to this Assembly. It was not an easy task to reduce these projects and plans to two-thirds of that amount. The Executive Commission was keenly aware of the embarrassment, to all the Boards and Agencies, arising out of this reduction in their plans. No valid criticism could be made of the worthiness of the objects sought in the enlarged Budget. The stubborn fact remained, however, that from a practical point of view the Church had never yet reached a budget of ten millions. The belief that an excessive apportionment would tend to depress rather than to stimulate, together with other practical considerations, led the Commission, after serious debate, to set the limitations as intimated above.

In reaching these conclusions, however, it should be noted that the Commission, with practical unanimity, believes that endowment funds, such as are proposed for the General Board of Education, and the endowment fund for the Board of Sustentation, which is practically a legal reserve fund for the meeting of the obligations to retired ministers, are on a different basis from the ordinary current obligations of the Boards and Agencies, and should, therefore, have a different treatment. This is not the time for a general discussion of the subject, but attention may be directed to the fact that there is a marked difference between the endowment funds proposed for Education and the reserved fund for the Board of Sustentation, and that both these funds differ from the ordinary current expense. The fact that by unanimous vote of the Assembly both of these funds have been authorized and approved, raises the question whether the Assembly appreciated keenly the effect upon the sum total of the Budget and upon the proportionate distribution of the gifts of the Church among the several Boards and Agencies. The question is clearly raised whether such funds as endowments, and in fact all permanent funds, should not have a treatment separate and different from that accorded to the ordinary current expense receipts.

The Executive Commission at first included in the Budget the amount approved by the General Assembly for the General Board of Education, on the theory that the decision of the Assembly was a mandate to that effect and

that the amount was of necessity included. The exact phraseology, however, with reference to the Sustentation fund differs from the more direct expression concerning the endowment fund of the General Board of Education, and on that theory the Budget Committee omitted the amount approved for the Sustentation fund, believing at the time that it was a recommendation rather than a mandate. Subsequent discussion, however, led to the belief that these two actions of the Assembly were of equal weight and authority and that the original opinion of the Budget Committee was erroneous. Accordingly, a modification of the action as first reported in the Budget was made, in order to correct, so far as possible, the mistaken judgment expressed in the original recommendations.

Another source of embarrassment has arisen out of the fact that the Executive Commission did not regard itself as having supervision or authority over the budget reports of the self-supporting Synods. Nor did it regard itself as charged with the duty of adjusting the budgets of the Women's Boards of Home and Foreign Missions, and of Freedmen. A further embarrassment has arisen out of the fact that the receipts of certain Boards and Agencies have fluctuated from year to year, so that the determination of the percentages has not always been either easy or equitable.

Out of this experience briefly recited in the report, the original determination of percentages by the Executive Commission produced certain inequities as between Boards and Agencies. After the discovery of these inequities, the Budget Committee, acting under the authority of the Executive Commission, held a meeting, March 12, in New York City, made a new adjustment, within the limits of the Budget, for the purpose to relieving, to some degree, a situation unsatisfactory both to the Boards and the Budget Committee.

The conclusion of the whole matter seems to indicate, first, that when the budgets have once been projected upon a smaller total it will be possible to deal with them more equitably, and, second, that a larger amount of time should be given to the preparation of the annual Budget. There is need of expert advice in this particular and of a careful and detailed study of these budgets in order that they may present something like a well-organized and well-correlated system of benevolences. This result cannot be accomplished at a single meeting of two or three days or even at two meetings. There should be time enough given and authority enough exercised, if necessary, to organize

and harmonize, without unnecessary duplication, all the activities of the Church into a systematic and coöperative plan for the extension of the Church and the Kingdom of Jesus Christ. The larger the Budget becomes, the more necessary it is that a business-like Budget be prepared, and that it be administered with a thorough-going Christian fidelity to sound business principles and methods.

In this connection the Executive Commission suggests the propriety and desirability of the General Assembly's taking under consideration whether the maximum limits of the Budget for the year 1922-23 should not now be determined. Such a maximum would serve as a valuable guide to the Executive Commission and to the several Boards and Agencies in preparing the Budget.

We offer for adoption the following resolution:

Resolved, That in formulating the Budget for 1922–1923, the Executive Commission is authorized and directed to construct a budget on exact financial principles, so as to give an equitable distribution and for this purpose, it may employ, within its judgment, skilled advice.

XVII. Tentative Budget of the Boards.

As already indicated in this Report, the Budget Committee and the Commission have given careful and earnest consideration to the Budget of the Boards for the year 1921-22. Several joint conferences were held with the representatives of the Boards and New Era Committee, in Chicago, and in New York.

The Benevolence Budget for 1921-22 is herewith submitted for the approval of the General Assembly.

This adjustment for the current year has been agreed to by the representatives of the Boards involved, subject, however, on the part of the General Board of Education to the provision that the system providing for the five year campaign for an endowment approved by the Assembly at St. Louis in 1919, be continued but extended over a longer period of years.

It is understood that the Boards of Publication and Sabbath School Work and of Sustentation in agreeing to the adjustment herein provided, do not commit either Board to any position as to the principle involved in the inclusion of endowment funds within the Budget.

The Executive Commission begs leave to report that in accordance with the approval and direction of the Assembly of 1920, the three special objects as named below were included in the Budget, although not participating in the percentages. These objects were commended to the churches for assistance from undesignated funds under the jurisdiction of the Sessions, and not included in the local church Budget. It is the purpose of the General Assembly that the totals shall not exceed the amounts named:—

1. The Fund for the Churches in Europe.....$25,000.00
2. The American Church in Paris..... 10,000.00
3. The Federal Council of the Churches of Christ in America..... 30,000,00

Resolved, That the New Era Committee be instructed to transmit to the Boards and Agencies and Church Sessions the amendments to the percentages of the Budget adopted by the General Assembly, and also amounts outside the budget allocated to other agencies, namely, Federal Council of Churches, American Church in Paris, and Churches in Europe.

XVIII. Report of Every Member Plan Committee, for the Year Ending March 31, 1921.

The Assembly's Committee for the Every-member Plan submits its Tenth Annual Report to the General Assembly, through the Executive Commission.

In accordance with the arrangement made in 1918, whereby this Committee loaned to the New Era Movement the services of its Representatives, William S. Marquis, D.D., and David McConaughy for the promotion of the Every-member Plan and Stewardship, this Committee has continued its coöperation with the New Era Movement in respect to these phases of its work.

Systematic Giving.—The conditions of power in the Church of Christ are every member *enduement* with the

spirit of Christ, every member *enlightenment* in the program of Christ and His Church, and every member *enlistment* in definite work for Christ and the salvation of the world. This Every-member idea is continually taking deeper root in our churches. There is a growing recognition of the need of such an organization of the church that the pastor can constantly and systematically reach every home and every member with personal oversight and influence. The Every-member canvass has come to stay, in a growing number of churches. It is being adopted and perfected in both of its forms, viz:

The Every-member social visitation for the purpose of cultivating fellowship, inviting strangers and enlisting in service and the Every-member Financial canvass to reach the last member of the church and congregation for a systematic and proportionate offering for the support of the church and of its benevolences.

One of the evidences of the growth of this Every-member Plan is found in the number of churches—especially in the East—which are giving up the renting of pews and adopting the Every-member Canvass. From one pastor we quote: "You could get no one, with one or two exceptions, in the church to agree to go back to the pew-renting system." And a Clerk of Session writes: "The new plan is much more satisfactory, from a spiritual, social, and, above all, from a financial standpoint."

Another evidence of the coming of this systematic every member organization, is the increasing number of churches which are adopting the permanent Every-member group plan. We have the names on file of 1639 such churches, and definite information from many which have not formally reported. They embrace churches with a membership of from 38 to 2,000 members. Many of them are carrying out the plan very imperfectly. It is most difficult to find willing and qualified group leaders; they must be discovered and trained, and this requires patience and experience on the part of pastors and sessions. We have written many letters in reply to the inquiries of pastors, have sent district secretaries and presbyterial chairmen to make addresses in churches, published two leaflets for the use of group leaders, sent two copies of a revised Every-member canvass manual to each of our churches, and have devoted a good portion of our quarterly *Everyone* to promoting the Every-member Plan.

We are laboring especially to convince pastors that the following testimony of a pastor may be theirs:

"Results of the Group Plan: More interest on the part of leaders, because they have something definite to do; families more closely tied to the church because of greater attention received; easier to reach every family

quickly; pastor's work lightened; easy to put on every kind of a canvass—machinery ready. After ten years of experimenting, would not think of trying to run the Church without the group plan."

Proportionate Giving.—While continuing steadily to cultivate conviction as to the fundamental principles of stewardship, attention has been turned more especially toward finding out the best way of getting such conviction converted into action. It is at this point that greatest difficulty is encountered. No objection is raised so long as the program is confined to proclaiming stewardship principles. Every one readily admits that God is the sole owner; that man must account; that all are under obligation to acknowledge God's rights by giving the first-fruits to extend His Kingdom; and that spending and saving are likewise to be treated as a trust. When, however, it is proposed to put these principles into practice, by fixing some definite proportion to be consecrated for giving, many hesitate and not a few refuse. The fact is, that there is such a wide-spread, though it may be unconscious, insincerity as to honoring God with "the first-fruits of increase," that it were better not to know than knowing, fail to do. To continue sowing the seed, one layer after another, without bringing it to harvest, is worse than useless. Hence, efforts have been put forth to secure a definite commitment by means of an enrollment in the fellowship of stewardship. This involves the adoption, individually, of the fundamental principles already quoted, setting apart a definite proportion for giving. This step is magnified by issuing from headquarters of an attractive certificate to each one enrolling, whose address is sent in.

Stewardship Directors have been appointed in nearly all the Presbyteries, and in many individual churches. The Director of Stewardship made an extended tour through Iowa, Nebraska, Kansas, Colorado, Idaho, Washington, Oregon, California, Arizona and Texas, extending through nearly four months, conferring with the Stewardship Directors and other leaders. There was a universal consensus, that the broad platform of Stewardship principles advocated by this Committee from the first should be steadfastly adhered to, with major emphasis upon giving "as prospered"; that nothing short of a definite commitment to the consecration of a definite proportion—the first-fruits—should be asked by way of acknowledgment of God's sole ownership; that in order to break through the long-standing crust of inconsistency which has resulted from knowing without doing what our Lord enjoins as to the use of our possessions, as well as of life itself, it is essential that some sufficient period in the course of the Church

year be reserved for focussing the attention of the membership upon the Stewardship.

Other Functions.—With a view to conserving energy, this Committee offered to transfer to the New Era Movement its responsibility for clearing the orders of the churches for Board literature, and this has been taken over accordingly.

Arrangements have been made for the exhibit of the Agencies at the meeting of the General Assembly; also for the Official Conference of the Boards and other Agencies of the Assembly with the Executive Commission.

Expenses.—The expenses of the Committee, which have been but nominal, have been met out of profits from the Hubbard Press, as shown in the financial statements which follow:

THE HUBBARD PRESS reports the largest business since the office was organized. The number of Offering Envelopes printed was 412,220 sets as compared with 381,037 sets in the year ending March 31, 1920. One of the most gratifying features is the number of churches ordering from Auburn for the first time.

RECOMMENDATIONS.

1. That, while rejoicing in the notable advance hitherto made in raising the per capita contribution for Benevolences from $2.06 a year (or .039 cents a week) per member, in 1906-07, to $5.17 a year (or .099 cents a week) a member, in 1919-20, an altogether worthier standard should now be set with a view to carrying out the program of our Lord for uplifting the world.

2. That we emphasize anew the scriptural character and vital importance of the Every-member group organization, social visitation and financial canvass, and urge pastors and sessions to adopt and persevere in developing this Every-member Plan, that the Church may have greater efficiency and power in achieving her God-given task.

3. That Stewardship be presented as under the New Covenant, carrying with it a far greater obligation than under the tithing system of the Old, involving the dedication of the first-fruits to be given for extending the Kingdom of God, and the regulation of spending and saving, and likewise acquiring, according to the teachings of Christ.

4. That Presbyteries be encouraged to provide for intensive cultivation of the grace of giving with a view to multiplying object-lessons of churches in which the principles of stewardship are not only preached and taught, but also put into practice.

5. That the month of February be devoted to stressing stewardship teaching, culminating in a church-wide Enrollment Day on Sunday, February 26, 1922.

XIX. EXPENSES OF SPECIAL COMMITTEES.

Questions having arisen as to the payment of the expenses of persons other than members attending meetings of Special Committees, and as to the expenses of the Chairmen of Special Committees in attending the Assembly to present the Reports of their Committees, it seems desirable to amend an Assembly Rule relating to this matter.

We, therefore, offer the following recommendation, that Section 7, p. 106, of the *Manual* for 1921, be amended so as to read:

7. Whenever the General Assembly shall create, or continue for another year a Special Committee, it shall definitely indicate whether the expenses of said Committee are to be paid by the General Assembly; said expenses, if so paid, to be limited to actual traveling expenses, including reasonable expenditures for hotel bills and meals *en route*, incurred by members of the Committee only; and the expenses of the Chairman, or other designated member of a Committee, to the meeting of the Assembly for the presentation of the Report of any Committee, shall likewise be paid, when personal presentation is manifestly necessary.

XX. Committee on Vacancy and Supply.

The Executive Commission having by the action of the previous Assemblies been continued from year to year, in charge of the securing of funds in the support of the work of the Permanent Committee on Vacancy and Supply, recommends for adoption the following:

1. In view of the action of the General Assembly already taken whereby after the present year, the administrative Budget of the Assembly shall include only such items of expense as pertain directly to the work of the Assembly, the Executive Commission is instructed to advise with the Permanent Committee on Vacancy and Supply and to provide a method for financing its work in the future.

SAMUEL S. PALMER,
Chairman and Moderator.

It was ordered that the paper purporting to be an appeal from the action of the Synod of Illinois be recalled from the Committee on Polity and re-referred to the Committee on Judicial Business.

The Committee on Bills and Overtures, through its Chairman, Rev. Hugh T. Kerr, D.D., announced that the General Board of Education surrendered its place on the docket for Thursday evening, and recommended that an evening session take place for the official business of the Assembly, which was adopted.

The following were elected as members of the Permanent Judicial Commission class of 1924:
Rev. D. H. Johnston, D.D.
Rev. W. D. Harless, D.D.
Rev. Jesse Hermann.
Elder Arthur H. Bartlett.
Elder Virgil Guernsey.

The following Standing Rules of the General Assembly were adopted:

1. That appointments by the Moderator to fill vacancies in the Executive Commission shall be valid only until the next succeeding Assembly, which shall then fill the vacancies by election.

2. That with the exception of the Moderator of the General Assembly, no one shall be eligible to serve on the Executive Commission, either by appointment or election, or both, for more than four years in succession, until one full term of three years shall have intervened.

The following were elected as members of the Executive Commission:

With united voice we say, God Bless You.

S. A. Your best wishes are heartily reciprocated. We are happy to meet within the bounds of this great commonwealth. While appreciative of our solemn responsibilities as a

Church in the making of a better citizenship and a happier State, we rejoice to feel that we have the hearty cooperation of such Christian statesmen as yourself. Be assured of our prayers that your improvement of the great opportunities for leadership and service in this great State of Indiana may prove a challenge to our entire nation for the realization of the ideals of Christian citizenship.

"Hon. Chas. E. Hughes,
Secretary of State,
Washington, D.C.
Honored Sir:

Your cordial greeting to the One Hundred and Thirty Third General Assembly of the Presbyterian Church, U. S. A. was received with genuine pleasure and its sentiments accorded a heart-felt reception. Our Church shares with you the conviction that a conscienceless culture cannot produce a citizenship that is worthy of our noble traditions or adequate to our present responsibilities. We rejoice to feel that in all of the affairs of your important position the spirit of abandon to the realization of Christian ideals is to be manifest. While adhering to the historic position of separation between Church and State, we acknowledge no separation of interests. We congratulate ourselves upon the happy coöperation of Christian leaders in the affairs of State, in the establishment of equity, peace and good-will among all men. Be assured of our united petitions for the wise direction of the affairs of the important position to which you are called.

HENRY C. SWEARINGEN, *Moderator*,
J. M. HUBBERT, *Acting Stated Clerk*,
GEO. E. DAVIES, *Chairman of Committee*."

Winona Lake, Ind., May 24, 1921

"Hon. Henry C. Wallace,
Secretary of Agriculture,
Washington, D.C.
Honored Sir:

The happy felicitations of your telegram to the One Hundred Thirty Third General Assembly of the Presbyterian Church, U. S. A. are hereby acknowledged. Both because of source and sentiment they were generously applauded. As a Church we pledge our coöperation to the making of a citizenship worthy of the great opportunities and primal obligations of our day. Please to accept our assurance of confidence in your leadership of the noble department to which you are called. The country churches of which we have such generous numbers must look to the closer coöperation of Church and State if their prosperity is to be conserved and their influence made effective in the creating of a spirit of pious patriotism.

HENRY C. SWEARINGEN, *Moderator*,
J. M. HUBBERT, *Acting Stated Clerk*,
GEO. E. DAVIES, *Chairman of Committee*."

Winona Lake, Ind., May 25, 1921.

"Hon. John W. Weeks,
Secretary of War,
Washington, D.C.
Honored Sir:

The One Hundred and Thirty Third General Assembly of the Presbyterian Church, U. S. A. would make acknowledgment of the inspiring message received from you. Not only are we in happy accord with the fine sentiments and deep concerns expressed but we are made happy to feel that these are shared an increasing body of our citizenship. Particularly do we desire to express our appreciation of your emphasis of the home as the basis of our prosperity and perpetuity. The nation is to be congratulated in the call to leadership of its Christian statesman who sees so clearly and speaks so pronouncedly concerning the things that both Church and State must conserve. In its efforts at the realization of the ideals of the Christian Faith the Church would listen to the leadership of its Lord in the personage of both the Prince of Peace and the Lion of the tribe of Judah. As in the past the Church would pledge her support to all rational efforts to maintain the peace and order of human society, looking to that happy day when the war drums shall throb no longer. With cordial assurances of our confidence we beg to remain,

Most faithfully yours,
HENRY C. SWEARINGEN, *Moderator*,
J. M. HUBBERT, *Acting Stated Clerk*,
GEO. E. DAVIES, *Chairman of Committee*."

"Hon. James J. Davis,
Secretary of Labor,
Washington, D.C.

Upon behalf of the One Hundred and Thirty Third General Assembly of the Presbyterian Church, U. S. A., we would acknowledge the receipt of your telegram of greetings. Be assured of our sympathy with the sentiments expressed. It is felt to be the duty of the churches throughout our bounds not only to declare the truth but to constrain its application by all proper means in every walk of life. It is with increasing appreciation of this task that we address ourselves to the work of our present day in making known both the person and mind of our Master. By reason of its democratic origin, its representative form of government, and its historic position the Presbyterian Church must continuously serve the interests of no particular class. The rich and the poor meet together. The Lord is the Maker of them all. We pray God's blessing upon all who labor for the establishment of righteous relations between man and man.

"Rev. Thos. H. Law, *Stated Clerk,*
General Assembly, Presbyterian Church, U. S.,
St. Louis, Mo.

Please accept cordial greetings from the One Hundred and Thirty Third General Assembly of the Presbyterian Church, U. S. A. Acknowledgment is hereby made to your telegram concerning failure of our Church to make response to messages sent our previous Assemblies. We beg your pardon for this seeming discourtesy through remissness. For some unaccountable reason the messages never reached our Assemblies. In answer to criticisms of our actions concerning specific violations of Comity agreement, we beg to say no change in the meaning of the identical note was made, but in view of wrong interpretations in the public press in certain localities which seemed to work injustice to certain parties involved and only with sincere desire that it be interpreted and understood in harmony with its purpose and intent, the note of explanation was added by the Commission and adopted by the Assembly. We exceedingly regret that misunderstanding should arise from any source, and would assure you of our sincere desire to maintain the most cordial relations with you, our Brethren. Moreover, we would reassure you of our disposition to confer in the most frank and fraternal spirit concerning all matters that may yet arise involving our mutual interests.

Dear Miss Irvine:

Representatives of the Czech Brethren of Bohemia and the Waldensian Church of Italy having presented suitable credentials to your committee, we beg leave to present to the Assembly:

The Committee on Bills and Overtures made the following report, which was adopted:

Overtures Nos. 1509 to 1515: These Overtures are duplicates of *Overtures 802 to 883*, proposing a consolidation of the Board of Freedmen with the Board of Home Missions.

We recommend, as in previous cases, that no action be taken inasmuch as the whole subject of the Reorganization and Consolidation of the Boards and Permanent Agencies is now in the hands of a special Committee of the General Assembly, but that these Overtures be left in the hands of this Special Committee for consideration in connection with the further prosecution of its task.

Overture No. 280, opposing a merger of the Board of Freedmen with any other Board, we recommend the same action.

Overture No. 1566: This Overture is from the Presbytery of Kansas City, proposing a radical reorganization of the Board of Home Missions. We recommend that no action be taken inasmuch as the whole subject of the Reorganization and Consolidation of the Boards and Permanent Agencies is now in the hands of a Special Committee of the General Assembly, but that this Overture be placed in the hands of this Special Committee for consideration in connection with the further prosecution of its task.

The Committee of Local Arrangements for the Assembly of 1920, through its Chairman, Rev. Alexander MacColl, D.D., presented a report concerning a Memorial Tablet in the First Presbyterian Church of Philadelphia, Pa., which was adopted, as follows, and the Committee was discharged with the thanks and appreciation of the Assembly. The wording of the Memorial Tablet was ordered spread on the *Minutes* of the Assembly, as follows:

The Committee on Local Arrangements for the Assembly of 1920, which was authorized and recommended by that Assembly to place a memorial tablet in the First Presbyterian Church of Philadelphia to commemorate the 50th Anniversary of the Reunion of the Old and New Schools of the Presbyterian Church, celebrated by the Assembly in that Church on the afternoon of May 21, 1920, reports that the commission entrusted to it has been fulfilled, that the tablet is now one of the many memorials in that historic church, and that the expense has been defrayed by the Local Committee. The inscription on the tablet is as follows:

Seal of General Assembly — Seal of First Church

The General Assembly of the Presbyterian Church in the U. S. A. met in this House of Worship Friday, May 21, 1920, and celebrated with hymns, prayers and addresses the Semi-centennial of the Reunion of the Old and New Schools of the Church.

The Division occured in Philadelphia in 1838.

After thirty-two years unity was restored and the First General Assembly of the united Church convened in this house in 1870.

This tablet is erected by the General Assembly of 1920 in commemoration of fifty years of unity, peace, and prosperity, in gratitude to God for His guidance and blessing, and in dedication to a larger service of Jesus Christ, our Saviour and Lord, Who is Head of the Church Universal and in Whom all peace is found.

The Report of the Executive Commission of the Alliance of the Reformed Churches throughout the World Holding the Presbyterian System, Western Section, was presented by its Secretary pro. tem., Rev. Henry B. Master, D.D. Pending action the Assembly was addressed by Rev. John R. Fleming, of Edinburgh, Scotland. The report was received and is printed in this volume in the Appendix. The Assembly expressed its sympathy and approval of the resolutions in the report pertaining to the relief of our distressed brethren in the Protestant Churches of Europe, and commended to its churches the plans for this relief.

The Council of the Reformed Churches in America holding the Presbyterian System, presented its report through its Stated Clerk, Rev. William P. Fulton, D.D. The report was received and appears in the Appendix to this volume. In this connection the following resolution was adopted: That as the proposed Constitution referred to in this report, together with the whole subject was referred back to the Special Committee on Coöperation and Union by this Assembly, it is recommended that the report of the Council of the Reformed Churches, so far as it relates to the proposed Constitution, be recommitted to the Council for further action and report.

The Standing Committee on Mileage, through its Chairman Elder W. F. Tyler, presented its report, which was adopted as follows:

The payments are as follows: Mileage, $62,567.57 and Entertainment, $26,000.00.

All balances of funds are in the custody of the Treasurer of the General Assembly, The Land Title & Trust Company of Philadelphia, Pa.

The Presbyteries which did not contribute are the Presbyteries of Minot and 3rd (Welsh). In regard to the latter it is only fair to say that no representatives have attended the Assembly. The Presbyteries not contributing to the Entertainment are Clarion and Kittanning.

The Committee recommends the following for adoption:

That the apportionment for the next Assembly be 8½ cents for each communicant; to the Mileage Fund, 3 cents; to the Entertainment Fund 2 cents; to the Contingent Fund, 3 cents; to the Vacancy and Supply Fund, ½ cent.

That the Treasurer be authorized to have the accounts for the mileage and entertainment of the Assembly duly audited after the adjournment of the Assembly.

That the Treasurer be empowered to pay Commissioners such further sums as may be considered by the Treasurer justly due by the reason of underestimation of railroad charges and other expenses incurred in returning home; and also for fare paid in excess of the published rates of transportation, in cases where it was found that it was impossible for the Commissioners to secure reduced rates.

That the allowance for the entertainment of Commissioners to the General Assembly be fixed not to exceed $3.00 per day.

The Mileage Committee wishes to extend their thanks to The Land Title & Trust Company for the use of Mr. Davis, Secretary, and Mr. Hamilton, Assistant Secretary, and the two young ladies for their painstaking and efficient work in getting up this report in detail and keeping track of everything as it would have been impossible for this Committee to have done this work.

In behalf of the Committee,

W. F. TYLER,
Chairman.

The Standing Committee on Foreign Missions, through its Chairman, Rev. Hugh K. Walker, D.D., presented its report, which was accepted, and pending action on the recommendations, the Assembly stood and was led in prayer by the Rev. James H. Snowden, D.D., LL.D., in thanks for the lives and service of the late Rev. Abram W. Halsey, D.D., Secretary of the Board of Foreign Missions, and of the missionaries who had gone to their reward. The Assembly was also addressed by Rev. George T. Scott, and Miss Margaret Hodge, President of the Woman's Board of Foreign Missions. The report and its recommendations were adopted as follows:

The Standing Committee on Foreign Missions unanimously submits the following recommendations and resolutions.

1. That the Assembly approve the Minutes of the Board which the Committee has examined and which are an impressive evidence of the magnitude and complexity of the Foreign Missionary work of our Church.

2. Having examined the report of the Treasurer, which shows that there has been a total income of $4,633,534.00, an increase of $914,758.00 (approximately 24%) over last year, the gain from "living givers" alone being $537,461.00, we recommend that the Assembly express its devout gratitude to God and its congratulations to the Church for this splendid achievement; and that, in view of the certificate of audit attached to the report of the Treasurer, it be approved.

3. That the Assembly approve of the election of the Rev. George P. Scott. and the Rev. William P. Schell as Secretaries of the Board, both having already served as Assistant and Associate Secretaries for eight years.

4. That the following members of the Board, whose terms of office expire with this meeting of the Assembly, be re-elected to serve for three years:

Rev. Cleland B. McAfee, D.D., Rev. Charles R. Erdman, D.D., Rev. William Y. Chapman, D.D., Rev. John Kelman, D.D., Rev. William P. Merrill, D.D., Rev. D. Morgan Richards, Mr. William P. Stevenson, Mr. Scott Foster, Mr. John L. Severance.

5. That the Assembly extend its hearty congratulations to the newly organized Woman's Board of Foreign Missions, which entered upon its work January 1, 1921, as a union of the former six Woman's Boards, and which does its work as "auxiliary to and coöperative with" the Assembly's Board of Foreign Missions. The Committee notes with pleasure and pride that in this year of transition the Woman's Board raised among the women of the Church the magnificent sum of $1,144,855.31 for the Budget, not including annuities, legacies and income from invested funds, and recommends also that the Assembly express to the Woman's Board its heartiest wishes for continued success in this Christ-like service to the women and children of all lands.

6. That the work of the Home Department be commended for its enlarged program for the promotion of the Church School of Missions, of Missionary Education in the Sunday schools, and of the study of Missions by men and women in the Church; also that the Assembly approve, as has been the custom for many years past, of setting the Sunday nearest Christmas and Easter for special offerings from the Sunday schools, for the work under the care of the Board of Foreign Missions, and that the Assembly urge all Sunday schools to

use the special Christmas and Easter programs issued by the Educational Department of the Board, and to take part in the special offerings. Your Committee rejoices that so many churches, Sunday schools, and individual donors are contributing to the support of particular Mission stations and of individual Missionaries with whom an informing and stimulating correspondence is conducted, and recommends that the Assembly commend to all our churches and other contributors this plan of giving to Foreign Missions.

7. That the Assembly call upon parents, pastors and layworkers to bring to the serious attention of the young people of our Church the great appeal for life service in foreign lands, and that they keep in touch with the United Candidate Department of the Assembly's and of the Woman's Board of Foreign Missions.

8. That the Assembly express its approval of the effort to impose just restrictions upon the exportation from the United States, of opium, morphine, and other harmful drugs, to Mission fields; that the Assembly also express the hope that ways may be found to prevent any transfer of the outlawed liquor traffic from America to non-Christian lands.

9. That the Assembly learns, with gratification, of the post war conference of the Board and of the Woman's Board and the Missionaries, held at Princeton, June 19–27, 1920, which was attended by 152 representatives of the Church at home and of the Missions abroad; and it is gratifying to know of the proposals adopted by that conference, looking toward the closest unity and the largest efficiency of the work, which proposals are now before the Missions and Boards for their consideration.

10. That the deputations which the Missions and Churches in India and Persia and in Africa have requested the Board to send to them for special conference, be charged to bear to the churches and missions in these fields the affectionate greetings of the Church in America, to assure them of the prayer of the Church, that the Spirit of God may work through them to raise up in each of these lands a Christian Church and a Christian leadership which shall bear persuasive witness to the sufficiency and power of the Gospel.

11. That we note with grateful praise and appreciation the advance made by the West Africa Mission in taking over the Swiss and German Missions in Northern Cameroon, and we join our prayers with theirs for the success of this work; that we commend the work of the Missionaries and native preachers and teachers in India, who have so successfully carried forward their task in the face of great political and social unrest.

12. That we rejoice in the reports of the steady advance of the enlarging opportunities in Siam, and commend this work to the interest and prayers of the Church at home in order that increased support in reinforcements and funds may enable the Boards to occupy the field of Eastern Siam, for which we are alone responsible, and which we have long neglected.

13. That we note with deep gratitude and joy the faithful devotion of our Missionaries and the native Christians in Persia and Syria. The Nestorian and Evangelical Churches of Western Persia have been decimated, deported, and all but destroyed. Our Church bears special responsibility for the succor of these bereft Christians, now homeless in Mesopotamia, and we, therefore, express our sympathy with these suffering people and pledge our support to the Board in dealing with this difficult situation. We trust that the way may be found to answer the urgent call for Missionary service in Mesopotamia, in the great region between the Persia and Syria fields.

14. That we express our sincere sympathy with the Korean Church in the great tribulation through which it is still passing, and commend the wisdom of our Missionaries in maintaining strict neutrality upon all political matters involved. Together with all the better elements in the Japanese Government, we deplore the reign of terror which still exists in Korea, and the unwarranted suspicion under which our Missionaries have labored during the present year; that we rejoice with the Korean Church in the great revivals that it has been having, in spite of these terrible handicaps, and not only express our admiration for the Christian spirit which they have shown in this time of great trial, but also pledge our moral and spiritual support to every movement that seeks to bring about a just and righteous settlement.

15. That in view of the unusual opportunity which exists for work among Orientals on the Pacific Coast, the Assembly urge the Board of Foreign Missions, in coöperation with the churches of the Pacific Coast, to put on as soon as possible, a more intensive work for Orientals in that district.

16. Having received certain overtures from a number of presbyteries, calling attention to reports regarding irregular beliefs and teachings among some Foreign Missionaries, and having heard all representatives of such presbyteries as wished to appear before the Committee, and also having carefully examined all the material brought before us, your Committee is gratified to report that it finds nothing to disturb the confidence of the General Assembly in the Board of Foreign Missions and in the great body of its loyal Christian Mission-

aries. But for their own sakes, as well as for the benefit of the Missionary enterprise of our Church, be it resolved that the Board of Foreign Missions be instructed to examine further into these reports, and, if necessary, to take such action as, according to the Form of Government of the Presbyterian Church, the conditions may demand. However, it recommends that the Presbyteries and sessions, which have the primary responsibility in the matter, be enjoined and counselled, in the ordaining and recommending of all men and women for Foreign Missionary work, to exercise the greatest care, so that the Missionary enterprise may be safeguarded and the evangelical foundations of our Church be perpetuated.

17. That the Assembly record its gratitude to God for the hallowed lives of the men and women who, during the past year, have finished their work and entered into their reward:

Prof. John C. Ballard, 45 years in Japan.
Mrs. Howard Campbell, 26 years in Siam.
Mrs. A. H. Ewing, 30 years in India.
Rev. L. D. Heminger, 17 years in West Africa.
Rev. Franklin E. Hoskins, D.D., 32 years in Syria.
Miss Bernice Hunting, 24 years in Syria.
Rev. William Jessup, D.D., 30 years in Syria.
Rev. J. B. Kolb, 37 years in Brazil.
Miss Hanna Kunkle, 9 years in China.
Rev. Charles Leaman, 47 years in China.
Dr. S. C. Peoples, 39 years in Siam.
Dr. Charles Roys, 16 years in China.

18. Although he himself would have disapproved of any special mention of his name, and would have asked that all our thought be given to those who, for many years or few, served on the fields abroad, nevertheless we believe it fitting that special record be made of the loss sustained by the Church in the death of Rev. A. Woodruff Halsey, D.D., for twenty-two years one of the Secretaries of the Board. With unmeasured devotion, he served the Missionary cause. By his unselfishness and loving kindness, he endeared himself to the entire Church. With constant entreaty and appeal, he besought men to give themselves to Christ and to His world-wide service. In this one great purpose and passion, he lived, and wrought, and died. In memory of him, and of His Master, we would consecrate ourselves anew to the great undertaking for which he and those who have fallen with him toiled, and we would call the Church to a fresh dedication to their purpose to make Jesus Christ known as Saviour and Lord to all the world.

19. That the Assembly hereby approve the Memorial Fund proposed by the Board and by the friends of Dr. Halsey, to be provided by personal gifts from those who desire thus to honor his memory and to express their affection for him. The Fund to be used for suitable memorial objects in the three fields with which Dr. Halsey had a special relation—Africa, Syria and Mexico.

20. That the plan of the Board for Annuity Gifts, on which the Board pays interest until the death of the donor, when the principal of the Gift becomes available for the Foreign Mission cause, be heartily commended. Also, that all friends of the cause be urged to remember it in their wills.

HUGH K. WALKER,
Chairman.

The devotional service was conducted by Secretary Robert E. Speer, LL.D., and was in the nature of a memorial service for the late Rev. Abram Woodruff Halsey, D.D., Secretary of the Board of Foreign Missions.

The following resolution presented by Rev. Hugh T. Kerr, D.D., was adopted:

> "That the General Assembly instruct the Moderator to convey to Mrs. Halsey in her sorrow, the loving sympathy of the Presbyterian Church and its gratitude to God for his life and service."

The Assembly then took recess until 2.30 P. M. and was closed with prayer.

THURSDAY, May 26, 1921, 2.30 P. M.

The Assembly met and was opened with prayer by the Rev. W. F. Finch.

The Moderator announced that the commissioners had contributed the sum of $354.89 towards the Near East Relief and China Famine Relief Funds thus far during the Assembly, and that the amount was steadily increasing.

The Standing Committee on Polity through its Chairman. Rev. Samuel T. Foster, D.D., presented its report and recommendations, which as amended, were adopted, as follows:

The Committee on Polity reports that the following Overtures and papers have been placed in its hands and have been considered.

Overtures 1323-1393, on Federated Churches asking that "the Assembly rules be so amended that any evangelical ministers, serving a federated church of which a Presbyterian

Church is a constituent member, may be authorized, upon request of the Session, to act as moderator of the Session, in all matters pertaining to the reception and dismissal of members, and in all matters pertaining to the local and benevolent budgets of the Church. In all other matters the regularly appointed moderator of the Session shall preside." It is recommended that in view of previous action of this Assembly in connection with the report of the Committee on Church Coöperation and Union, no action be taken. Attention is directed to the provision in the constitution, permitting Sessions to choose their own Moderators where it is highly inconvenient for the Moderator appointed by Presbytery to attend.

Overtures 1394 and 1428 on Federated Churches, asking the Assembly "to make a deliverance defining a method of procedure by which a Presbyterian Church may federate with an evangelical church of another evangelical denomination; and if there be no such law of the Church, then to propose such amendments to the Constitution as will let such federation be effected." The following deliverance, an amended form of the Marion Presbytery Overture, is recommended:

"A. When it shall appear to any Presbytery by the consent or through the representations of the duly elected commissioners of a particular church, that the situation of the church is such as to make it desirable to unite in service and worship with one or more particular evangelical congregations under what is termed a Plan of Federation, Presbytery may give its consent thereto.

"B. By Federation it is meant that the conjoined congregations shall unite in electing a pastor and in worship or other local activities, but that each shall maintain its own denominational organization and affiliations.

"C. Presbytery shall maintain regular oversight over any Presbyterian congregation joining in such a Federation.

"D. If the Federated Congregations shall desire to call as Pastor a Presbyterian minister, the call shall be presented in the regular manner by the Presbyterian congregation, or if desired, by the Federated congregation jointly, and after the call has been placed in his hands by Presbytery, if the minister shall accept the call, he will be installed by Presbytery, in the usual manner.

"E. If the Federated congregations shall desire to call as pastor a minister of another denomination represented in the Federation, consent may be given by Presbytery for the Presbyterian congregation to join with others in securing the call or otherwise engaging the services of the minister. Presbytery may also by joint action with similar bodies of

other denominations take part in installing the pastor, or otherwise constituting the pastoral relations.

"F. When the pastor of a Federated congregation approved by the Presbytery is a member of another denominational body, he may also at the discretion of Presbytery, become Associate or Corresponding member of Presbytery and be enrolled as such with his particular church in the Records and reports of Presbytery, Synod and General Assembly."

Overture 1395 on Federated Churches, making petition against the Assembly's giving encouragement to any scheme for federating churches of different denominations, protesting that it "does not tend to peace and harmony and the extension of the Kingdom; that it is a distinct hindrance to organic unions; that the cause of Christ is better conserved in a community where churches merge into some particular denomination." It is recommended that no action be taken.

Overtures 1396, 1397 on the Erection of a New Synod, asking the Assembly "to divide the Presbytery of Florida into three Presbyteries, to be known as 'North Florida,' 'Southwest Florida' and 'Southeast Florida'; that the Presbytery of North Florida be made the legal successor of the Presbytery of Florida; and that these Presbyteries be constituted a Synod, to be known as the Synod of Florida." This Overture is accompanied with papers describing the geographical boundaries of the Presbyteries, together with desired date and manner of constitution. It is recommended that this petition be granted.

Overture 1398 on legalizing a Synodical Meeting, asking the Assembly to recognize the last Meeting of Arkansas Synod and approve its acts as legal, notwithstanding said meeting was called and held a week earlier than the date to which the Synod had adjourned. It is recommended that this Meeting be approved and its acts declared legal.

Overture 1399 on Sale of Property, asking for permission with Presbyterial approval, to sell the property of the disintegrated Brodhead Church and turn the money over to the people of the community for welfare work. It is recommended that this sale be approved; that the proceeds of the sale be turned over to the Administrative Council of the Synod of Wisconsin; and that the Assembly grant a quit-claim deed of the property to the First Presbyterian Church of Brodhead, such deed to be *executed at once* over the signatures of the Moderator and the Stated Clerk, and the Trustees of the Assembly and with the seal of the Assembly attached.

Overture 1400 from Synod of Mississippi on Transfer of Church, asking for approval of its action, in transferring Big Creek Church from Oxford Presbytery to Bell Presbytery. It is recommended that this transfer be approved.

Overture 1401 Relating to the Organization styled the "Michigan State Association of Churches"; asking the Assembly to consider the action of the Synod in its proposal to adopt the plan of said Association, and make a deliverance as to whether the Synod could properly do so. It is recommended that this be referred to the Committee on Church Coöperation and Union.

Overture 1402 on the Duties of a Stated Clerk of Presbytery, asking the Assembly to make specific deliverances on certain matters presented in detail. It is recommended that this overture be referred to the Executive Commission for formulation of a statement defining the words "properly required" in Chapter 20, Form of Government. The Executive Commission is directed to report their findings to the next General Assembly.

Overture 1403 on the Duties of the Stated Clerk of the General Assembly in relation to the Permanent Judicial Commission, asking for the rescinding of its action authorizing the Stated Clerk to pass judgment upon certain judicial papers, instead of passing them to the Standing Committee on Judicial Business. It is recommended that this action be rescinded.

Overture 1406 from the Des Moines Presbytery, being a question as to the constitutionality of a certain rule adopted by the Presbytery with reference to the election of Commissioners to the General Assembly. This rule deals with ministers actively engaged in church work and ministers of longest service within the Presbytery. It is recommended that this rule be regarded as a mode of procedure only, and as such it appears not to be unconstitutional. (Note Manual, 1921, page 18, section 7.)

Overture 1420. A request from the Presbytery of Philadelphia to drop the name of Rev. Geza Kacziany, owing to absence of eight years. It is recommended that the request be granted. *Minutes* G. A. 1906, page 195.

Overture 1421, on affiliations of Foreign Missionaries with their home presbyteries, asking the Assembly to make provision whereby those going to a foreign field and uniting with a church on the foreign field, may retain relationship of affiliations with their Presbyteries in this country. It is recommended that no action be taken.

Overture 1422, on defining the status of the Trustees in a local church. The Board of Trustees is a legal body, elected by the congregation, and to this body pertain the custody and care of the church property, and to it also is committed the administration of the financial or temporal affairs of the congregation; these temporalities to be so administered as to meet the uses and purposes for which they are held in trust.

The Board of Trustees is subject to the superior authority and direction of the Church Session, consonant with the laws of the State; and the minutes of the Board of Trustees after their approval by that body, are to be incorporated in the records kept by the Session.

Overture 1423, concerning the removal of a communicant to another community. The Presbytery of Sioux Falls petitions that it be made obligatory upon the church of which the communicant is a member, to immediately dismiss the said communicant to the Presbyterian Church serving in the community to which the communicant has moved. It is recommended that no action be taken.

Overture 1425. The Presbytery of Transylvania requests an overture sent down to the Presbyteries on "Women Deacons." The majority of the Committee on Polity recommend that the Assembly send down to the Presbyteries the following *Overture*—"Shall the Form of Government, Chapter 13, section 2, be amended by adding—'With the exception that deacons may be either male or female.' "

Overtures 1456-1460 for the reorganization of the Board of Home Missions. It is recommended that no action be taken, in view of previous action by this Assembly relative to Boards and agencies.

Resolutions on Amendment of Rule 41 of Rules for Judicatories as to the Judicial Committee. "*Resolved* I, in view of the confusion in the minds of many between the terms "Judicial Committee" and "Judicial Commission," that Rule 41 of General Rules for judicatories be amended by changing the words "Judicial Committee" (See Manual, 1921, page 125, lines 4, 7, 12, 20) to the words "Committee on Judicial Business." II, that the Stated Clerk be authorized and directed to revise the phraseology as above, and also throughout the Manual and in future editions of the Form of Government and the General Rules. It is recommended that this amendment be made.

Petition of Rev. H. C. Rimmer and John R. Gass, asking for the correction of wrongs alleged to have been suffered by said Rev. H. C. Rimmer in the asserted violation of contract in connection with Home Mission appointment and service. These matters were before the Judicial Commission and the Assembly in 1918, and it was decided that no questions of constitution or doctrine were involved and that the decision of the lower court was final. (*Minutes* G. A. 1918.)

This petition comes before us by renewed petition to this Assembly on the part of these men. It was received and referred to the Judicial Commission. The Judicial Commission brought it back to the Assembly and on their recommendation

the Assembly referred it to the Committee on Polity. The Committee on Polity is now reporting,

We recommend:

1. That the Assembly instruct the Presbytery of Pecos Valley to report to the next Assembly,

(a) Sufficient grounds for abrogating the agreement made with Mr. Rimmer, as provided in the Presbytery's engagement and the Board of Home Mission's commission.

(b) That Presbytery take action immediately.

All of which is respectfully submitted,

S. Turner Foster, *Chairman.*

The Standing Committee on Church Erection, through its Chairman, Rev. Stanley B. Roberts, D.D., presented its report and recommendations, as amended, were adopted, as follows:

The Board of Church Erection brings with pride and joy its fifty-first Annual Report. In all the years of faithful service we may characterize this as the most fruitful. Greater results are recorded of this year's work than ever before. The field everywhere gives evidence of a great work performed, a fine purpose achieved. A wonderful array of figures tell the story of the year:

Applications received		$2,028,786.18
Appropriations made		1,294,210.22
Appropriations paid		1,005,626.91
Classified as follows:		
99 Churches in self-supporting Presbyteries and Synods		$ 522,509.00
84 Manses in self-supporting Presbyteries and Synods		153,225.00
49 Home Mission projects:		
12 Buildings erected by Board of Home Missions	$86,450.00	
16 Buildings for Porto Ricans and Cubans	22,909.12	
11 Buildings for Indians	21,464.10	
2 Buildings for Mexicans	9,600.00	
8 Buildings for Community Centers	36,250.00	
49 Home Mission projects		176,673.22
7 Church and student pastors' houses at Educational Centers		67,900.00
10 Buildings for Foreigners		60,494.69
20 Colored Congregations		24,725.00
269 Buildings. Total appropriations		$1,005,626.91

Notwithstanding the great outlay of money in the past for the extension of the work of the Kingdom of Christ in lines marked out for the Board to operate on, there is now a greater demand by our ever expanding Church for substantial advance in expenditure of funds in the new work of our rapidly developing civilization. Community work and work among our foreign-speaking colonies is growing more and more insistent, while the claims of the American Indian and Negro are imperative.

To meet these needs, the Board of Home Missions and the General Board of Education, as well as local Boards of Church Extension are in their insistent demands making necessary a larger expenditure of money from year to year. In this connection you will notice that forty-nine buildings were erected under the supervision of the Board of Home Missions at a cost of $176,673.22 and seven church and student pastors' homes were erected under the supervision of the General Board of Education, at a cost of $67,900.00. If we are to keep step with the Program of Evangelism, we must provide for the housing of our ever increasing membership not only for places of worship and homes for ministers, but for building for a widespread Gospel community evangelism that shall bring to the common people the message of our Saviour of whom it is said "The common people heard Him gladly."

The Board still believes that there should be not only "a manse for every minister" but a house for every college and university pastor; and while the provision for this fund seems to be the least, it must challenge the attention and sympathy of the General Assembly. While an ever-increasing stream is pouring into the manse treasury, more is needed to fully equip our churches with homes for their pastors.

The Board this year is confronted with very great difficulties. The calls upon it are increasing and its budget is cut to a perilously low figure. This Assembly should make ample provision for its needs. Instead of the meager $250,000 from the budget designated by the Executive Commission, this Board should receive $1,000,000.00 to make its great and growing work possible.

Your Committee would commend the Board for its faithful administration of the important affairs of the Church committed to its hands, and would make the following recommendations:

I. We have examined the Minutes of the Board and find them neatly and correctly kept.

II. We commend the officers of the Board, the Rev. David G. Wylie, D.D., General Secretary; the Rev. Jesse C. Bruce, D.D., Field Secretary; the Rev. George R. Brauer, Treasurer; and the members of the Board for their fidelity.

III. We have examined the Annual Report of the Board, and find that everything was done in a business-like manner and on a large scale, and that over a million dollars has been actually paid out.

IV. We recommend that the Board of Church Erection be designated and recognized as the building agency of the denomination in America, and that other Boards and Agencies in their building programs operate through this Board; and, in case it become necessary to amend the Charter of the Board, the matter be referred to the Executive Commission.

V. We note with gratification that the Board is developing an Architectural Department, and has already made many valuable suggestions to congregations building manses and houses of worship; and we recommend that congregations contemplating building make full use of the Department.

VI. Your Committee in its examination of the Report of the Board finds that applications amounting to $2,028,786.18 were received; that $1,294,210.22 were appropriated; and $1,005,626.91 actually paid out. The Board, seeking to make provision for the building necessities of the denomination during the current year, asked that $1,188,000 be included in the budget of $12,000,000. In the scaling down of the budgets of the various Boards and Agencies, only $250,000 was placed in the budget for the year 1921-1922, a sum wholly inadequate to meet the building needs of the Church. We are of the opinion that $250,000 should be added to the budget for this year; and recommend that this matter be referred to the Executive Commission. We also recommend that at least a million dollars, to meet the imperative building necessities of the Church, be incorporated in the budget of 1922-1923.

VII. The Assembly of 1920 authorized the Board to select and commission a Church Extension Secretary. The report of the Board shows that a selection was actually made, but the gentleman selected was not in a position to accept the election. In view of the fact that it is necessary for the Board to secure additional funds, we recommend that the Board be again authorized and directed to engage a Church Extension Secretary at the earliest possible moment.

VIII. In regard to increasing the interest on loans above $5,000 to from four to five percent, we recommend that the rate remain at four percent interest.

IX. In response to the request of the Board for an interpretation of the Assembly rule on the combination of funds, we recommend that the following reply be made: In cases where a Synod and Presbytery and the Board, from their respective investigation, agree in judgment from the standpoint particularly of the strategic importance of a church, the

Board should have discretion to meet the needs of the case by appropriation of such sums in the form of grant, loan without interest and loan with interest as may be necessary; it being understood that in such combinations the amount of the grant should not exceed $4,000, the amount of the loan without interest $6,000, and the amount of loan with interest shall be left absolutely to the discretion of the Board.

X. *Resolved*, That former deliverances of the General Assembly concerning the protection of the Board's appropriations from loss by fire be reaffirmed; that the Board be commended for its zeal in securing safe, economic and adequate insurance for the churches aided by it; that its present policy of insurance and reinsurance be approved and that all our churches be urged to take out safe and adequate insurance to protect their properties against loss by fire.

XI. We recommend that the following be the rule in regard to second mortgages: Where a church is receiving aid from this Board in the erection of a house of worship, either by loan or grant, and is at the same time receiving aid from a Presbytery or a duly incorporated Church Extension Board in the erection of said building, then, and in that event, nothing in the Rules of this Board, as now in force, shall prevent said Presbytery or said Church Extension Board from taking a mortgage, payable on the same terms only, as the Board's Grant mortgages; provided, however, that such mortgage so taken shall at all time be and remain subject and subordinate to any and all liens of this Board on said church.

XII. We recommend that the plan of coöperation with Presbyteries having Church Extension Committees (see the Fifty-first Annual Report of the Board, May, 1921, page 11) be approved.

XIII. We heartily approve of the manner in which the Board has coöperated with the Board of Freedmen, the General Board of Education, and the Board of Home Missions, and recommend continued coöperation.

XIV. We commend the effort to secure $100,000 with which to provide a suitable church edifice for the congregation, Presbyterian and other students attending the naval academy at Annapolis, Maryland, and urge churches and church members to lend aid to this enterprise and to contribute liberally to it.

XV. We recommend that the Board be authorized and directed to grant $10,000 as a war emergency for the purpose of completing one of the evangelical churches in the Canal Zone on Government ground, and that the grant be safeguarded in the best possible manner by an agreement with the Federal Council of Churches. We recommend that, in case

further funds are needed, these be secured from churches and individuals and not taken from the funds of the Board. And, to this end, we recommend that the Board be authorized to unite with other evangelical denominations in an appeal to the public, if this be deemed necessary.

XVI. In sections of the Church where Presbyteries of different races overlap, it is recommended that where new edifices are necessary Presbyteries coöperate to the limit of their ability and make joint recommendations to the Board.

XVII. In response to the memorial from the Presbytery of Red River, it is recommended that favorable action be taken and that the Board be authorized to make such loan or grant to the church at Fergus Falls, Minnesota, and to secure the same in such a manner as shall be entirely satisfactory to the Board of Church Erection.

XVIII. *Resolved,* That in the case of the church at Astoria, Brooklyn-Nassau Presbytery, the Board be given discretion to defer payments on principal for five years, and that the period of repayment of principal be extended beyond that, during a period of fifteen years.

And, that this action have reference to the building of the church and that in the event of the building of a manse the church be recommended to the Board for as favorable consideration as the rules governing the Manse and Reynolds Fund permit.

XIX. On the request of the Calvary Church of Canton, Ohio, approved by the Presbytery and the Synodical Committee, we recommend that the loan of $15,000 be changed to a grant of like amount, in order that they may secure a loan for the purpose of completion of building, and upon complete payment of such loan then grant resumes original status of loan.

The Standing Committee on Correspondence presented a supplementary report which was adopted as follows:

We recommend that the following letter from the Moderator, Clerk and Chairman, to the United Presbyterian Church be approved:

Winona Lake, Indiana,
May 26, 1921.

Most cordial greetings from the One Hundred Thirty-third General Assembly of the Presbyterian Church, U. S. A. Rejoicing in your faithfulness and devotion to the fundamentals of our common faith we would bespeak continued coöperation and even closer fellowship. Read Philippians one nine to eleven.

H. C. Swearingen, *Moderator,*

We recommend that your Committee be authorized to send a suitable letter of greeting to the Assembly of the Canadian Presbyterian Church, meeting in June next.

We recommend that your Committee be excused from answering the communication of certain persons with reference to conditions in Haiti, referred to your Committee, because of uncertainty as to the meaning of the communication and also a lack of information concerning the matters referred to therein.

We recommend that Rev. J. W. Dobias, of the Czech Brethren; Rev. Tertius van Dyke, D.D., representing the Waldensian Church of Italy; Rev. H. C. Velte, D.D., representing the Presbyterian Church of India, and Rev. Charles L. Goodell, D.D., of the Federal Council of Churches' Commission on Evangelism and Life Work, be received by the Assembly.

In behalf of the Committee,

B. A. Hodges, *Chairman.*

The following resolution presented by Rev. James A. Kelso, D.D., was adopted:

The Standing Committee on Judicial Business through its Chairman, Rev. David H. Johnston, D.D., presented a report which was adopted as follows:

In the matter of E. N. Ware vs. Synod of Illinois, your Committee on Judicial Business had before it the papers in the case, and also met three representatives of the Synod of Illinois. Respectfully submitted,

David H. Johnston, *Chairman.*

The following resolution presented by Rev. Stanley B. Roberts, D.D., and Rev. Robert J. Beattie, D.D., was adopted:

Whereas, There is in the United States a persistent and systematic propaganda being carried on by sympathizers with certain movements in Ireland, and

Whereas, Our co-religionists throughout Ireland are seriously oppressed by the conditions existing there, and

Whereas, The purpose of the agitation is to force our government to interfere with the affairs of a friendly nation in a manner directly opposite to the principles and practices of the government of the United States, therefore, be it

Resolved, That this Assembly expresses sympathy with and earnest support of our Protestant brethren of Ireland in their distress, and

Resolved, That we emphatically condemn the efforts of these persons in their attempt to cause such interference in the affairs of a friendly nation, and

Resolved, That a copy of these resolutions be forwarded to President Harding and the Congress of the United States.

STANLEY B. ROBERTS,
ROBERT J. BEATTIE.

The following resolution submitted by Rev. George E. Hawes, D.D., was adopted:

WHEREAS, It has come to the knowledge of the Assembly that the Rev. Geo. B. Stewart, D.D., LL.D., rendered invaluable service in the office of the Stated Clerk, and whereas it is known that he refused to allow the Executive Commission to compensate him in money for this service, Therefore be it

Resolved, That this Assembly does hereby express its great appreciation of this splendid work and directs the Moderator of the Assembly to convey our thanks to Dr. Stewart.

The following resolution presented by Rev. Barend H. Kroeze, D.D., was adopted:

WHEREAS, A movement in the interest of world peace and the betterment of humanity has been inaugurated in the Seven English Speaking Nations, viz., the United States, Canada, Newfoundland, Australia, New Zealand, South Africa, Great Britain and Ireland, by the observance of an Annual Commemoration Day; and

WHEREAS, The day selected is Magna Charta Day, June 15, and churches are requested to make reference to it on the Third Sunday in June; therefore be it

Resolved, That the General Assembly of the Presbyterian Church in the U.S.A. heartily endorses this movement, and commends to all our churches and ministers the suitable recognition of Magna Charta Sunday, being the Third Sunday in June.

It was resolved that the Moderator and the Acting Stated Clerk be empowered to complete the *Minutes* of the Assembly at such points as may be necessary for the accuracy and fullness of the record.

It was resolved for the greater convenience of the Stated Clerk and the Publicity Department in furnishing the actions of the Assembly to the press, that all reports of Standing Committees and Commissions shall be typewritten, and that two carbon copies shall be made, the original to be presented to the Stated Clerk at the time the report is made, one carbon copy to be retained by the Chairman of the Committee or Commissions until the close of the Assembly, and one carbon

copy furnished to the Publicity Department for the use of the Press and such other persons as desire copies of the Assembly actions.

The following resolutions of thanks were presented by Rev. Alexander MacColl, D.D., and were adopted:

The 133rd General Assembly, now bringing its sessions to a close, desires to place upon record its hearty thanks to all who have helped to make the Assembly a happy memory and an inspiring influence.

First, we gratefully recognize the rich gift of God to the Church in the person of our Moderator, the Rev. Henry C. Swearingen, D.D. By the dignity and modesty of his bearing, by his rare knowledge of procedure, by his promptness and clearness in decision, his eminent fairness, his sensitive consideration for the rights of every Commissioner, not least, by his devotional spirit, he has more than justified the confidence of the Church in him, and manifested gifts of consecrated leadership which cheer all our hearts as we anticipate the coming year of service.

The Assembly has been fortunate also in its Vice-Moderator, Nathan G. Moore, Esq., who not only proved himself a capable presiding officer, but rendered service of unusual value to the whole Church as chairman of a special committee entrusted with one of the most responsible tasks committed to this Assembly, the choice of a Stated Clerk.

The Assembly has already in a very practical way expressed its high appreciation of the service rendered to the Church by the Acting Stated Clerk, the Rev. J. M. Hubbert, D.D. Future Assemblies will greatly miss, at least in his former place of honor, one of the most gracious and helpful of the Church's servants, the Rev. Edward Leroy Warren, D.D., now Permanent Clerk Emeritus. The Assistant and Temporary Clerks have been notably efficient in their service.

We are all very grateful to the Rev. J. C. Breckinridge, D.D., General Secretary of the Winona Assembly and Bible Conference and Chairman of the Local Committee of Arrangements; the Rev. J. A. Gordon, D.D., Chairman of the Committee on Hospitality, and all who have assisted them in providing so willingly and so helpfully for the comfort of the Commissioners; the arduous labors of these friends for weeks past and during the Assembly are greatly appreciated. In the work of the Local Committee Mr. and Mrs. William A. Sunday have been especially helpful and generous. The homes of Winona have been opened gladly to the members of the Assembly and visitors. A group of churches in the Synod entered enthusiastically into the making of the arrange-

ments and gave every possible help. The citizens of Warsaw headed by their Mayor, Mr. John A. Sloan, a Presbyterian elder, and assisted by members of the Kiwanis and Rotary Clubs joined eagerly in expressions of the spirit of hospitality. The music provided by the Local Committee was an inspiring feature of the services, and in this Mr. Homer Rodeheaver and Professor Heaton were specially helpful. The local officers of the postoffice, the Western Union Telegraph Company and the Pennsylvania Railroad bore with promptness and courtesy the burden placed upon them.

Hearty thanks are due to the railroads for the special rates given to commissioners, to the Remington Typewriter Company for the use of typewriters, to the newspapers, local and national, for helpful publicity, and not least to our own Board of Publication and Sabbath School Work for the hymn books used at our sessions. The Warsaw banks granted courtesies to many commissioners.

The Commissioners came to Winona sensitively conscious of the responsible task committed to them in an anxious and difficult day. At the very beginning they sat at the table of our Lord, and earnestly sought the Divine guidance. Chief among our causes of thanksgiving is the belief in all our hearts that these prayers have been wonderfully answered. In the solution of difficult questions, in the quick elimination of any suggestion of controversy, in the spirit of unity and of common devotion to the Holy will of God and to the triumph of the Kingdom of Christ which has marked all our deliberations, the presence and the power of God have been made manifest. In joyous faith that to-day as ever His hand is upon our beloved Church for good, in courage, in humility, and with confident hope, we go forth with grateful hearts to our several tasks. Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto Him be the glory in the Church and in Christ Jesus unto all generations for ever and ever. Amen.

It was ordered that as all sections of our Church are vitally affected by union negotiations, that one member from the Southwest be added to the Special Committee on Church Coöperation and Union.

The Assembly took recess until 7.30 P.M. and was closed with prayer.

THURSDAY, May 26, 1921, 7.30 P.M.

The Assembly met and was opened with prayer by Rev. Samuel F. Fisher, D.D.

The Minutes of the day's sessions were read and approved.

The Permanent Clerk of the Assembly, Rev. Edward L. Warren, D.D., made a special request that due recognition be made of the untiring services of Mr. Henry Barraclough, who assisted him in the preparation of the Journal of the Assembly, enabling him to present to the Assembly at its closing meeting, a complete record of the business of the Assembly ready for editing and placing in the hands of the printer. The Assembly, by a rising vote, granted this request.

The Rev. Lewis S. Mudge, D.D., was elected a Trustee of the General Assembly.

The following resolution concerning the changing of the names of Presbyteries was adopted:

WHEREAS, By the rules and practice of the Church, the statistics of the whole Church, by Presbyteries, must be accurately kept by the Stated Clerk, and furnished to those requiring them in reliable form, and

WHEREAS, There have been instances of changes in the names of Presbyteries without previous approval by the General Assembly, and much uncertainty and confusion in statistics and information has resulted; now be it

Resolved, That the General Assembly interprets Section *IV* of Chapter *XI* of the Form of Government to contemplate that changes of names of Presbyteries, when otherwise made, according to said Section, will not become effective until reported to and approved by the General Assembly, and that all reports to the General Assembly, or its Stated Clerk, of facts and statistics, to be incorporated into or circulated with the *Minutes* of the General Assembly, shall in every instance continue to be made in the previous names of Presbyteries, notwithstanding any change of name, until such change shall have been approved by the General Assembly, and thereafter in the new name, commencing April 1st, of the then current year.

The following resolution was adopted by the Assembly:

WHEREAS, It has pleased Almighty God to preserve the life of Elder John H. Phelps, of Omaha, Nebraska, who is now in his 97th year and who has been permitted to serve in the eldership 70 years, be it

Resolved, That this Assembly extend greetings to Brother Phelps and congratulate him on the privilege which has been his of long service for Christ and the Church.

The following resolutions concerning the payments of bills, etc., were adopted:

1. That the Stated Clerk's Office be directed to publish and distribute the Assembly *Minutes* and Reports of the

Boards, as usual, in accordance with the regulations found in the Assembly Manual.

2. That the Stated Clerk and Treasurer be authorized to pay the usual salaries and bills, in accordance with specific Assembly orders, and appropriations, and the Assembly's Financial System, as found in the Manual.

3. That the Stated Clerk's Office be authorized to contract for the usual printing of the *Minutes*, the Manual, the list of Commissioners, list of overtures, Reports of Committees, and all blanks and papers connected with the current annual work of its Assembly, payment for the same to be made under the regulations of the General Assembly's Financial System.

4. That the Permanent Judicial Commission be requested and directed to file its minutes in due time after the adjournment of the Assembly.

5. That the Stated Clerk be authorized to revise the Assembly's business calendar in connection with the preparation of the next Assembly docket.

6. That the Stated Clerk be authorized at his discretion, to revise and renumber the Assembly's Standing Orders and Rules in matters pertaining to logical and consistent arrangement and phraseology, but without changes in subject matter.

The Standing Committees having reported the completion of their work, and that papers referred to them had been returned, were discharged.

The following resolution submitted by Elder Reginald L. McAll was adopted:

WHEREAS, The Council of the American Guild of Organists and the Executive Committee of the National Association of Organists, representing 3,500 organists, have organized committees to bring the ministers and organists into closer relations for the good of the cause of religion, be it

Resolved, That the Assembly heartily approves of this movement and urges the members of Synods and Presbyteries to coöperate in every possible way.

It was resolved that the offerings taken in behalf of the Near East Relief and China Famine Relief Funds, should be equally divided between these two Funds and so distributed.

The Standing Committee on Leave of Absence submitted a report, which was adopted, but on account of the indefinite character of the memoranda kept by this Committee, no publication is here made of the names of those who obtained leave of absence during the sittings of the Assembly.

In view of the large number of Commissioners present at the closing session of the Assembly, the calling of the roll was dispensed with.

The reading of the Minutes of the last session of the Assembly were dispensed with by consent and was referred to the Permanent and Stated Clerks with power.

The business of the Assembly having been completed, and a vote having been taken for the dissolution, the Moderator dissolved the Assembly, saying, "By virtue of the authority delegated to me by the Church, let this Assembly be dissolved, and I do hereby dissolve it, and require another General Assembly chosen in like manner, to meet at Des Moines, Iowa, on the third Thursday of May, 1922."

The Sessions were closed with prayer, singing and the Apostolic Benediction.

EDWARD L. WARREN, *Permanent Clerk.*

GEORGE B. STEWART, *Acting Stated Clerk.*

Narrative, Necrology, Correspondence, etc.

FOR REPORT OF THE STANDING COMMITTEE ON THE NARRATIVE OF CHRISTIAN LIFE AND WORK, See p. 148.

REPORT OF THE SPECIAL COMMITTEE ON CHRISTIAN LIFE AND WORK.

The Special Committee on Christian Life and Work respectfully submits to the General Assembly its Fifteenth Annual Report. The order of presentation of subjects is as follows:

I. Purposes.
II. Meetings.
III. Members.
IV. Synodical Narratives.
V. Statistical Summaries of Ministers and Churches.
VI. Questionnaire and Answers from Stated Clerks.
VII. The Movie Situation.
VIII. Improved Narrative Blank.
IX. Religious Training in the Home.
X. Suspended Members and New Converts.
XI. The Need of Ministers.
XII. Poor Attendance at Church Services and Lord's Supper.
XIII. Efficiency in Synod and Presbytery.
XIV. Relation of the Church to Ex-Service Men.
XV. Statistics of Unattached Mission Schools.
XVI. Ministerial Compensation.
XVII. Daily Vacation Bible Schools.
XVIII. Ministers' Names In Alphabetical Order.
XIX. Church and Nation.
XX. Resolutions.

I. Purposes.—In order to make clear the purposes of the Committee, the action of the General Assembly, constituting the Committee and indicating its sphere of work is again quoted in full:

"That a Special Committee on Christian Life and Work is hereby appointed, to consist of eleven members, of whom two shall be the Moderator for the time being and the Stated Clerk; the other nine members to be appointed by the Moderator. Of the nine members to be appointed, one-third shall be changed each year. The duties of the Committee shall be to consider and report upon the Narrative of Christian Life and Work from the Presbyteries, annually prepared for the Assembly, and also to report, from their own knowledge, upon any related matters connected with the general spiritual condition of the Church. The Stated Clerk of the Assembly shall be the Secretary." (*Minutes*, 1906, p. 222.)

II. Meetings.—The Committee held, during the year, three meetings at Philadelphia, Pa.,—on February 15, March 15, and March 29, 1921. The Moderator, Rev. S. S. Palmer, D.D., could not be present, on account of many other duties, and appointed Rev. Hugh B. MacCauley, D. D., who is a member of the Committee, "to act as Chairman, including the writing of the Report, and its presentation to the Assembly, and following it up with such attention as it should have before the Standing Committee on Narrative, to which it will be referred."

All the other members were in attendance at the meetings, except the Hon. John D. Sumner, who could not be present; and all the members spent considerable time in preparing their respective parts of the report.

III. Members.—The membership of the Committee is composed of three classes each serving three years. The class whose term of service expires this year is composed of Rev. William L. McCormick, Phila., Pa., Rev. U. Franklin Smiley, D.D., Wilmington, Del., and Hon. John D. Sumner, Kensington, Md. It is to be noted, that the Moderator of the Assembly for the time being is Chairman of the Committee, and the Stated Clerk is the Secretary.

IV. The Synodical Narratives.—These narratives furnish a complete perspective of the whole field of the home Church, and are interesting and valuable.

The Synods hold an important place in the administration of Church affairs. In accordance with Chapter XI of the Form of Government, Section 4, the Synods have power "to take such order with respect to the presbyteries, sessions, and people under their care, as may be in conformity with the Word of God and the established rules, and may tend to promote the edification of the Church;" "to propose to the General Assembly for its adoption such measures as may be of common advantage to the whole church."

Accordingly, in order to assist in making this synodical administration most effective to the largest spiritual results, the General Assembly for four years in succession has made the Stated Clerks of Synods advisory members of the Special Committee on Christian Life and Work, and has requested each of the Synods to appoint a Standing Committee on Narrative and to place the report of this committee on the docket at a morning session, to be accompanied with exercises of praise and prayer. Similar duties devolve upon the Presbyteries. To them it belongs (Gov. Article X, Sec. 7), "To order whatever pertains to the spiritual welfare of the churches, under their care." We need now the help of the Stated Clerks of Presbyteries as advisory members of our Committee.

The time has now come to arouse the church to the need of such a Synodical and Presbyterial review of the state of religion within their bounds and such an improvement in the preparation and treatment of the report on Christian Life and Work as will make the exercise of greatest profit to the whole church. We note that the following Synods have printed no reports upon the Narrative of Christian Life and Work in their Synodical minutes, to wit; Arizona, Arkansas, California, Idaho, Indiana, Nebraska, New England, New Mexico, New York, North Dakota, Utah, Wyoming.

The Synodical Reports, either in printed or manuscript form as received by the Committee, are presented below in the form of abstracts, which have been skillfully prepared by the Acting Stated Clerk, Rev. J. M. Hubbert, D.D. These abstracts would create more interest in Synod and be more valuable if they were first prepared by the Synodical Committees on Narrative, together with the Stated Clerks, and presented to Synod.

We note the fact, which also some of the Stated Clerks complained of in their answers to our Life and Work Questionnaire, that the Synodical Abstracts, as printed in the Blue Book of the Assembly, are a year old, having been made up from the Synodical Narratives printed in Synodical Minutes of the preceding Fall, which, in turn, were made up from Presbyterial Narratives sent to Synods the preceding Spring. It is also true that the Presbyterial Narratives of this spring are now in the hands of this Assembly's Special Committee on Christian Life and Work, and are herewith reported, but most of them did not reach us until after May 1st, too late to make a proper presentation. There would be a vast improvement if the Sessional Narratives were sent to Presbytery on or before March 1st of each year. It would give a fine presentment at the stated spring meetings and would enable us to bring to the Assembly the Narrative survey for the current year closing. Even if not reported in the Blue Book, the abstracts might be printed in the *Minutes* of the Assembly, which go to press about June 15. We propose a resolution on Synods and Presbyteries.

The Synodical Reports follow the order, as far as practicable, of the main heads given in the Annual Congregational Narrative of Christian Life and Work:

1. Church Membership and Services. 2. Religious Education and Young People's Work. 3. Evangelism. 4. The Community. 5. Missions and Benevolence. 6. Finance. 7. The Nation.

(The methods of the Welsh Churches are such that it is not practicable to embrace them here. And the absence of the four colored Synods and the German Synod of the West, which sent in no printed records, accounts for the gaps in the numbering.)

1. Alabama.—(1) *Church Membership and Services:* Membership, 6642. Added on examination, 420; on certificate, 383. Most Churches maintain mid-week prayer-meetings, with an attendance of about 10 per cent. of the membership, Bible study being the chief attraction.

(2) *Religious Education and Young People's Work:* By sermons, exhortations, and personal entreaties efforts are made to promote family worship and religious training in the home. Only a small percentage of parents are faithful in presenting their children for baptism. Only 24 churches report Home Departments in their Sunday-schools, with 322 members. There are 36 young people reported in attendance at our own denominational schools, and 37 in other institutions.

(4) *The Community:* Reports show that little effort is made by churches to survey and study community conditions, and there are very few study classes of this kind.

(6) *Finance:* Reports show a very marked improvement in local financial matters and some progress along benevolent lines.

2. Arizona.—(The printed Minutes contain no Report on Narrative.)

3. Arkansas.—(The printed Minutes contain no Report on Narrative.)

5. Baltimore.—Of the five Presbyteries, two made no Narrative reports to the Synod.

(1) *Church Membership and Services:* Total membership, 36,709, a net gain of 757. Added on examination, 1,730; on certificate, 1,461. Majority of churches hold two services on Sabbath. Morning and afternoon services well attended, but not so in the evening. As a rule, quarterly communion services, with 70 per cent. of members in attendance. Prayer meeting a "shameful failure"; there seems to be "abject hopelessness" in regard to it. Family worship "a thing of the past."

(2) *Religious Education and Young People's Work:* Number of Sabbath-schools, 166, ten of which are Mission Schools. Decision Day generally observed, with good results; 60 per cent. of those received in the churches by confession come from the Sabbath-schools. Nearly every school has Bible classes for men and women, and 90 per cent. of those in these classes attend church services. The graded system is generally practiced in the schools. Few community canvasses for membership. Catechism generally taught, and our own periodicals used. Home Departments and Cradle Rolls in thriving condition. One-third of the schools have Teacher Training Classes, but only a few are enrolled at headquarters. Nearly all schools have teachers' meetings or conferences. Many churches have Young People's Societies for mission, social, and cultural work, and all seem to be in healthful condition.

(3) *Evangelism:* Special evangelistic services in majority of churches, with gratifying results.

(5) *Missions and Benevolences:* Marked improvement in the spirit of benevolences, and a large gain in contributions. Churches have generally adopted the Every-member Plan.

(6) *Finance:* With few exceptions, church expenses fully and promptly met. Several churches carry mortgage indebtedness.

6. California.—(The printed Minutes contain no Report on Narrative.)

9. Colorado.—The Narrative of this Synod is very brief and does not contain material that can be arranged and presented in conformity with the requirements of the Assembly's blank. Total membership of the Synod, 23,660, an increase of 4 per cent. during the past year. Evangelistic Work has been carried on with vigor at a few points in the State. The Narrative is chiefly occupied with the importance and difficulties of the Home Missionary work in the Synod.

12. Idaho.—(The printed Minutes contain no Report on Narrative.)

13. Illinois.—(1) *Church Membership and Services:* Membership, 112,273. Added on examination, 6,942, a gain of 2,507 over last year. Church services well attended in the morning, but in the evening the attendance varies. For the most part the churches have been well supplied with pastoral services. Attendance at communion services varies from 40 to 75 per cent. of the membership. Attendance at the mid-week prayer meeting averages about 10 per cent.

(2) *Religious Education and Young People's Work:* There is being developed a more efficient leadership in religious education. In many churches a systematic effort is being made to reestablish family worship, and church leaders are realizing that the Sabbath-school cannot be a substitute for religion in the home. There is a steady decline in the membership of the Sabbath-schools of the Synod. Many Teacher Training Classes and workers' conferences are reported. Christian Endeavor and other Young People's organizations are reported only in a minority of the churches, but these societies are doing an excellent work. Boy Scout and similar organizations for girls are reported in increasing numbers.
(3) *Evangelism:* Only a few churches have had special evangelistic services, but in all these improved spiritual conditions have been reported.
(5) *Missions and Benevolence:* With increasing fidelity the churches are contributing to all the Agencies of the Church, and much of the credit is to be given to the New Era Movement.

14. Indiana.—Owing to failure on the part of the Presbyteries to send in Narrative Reports, the Synodical Committee was not able to prepare an adequate Narrative for publication in the Minutes.

15. Iowa.—The Synod having adopted New Rules with reference to the Narrative, which were not understood by the Presbyteries in their new relationship, reports for preparing a Synodical Narrative were not received from the Presbyterial clerks. The total membership for the Synod is 56,515, a net gain of 1,376.

16. Kansas.—(1) *Church Membership and Services:* Church membership has been practically at a stand-still. One-third of the churches have been vacant for more or less of the time, during the year. Prayer-meeting attendance averages 10 per cent. of the membership.
(2) *Religious Education and Young People's Work:* All the Presbyteries have Committees for supervising educational work in the churches. Decision Day not commonly observed. Sabbath-school membership has declined during the year. Communion classes in but few churches. Work for young people is represented by Christian Endeavor, and conditions are fair.
(3) *Evangelism:* No large proportion of the churches have had special evangelistic meetings, but where such services have been held the results have been uniformly good.
(4) *The Community:* Only 30 of the churches in the Synod report efforts to improve community conditions; many of these are working along the lines of the Interchurch survey. The community organizations supported are the Y. M. C. A., Y. W. C. A., Temperance, and Play Grounds.
(5) *Missions and Benevolence:* All sessions give opportunity to contribute to the Boards. About one-half the churches have followed the New Era Program and in such cases good results have followed.
(6) *Finance:* There has been an increase of 25 per cent. in benevolences. There is a general movement for raising salaries of ministers. About 20 per cent. of church members are regular contributors.
(7) *The Nation:* The effect of the war on the churches is generally reported as unfavorable, and yet there is a larger world vision and the Church is studying missions more than ever before.

17. Kentucky.—Only five of the seven Presbyteries sent in Narrative reports; from these the following facts are given.
(1) *Church Membership and Services:* Added on examination, 592; on certificate, 546. A large number of the churches have been without pastoral oversight, 28 being reported as vacant. Church services fairly well attended.
(2) *Religious Education and Young People's Work:* Some Presbyteries have Committees to supervise educational work. Reports are encouraging with reference to family worship and religious training in the home. There has been an increase in Sabbath-school membership during the year.
(5) *Missions and Benevolence:* The New Era Movement has left its imprint on the Presbyteries and churches in the matter of an advance in contributions for benevolent causes.
(6) *Finance:* The churches are meeting their local expenses fully and promptly, and there is but small indebtedness on church mortgages.

18. Michigan.—Out of the eight Presbyteries, only two have presented reports approximating completeness, consequently the Synodical Narrative is very meager.

(1) *Church Membership and Services:* Total membership, 51,015, a gain of 2,118, the largest church membership ever reported. Added on examination, 3,766.

(5) *Missions and Benevolence:* There has been a gain of 5 per cent. in contributions made for missions and benevolences. This gratifying result is due to the stimulus afforded by the New Era organization, with its emphasis upon stewardship.

19. Minnesota.—(1) *Church Membership and Services:* Total membership, 33,755, a net gain of 685. Added on examination, 2,285. While most of the churches have had preaching, many have had no pastoral care. Many churches are unable to keep up the weekly prayer-meeting.

(2) *Religious Education and Young People's Work:* The family altar is disappearing from an increasing number of the homes. The Sabbath-school work is apparently well done, and there are few churches that do not report schools. The complete Sabbath-school enrollment is 34,213, a gain of 2,003. The Young People's Societies have maintained their work with success.

(5) *Missions and Benevolence:* There has been a most gratifying response on the part of the churches in making contributions for missions and benevolences, and the increase in some instances has been threefold.

20. Mississippi.—(1) *Church Membership and Services:* Additions on examination, 88; on certificate, 65. But few churches have preaching services more than once a month, and 16 are reported as having been without pastors part of the time. Some churches have communion services irregularly, and in some congregations this service is much neglected.

(2) *Religious Education and Young People's Work:* Some efforts put forth for religious training in the home. About 50 per cent. of parents faithful in presenting children for baptism, and 75 per cent. of the churches endeavor to impress baptized children as to their proper relations to the church. Few churches observe Decision Day. Probably 30 per cent. of the pastors have preparatory communion classes. About two-thirds of the additions come from the Sunday-school, and one-fourth of these were baptized in infancy. No special work outside of Sunday-schools is reported. Some special efforts made to interest children in the regular church services, and about 50 per cent. of the young people attend. Of the 52 churches, only 35 have Sabbath-schools. Few schools teach the Catechism, and some do not use the literature of our own Church. There are 8 graded schools, and very few have teachers' meetings. There are 13 Bible Classes reported: 3 Intermediates, 4 Seniors, 6 Adults. Few Sunday-schools make an annual canvass for new members. There are no libraries. There are 5 churches with Home Departments, with an enrollment of 70. Total Sabbath-school membership, 1743, 30 less than last year. Young People's Work is represented by 13 societies: Juniors, 5; Intermediates, 3; Seniors, 5; also 4 Junior Mission Bands, and one Guild. Young people attending our own schools, 9; other institutions, 25.

(3) *Evangelism:* Almost all the churches hold evangelistic services and with good results,—41 accessions through these services.

(4) *The Community:* Very little, if any, community work is being done.

(5) *Missions and Benevolence:* Offerings for missions and benevolences are increasing encouragingly.

(6) *Finance:* The finances of the churches are generally improved, but some are lagging behind and are paying the pastors once a year, and that at its close.

21. Missouri.—Of the 10 Presbyteries, only 7 made Narrative reports. The Synodical Narrative is practically in the form of seven separate Presbyterial Narratives, rather than a single unified Narrative consisting of a survey of the work of the Synod as a whole. From these several disjointed Presbyterial Reports, the following may be gathered as the facts in general.

(1) *Church Membership and Services:* There has been an increasing number of additions on examination, as well as on certificate. As a rule, 2 preaching services are held on the Sabbath, though rural churches hold services but once or twice a month. Morning attendance good; in the afternoon and evening, but fair. Many churches have been without pastors during part of the year,

many of which had temporary supplies. Commonly, communion services held quarterly. Reports concerning the weekly prayer-meeting are not cheering.

(2) *Religious Education and Young People's Work:* It seems that few have committees for supervising educational work. Considerable attention is given to the subject of religious training in the home, but there are few family altars. Parents fairly faithful in having their children baptized. There is little evidence of observance of Decision Day. Sabbath-schools seem to be well cared for, and good work is apparently being done by Young People's Societies.

(3) *Evangelism:* A small number of churches hold special evangelistic services, but these report very happy results in accessions and improved spiritual conditions.

(4) *The Community:* Comparatively little is done which can be designated as community work in any specific sense.

(5) *Missions and Benevolence:* Churches have generally made contributions to the Boards and benevolent causes, and the New Era Movement has produced good fruits.

(6) *Finance:* Most of the churches have made a fairly good report in providing for their local expenses fully and with promptness, although not a few church properties carry mortgage indebtedness.

22. Montana.—(1) *Church Membership and Services:* Total membership, 7,172. Added on examination, 896; on certificate, 479; this is the largest increase in membership for any year in the history of the Synod. The mid-week prayer meeting is fast declining, and it would seem that it is soon to be numbered among the things of the past.

(2) *Religious Education and Young People's Work:* Sunday-schools are in a flourishing condition, and efforts are being made in all sections to build them up and improve them. Many Teacher Training classes and graded schools are reported, and much attention is being given to class organizations, and with most encouraging results. Young People's societies are in a sad plight, as few are reported, and, with rare exceptions, they are very weak.

(5) *Missions and Benevolence:* Nearly all the churches have adopted the Every-member Plan. Nearly all the churches are coöperating with the New Era Movement, the Central Receiving Agency has proved very helpful.

(6) *Finance:* All the churches report that their congregational expenses are fully and promptly paid.

23. Nebraska.—(The printed Minutes contain no Report on Narrative.)

24. New England.—(Mention is made of the fact that the Committee presented a report on Narrative, but it does not appear in the printed Minutes of the Synod.)

25. New Jersey.—Presbyterial Narratives reached the Synod from all the Presbyteries except three, 2 of these being foreign, and one in the State of New Jersey.

(1) *Church Membership and Services:* Total membership, 126,161, a net gain of 4,971. Added on examination, 10,110; on certificate, 4,849. There have been 68 vacant churches, many of which have been without pastors for a long time, and are disintegrating. The Synod lost 4,153 by the Suspended Roll, and the Narrative speaks of this "tragic leakage" as presenting a serious problem. Prayer meeting attendance from 4 to 10 per cent. of the membership; various methods used in trying to improve this unhappy condition.

(2) *Religious Education and Young People's Work:* There has been a serious decadence of family worship, but there is now evident improvement. But little attention is given to communion preparatory classes. Outside the Sabbath-school and Young People's Societies, work for boys and girls is being developed through such agencies as Boys' Clubs, Boy Scouts, Girl Scouts, and Camp Fire Girls. An increase in the number of organized Bible Classes.

(3) *Evangelism:* Some Presbyteries report good results from evangelical campaigns, and others have not stressed such services.

(4) *The Community:* While community service is receiving increased attention, this line of work has not been systematically pursued.

(5) *Missions and Benevolence:* A marked improvement in practical and definite methods for supporting benevolences by contributions to Assembly Agencies. An increase of 28 per cent. in gifts for congregational purposes, and

55 per cent. for benevolences. Presbyterial Reports show a very definite entrance into the New Era Movement by a majority of the churches.

(6) *Finance:* Almost universally, local church expenses are full and promptly met.

(7) *The Nation:* Widely divergent answers as to the influence of the war upon spiritual conditions in the churches. While congregations have been much disturbed by the strain of war conditions and the burdens of the reconstruction period, the state of upheaval and disorganization has not only reached its utmost limit, but on every side are indications of improvement and an upward trend.

26. New Mexico.—(The printed Minutes contain no Report on Narrative.)

27. New York.—(The printed Minutes contain no Report on Narrative.)

28. North Dakota.—(The printed Minutes contain no Report on Narrative.)

29. Ohio.—(1) *Church Membership and Services:* Total membership, 136,362, a net increase of 2,940. Added on examination, 7,328. The prayer meeting is poorly attended, and few are present who are willing to pray in public. Sabbath evening services seem to be regarded as unnecessary.

(2) *Religious Education and Young People's Work:* The decline in Sabbath-school membership has been arrested, as is shown by the fact that there was an increase of more than 5,000 during the last year. There is little evidence of activity on the part of Young People's societies.

(3) *Evangelism:* There has been considerable interest manifested in evangelistic services, and to this is attributed the increase on confession of faith.

(5) *Missions and Benevolence:* There has been a marked activity in making contributions in benevolences, and there has been a large increase.

30. Oklahoma.—(1) *Church Membership and Services:* Total membership, 20,584, a net gain of nearly 1,100. Additions by examination, 1,543; by certificate, 1,928. Communion services attended by 60 per cent. of the membership. Prayer-meeting attendance from 5 to 25 per cent. of membership; Bible study the most helpful stimulant.

(2) *Religious Education and Young People's Work:* Of the 9 Presbyteries, 6 have committees on Religious Education. Family worship encouraged by pulpit exhortation, printed matter, New Era Methods, and the Family Altar League. Parents fairly faithful in presenting children for baptism and making clear to them their relation to the Church. In most churches Decision Day is observed in the Sabbath-schools. A minority of churches have communicant classes. More than 500 received into the churches from Sabbath-schools, the greater number baptized in infancy. Outside of the Sabbath-school the activities for young people are in Boy Scouts and Camp Fire Girls organizations. In some churches special sermons are preached to hold the young people, but the attendance of young people on public worship is not large. Most churches have Sabbath-schools, and but few have branch or mission classes. The Catechisms are taught but little. A few teacher-training classes are reported. Schools not largely graded except those in the younger departments. Teachers' meetings held by minority of schools. The Board's publications used almost exclusively. Libraries are not maintained. Quite a number of organized classes. Only 18 Home Departments reported. Young people's work reported in an encouraging number of churches, and usually it is in good condition. A small number of Junior Bands and Westminster Guilds is reported. There are 103 young people in our own schools, and 192 in other educational institutions.

(3) *Evangelism:* Many churches have heldevangelistic meetings, with only meager accessions.

(4) *The Community:* Little information given on this subject.

(5) *Missions and Benevolence:* There has been a great increase in contributions for benevolences, much of which is attributable to the New Era Movement.

(6) *Finance:* Church expenses are met with fidelity and promptness; 5 Presbyteries report indebtedness on churches. Most churches have but one treasurer for all funds.

(7) *The Nation:* But few churches respond to the inquiry as to the effects of the war on church life, but most of those that answer say its effect was very detrimental or negligible.

31. Oregon.—(1) *Church Membership and Services:* Out of the 6 Presbyteries, 5 report a membership of 15,521. Added on examination, 1,105; on certificate, 1,253. Nearly all churches have two services a day, the attendance being better in the morning. There have been 39 pastorless churches during part of the year. Two Presbyteries report vacant churches regularly supplied; two say that they were not supplied. Churches closed, 4. Usually, 4 communion services annually, with 60 per cent. attendance. About half the churches have prayer-meetings, with attendance from 11 to 20 per cent.

(2) *Religious Education and Young People's Work:* Five Presbyteries report supervising committees. Religious training of children generally emphasized. Pulpit appeals and literature used for promoting family worship in 2 presbyteries; 4 do not answer; 3 presbyteries report parents faithful in baptizing children; one says they are not; 2 do not answer. Relation of baptized children to church made clear in 2 Presbyteries; one says in half the churches; one says not generally; 2 do not answer. One Presbytery reports 5 churches observing Decision Day; 2 Presbyteries report that half the churches do; 2 Presbyteries give no answer. Three Presbyteries report 175 received from Sabbath-schools, 66 of whom were baptized in infancy. Graded schools in three Presbyteries. All use Board's lesson helps. Four Presbyteries report 37 Home Departments, with enrollment of 648. Total Sabbath-school membership, 5,338, a gain of 561. Attending our own schools, 4; in other schools, 78.

(5) *Missions and Benevolence:* Sessions give opportunity for contributing to our Boards. All churches in the New Era Movement. Sabbath-schools contribute to Home and Foreign Missions and Sabbath-school work.

(6) *Finance:* Church expenses fully and promptly met. Benevolences administered by sessions. Three Presbyteries report 33 manses.

(7) *The Nation:* War influences reported bad, depressing, deadening.

32. Pennsylvania.—(1) *Church Membership and Services:* Total membership, 324,529, net gain of 2,226 over last year. Added on examination, 16,043, a gain of 6,314 over last year; on certificate, 10,911. Churches pastorless part of the year, 190; few have been closed. Communion attendance averages 63 per cent. of membership; prayer meeting, 15 per cent.; many rural churches have no prayer meeting at all.

(2) *Religious Education and Young People's Work:* Decision Day observed in Sunday-schools of most churches, and many churches have communion classes. Incomplete returns show 7,489 uniting with the church from the Sunday-schools. Special sermons to children are growing in favor and fruitfulness. Shorter Catechism gets moderate attention. Mission Bands and Guilds and other junior organizations are numerous.

(3) *Evangelism:* Of the 20 Presbyteries, 17 have special evangelical services; 11 Presbyteries report 3,119 accessions resulting from these meetings.

(4) *Community:* On this subject the reports are largely negative, though general support is given to such institutions as the Y. M. C. A., Y. W. C. A., Daily Vacation Bible Schools, and Temperance organizations.

(5) *Missions and Benevolence:* Contributions to the Boards have been made on a very liberal scale, as have also other benevolences, and much of the impetus in this direction is attributable to the New Era Movement, and to the Woman's Jubilee Campaign. Sabbath-schools have contributed most gratifyingly to all the Boards, especially to Home and Foreign Missions.

(6) *Finance:* Church finances fully and promptly paid. Number of Manses reported by 1,184 churches, 645; since one manse often serves more than one church, it is safe to say that a majority of pastors are housed.

(7) *The Nation:* Almost without exception, the churches declare war influences to have been detrimental; the men returning from the service have deserted the churches that toiled so long and hard for their every comfort in camp and field.

33. South Dakota.—The printed Minutes contain an extended report. But instead of being a unified Narrative, with matter capable of being presented in conformity with Assembly blank, it contains discursive statements with reference to each of the Presbyteries separately. These presentations speak optimistically, in general terms, in regard to work and conditions in the Synod.

34. Tennessee.—Of the 8 Presbyteries, only 6 made Narrative Reports, two of these being incomplete.

(1) *Church Membership and Services:* Membership, 16,508, a gain of 438. Added on examination, 989; on certificate, 739. Out of 202 churches, 53 vacant. Most churches regularly supplied with preachers; a majority have communion four times a year. Church attendance 60 per cent. of membership. Most of town churches have prayer meetings, with from 10 to 15 per cent. of members attending. Sessions usually give notice of removals.

(2) *Religious Education and Young People's Work:* The importance of religious training of the young people is urged upon the congregations, and the family altar is stressed. Parents cannot be called faithful in presenting children for baptism, nor ministers in carrying out requirements in regard to baptizing children. Decision Day not observed in many churches, nor do many have classes preparatory to communion. Outside of the Sunday-schools and Young People's Societies, little is done for the young, though there are a few Boy Scout troops and clubs of various kinds, mainly thrift and domestic. No special attempt is made to adapt church services to children. Shorter and Intermediate Catechisms not generally taught. Few teacher training classes, and these not enrolled at headquarters; but few teachers' meetings; many schools have Home Departments. Most of the churches have Young People's Societies, conditions being fair.

(3) *Evangelism:* Most churches have some kind of evangelical efforts during the year, with fairly good results.

(4) *The Community:* Churches little engaged directly in community work, as such, though they support such organizations as the Y. M. C. A., Y. W. C. A., Public Play-Grounds, Temperance, Daily Vacation Bible Schools, and Settlement Work.

(5) *Missions and Benevolence:* Churches have enlisted in the New Era Movement with enthusiasm and success, receiving therefrom much inspiration.

(6) *Finance:* As a rule, church expenses are fully met; but not always with promptness. Sessions usually administer benevolences, and two separate funds are usually kept, for benevolences and local expenses; a majority of churches having separate treasurers. One-quarter of the churches have manses.

(7) *The Nation:* No special stimulating effect from the war is noted, though there is greater passion for reality in everything than before the war.

35. Texas.—(The printed Minutes contain no Report on Narrative.)

36. Utah.—(The printed Minutes contain no Report on Narrative.)

37. Washington.—(1) *Church Membership and Services:* As but 6 of the 11 Presbyteries have made Narrative Reports, no satisfactory statement can be made as to total membership or accessions.

(2) *Religious Education and Young People's Work:* So far as reports show, there has been a loss in the total membership of Sunday-schools.

(5) *Missions and Benevolence:* There seems to have been an increase in benevolent contributions and an advance in pastors' salaries.

38. West Virginia.—The Narrative speaks with thanksgiving and gratification concerning spiritual conditions in the Synod, but it does not contain the materials requisite for such an exhibit as is contemplated by the Assembly's blank. In general terms, it is stated that there has been a substantial gain in the number of members received into the church, with an attendance at preaching services and prayer meetings which is only fair; that the Family Altar and the Catechism have been neglected; that there has been a substantial gain in the number attending Sabbath-schools and Young People's Societies; that there has been an increase of gifts to the Assembly's Boards; that Evangelism is not stressed.

39. Wisconsin.—(1) *Church Membership and Services:* Total membership, 24,781, a net gain over last year, or an increase of 4 per cent. Attendance at morning services, 60 per cent. of membership; very much less in the evening; but 10 per cent. at prayer meeting; in many churches no prayer meetings are held.

(2) *Religious Education and Young People's Work:* As to Sunday-schools, 47 churches, or a fourth of the number in the Synod, failed to make reports. There are 157 churches with Sunday-schools,—6 branch, 1 union, and 8 mission schools. Only 25 per cent. of church accessions came from the Sunday-schools. Total Sunday-school enrollment, 18,718, a gain of 586, or 3 per cent., over last

year. Work for young people is carried on by organizations of Christian Endeavor, Mission Bands, Westminster Guilds, etc.

(3) *Evangelism:* Special evangelical services reported in 33 churches, with gratifying results in accessions and spiritual stimulation.

(4) *The Community:* As far as reports show, participation in community services is practically a cipher.

(5) *Missions and Benevolence:* All churches seem to have adopted the Every-member Plan, which has resulted in a large increase of gifts.

(6) *Finance:* Church expenses are promptly paid, but there is a reported indebtedness on churches of $37,360.

40. W y o m i n g.—The printed Minutes do not contain a unified Narrative which can be presented in conformity with the requirements of the Assembly's blank, but simply three brief paragraphs which set forth a few facts in regard to general conditions in each of the three Presbyteries of the Synod, respectively.

V. Statistical Summaries of Ministers and Churches.—A brief comparison. The summaries given below show the general conditions having to do with the church growth, and are not duplicated elsewhere in the *Minutes*. The number of pastors in 1919 was 4105; and in 1920 was 4289, an increase of 184; the number of stated supplies in 1919 was 1455, and in 1920 was 1412, a decrease of 43; the number of Ministers without charge in 1919 was 1922, and in 1920 was 1978, an increase of 56; the total number of ministers in 1919 was 9856, and in 1920 was 9858, an increase of 2.

The total number of churches in 1919 was 9698, and in 1920 was 9640, a decrease of 58. A new column in 1920 shows 4650 manses, or about 48% of the churches. The 52 community, federated and union churches reported under Presbyterial control, raises the question as to whether these churches were every reported to the General Assembly, as required by the Assembly, and whether the time has not come for the Assembly to define the Constitutional method for federating churches.

Under congregational expenses we note a great improvement. Not counting 2181 which did not give any figures, there were 3497 churches in 1919 that gave less than $1200 each for congregational expenses, and 3033 churches in 1920; that is, 464 churches increased their support; in 1919 there were 2472 churches that gave between $1200 and $3000 each, but in 1920 the number was 2082 churches; that is, 390 increased; in 1919, 1635 churches gave over $3000 each, while in 1920 there were 2344, a marked increase of 709 churches. We infer this was owing to the movement to increase pastors' salaries.

Under churches by size we find 1598 churches reporting less than 25 members; that is, 14 churches more than in 1919; 3729 churches between 25 and 100; that is, 115 less than in 1919; and 4262 having over 100 members; that is, a gain of 34. This shows that these very small churches remain about the same from year to year, and raises the question whether the Presbyteries are doing all they can to improve the situation.

Under additions we find a great improvement over 1919, but still little for congratulation. In 1920, 3563 churches reported no additions; that is, 37%; 1775 churches reported 1 to 4, that is, 18%; 1352 from 5 to 9, that is, 14%; on the other hand, 193 churches added 50 to 74; 52 added 75 to 99, and 60 churches added more than 100 each, the largest number since 1917. Here again we raise the question whether Presbytery has done all it could to revive these failing churches. We think that a careful investigation should be made by a special committee and reported at the Stated Fall Meetings.

The following tabular matter has cost time, labor, and money, and is very valuable. These summaries have been prepared, with great care, under the direction of the Acting Stated Clerk, from the Statistical Reports of ministers and churches, as they appear arranged by Synods, in the *Minutes* of the last Assembly. The same criticism has been made of the Summaries that pertains to the Narratives, that they are one year old. Nevertheless, the replies from the Stated Clerks as to the value of these tables confirmed the judgment of the Committee that we should publish them.

The summaries are accurate and show the general conditions with which we are concerned. They are not dead figures, but speak with command and challenge. They would be more generally known and appreciated if they were first prepared with the aid of the Stated Clerks of Presbytery and Synod. It

may be that an economical plan by coöperation of the Stated Clerks can be devised, by which we can publish the summaries in the year to which the figures apply.

The summaries have been arranged by Synods in tabular form and include the following main heads, to wit:

(a) An abbreviated summary of the main facts. (b) Ministerial Employment. (c) Churches Supplied and Vacant. (d) Congregational Expenses. (e) Churches by size. (f) Additions by confession. (g) Full Summaries in paragraph form of the same figures.

B. Ministerial Employment, 1920.

VI. Questionnaire and Answers from Stated Clerks.—Your committee decided to get expert advice from the Stated Clerks of all our 46 Synods and 302 Presbyteries concerning some of the important questions of Life and Work, in their communities, and accordingly the chairman sent a letter of explanation, and a questionnaire blank with six questions, to this band of experienced officers. The effort met with a quick response. Many of the brethren commended our investigation as important. There came in 190 replies, many being fully written. Such a bundle of information has rarely been seen, and would be of great value to the Church, if an abstract could be printed. Your committee hereby expresses its hearty thanks to the Stated Clerks for their splendid response. Truly these brethren stand at the "listening posts near the trenches."

The points in the questionnaire were as follows, and a brief abstract of the replies is added under each point, to wit;

1. Do you think that Presbytery or Synod would be willing to give more time to the Narrative? and if so would better results be reached?

A majority insisted upon an improved Narrative Blank; that more time should be given, and greater results could be obtained; that according to our present church year the Narratives must be returnable on March 1, or the report must be rendered at the Stated fall meeting.

2. What steps has your Presbytery or Synod taken in the matter of obtaining improved efficiency and greater results, such as general missionary, executive secretary or other means?

Some of the Presbyteries and Synods have adopted additional means for increased efficiency, such as field secretary, superintendent, pastor-at-large, executive secretary, revision of rules, fewer committees and larger powers, spiritual conferences. Others would like to do so but cannot afford it. Others suggest that contiguous Presbyteries could be grouped to use a common agency, or that Synod could furnish it.

3. What is your opinion of the value of the Statistical Summaries of ministers and churches? (See *Minutes* of G. A., 1920 pp. 268-274.)

The greater number set a high value on these tables.

4. Would you prepare these statistical Summaries for your Presbytery, or Synod, in your office, if we should furnish the blank for the common plan, the extra expense to be met by your body? General answer, "Yes."

5. Please give us your opinion of the present moral situation, as you see it, as it applies to the state of the Church and Nation. Answers under a special heading, No. 18.

6. Do you think that the situation in your communities is getting better or worse in regard to influence of the movies? Sabbath observance? General morality? The majority of answers declared conditions were worse, noticing, however, great improvements attributable to prohibition.

VII. The Movie Situation.—Owing to the general agitation concerning the Movie situation and the nature of the reports we have received in relation to it, we here mention the subject. While recognizing the value of many of the better films, yet these in a great degree make for evil, and our young people are being seriously harmed by them. Our communities are going amusement-mad over movie scenes that defy the Decalogue. Besides, the laws are ignored, and children under the legal age are admitted without parents or legal guardians.

Thoroughly alarmed at the rising wrath of the people against the pictures produced, the exhibitors recently held a remarkable meeting in New York City, at which ninety per cent. of the movie picture manufacturers were present, whose productions include all of those in which the great stars appear. The resolutions passed at their meeting bar films that are "obscene, salacious, indecent, and immoral," and protest against 13 different kinds of objectionable pictures. All these resolutions, are good, but tardy, and will probably end in talk. The time has come for the Church to coöperate actively with the lawmakers and civic organizations that are earnestly laboring to control the movies in the interests of decency and wholesome morals. We propose an action pertaining to regulation.

VIII. Improved Narrative Blank.—One of the questions before the Committee was the need of an improved blank for the Annual Narrative. The Stated Clerks, in answer to our questionnaire, asked that the blank now in use be made more simple, brief, and practicable. The Synod of Pennsylvania has adopted an overture to this Assembly on the subject, submitting complete samples for a new blank to be used by Sessions, Presbyteries, and Synods. The present blank was the result of an action of the General Assembly of 1918, which authorized this Committee to revise the Blank. After careful consideration, a revised form of the Annual Narrative was printed and sent to the Presbyteries, and was adopted. The last Assembly declined to make any change in the blank although overtured by two Presbyteries to do so.

Nevertheless, in view of continued demand, your committee has presumed upon making further efforts, and accordingly spent a large part of two meetings considering the subject. So we have tentatively adopted a revised blank and herewith report the same to the Assembly as a part of our report, but have not printed it in the Blue Book. It was our idea to get further light from various sources.

A new feature of the Improved Blank is a section entitled Annual Absentee List, to assist in finding absentees. The intention is for each session, at the time of the Annual Review of the Roll, and when the Narrative is being prepared, to place upon the Absentee List the names and addresses of those who have removed from the parish, and forward the same, with the narrative, to Presbytery, to be forwarded by Presbytery to the Permanent Committee on Evangelism, which shall assist in getting such members to join some church near their new home.

We request the Assembly to authorize the Committee to circulate this blank, when completed, among the churches as a tentative plan for one year, and report upon its acceptance to the next Assembly, We propose a resolution to that effect.

IX. Religious Training in the Home.—The family was the first school of religious instruction. In it the most abiding impressions of life are formed. The family must continue to be central in all plans made for religious education. The multiplication of schools and churches is insufficient if there is no adequate maintenance of the family altar in the home. Pastors and sessions should make earnest efforts to lay the duty of religious instruction on the conscience of parents. This should be done by frequent pulpit emphasis, but even more by personal, pastoral counsel. "These words which I command thee this day shall be upon thine heart, and thou shall teach them diligently unto thy children." This law, long since given for the direction of God's servants, continues to be His commandment for the most effective program of religious education centering in the home. The committee commends the emphasis that is being placed by the Board of Publication and Sabbath School Work on family religion, and gratefully recognizes the literature which is being prepared for its stimulation and development. Our churches are asked to work in hearty coöperation with the Board. We submit a resolution pertaining to Presbytery.

X. Suspended Members and New Converts.—The year 1919 was a year of loss to the churches. According to Rev. Dr. H. K. Carroll, the Church Statistician who has lately published elaborate statistics of all denominations (Christian Herald, March 12, 1921), the net gain in 1919 for all denominations was less than 44,000 the smallest gain ever known. According to our *Minutes* (1920, p. 926) our net decrease that year was 28,715.

But now there is a great change. Dr. Carroll reports for the whole country, for all denominations, Protestant and Catholic, at the close of 1920, the total of 195,926 ministers, 230,585 Churches and 42,140,997 communicants, or a net gain of 667,007 communicants. The figures show that there are still about 68,000,000 of all ages that are not enrolled as church-members. He also reports that the whole Presbyterian group made a gain of 43,031; the Baptist group, 129,283, and the Methodist group, 237,127. All this indicates a much more encouraging condition and outlook. As reported to our Assembly for the year ending March 31, 1920 (*Minutes* 1920, p. 926), our church added 99,722 new members, on examination, and made a net gain of 34,072, as against a net loss of 28,715 in 1919. Dr. Carroll's figures also go to show that our Church made a net gain of 31,958 for the whole year of 1920.

While we rejoice to know of the gain in membership in our Church last year, we still think the gain should be greater, and the number on the suspended roll smaller, for who dares to say that "The Lord's hand is shortened, that it cannot save, or His ear heavy, that it cannot hear?" One thing is to be taken into consideration, viz., the transient condition of our people, owing to the war, and the difficulty of keeping track of members who move to other communities. Many reasons might be advanced for low spiritual conditions, such as the lack of presenting evangelical truths to the people, the lack of divine enthusiasm for souls, the lack of conviction as regards sin, and spiritual things, with the death grip which worldly pleasure and lust for gain have upon our people; but the one that will embrace them all is the dearth of spiritual power. Hence there is but one remedy, viz., a powerful outpouring of the Holy Spirit upon our churches and communities, and there are but two means of securing the blessing,—the church to humble itself, and seek it through much prayer and supplication.

The Suspended Roll presents one of the most serious phases of church life. Within the past five years, 451,577 new members have been added on examination, but during the same period 297,203 members have been placed upon the Suspended Roll. If these are new cases placed annually upon the Suspended Roll, it seems to show that two out of every three members received through the front door on confession, are thrown out of the back door by suspension, and much of the work done under the auspices of our Assembly's Committee on Evangelism, is lost through our poor system of conservation.

Much of this waste could be prevented by the group system of congregational organization. Through group leaders sessions can keep in close personal contact with all parts of the congregation. Many of the suspended roll members have left the bounds of the parish and have not been properly cared for by the Session that is responsible for their spiritual welfare. Members should be followed up by letters expressing the interest of the Session, and pastors into whose bounds they have moved, should be notified.

Sessions should use more effort to restore members. To place the indifferent on the Reserve Roll may be the easiest way, but thousands might be restored. Your committee has given this matter of conservation much thought. We have examined the methods of other Denominations and have conferred with the Committee on Evangelism. This matter should now be carefully considered by that Committee and also be specially discussed in Presbytery at all the stated fall meetings. We submit recommendations covering these points.

XI. The Need of Ministers.—Our theological seminaries, like law and medical schools and schools for nurses, are at their lowest mark, because of impatience at the time required for preparation and because of the quick and tempting prizes of business.

Oberlin University, which has been a source of supply of Congregational ministers, did not report a single member of its graduating class of last year as being headed towards a theological seminary. In Yale, Princeton, and Chicago Universities the decline runs from twenty to forty-two per cent. At Wesleyan University, Middletown, Conn., and other Methodist colleges, conditions for the past ten years show no improvement. In 1916 the Protestant Episcopal Church had 692 "postulants," as they are called, but at present the number is about one-half of that.

To meet the need of ministers we recommend:

1. That all Christian ministers cultivate a holy enthusiasm for their calling and renew their love for their work, carefully refraining from speaking of the ministry in a tone of self-pity or discouragement.

2. That, at least once a year, pastors present, with high confidence, to the parents and youth of their congregations the opportunity of service and of moral leadership offered by the Christian ministry.

3. That in large communities supper conferences of older boys, selected from all the churches, be held occasionally, and the call of the ministry be presented by ministers and laymen.

4. That the General Board of Education, in coöperation with similar agencies of other denominations, be requested to put into effect a comprehensive and continuous plan by which picked men will be invited to all colleges and universities to lay this matter before the student bodies, perhaps preaching at
and always spending several days or a week in personal conference on this subject.

5. That careful attention be given by churches and sessions to their method of selecting pastors and their attitude toward the ministers involved. When important churches are vacant for long periods without serious effort to secure a pastor, when pulpit committees investigate hundreds of ministers without action, when so many churches are without pastors and so many ministers are without churches, and when the attitude of churches toward prospective ministers is what it is to-day, there is grave danger that young men will be repelled from the ministry. It is highly desirable that churches vacant make diligent effort to secure pastors, treating with Christian courtesy all ministers under consideration and giving generous and united support to pastors when chosen.

6. That a copy of these recommendations be sent with the Narrative blank to every session in the church, and to stated clerks of Presbyteries, to bring the whole subject up for discussion by Presbyteries.

XII. Poor Attendance at Church Services and the Lord's Supper.—Your Committee has given a great deal of attention to this subject and believes that pastors and sessions must patiently continue their efforts to reach out after the masses and bring them into the Church. Renewed efforts must be put forth to reach the members of the churches and bring them to the Lord's Supper in remembrance of Him. They must be kept informed of the set time for this holy feast and be frequently reminded of their obligations. Your Committee heartily endorses the particular work of the New Era Committee and the Permanent Committee on Evangelism, in urging a social visitation by each church, each year, upon its membership, to urge more regular attendance upon church services.

XIII. Efficiency in Synod and Presbytery.—The answers to the questionnaire sent to Stated Clerks of Synods and Presbyteries show an earnest longing for improvement. Many say that there is too much routine, too little that is interesting, too many that stay away, too many that want to go home early. Some of the Presbyteries are cutting out routine by giving larger powers to ad interim committees, providing more time for conference on spiritual topics, and securing a paid superintendent to do the special work of Presbytery. Ought there not to be time at each meeting of Synod and Presbytery for inspirational addresses, conference and uplift? Ought not every such meeting send the ministers and elders home with new hope and new power? We submit a recommendation for Synods and Presbyteries.

XIV. Relation of the Church to Ex-Service Men.—Your Committee earnestly suggests the importance of giving particular attention to young men who having served with the military and naval forces of the United States, and have returned to normal and peace time occupations. The hearts of these men were exalted to a high level of service and spiritual appreciation during their military activities. It was a period of most extraordinary need, and men's souls were stirred to deepest experience and inspired to finest expression. We should not regard it as remarkable or disheartening if there should appear to be something of recession from those heights of unselfish zeal and sacrificial service, or from the unusually clear appreciation of religious values. In so far as those conditions may be found to exist, they define a field of the Church's greatest opportunity and they present an occasion for her most determined and loving endeavor.

XV. Statistics of Unattached Mission Schools.—The Board of Publication and Sabbath-school Work called the Committee's attention to the lack of method for reporting the statistics of mission schools under the case of that Board, but not yet attached to specific churches. We recommend that provision be made to remedy this defect by placing the proper item on the Sunday-school statistical blank.

XVI. Ministerial Compensation.—Our congregations should more fully recognize, by the payment of adequate salaries, the devoted and far-reaching service which our ministers are rendering. The subject is of far more importance, both to ministers and churches, than many people realize, since inadequate salaries not only seriously impair the usefulness of ministers, but also often adversely influence young men in their thinking about entering the ministry.

Our Master has declared that "the laborer is worthy of his hire." It is evident that if our ministers are to be "free from worldly cares and avocations" and our young men attracted to the ministry, a higher standard of financial remuneration should be adopted by many of our congregations. We submit a resolution for Synods and Presbyteries.

XVII. Daily Vacation Bible Schools.—The Daily Vacation Bible School movement in the Presbyterian Church has largely developed within the past few years, and is being organized as a definite part of the educational system of many churches. In view of the fact that it has been tested and found successful under many varying conditions of church activities, that it is the most available agency for increasing the number of hours that can be given to the religious training of children, and in view of the further fact that it enables a church to reach the community in an unusual way, it is urged that all churches should seriously consider the possibility of organizing and conducting such schools and of making them a definite part of their educational program. We submit a resolution for pastors and Sessions.

XVIII. Names of Ministers in Alphabetical Order.—An important item related to statistical matters, is the question as to the order of the names of ministers and churches in the Statistical reports of Presbyteries in the *Minutes* of General Assembly. There is a wide variety of practice among churches and doubtless there are advantages in each one of the systems that have been employed. We can discover no argument in support of the system prevailing in our Church, except that which is based upon antiquity of usage. What reason is there, beyond the gratification of curiosity, for giving the order in which ministers stand as to date of ordination or joining the Presbytery? Certainly, the advantage of such methods is small, and sometimes they work to the disadvantage of ministers. We think there are cogent practical reasons for adopting the alphabetical arrangement, and we submit a recommendation to that effect.

XIX. The Church and the Nation.—We are expected, as a Committee on Christian Life and Work, to speak a word about the Church and Nation. The two themes are woven together in one web of destiny. If the nation should fail, a faithful Church would survive, as did Christianity when Rome fell; but if the Church should fail the nation would fail also, as did Judah when the temple fell. The Church is "the salt of the earth, but if the salt have lost its savor, wherewith shall it be salted." But who can say the right word? We ask the Stated Clerks, "watchmen, what of the night?" And a hundred and ninety answered. Naturally, their replies differed, optimistic in spirit but many pessimistic in facts. We all know how things are. Many home ties were broken by the war. Many drifted away from the church. New standards of behavior are set up. Temptations swarm around the young. The crowds throng the corrupting movies. Foreign propaganda is strong, making us suspicious of our Allies. Divorce is easy and increasing. Crimes of violence are multiplied. The Church has her troubles. Even the Lord's Supper reaches only 50% of church members. In many quarters the prayer-meeting is neglected, the Sunday evening service is failing, and family worship and even religion fading from the home.

But, on the other hand, there is much to encourage. Patriotism is not dead. Brotherhood is not wanting. Charity is unstinted. Prohibition has improved communities, has increased savings, and kept down crime. Public opinion is awaking and men and women in church and state are calling for progressive legislation, for better enforcement of law for higher type of men for public office, for moral reforms in Society. The addition of women's influence in public life is a tremendous help.

The tide seems to be rising. Converts are being added in large numbers. Our net decrease of 28,715 in 1919, was changed into a net increase of 34,072 in 1920. Last Easter Day was a glorious witness to Jesus, in attendance, contributions and conversions.

The spirit of the ministers and members is optimistic. The temporary discouragement over the collapse of the Inter-Church World Movement is passing away. The churches are gathering in stronger force to undertake their work.

The splendid surveys of that great movement remain as an inspiring vision and a commanding voice.

This era is now the church's opportunity. In this time of discontent, ruin and need, the pastors and churches must speak out and show the way, in the name of Jesus, shaping public opinion and promoting world peace.

We want to emphasize just one word. That word is unity.

1. Let us try to save the *unity* of the home. "From scenes like these Old Scotia's grandeur springs," was not sung of her landscapes, her assemblies or her wars, but of family worship in a cotter's hut on Saturday night. Family worship alone will save the homes of America.

2. Let us promote the Unity of the Churches, by coöperative plans for joint work, especially if Organic Union should fail.

3. Let us establish *a Christian Brotherhood* among all races in our land by friendly methods of Americanization.

4. But, above all, let us do our utmost to establish world peace. Let us work on to finish the task we are in. Let all the churches of Jesus, Prince of Peace, work and pray that God's blessing may be on every man, Christian, Mohammedan, or Jew, who will do anything to heal this open sore of the world and prevent war.

XX. Resolutions.—The following resolutions for the consideration of Presbyteries and Synods are recommended to the Assembly for adoption:

Resolved, 1. That the Stated Clerks of Synods and Presbyteries be and hereby are appointed as advisory members of the General Assembly's Special Committee on Christian Life and Work, and that the said judicatories be requested to direct their Stated Clerks to coöperate with our Committee on Christian Life and Work, and that the said judicatories be requested to direct their Stated Clerks to coöperate with our Committee in the preparation of the Annual Narrative of Christian Life and Work, by their reports and suggestions, and also to assist the Committee in the preparation of the Statistical Summaries of Ministers and Churches.

Resolved, 2. That all our Synods and Presbyteries be requested, in the interest of greater spiritual results, to direct their Standing Committees on Christian Life and Work, together with their Stated Clerks, to prepare, if possible, a more accurate and interesting Narrative Report to Synod and Presbytery, to be considered for at least one hour in the morning session and to be accompanied by exercises of praise and prayer, and to be followed by appropriate actions to remedy the faults shown by the Narrative; and that at the same time a short abstract of the Narrative be prepared and that both be printed in the minutes and forwarded to the Special Committee on Christian Life and Work for presentation to the Assembly; and also, in the case of Presbytery, that if the Narrative cannot be properly prepared for the stated spring meeting it be presented at the stated fall meeting.

Resolved, 3. In view of the general criticism of the pictures of the movie houses, as expressed in the replies of the Stated Clerks to the Life and Work Questionnaire, that the General Assembly hereby refers the matter of regulation of Motion Pictures to the Board of Temperance and Moral Welfare, with power.

Resolved, 4. That the Special Committee on Christian Life and Work be hereby authorized to continue its labors for another year in behalf of an improved Narrative Blank, and, when completed, to circulate it among the churches as a tentative plan for one year, and report upon its acceptance to the next Assembly.

Resolved, 5. That the Assembly hereby urges the Presbyteries to call the attention of the pastors to the vitally important matter of religious training in the home, and to request the pastors to present it to the congregations through sermons and otherwise.

Resolved, 6. That the Permanent Committee on Evangelism be hereby authorized and directed to coöperate in the matter of recovering absentees to the church, by receiving from the churches and Presbyteries the annual lists of absentees, prepared by the Special Committee on Life and Work, for the purpose of helping absentee members to locate as speedily as possible in one of the churches near their new home, and that the Assembly's Committee on Evangelism be requested to consider the whole matter of conservation of membership and present the matter to the Presbyteries that they visit, thus coördinating the work of conservation and evangelism.

Resolved, 7. That the Presbyteries be requested to take up with their churches, at the stated fall meeting, the whole question of the conservation and service of the church-members, as suggested in our report, in order that the present serious loss of church membership may be prevented, and that church members be more largely saved for service in the church and the community.

Resolved 8. That a copy of the recommendations of our Committee on the Need of Ministers be sent with the Narrative Blank to every Church session and to the Stated Clerks of Presbyteries, in order to bring up the whole subject for discussion in Presbytery.

Resolved, 9. That the Assembly advise all our Synods and Presbyteries to make special inquiry, by the appointment of a competent committee, concerning methods and conditions now prevailing, with a view to promoting efficiency and securing larger spiritual results, and that a part of this inquiry include the question of what further missionary, evangelistic or executive helpers are needed by the Synods and Presbyteries to secure these ends.

Resolved, 10. That the Stated Clerk of the General Assembly be instructed to revise the blank on which the Stated Clerk of the Presbytery reports the Presbyterial statistics, by adding the item at the foot of the report, "Mission Sabbath-schools under the care of the Sabbath-school Missionary;" and that the Stated Clerks of the Presbyteries be instructed to insert opposite this item, in the column "Sabbath-school Membership," the figure given to him by the Presbyterial Sabbath-school Missionary, covering the membership of all the mission schools under his care which are not connected with any church.

Resolved, 11. That Synods and Presbyteries be urged to appoint committees on Ministerial Compensation (composed of laymen), whose duty it shall be to take up with congregations the question of increasing the salaries of their ministers in all cases where such salaries are manifestly insufficient to meet ministerial necessities.

Resolved, 12. That in view of the need of increased hours for Religious Education, and in view of the way in which the Daily Vacation Bible School has met this need for so many churches, the General Assembly commends to the thoughtful consideration of pastors and sessions the Daily Vacation Bible School as an educational and missionary agency.

Resolved, 13. That the Stated Clerk of the Assembly be hereby authorized and directed to publish hereafter the statistical Reports of Synods and Presbyteries with the names of all ministers in each Presbytery arranged in the first column in regular alphabetical order; additional lists of local Evangelists, Licentiates, etc., in any Presbytery being placed in alphabetical order, each specifically indicated, following the roll of ministers in that Presbytery.

Resolved, 14. That the General Assembly advises all our Presbyteries and Synods at their Fall meeting to devote a part of their docket to a solemn conference upon the state of the church and the need of revival, and to make a careful preparation for the same, with a view to taking some adequate means for the quickening of all the churches.

Respectfully submitted,

HUGH B. MACCAULEY,
Acting Chairman.

To The General Assembly of the Presbyterian Church, U. S. A.:

DEAR BRETHREN:—The Western (American) Section of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, respectfully presents its Annual Report for the year 1920-21, under the following heads:

I. MEETING.—The Western Section, during the year 1920-21, held one meeting, at Washington, Pa., Feb. 16-17, 1921. The Rev. J. Ritchie Smith, D.D., Chairman, presided, and the Section was generously entertained by the First Presbyterian Church of Washington, Pa. The meeting was held in the Lecture Room of the First Presbyterian Church.

II. OFFICERS.—The Officers were continued to serve until after the reorganization of the Western Section, following the meeting of the General Council, to be held in Pittsburgh in September next. They are as follows: Chairman, Rev. J. Ritchie Smith, D.D.; Vice-Chairmen, Rev. John MacNaugher, D.D., and J. W. Appel, Esq.; Recording Secretary, Rev. J. C. Scouller, D.D.; Philip E. Howard, Treasurer. The Rev. Henry B. Master, D.D., who had been elected by the Executive Committee as Secretary pro-tem, to succeed the Rev. William H. Roberts, D.D., deceased, was chosen as Secretary pro-tem, and also nominated to the General Council as American Secretary.

III. NECROLOGY.—The members of the Section who have departed this life during the past year were, the Rev. William H. Roberts, D.D., L.L.D., the American Secretary, on June 26, 1920, and Ralph E. Prime, Esq., on Sept. 27, 1920. Appropriate tributes are incorporated in the Minutes of the Western Section.

IV. AD INTERIM GENERAL SECRETARY.—Rev. J. R. Fleming, will continue to serve in this capacity, by action of the Eastern and Western Sections, until an election shall be held at the General Council, in September. His office address is 122 George St., Edinburgh, Scotland.

V. WORK ON THE EUROPEAN CONTINENT.—*The Lausanne Conference.*

The religious history of Europe last year may be condensed into two words, *Conferences* and *Charity*, or church unions and church benevolence. Last year was a great year for religious conferences. Switzerland was, last summer, the center of all Christendom, for no less than six world conferences were held there. We should like to dwell upon some of them but time does not permit. One, however, should be referred to, for it directly concerns us, namely, the Continental Conference of our Alliance at Lausanne, August 5-12. The holding of this conference was approved by our western section last year, which appointed three delegates to it, Rev. Arthur J. Brown, D.D., Rev. S. H. Chester, D.D., and Rev. James I. Good, D.D., all of whom attended it. Never since the synod of Dort (1618) was there such a gathering of so many Reformed Churches of the continent of Europe. About twenty (virtually all of them except the Reformed Church of Russia), were represented by delegates or by letter. Churches that never before were represented in our Alliance were there. Virtually a whole session was devoted to each country. The addresses and reports were a revelation of the needs and also of the great influence of our continental churches.

Western Europe.—Western Europe includes France, Belgium, Holland, Switzerland and Italy. We will notice first the countries that need no help, Switzerland and Holland.

Switzerland.—A new spirit possesses the Swiss Churches. Whereas formerly they were provincial or wanted to come close to the Churches of Germany, now they seek closer relations with the world alliances, especially the Anglo-Saxons, because they realize that future world progress lies in that direction. They are anxious to come into closer relations with our Alliance. The continental conference at Lausanne encouraged them. It offered to bring the matter before the Pittsburgh Council, so that some method may be found by which these churches (historically belonging to the Calvinistic family) may become related in some way to our Alliance. But a sad fact about the Swiss Church must be noted. The Theological Seminary of the Evangelical Church of Geneva, of which Prof. Merle d'Aubigne was one of the founders, and of which Frank Thomas (the evangelist of the French-speaking churches) is the head, will close next summer on account of lack of funds. This will be a great loss to all truly Evangelical forces.

Holland.—Holland, which for some years has had no relations with our Alliance, is beginning to move toward us. The National Church appointed a delegate to the conferences at Lausanne. He unfortunately became sick and could not be present, but sent in a letter the greetings of his church. The recent death of Rev. Abraham Kuyper, D.D. of the Christian Reformed Church, has removed one of the most prominent representatives of our faith in Europe—a statesman as well as a minister and professor, who served both the state and the church. But it was Dr. Kuyper who took the Christian Reformed Church out of our Alliance. Perhaps some way may be found to get that virile spiritual church back among us. We need them, as we believe they need us.

France.—Coming now to the churches that need help, we would speak of France first. The war, as we reported last year, had left that church prostrate, especially in the war-zone, with the loss of about eighty churches and between a million and two millions dollars' worth of property. There have been two periods in France, the first being the temporary, the second, the permanent. The first period was the time when temporary buildings had to be provided for public worship. For this purpose, halls, schools, and barracks, have been used. But that period is passing, as the French are now beginning to build new churches. The second period is now coming, when permanent church buildings are to be built. The war, while a terrible loss to the French Church, yet is bringing its compensations and blessings. For these new church buildings are up to date in their appointments. If the first period of temporary buildings needed money, much more will the second, when these permanent churches are to be built.

Italy.—The Waldensian Church, though it did not suffer as much from the war as other churches, is yet in great need. For it is a small church in a land overshadowed by the papacy. It has had peculiar difficulties. Heretofore any movement out of Catholicism was toward Protestantism; now it is toward socialism. But still the church is moving forward. Its latest step will be to remove, this year, its Theological School from Florence to Rome and locate it almost under the eaves of the Vatican palace, only about a square away. It will be near the splendid church built for them by Mrs. Kennedy of New York and also close to the spot where one of their greatest martyrs in the Reformation was put to death. An encouraging sign is that the Italians returning from America, who have been converted here, have led to the starting of churches in Italy.

Central and Eastern Europe.—Last summer the deputation appointed by this Section, consisting of Rev. Arthur J. Brown, D.D., Rev. S. H. Chester, D.D., and Rev. James I. Good, D.D., went to Central Europe to inquire into conditions there. We might summarize their report by saying that this winter in Central Europe is a "black winter," the blackest they have yet had, for not merely are food and coal scarce, but their clothing and shoes are giving out and thousands are too poor to buy new ones.

Germany.—Here the problem is twofold, the feeding of its poor and the aiding of its Reformed Church. As a result of present financial conditions, many (especially in the large cities) are living half-starved, the children suffering from rickets. Although Germany was our great enemy during the war, yet a genuine Christian humanitarianism should overcome our prejudices against them and we should help them.

Czecho-Slovakia.—Bohemia, or as it is now named, Czecho-Slovakia, is the one bright spot in Central Europe. Although there is still need of physical relief there, yet the striking peculiarity of Bohemia is its religious condition. While other lands are busy, mainly with their material progress such as the reconstruction of war-swept areas or the feeding of the poor, in Bohemia there is a marked religious movement—a great movement out of the Romish Church. Five years ago (July, 1915), there was celebrated the 500th anniversary of the martyrdom of Huss, the Reformer, before the Reformation. But Huss is not dead; he never was more alive than to-day in Bohemia. Over fifty of the Catholic priests have married, and within the last two years about 350,000 have left the Catholic Church. Like the Hussites of old, they demand "the cup and the book"—the Bible and the wine at the Lord's Supper for the laity. They have also demanded the marriage of the priests and worship in their own language. It is expected that the movement will grow to about two millions. In this movement out of Rome the Protestant Churches are sharing. The Lutherans and Reformed have united to form a "Bohemian Brethren" Church, which numbers 175,000 of whom 125,000 are Reformed. Protestantism has never ha such an opportunity in Bohemia, and she is too weak to take advantage of it unless our western churches help.

Austria.—Austria is the blackest spot in Central Europe this winter and is suffering from semi-starvation, for several reasons.

1. As at present constituted, she can only produce about 70 per cent of her own food.
2. Her neighbors, formerly under her, as Bohemia, Hungary and Jugo-Slavia, will not help her.
3. Her country population has been politically at odds with Vienna, because they are clerical, while Vienna is socialist, and so the country does not care to send much food to the city. Last fall the clericals gained the election, and now the socialists are striking so as to destroy the government altogether. Vienna is a half-starved city.

Hungary.—Hungary has been torn to pieces. And with it the Reformed Church of Hungary, numbering two and a half millions of adherents and perhaps the most compactly organized of our continental churches, has been disrupted into four parts.

The northern part of Hungary including Pressburg, was taken away from Hungary by Czecho-Slovakia, and contains from 25,000 to 125,000 Reformed (the estimates vary). Czecho-Slovakia aims at religious liberty, but the report of the deputation of our eastern section, who visited them, reveals that they were suffering considerable oppression.

But it especially is in Transylvania the large southeastern district of Hungary, which has been torn away from her by Rumania, that there is the greatest suffering in Hungary. The Reformed there number over a million, in about 600 congregations. The Hungarians there have been and are suffering much oppression, both religious and otherwise.

The last district torn away from Hungary lies in the south and was taken away by Jugo-Slavia. It contains 100,000 members of the Reformed Church. There the pastors are suffering greatly in their salaries, owing to the depreciation of money. Those who had been receiving missionary aid from Hungary found that this was cut off. In part of the district there is religious liberty, but especially in the part that belonged to Croatia, there is a good deal of oppression in the taking away of Protestant schools and the prohibition of consistory meetings. Jugo-Slavia is just about formulating its laws about religious liberty and pressure ought to be brought to bear on them at this critical time.

Poland—Lithuania.—These two half-starved nations, which formerly belonged to Russia, have each a Reformed denomination. These Reformed Churches have had an honorable history, having come down from the Reformation.

Poland.—The small Reformed Church of Poland, numbering about 15,000, has suffered greatly from the different armies marching over their land. Rev. Mr. Semidini, the pastor at Warsaw, the main congregation, has been bravely trying to hold things together, but his churches and pastors are in great need.

Lithuania.—A very pitiful plea has come from this Reformed Church, which numbers about 23,000. Its pastors have been sickening or dying off because of the war. One pastor, Rev. Mr. Jakubenas, of Birzai, writes that he is compelled to serve three other charges and also to teach four days a week so as to get enough to keep from starvation. As all the Protestant teachers there have to go to a Catholic normal school (as there is no other), there is some danger of that whole Church collapsing unless it gets aid.

These facts (and much more could be said) reveal the sad and sometimes critical condition of the brethren and churches of our faith in Europe. Shall we leave them to perish or shall we rise up to help them as Christian brethren should do? "The Lutherans are helping the Lutherans, the Methodists are helping the Methodists, the Baptists are aiding the Baptists, but where are our Presbyterian and Reformed brethren of America, that we get no help from them?" At some places, notably in Vienna and Jugo-Slavia, they had given up hope.

To show what can be done we incorporate a brief statement of what the National Lutheran Council (composed of nine different bodies in America) has been doing, as given in their report of December, 1920: In thirteen months they spent $900,000 for European relief. We have raised perhaps $200,000. The Presbyterian Church, U. S. A., has done the best, $142,000; the United Presbyterian has given last year $18,631, and year before $10,000. The Reformed Church in the U. S. has about $40,000 left over from previous years for a church building at Chateau-Thierry, and last year raised about $14,400, of which about $11,000 was for the poor of Germany, raised mainly from its own German churches. The Canadian Presbyterian Church has raised about $25,000. The Presbyterian Church, U. S., has raised $25,000. The Reformed Church in America has not yet reported. But all told, the Lutherans have raised $700,000 more than we have. And the Lutheran churches are not richer than ours or more numerous, for they number about the same number of communicants as ours. Their noble example should provoke us to a holy rivalry.

The following Resolutions were adopted in connection with the report:

Resolutions Adopted on European Continental Committee's Report.

1. That the Western Section of the Alliance of the Reformed Churches holding the Presbyterian System, would respectfully overture the supreme judicatories of its constituent Churches to give earnest consideration, at their Spring meetings, to the needs and opportunities of our brethren in the various Reformed and Presbyterian bodies on the continent of Europe.

2. That the members of the Deputation appointed by the Section to visit the Protestant Churches of Europe during the past summer be appointed a Committee to arrange, as far as possible, for the presentation of these matters at the spring meetings of our various supreme judicatories, by personal appeal, and that they be given authority to print one or more tracts on these subjects for distribution to the General Assemblies.

3. That this Section suggests to the General Assemblies and General Synods of our constituent Churches for consideration, and, if deemed wise, for adoption, the following program:

(*a*) That the month of October next be designated as "Continental European Month," in which special efforts shall be made to provide for the immediate needs of the suffering brethren of our Reformed and Presbyterian Churches in Europe, this however not to conflict with plans already made in any denomination for that object.

(*b*) That donations in clothing, unused or slightly worn, or whole cloth, linen (especially bed linen) and shoes be sent during that month to a depot or depots designated by the Committee appointed by our Alliance; also that food-drafts or money can be sent through this medium—all these to be sent DIRECT to the following suffering Churches: Hungary, Transylvania, Vienna, Czecho-Slovakia, Jugo-Slavia, Germany, Poland and Lithuania—also money can be sent to France, Belgium and Italy, if desired.

(*c*) That the last Sunday in October (Reformation Day) be designated as a *Day of Prayer* in all our Churches for our oppressed and suffering brethren in Europe, and that on that day offerings be taken for this object unless this conflicts with any previous plan in any of the denominations.

(*d*) That the Deputation sent to Europe last summer, together with Rev. W. P. Fulton, D.D., Rev. C. S. Cleland, D.D., Rev. Rufus W. Miller, D.D., be a committee to prepare for carrying out this plan, and that to this committee be added, as advisory members, the chairmen of Committees on European Relief in each of our denominations.

(*e*) That if this plan is adopted by two or more Churches, this Committee herein appointed is empowered to open one or more depots for the reception and shipping of clothing, etc., to Europe, the expense of these to be divided among the contributing denominations in proportion to their communicant membership.

(*f*) That this Committee be authorized to send, before the month of October, an appeal to all the pastors in the denominations coöperating to participate in this program.

(*g*) That this Committee be authorized to raise such a preliminary fund from the different denominations as may be necessary to open these depots. After that, as the clothing comes in, the expense will be met by the charge of 25 cents per pound from each congregation sending in clothing, as that has been found by the Lutherans to more than cover all overhead expenses.

(*h*) That this Committee be given power to take any other actions as they may find necessary to carry out this plan and also add to their number when found necessary.

(*i*) Any of our denominations already having a plan to contribute money to the Continental Relief can adopt only the part of this plan that relates to clothing, etc.

This program will immediately follow the coming Council of our Alliance at Pittsburgh next September, at which quite a number of the delegates from the Churches of Continental Europe will be present (some of whom may be utilized to aid this program), and yet will be early enough to get the clothing, etc., to the European Churches before the severe rigors of next winter come upon them.

4. That the last summer's Deputation to Europe be authorized and instructed to prepare and send to the Roumanian Government a Protest and Appeal in behalf of the persecuted members of the Reformed Churches of Transylvania, this Protest and Appeal to be in harmony with the Appeal issued by the Commission appointed by the Eastern Section of the Alliance and like that Appeal to avoid identifying the Alliance with the political questions at issue between the Hungarian and Roumanian Governments regarding the civil allegiance of Transylvania. It shall deal with the restraints and persecutions to which the Reformed Churches are subjected, in clear violation not only of the principles of justice and humanity, but of the express terms of the minority clauses of the treaties, which Roumania solemnly promised to observe and which were essential conditions of the cession of Transylvania to Roumania. It is understood that the phraseology of the protest and appeal shall be approved by the Deputation and by the president and secretary of the Western Section.

5. That this Western Section approves of the holding of European Continental Conference such as was held last August at Lausanne, Switzerland, and expresses this desire to the coming Council of the Alliance at Pittsburgh in the hope that it will take such action as will make other Conferences of this kind possible in the future.

6. That the Section appropriate one hundred dollars toward the increased expense of the Quarterly Register for November, 1920, so as to include in it the Addresses and Actions of the Continental Conference held at Lausanne in August, 1920.

7. The Section empowers the Deputation to Europe to confer with the Methodists in reference to their work in Europe where it overlaps ours.

VI. Foreign Missions.—It is in the midst of distracted world conditions that missions are seeking to do their work. In ordinary circumstances the problems of the missionary are sufficiently difficult, but with China drifting into political chaos, India swept with tidal waves of unrest, Japan disturbed by opposing forces within and unhappy relations without, and even Africa uttering heated protest against the selfish injustice of the white man, how much more difficult has the situation become! Yet nothing is impossible to them that believe. Already and throughout these recent years of disquiet, abundant evidence has come of the presence of that conquering grace that maketh the wrath of man to praise Him. In the midst of Japanese atrocities already referred to, Korean Christians have been more than conquerors. In the furance there has appeared One like unto the Son of Man.

From all parts of the Korean field come accounts of revived interest in Christianity, and in many places the churches are crowded as never before. Not even in the great revivals of 1907 and 1908, it is said, was there so much honest inquiry as in the past year. Thousands have attended evangelistic meetings and church services with open minds and receptive hearts, and many of these young people with intelligent ideas as to what the Church is. The conduct of Christians during years of persecution has commended Christianity to many who before were its bitter enemies. Trials and tribulations have had their inevitable effect upon the life of the Church. It has put iron into blood, and converted weak, timid and inactive Christians into true, fearless, aggressivė soldiers of the cross of Jesus Christ.

In all other fields direct mission work seems to have made quiet, steady advance throughout the year. There have not been reported any extraordinary ingatherings, but the Church, breasting the waves in a troubled sea, has made progress, although naturally in varying degrees.

VII. Home Missions.—The Home Mission outlook is big with promises for our encouragement, with problems for our most serious consideration, and with tasks that will test the faith and courage and liberality and varied resources of the Church as never before. The Americanization of fourteen millions of foreign-born peoples and twelve millions of children of foreign-born parents, is a proposition that knocks loudly at the Home Mission door of the Church, calling for larger attention and a more aggressive treatment. How shall these people be brought to accept our American ideals and to give their allegiance to our American institutions so as to become desirable and loyal American citizens? We once thought that this question would be answered by our public-school system, but that system, with all its excellencies and splendid accomplishments, has proved inadequate for this task. There is a very general agreement that the religious education in which our American ideals and institutions are rooted is not furnished by our public schools, and that something must be done to meet this emergency. Various schemes have been suggested and several plans have been tried, such as the Vacation Bible School, etc., but nothing proposed is an adequate solution of this problem. It will be solved, but your committee have no suggestions to offer on the subject. Americanization includes the evangelization of the immigrant communities in our industrial centers and in the congested sections of our fast-growing cities. The sudden upspringing of large communities within a few days, and composed chiefly of immigrant families of several nationalities and languages, is a familiar feature of our industrial development, and one that brings large opportunity and responsibility to our Home Mission agencies. This field is second only to the attractive, perplexing, and increasingly urgent work of city evangelization. "As goes the city so goes our nation," may not be true to-day, but it certainly will be true in the near future. Not many years ago it was noted with some uneasiness that our nation was rapidly passing from an agricultural to an urban population; that 20 per cent of our people were then living in towns

and cities of more than 2,500 people. To-day more than 50 per cent of our population are living in towns and cities, and these cities have grown immensely in size during the last two decades. Fully one-fifth of our people are now living in thirty-one large cities. These facts indicate that our Home Mission work will in the future be more largely a city work, and that new and more efficient methods of work will be adopted.

No change worthy of note has been made or is contemplated in the work among Spanish-speaking peoples, Indians, Orientals, Negroes, Mountaineers, and Mormons. The same plans and procedure will mark the activities of the Church in these departments as was set forth in our last report, although there are those who think there should be a radical change in the programme of missions to the Mormons. They call attention to the report that the Mormons have increased in a more rapid ratio, since the last census, than any of our churches, there being now 403,000 as against 215,000 ten years ago; that this rapid growth has been due largely to their method of extension by settling their people as colonies on large tracts of land which they buy in advance in such localities as seem most promising for their propaganda.

VIII. Church History.—In regard to the publication of the writings of Zwingli, it is gratifying to announce that Professor W. J. Hinke, D.D., of Auburn Theological Seminary, has completed his revision of Mr. Preble's translation of Zwingli's Creeds and Sermons on Providence, and that his manuscript is now being copied on the typewriter in preparation for sending it to press.

As for the translation of Zwingli on True and False Religion, the Rev. C. T. Baillie, of the First Presbyterian Church of Plattsburg, New York, reports that he has recently made considerable progress in revising Mr. Preble's translation. This piece of revision has been practically at a standstill for some time, because of the additional labor caused by Mr. Baillie's going from a small church in Brooklyn to a good-sized church in Plattsburg. As the date at which he can finish the revision is uncertain, it has been decided that Dr. Hinke's volume shall be published first, becoming volume II, and that the volume on which Mr. Baillie is working shall be volume III.

Since it was for the expense involved in publishing Dr. Hinke's volume that the Churches of the western section undertook to provide the necessary funds, it will be well for the Section to remind the Churches subscribing that the volume is ready for printing. Remittances should be sent promptly to Mr. Philip E. Howard, care of the Sunday School Times Co., 1031 Walnut Street, Philadelphia, Pa.

IX. Finances.—The Treasurer of the Western Section received, during the year ending Feb. 15, 1921, from the apportionment of the various Church bodies, $2100.00; interest on the bank deposit, $106.66; for the special fund for printing the Works of Zwingli, $389.92; for the Rev. Chas. Merle d'Aubigne's expenses to the Assemblies in America, $200.00. This, with a small sum in refund on account of members' expenses at the Pittsburgh meeting, make a total of $2802.33 received by the treasury during the year.

From the balance on hand, March 16, 1920, and from the receipts of the period ending Feb. 15, 1921, the disbursements were as follows:—To the general treasurer in Edinburgh, $1613.12; for the expenses of the Pittsburgh meeting, $1230.81; for the Relief of Churches in Europe, $1512.63; for Deputation work in Europe (Drs. Chester, Brown, and Good), $1700.00; for Dr. d'Aubigne's expenses, $476.55; for the expenses of the Programme Committee of the forthcoming Council, $323.99; for printing, $713.30; and for miscellaneous expenses, $314.13—a total of $7884.53.

The Treasurer will appreciate the receipt of the apportionment from your Church as early as is convenient; but in any event not later than Oct. 1, 1921. Remittances should be made to Mr. Philip E. Howard, Treas., 1031 Walnut St., Phila., Pa.

X. The Quarterly Register.—This publication of the Alliance continues to supply the various Churches with valuable information. Especially does it furnish the Churches of the Western Section with needed details of the present situation in the Churches of the Eastern Section. The Rev. J.

R. Fleming, Ad Interim General Secretary of the Alliance, is the present editor, and persons desiring to subscribe should write to him, at 122 George St., Edinburgh, Scotland.

XI. The Eleventh Council.—Will be held in Pittsburgh, Pa., in September next of the present year. The Chairman of the Committee to have charge of the local arrangements is the Rev. John MacNaugher, D.D. The Supreme Judicatories are respectfully requested to report the names of their Delegates to the Eleventh Council, at an early date, to the Rev. Henry B. Master, D.D., Secretary pro-tem, 510 Witherspoon Building, Philadelphia, Pa.

XII. Minutes.—The Minutes of the last meeting of the Western Section are transmitted to each of the Supreme Judicatories, with the request that they be used in connection with this concise report wherever necessary for detailed information.

XIII. Fraternal Delegates.—The Western Section has appointed the following delegates from the Western Section to the Supreme Judicatories:
Presbyterian Church in Canada—The Rev. Clarence MacKinnon, D.D.
Presbyterian Church in U. S. A.—The Rev. S. H. Chester, D.D.

Henry B. Master, *Secretary pro-tem.*

REPORT OF THE COUNCIL OF THE REFORMED CHURCHES IN AMERICA HOLDING THE PRESBYTERIAN SYSTEM.

Dear Brethren:—The Council of the Reformed Churches in America holding the Presbyterian System respectfully reports to its constituent Churches for the year ending March 31st, 1921.

Meetings—In the interim between the biennial meetings of the Council the business is entrusted to the Executive Committee of the Council, consisting of the officers, together with the chairmen of the several standing committees. In accordance with this provision, the Executive Committee of the Council held two meetings during the year.

The first in Philadelphia, June 25, 1920, the President, Prof. George L. Omwake, Ph.D., presiding, five members being present. The meeting was called to select delegates to represent the Council on the Joint Committee of Church Coöperation and Union, to prepare a Constitution for the Presbyterian Reformed Churches in America, to be transmitted to the several denominational committees, for presentation to their respective supreme judicatories. The following delegates were chosen:

Associate Reformed Synod, Rev. G. R. White; Presbyterian Church in the U. S., Rev. J. S. Lyons, D. D.; Presbyterian Church in the U. S. A., Rev. James E. Clarke, D.D., and Rev. William P. Fulton, D.D.; Reformed Church in America, Rev. J. Addison Jones, D.D.; Reformed Church in the U. S., Prof. George L. Omwake, Ph.D.; United Presbyterian Church, Rev. David F. Magill, D.D.

The second meeting was held in Philadelphia, Mar. 15, 1921, President George L. Omwake, Ph.D., presiding, seven members being present. The meeting was called to receive and take action upon the Constitution of the Presbyterian Reformed Churches in America, as approved by the Joint Committee, at its meeting in Philadelphia, Feb. 9, 1921.

The delegates from the Council on the Joint Committee to prepare a Constitution, reported to the Executive Committee as follows:—

"To the Executive Committee of the Council of Reformed Churches holding the Presbyterian system:

BRETHREN:—By action of the General Assembly of the Presbyterian Church in the U. S. A., the Council of Reformed Churches was requested to appoint representatives to act in conjunction with the committees of the several Churches in preparing a proposed Constitution, upon which might be effected the Federal Union of five bodies which are members of this Council.

This proposed Constitution is designed to perfect and so become a substitute for the tentative 'Plan of Federal Union' submitted to and approved by the supreme judicatories of these five churches in 1920. That 'Plan of Federal Union' was, in substance, identical with the proposed revision of the 'Articles of Agreement' of the Council of Reformed Churches, which revised 'Articles of Agreement' were approved wholly or in part by the supreme judicatories of the Presbyterian Church in the U. S. A., the Reformed Church in America, the Reformed Church in the U. S. and the United Presbyterian Church. The Presbyterian Church in the U. S. rejected the proposed revision of the 'Articles of Agreement' and recommended, instead, the 'Plan of Federal Union', which was tentatively approved, and referred to the committees of the several Churches and also to this Council, because the effect of putting this 'Plan of Federal Union' into operation would naturally be to substitute the proposed 'United Assembly' for the present Council of Reformed Churches.

Your representatives attended two meetings of the Joint Committee, and, in the interim, Drs. Omwake and Clarke served as members of a sub-committee in the preparation of the proposed 'Constitution', the work of the sub-committee being later amended and finally approved by the whole Joint Committee. We respectfully submit the proposed *Constitution as approved by the Joint Committee, with the following recommendations:

1. That the Executive Committee of the Council of Reformed Churches approve, in substance, the proposed Constitution of the Presbyterian Reformed Churches in America, as approved by the Joint Committee, in Philadelphia, Feb. 9, 1921, representing the Presbyterian Church in the U. S., the Presbyterian Church in the U. S. A., the Reformed Church in America, the Reformed Church in the U. S., the United Presbyterian Church, and commend this proposed Constitution to the favorable consideration of these five Churches which are members of the Council of Reformed Churches.

2. That, in the event the proposed Constitution is adopted, it is our judgment that the necessary steps should be taken to have the United Assembly take the place of the present Council of Reformed Churches, in order to avoid the duplication of unifying and coöperative agencies."

Pending the consideration of these recommendations, the Executive Committee carefully considered the proposed Constitution, approving the several articles seriatim, and then the Constitution as a whole. The recommendations were then adopted.

The Treasurer reported a balance of $1992.27. The Stated Clerk was requested to send a copy of the action of the Executive Committee, together with a copy of the proposed Constitution, to the Stated Clerks of the several judicatories represented in the Council.

Very Respectfully,
GEORGE L. OMWAKE, *President*,
WILLIAM P. FULTON, *Stated Clerk*.

* The proposed Constitution and correlated matters were referred to the Special Committee on Church Coöperation and Union with instructions to continue negotiations with the Ad-interim Committee of the Council on Organic Union of the Evangelical Churches of America.

REPORT OF THE FEDERAL COUNCIL OF THE CHURCHES OF CHRIST IN AMERICA.

To the Constituent Bodies of the Federal Council of the Churches of Christ in America:

Since the last report of the Council to its constituent bodies, a Quadrennial meeting has been held, and we are herewith submitting the reports for the

Quadrennium and the records of the Quadrennial meeting, together with the volumes issued by the Committee on the War and Religious Outlook since our last report.

The meeting at Boston was generally regarded as the most representative and significant that has ever been held. It was marked by its fine spirit of fellowship, its unity of purpose, and the spiritual impressiveness of its program, in which representatives of churches of other lands participated, marking the meeting as one of world fellowship and coöperation.

The most important actions taken related to the report of the Committee on Methods of Coöperation, which we herewith submit, calling special attention to the adoption of the seven recommendations at its close.

Since that meeting the Executive and Administrative Committees have proceeded in accordance with the actions of this report and they have also exercised their good offices in developing a Consultative Committee of the Inter-Board organizations. A conference of Representatives of the Denominational Forward Movements has also been held and others are anticipated.

The Council as now organized is constituted as follows:—

> The Central Department will include the Advisory Committee of Forethought and Outlook; the Chicago Committee; the Departments of Interpretation, Religious Publicity and Publication; the Washington Committee, including the General Committee on Army and Navy Chaplains; the Committee on Religious Work in the Canal Zone and other similar special committees.
>
> The Commission on Evangelism and Life Service.
>
> The Commission on Christian Education.
>
> The Commissions on Social Welfare, including the Commission on the Church and Social Service and the Commission on Temperance.
>
> The Commissions on International Relations, including the Commissions on International Justice and Goodwill; on Relations with Religious Bodies in Europe; on Relations with France and Belgium; on Relations with the Orient; and including coöperation with the General Committee of the Universal Conference of the Church of Christ on Life and Work.
>
> The Commission on Negro Churches and Inter-Racial Relations, and the Commission on Works of Mercy and Relief, have been instituted.
>
> The Commission on Councils of Churches, for the promotion of local federations or councils.

In connection with the report of the Committee on Methods of Coöperation, we desire to call attention to the fact that the denominational machinery does not, as yet, readily lend itself to coöperative service, especially so far as financial necessities are concerned. Recommendations concerning this matter have been made to the various authoritative committees or officials of the denominations, and will be brought before the denominational assemblies or ad interim organizations. It may perhaps be noted that the budget requested for coördinating the work of all these denominations through the Federal Council is considerably less than that which is expended by several of them for the coördination of their own denominational departments.

The Church as a whole has probably never faced greater problems than confront it today. Fundamental among them is the developing of our evangelism and Christian education in such a way that they will be far more effective in reaching the individual life and conscience with the gospel and leading men into personal discipleship to our Lord Jesus Christ. This discipleship, moreover, must include every area of human life. The gospel must, therefore, be brought to bear upon all our social and industrial order, upon all our inter-racial and international relations. All these great tasks call all the churches to the most effective coöperation with one another that can possibly be secured.

The Administrative Committee of the Council invite the most careful consideration of the whole question of Christian coöperation by the constituent bodies. We believe that the most fundamental element in this problem is the Federal Council, the one body which is constituted by, and subject to, the Churches themselves.

Constructive and sympathetic criticism is earnestly desired. Our task is far from simple, and yet its difficulties, great as they are, must not deter us from finding the way to such a coöperative organization as will combine freedom and unity for the most effective service.

Faithfully yours,

ROBERT E. SPEER, *President*
WALTER R. LAMBUTH, *Chairman Executive Committee*
CHARLES S. MACFARLAND, *General Secretary*
SAMUEL M. CAVERT, *General Secretary*

VI. General.

There will be two summer schools held this year. The School of Theology, July 11–29th, will have eleven in its Faculty; the School for Christian Workers, August 1–13th, will have twelve in its Faculty. Last summer the aggregate attendance at the two Schools was 186.

By means of our Summer Social Fellowships we are sending two of our students to New York City for study of the city problem during the summer months. This has proved to be one of the most desirable methods for theological students to become acquainted with the great city problem. With undivided attention they devote eight months to their seminary duties, and three months to Social Settlement work.

There are ten Oriental Fellowships available for native ministers of Japan, China, and the Philippines, who have taken a theological course in their own country and desire to pursue post-graduate studies in this country. These Fellowships yield $350 per year.

Paul Silas Heath, of the Graduating Class, was awarded the Joshua I. Maxwell Fellowship for 1921-22.

Thomas Tighe, of the Graduating Class, was awarded the Alumni Fellowship for 1921-22.

Samuel Robert McKinstry, of the Graduating Class, who won the Newberry Scholarship last year, will enter upon the enjoyment of it during the coming year.

The Seminary has actively carried on a Forward Movement of recruiting for the ministry. Publicity has been widely used for that purpose, and personal visitation of educational institutions. This has been done in obedience to our conviction that the seminaries owe this service to the Church.

The Seminary has suffered in its attendance this year more than in any other year since the beginning of the War. However, the spirit of the men and the quality of work have been far more satisfactory than for a number of years.

The Russell lecturer for this past year was Rev. John Kelman, D.D., pastor of the Fifth Avenue Presbyterian Church, New York City, who gave a series of lectures on the "Bottom Rocks of Faith." The Russell lecturer for next year will be Rev. George W. Richards, D.D., President of Lancaster Theological Seminary, whose subject will be "Christian Ways of Salvation."

Respectfully submitted for information of the Assembly, on behalf of the Faculty.

HARRY LATHROP REED,
Clerk of Faculty.

VI. Needs.

In June, 1920, the Board of Trustees added five hundred dollars to the salaries of all professors and instructors, and the action was made retroactive to May 1, 1920. The greatest financial need of the Seminary is additional endowment. During the fiscal year 1920-21 the total receipts from endowment were $56,801.88, while the expenditures amounted to $76,047.18. Churches and friends of the Seminary contributed $10,764.82. An additional endowment of $300,000.00 is needed to enable the Seminary to meet the increased cost of fuel and supplies, as well as to enlarge the curriculum.

VII. General.

Since the last report to the General Assembly the following gifts have been received:

1. From Mrs. R. A. Watson, the sum of $1,000 to endow an entrance prize in Greek.
2. From Mr. Wilson A. Shaw, a gift of $10,000 in liberty loan bonds for increasing the endowment of the Seminary.
3. From Mrs. William Thaw, $7,500 through the cancellation of annuity bonds.
4. For current expenses, the Seminary received from the New Era Movement $2,355.48, and directly from 104 individual churches $5,409.34; also the librarian reports having received 53 volumes as contributions.
5. A legacy of $25,000 from the estate of Mr. James Laughlin, Jr., which was without conditions, was used by the Trustees to reduce the indebtedness on the new buildings. The floating debt due to our new buildings has been reduced to about $26,000.

VI. Report of the Committee of Examiners.

May 11, 1921.

To the Board of Trustees of Lane Seminary.

Gentlemen: The examiners from the various Synods and Presbyteries have been present at the oral examinations of the Seminary, and desire to mention the following:

1. We note with pleasure that in these days of unrest the Faculty, under the splendid example of Dr. McKibbin, hold steadfastly to the faith of our fathers; and are delighted to find a high order of scholarship among the students.

2. We regret to learn of the departure of Dr. Selby F. Vance, whose services have been of inestimable value to the Seminary.

3. We note with pleasure improvements that have been made in the building, especially the installation of electric lights, and hope in the near future such funds will reach the Seminary that further needed improvements may be made.

W. F. Padgett, *Chairman,*
D. Earl McKinney, *Secretary.*

VII. General.

We review the closing year with gratitude mingled with sadness. While the year has shown a steady recovery from the effects of the War, and an increase in the funds of the institution, we have sustained the loss of two most honored and valued members of our Board: Captain Elias Riggs Monfort, a member of the Board for nearly forty years, being in succession Recording Secretary, Treasurer, and at the time of his death Vice President. He was an Elder in the First Presbyterian Church on Walnut Hills for nearly the same period; for sixteen years he was Postmaster of Cincinnati, a record of continuous services in that position unparalleled. He was a soldier in the Civil War and rose to the rank of Captain; he was Commander-in-Chief of the Grand Army of the Republic and active in every good work. His fidelity to the interests of the Seminary and his attendance at the meetings of the Board were worthy of all praise. He died July 29th, 1920, at the home of his daughter, Mrs. A. B. Burtis, Oak Corners, New York, while on a visit.

Thornton M. Hinkle, the legal adviser of the Board for over thirty years and for almost an equal period a member, and at his death a Vice President of the

Board, was called to his rest on the 17th of September, 1920. He was a member and a long-time Trustee of the Mt. Auburn Presbyterian Church of Cincinnati, and was eminent not only in his profession, but in the literary world, and was honored with many important civic trusts, where integrity, ability and fidelity were the prime necessities, all of which requirements he filled with singular fidelity and success. Amid all his responsibilities he found time to give a watchful and constant attention to the temporal and spiritual interests of the institution.

In addition to these losses from our administrative body, we have lost a most loyal friend and generous giver, Mrs. Margaret Kyle, a member of the First Presbyterian Church on Walnut Hills, who died November 28th, 1920, at the age of ninety-two years. Her benefactions to the Seminary had attained many thousands of dollars, and in her will she left productive real estate to the institution, between thirty and forty thousand dollars in value, and made the Seminary residuary legatee to twenty thousand dollars in United States Liberty Bonds, upon the death of her sister, Mrs. Anna C. Carson, who is herself still a most generous giver to the institution. These two noble women and their deceased sister, Eliza J. Kyle, whose death was announced in the last annual report, carried the institution on their hearts and gladly shared with it the means which God had given them. Of all these sainted dead, we gratefully recall the words: "Blessed are the dead which die in the Lord from henceforth. Yea, saith the Spirit, that they may rest from their labor, and their works do follow them."

The resignation of Dr. Selby F. Vance, of the Chair of English Bible, that he might accept an election to the Chair of New Testament in the Western Theological Seminary, was accepted. His service to Lane Seminary has been a long and valued one, and he carries with him the affection and confidence of the students and faculty of the institution and a wide circle of friends, and their desire for his success in his new field of labor.

III. Students.

The number of students enrolled for the year and pursuing under graduate studies was 34; two of them also taking some graduate work. The small enrollment is due to the alarming decline in the number of candidates for the ministry in the large territory from which this Seminary chiefly draws its students. It is noticeable that eleven states and one foreign country are represented by the students. Throughout the year a fine spirit and great diligence in study characterized the young men.

Twelve young men were graduated on May 3, eight of whom received the degree of Bachelor of Divinity; three the Diploma without the Degree, and one a Certificate.

James Wyly Jackson, A.B.	Tennessee.

VI. Curricula.

By the generous gift of Mr. William G. Duncan and his children, in regard to which a statement is made in a later paragraph, the Board has established a new Chair, dealing with Religious Education and the Sunday School,—"Young People's Work and Church Efficiency." Dr. Vander Meulen, President of the Seminary, has been appointed by the Board to this Chair. He will make large use of the laboratory method of instruction, for which every facility is available in modern Sunday-school buildings of several Presbyterian churches near the Seminary, and in the Sunday-schools and various organizations of the churches. A special library will be provided, and annual courses of lectures by experts in these subjects.

VII. Needs.

The Seminary has made encouraging progress in building up its invested funds, but is still in great need of increase of its endowment, as well as of additional scholarships. There is very urgent need of an adequate library fund and endowment for the librarianship; also of Fellowships and of Foundations for annual lectures. There is prospect that these needs may be met in part by a campaign recently conducted by the Synod of Missouri, U. S., for a half million

dollars, of which the Seminary is to receive $25,000; and by a projected campaign by the two Synods of Kentucky—for a million dollars, of which amount the Seminary is to be entitled to $300,000.

VIII. General.

1. The Board has great pleasure in announcing that the Rev. John M. Vander Meulen, D.D., who at the last annual meeting in May, 1920, was elected President of the Seminary, accepted the office and entered upon his duties September 1, 1920. He has been very successful in securing funds to supplement the income of the Seminary from its investments; in adding to the permanent endowment, and before a number of churches and in several colleges has presented the call to the ministry and to other forms of Christian service. On Dr. Vander Meulen's entering upon his office, Dr. Hemphill, in accordance with the action of the Board, assumed the office of Dean of the Seminary. At its meeting this week, the Board expressed warm appreciation of the services of Dr. Hemphill in the presidency of the institution for ten years, and of the admirable service of Dr. Vander Meulen since entering upon his office.

2. In July, 1920, at a special meeting of the Board, the Rev. Daniel E. Jenkins, D.D., of Omaha Theological Seminary, was elected Professor of Apologetics and Systematic Theology, but, after consideration of the call, felt himself constrained to decline the election. The Executive Committee of the Board appointed Rev. Finley D. Jenkins, B.D., Fellow in Theology of Princeton Seminary, as Acting Professor for one year, and he has given instruction during the session in Theology and Christian Ethics. The Board put on record its recognition of the excellent service rendered by Mr. Jenkins.

3. The Board has by unanimous vote elected to the Chair of Apologetics and Systematic Theology the Rev. Thornton Whaling, D.D., LL.D., President of Columbia Theological Seminary, and Professor of Theology in that institution. Dr. Whaling has accepted the call, and expects to enter upon the duties of the Chair at the beginning of the next session. The Board would request the General Assembly's approval of the election of Dr. Whaling.

4. The Board is very much gratified to report the munificent gift of $100,000 to the Seminary, to be known as the Mary Hamilton Duncan Memorial Fund. This gift is made by Mr. William G. Duncan and his sons, Mr. A. W. Duncan, and Mr. W. G. Duncan, Jr., of Greenville, Ky., and his daughter, Mrs. Katie Belle Swallow, of Kansas City, Mo., in memory of Mrs. Duncan. Under the conditions of the donation, the amount of $80,000 is to endow a Chair of Religious Education and the Sunday School, Young People's Work and Church Efficiency. The income of the remaining $20,000 is to be used to provide a special library on these topics, and to secure annual courses of lectures by specialists in these subjects. The full amount has been amply secured to the Seminary and has been paid in part, and the salary of the professor in this Chair will meanwhile be provided by the donors.

5. A scholarship of $2500 has been established by Mrs. Edmonia Roberts, of Bardstown, Ky., in memory of her husband, Mr. Charles Roberts.

Several years ago, Mrs. Emma Wilson Saunders, of Hebron Church, Bullitt County, Ky., gave the Seminary a note for $2500, with provision for payment of the same in her will. It is expected that this amount will soon be paid over by her executor, and it will be used, as she desired, to establish a scholarship in memory of her husband, Rev. Miles Saunders, D.D.

To found a department of Music, Mr. S. French Hoge has given $1000; Mr. G. F. Berry $500, and Mrs. Mary L. Bradley $500, all of Frankfort, Ky.

6. Dr. Dosker, professor of Church History, after a year spent in the Orient, returned the last week in December, 1920, and resumed the instruction of his classes, and by the use of extra hours completed his courses.

7. The Board learns with satisfaction that a volume of the late Prof. R. A. Webb's lectures, under the title of "The Doctrine of Christian Salvation," will soon be issued from the press, and that Dr. Dosker's Stone Lectures before the Princeton Seminary on "The Dutch Anabaptists" will also be published within a short while.

Respectfully submitted,

PEYTON H. HOGE, *Secretary.*

VI. Needs.

To maintain the salaries of professors so that they shall be adequate to meet the present high cost of living, the endowment of the professorships must be largely increased. The limited number of the scholarships thus far endowed do not begin to meet the demands upon the Scholarship Fund of the increasing number of students. For the above purposes and also to meet the increased current expenses of the Seminary, $500,000.00 additional endowment is an imperative need. While this is being secured the contributions of friends is earnestly requested.

VII. General.

The Seminary has had the largest attendance in its history. I has been fully 30 per cent. larger than the highest enrollment heretofore.

This has been the Semi-Centennial year. After many years of struggle, the Seminary is growing rapidly and doing very vigorous work. Suitable Semi-Centennial exercises were held from April 23rd to the 28th, beginning with a John Knox Pageant which was attended by 2000 people, and closing with the annual Commencement exercises, at which there was present a considerable number of distinguished men representing various theological seminaries and the leading universities and colleges of the land.

The students, early in the year, organized themselves into a recruiting agency and have kept in touch with many college and university students, and high school students as well, not merely with a view to enlarging the attendance at this Seminary but to keep before the youth of this far western region the claims of the ministry and other departments of Christian service.

Several interesting week-end conferences, continuing from Saturday noon to Sunday night, have been held in the Seminary buildings under the auspices of the students. First came the Chinese students, mainly from the University of California, about 35 in number. Some of these had not yet professed Christianity. Next came a similar group of Japanese students. Then followed the High School boys, 65 of them, carefully selected by a large number of churches in the San Francisco Bay Region. The last was the annual Student Volunteer Conference numbering 120, principally from the universities and colleges of Northern California. They were the guests of the Seminary as usual. Helpful addresses were made by prominent ministers and returned missionaries.

The Second Summer Conference for Presbyterian Young People was held at the Seminary from July 29th to August 4th, 1920, under the auspices of the Board of Publication and Sabbath School Work. Rev. William Ralph Hall was in charge. There were 125 young people registered, besides twenty leaders. A similar conference will be held in the same place under the same auspices from July 28th to August 3rd. A still larger registration is expected.

The graduating class have subscribed a fund of $1000.00 to create a prize of $50.00 annually for the purpose of stimulating scholarly work in the department of English Bible. It is to be awarded to the author of the best essay on some biblical question of historical or contemporary interest.

IV. Curricula.

The Dubuque Theological Seminary offers a course of instruction which includes all subjects required for ordination in any evangelical denomination. It grants the degree of Bachelor of Divinity. For admission the student must present a diploma of graduation from a standard college or an equivalent certificate of his completion of a full collegiate course. Special students admitted to classes for which they are prepared may become candidates for the B.D. degree by fulfilling the necessary requirements.

A course has been provided designed for those who have not completed a college education and who are qualified in other respects to enter the Seminary. This course will major in religious education and will cover all the required subjects except the original languages of the Scriptures. Upon recommendation of the faculty the degree of Bachelor of Religious Education will be conferred upon students completing this course.

A combined course leading to the degree of Bachelor of Philosophy has been established in connection with the College of Liberal Arts and requires three years of college work and one year of seminary work.

The courses offered by the Theological Seminary are as follows:

Hebrew; Grammar; Exegesis of Old Testament Scripture; Biblical Aramaic; Old Testament Exegesis in English; New Testament Exegesis in Greek; New Testament Exegesis in English.

Systematic Theology: Theological Encyclopedia; Dogmatics; Ethics; Apologetics; Biblical Theology.

Biblical Introduction: History of the English Bible; General Introduction to the Literature of the Old and the New Testaments; Critical Study of Separate Books of the Bible; Principles of Interpretation; Textual Criticism; Higher Criticism; History of the Canon.

Church History: From Apostolic Age to Modern Times; History of the Presbyterian Church.

Missions: History of Missions; Methods and Principles of Mission Work; Missionary Leaders; Great Mission Fields.

Symbolics: Characteristics and Doctrines of Religious Beliefs.

Homiletics: Practical Homiletics; Theory of Homiletics; History of Preaching.

Practical Theology: The Pastor and His Work; Applied Christianity.

Religious Education: Religious Pedagogy; Principles of Religious Education; The Modern Sunday School; Methods of Religious Education.

Ecclesiastical Polity: The Origin and Development of Church Polity; Ecclesiastical Discipline; Sacraments.

V. Needs.

We have each year called the attention of the General Assembly to the very important work that is being done by the University of Dubuque. The efforts of the Institution are confined not alone to the education of a Christian ministry, but the raw material is prepared, in our Academy and College, to enter any Theological Seminary in America. With all the care that has been exercised to cut down the budget of $150,000, we find this year that our expenses have exceeded this amount. It is a tremendous task to raise $90,000 for current expenses each year. The securing of funds is accomplished through personal solicitation on the part of the president and through advertisements in our denominational weeklies; also through "The Dubuque Evangelist," a weekly paper published by the University. The General Assembly should give adequate support to the graduates of the institution who are home missionaries, many of whom are new Americans who have not accumulated wealth and who probably will not be able to do so in the line of work to which they are devoting their ives. The appeal is made to Presbyterians throughout the country. Constant application for funds is a strain on the one seeking assistance and also on those appealed to. The Church should make adequate appropriations for the Christian education of foreigners. We need $500,000 additional endowment, a young women's dormitory, and class-room facilities, in order that we may keep pace with the normal growth of our institution.

VI. General.

We also call the attention of the General Assembly to the report of Price, Waterhouse & Co., of Chicago, who have made an exhaustive inventory and

audit of the real estate and endowment funds now in the possession of the Board of Trustees. The accrediting of the Academy and of the College with the North Central Education Association, is pending and other affiliations are proposed. The war placed a heavy strain upon the administration to carry on its task, and, though struggling under immediate need of funds to liquidate indebtedness, it was impossible to repress progress.

Sixty-three young men have been enrolled this year in Bloomfield Theological Seminary. They represent nine different nationalities. The largest group is the Russian, with an attendance of 17. Next comes the Hungarian numbering, 13. Then the Italian and Ukrainian groups.

Our Ukrainian Department has been fully developed, and the Rev. Basil Kusiw, who has had rich experience as a Pastor among the Ukrainians in Newark, N. J., and in Rhein, Canada, was called as instructor in the Ukrainian language and literature. Furthermore, Rev. Basil Kusiw has been requested by the immigrant department of our Home Board to survey the Metropolitan district in reference to Ukrainian settlements so as to learn where to establish missionary stations for our evangelized and Americanized Ukrainian graduates.

Five young men graduate in the Theological Department this year. Two of them are Ruthenians, one a Hungarian, and two Germans. All have found suitable spheres of activity.

An Endowment Fund of $100,000 is being secured. Since October 1, $25,910 have been paid in, and about $10,000 more subscribed.

VI. Needs.

With funds provided by the General Board of Education and other friends, a much needed increase has been made in the salaries in the College Department, and in justice a similar increase was made during the year in the salaries of the Theological Department also. For the endowment for this increase in Theological salaries, without which our work will be seriously crippled, we are relying upon the generosity of the Presbyterian Church.

Lincoln University's Extension Endowment Campaign for $500,000 is progressing favorably, with $30,000 subscribed by loyal and self-sacrificing Alumni, and $50,000 by other friends, and there are hopeful prospects for the realization of our larger objectives: the erection of a new Dormitory, a Science Hall, and a Y.M.C.A. Building and Gymnasium. The Alumni are erecting a Memorial Arch at the entrance to the campus in honor of the Lincoln men who served in the World War. About 20 theological graduates were Chaplains or Y.M.C.A. secretaries, two of the latter serving with native troops in Africa.

More students are now seeking admission to Lincoln University than ever before, and only inadequate equipment limits the number. The needs of Lincoln University are created by the intellectual and spiritual needs of the Negro race

VII. General.

Last year we reached ebb tide in the numbers of our graduating class, namely, three. This year the number is doubled. The prospects for the future are brightening. In addition to the 23 in the Theological Seminary, there are 25 candidates for the ministry in the College. Quite a number are sons of the Manse, and are sons of our former graduates. No students are given the Degree of Bachelor of Sacred Theology unless they have pursued a regular College Course, and have the Degree of A.B. or B.S.

And now just a concrete flash light picture or two of Lincoln University, and they will be pictures at a distance, and not near at home. Last year a native Zulu by the name of Cornelius Kwatsha, after a full course in College and Seminary, graduated with honor and set his face toward his native land as a missionary. Ocean travel was clear from the U. S. to England, bu from Southhampton to Cape Town and East London, Africa, all passages of 3rd class were booked ahead for months. At last word came that the way was clear, and a couple of months ago he started on his far away journey. Unfortunately, or perhaps fortunately, he had a comfortable-sized box of books, which were very precious to him. This box was extra freight, and the overcharge was so great that the poor fellow wrote, just as he was leaving England, that by the time he reached East London he would be a "financial shipwreck."

Another African, a Besuto, who worked in the Diamond Mines, and eagerly

looks forward to mining for souls more precious than diamonds, graduates this year, and will start for his African Home.

A short time ago, we received a letter and in it was a striking photograph taken by a shepherd of souls, in the land of Moffat and Livingstone, who graduated from here a few years ago. In the front row were a goodly group of men showing in their very faces the light of Christianity, and they were what they looked, "clothed and in their right mind." Behind them a considerable group who were beginning to attend church services, and were known as "raw and red Kaffirs," raw because of their scanty clothing and red, because of the paint that covered the rest of their bodies. And far in the distance though not seen, was a larger number who in superstitious fear had fled as soon as they saw the mysterious camera being leveled on them.

More than a score of such men have come to us and gone back to make an Oasis in Desert Land. Not one has put his hand to the plough and looked back. This Seminary has justified its existence, if only these had gone forth, but the hundreds of others in our land and the Isles of the Sea have made glad the City of our God by their devoted labors, and so we take courage and thank God for the work He has committed to us.

VI. General.

While the present enrollment of the Theological department in only sixteen, there are thirty-five other candidates for the ministry, enrolled in the High School and College departments.

A new dormitory for our candidates for the ministry is the most urgent need of the Institution. For several years we have pleaded earnestly with the Church for better dormitory accommodations for our ministerial students. With renewed faith we are again making a similar plea.

Respectfully submitted,

VI. General.

At the meeting of the Board of Directors, April 1920, Dr. A. B. Marshall offered his resignation as President of the Seminary. His resignation was accepted, and in September, 1920, Rev. James Marquis Wilson, D.D., Pastor of the North Presbyterian Church of Omaha, Neb., was elected to succeed him. Dr. Wilson, as President elect, has carried the work of the President since November 1, 1920, and the Board's action in his election is submitted to the General Assembly for approval.

This year's enrollment of the Junior class is the highest in three years, and the prospects for next year are very encouraging.

The immediate needs of the Seminary are an endowment of $350,000 and additional equipment of $100,000.

Omaha Seminary is situated in a territory extending from Minnesota to Texas, and from Iowa to the Rocky Mountains, an area of 1,300,000 square miles, with a population of 23,000,000. In this great empire of the West are 3,000 Presbyterian churches, with over 330,000 members, and 14 Presbyterian colleges. In every Synod the number of vacant churches having a membership of from 30 to 150 is appalling. It is to help meet this need that the Seminary appeals to the Church for students and gifts.

Respectfully submitted,

JAMES MARQUIS WILSON, *President-elect.*

ABSTRACT OF THE ONE HUNDRED AND NINETEENTH ANNUAL REPORT.

Foreword.—The one hundred and nineteenth year of the Board of Home Missions has been characterized by steady and general progress throughout its work. There have been few unusual or sensational developments during the year, but a fine spirit of harmony, consecration and earnestness has been manifested by all of the missionaries and field force of the Board, with the result that the year may be written down as in most respects one of the most satisfactory in the last decade.

Financial Survey.—Financially, the Board's hopes and expectations were not entirely fulfilled. The very existence of a Forward Movement in the Church has created for the Board the necessity of an enlarged program. The persistent and reasonable demands from the field have greatly increased. In the promise that the year seemed to hold forth from a financial point of view, the work of the Board was projected on a scale larger than ever before and its budget was greatly increased. This increase was not occasioned to any very great extent by the opening up of new work. More than half of the increase was for increases in ministers' salaries. Most of the remainder was for strengthening the work at previously occupied points. A budget in excess of $1,800,000 was appropriated for the year and, under this budget, expenditures were actually made to the amount of approximately $1,644,000, which exceeds the amount expended during the preceding fiscal year by about $425,000. This figure is inclusive of Self-supporting Synods which clear through the Board's treasury and represents a little more than 50% of the amounts included in the New Era Budget of the year for the Board and these Synods. In view of the lack of success of the Interchurch Campaign the financial returns of the year, while below our hopes and early expectations, are above what the event might have led us to suppose. The year's receipts from living givers were approximately $990,000, an increase of 16.7% over the receipts of the previous year from the same sources. The total receipts of the year, including legacies and interest, were approximately $1,364,000. In addition, the Board voted to make available for current work $188,000 in legacies received the previous year which had been carried to the permanent fund. This makes the total amount available for current work for the year $1,552,000, the high water mark in the history of the Board. There have been previous years in which the Board has raised a larger amount of money, including receipts for its various permanent funds, but no previous year has attained this total in funds available for current work. This makes the operating deficit on the year approximately $92,000. It will be recalled that the Board began the year with a debt of $239,000, a debt which was not increased a year ago and was materially reduced the preceding year, but which remained in part from the years of reorganization of the Board and in part from the years of the War. This makes the gross indebtedness of the Board as of April first approximately $331,000.

Evangelism.—The major interest of the Board is evangelism and the evangelistic results of the year reflect the new spirit that has come to the Church

after the depressing years of the War. The gross gain over the membership of the previous year made by Home Mission churches was 17.5%, and the net gain, after allowing for losses from all causes, was 9.9%. The great importance of Home Missions as an evangelizing agency is better shown by the fact that the additions in Home Mission churches during the year on confession of faith alone represented 11.5% of the membership of the preceding year, a truly remarkable and gratifying record. In this achievement all departments of the Board's work shared, but the high mark for the year was reached by the churches in Alaska, where additions on confession of faith represented 36.6% of the previous membership. In the Mexican Work, they were 22%; in the churches under the Country Life Department, 12.1%; in the immigrant churches, 11.6%; in Porto Rico, 20.5%, and in American Work, 10.7%. The missionaries at work in the lumber camps report 474 decisions for Christ, and 161 men uniting with some church. Such figures amply attest the vitality of our Home Mission churches.

Missionaries' Salaries.—Substantial progress has been made in the matter of missionaries' salaries. The announced policy of the Board has been to bring all its missionaries to a minimum salary of $1,500 and house. It has not been possible uniformly to accomplish this, but satisfying progress has been made. In the American Work, for example, there are still 166 missionaries receiving less than $1,500, but the actual average salary for all missionaries in American Work is $1,533.73.

Buildings and Equipment.—In the matter of buildings and equipment, which is the next great need in Home Missions, our hopes in the year have been far from fulfilled. The need for buildings is acute in many score of Home Mission fields, where aggressive work is being done with wholly inadequate equipment, and where, in many cases, further progress is almost out of the question until better equipment can be secured. Certain important advances, however, have been made. At the Polytechnic Institute in Porto Rico, a splendid new science hall is now in process of construction. This institution is at the present time filled to its utmost capacity, both teachers and pupils being compelled to live in quarters that are not only insufficient but actually unsafe. At Alpine, Tennessee, a mountain community where the Board maintains a splendid Practical Life School, a new building is being constructed. The Mexican Church in El Paso, Texas, dedicated in the early part of the year its handsome and well equipped new building, and new buildings have also been secured for Trinidad, Colorado; San Pablo, Colorado; San Gabriel, California; and Douglas, Arizona. During the last summer Dr. James H. Condit, General Missionary for Alaska, succeeded in getting through the ice to Point Barrow, with materials for the hospital which the generosity of friends of the Board has made possible. This building is now completed and is ministering to the large Eskimo population which that mission serves. The veteran missionary physician, Dr. Spence, was compelled to retire from this work on account of age and ill health, but another physician will be sent there this coming summer. Probably no mission illustrates more vividly the need of buildings than the mission in Cuba. Here we have twenty-two old-established centers utterly without buildings, conducting their work in rented quarters. One-third of the entire budget for work in Cuba is required for rent and practically every mission field on the Island has now started its own building fund; but, of course, the local resources must be supplemented from outside funds. A substantial amount has been secured toward the erection of a training school in Cuba, but a large additional sum is needed before this work can be begun.

Work in Santo Domingo.—An unusual event of the year has been the opening of work in Santo Domingo as a union effort of four Boards of the Methodist Episcopal and Presbyterian Churches. Santo Domingo is practically the only remaining Home Mission field which can be considered as virgin territory. The Board for Christian Work in Santo Domingo has been organized and will be incorporated. The coöperating Boards are the Board of Home Missions and Church Extension and the Woman's Board of Home Missions of the Methodist Episcopal Church, and the Board of Home Missions and the Woman's Board of Home Missions of the Presbyterian Church in the U. S. A. Property has been secured in Santo Domingo City the staff has been recruited and the work will be pressed vigorously. This will be a strictly union work. It is hoped that other denominations will unite with the two named in the further development of this project.

Social Service.—In all the work of the Board evangelism and social service are combined in one united program of service to the various populations to which the Board is called upon to minister. In the experience of the Board various forms of social service activity, if correlated with earnest, evangelistic effort, are an effective means of building up the Kingdom, and Home Missions in this way becomes the agency not only to better community conditions, which is an important and worth while thing in itself, but through such service to win individuals for the Kingdom. Where the Board deals with primitive or retarded populations, many forms of necessary service present themselves. To our missionaries in Alaska this expresses itself in hospitals and medical service. In Mexican Work "Homes of Neighborly Service" have helped Mexican mothers to an understanding of and sympathy with American ideals. The splendid boys' camp on Catalina Island made a deep impression on the lives of many promising young Mexican boys. The mission hospital opened in Bisbee, Arizona, with the cooperation of local copper companies, and the dental clinic conducted in Los Angeles, made real contributions to the welfare of these communities. In the Country Church Work, through the generosity of Mrs. Cyrus H. McCormick, the Stanley McCormick School at Burnsville, North Carolina, which was closed for a number of years, has been re-opened as a Practical Life School for the service of the great mountain area. In the Immigrant Work twelve distinct racial groups are touched in evangelistic and social work. Such institutions as the Gary Neighborhood House, Gary, Indiana, and the East Side Neighborhood House, Butte, Montana, reach many thousand people monthly with a great variety of activities.

Indian Work in Arizona.—On December twenty-third, at Sacaton, Arizona, there was celebrated the fiftieth anniversary of the first coming of Dr. Charles H. Cook as pioneer missionary to the Pima Indians. In fifty years this tribe has been lifted from a state of primitive paganism to a fine, well developed, Christian community life. There are now on this reservation twelve organized Presbyterian churches, with over 2,000 members.

The Outlook.—The year just beginning will necessarily be a year for the conservative holding of advances made without any considerable enlargement of the work. This is unfortunate in view of the great opportunities opening at this time, but is a necessary result of the present financial situation. The budget of the Board for the current year has been very considerably reduced from the budget of last year. In making this reduction, however, the Board will so far as possible avoid retrenchment at any vital point. The Missionaries' salaries will not be reduced and the force of workers will not be very seriously diminished. Generally speaking, the Church may be gratified with the present condition of its Home Mission Work. The last year was the first year in which the Board has had a full staff organization under the plan approved by the General Assembly in 1917. The results show the wisdom of that Assembly in the directions which it gave to the Board for the development of its work.

JOHN A. MARQUIS, *General Secretary.*

ABSTRACT OF THE FORTY-SECOND ANNUAL REPORT.

The Woman's Board of Home Missions entered upon the year of 1920-21 with great gratitude to God for His goodness and a deepened sense of its opportunities and responsibilities. The response from those to whom the Board ministers was never more encouraging than during the year just closed; the chances for a Christian education were eagerly sought after, hospitals and community centers used to their utmost capacity. And the response from the organizations was never more splendid. The greatly increased membership in woman's and young people's organizations was trained and developed and Presbyterian women and young people realized anew their obligation to evangelize America that America might fulfill its obligation to the world. As the keynote for the last two years throughout the church was expansion, that for the past year was concentration. For the Board it meant intensity in work on the field, a girding up that there might be a going on.

Through 37 synodical societies, 262 presbyterial societies the Board reaches its constituency of approximately 214,491 women, in 5468 auxiliaries, and 183,713 young people, in 8049 young people's organizations—young woman's, the Westminster Guild, Christian Endeavor, Light Bearers, and Little Light Bearers. These figures represent an increase of 49 new woman's societies and 1239 new organizations for young people and children; an increase in membership in woman's societies of 14,770, and in young people's and children's organizations of 39,503, a total of 54,273 new members, and a total membership of 401,406.

The Board has gone into partnership with synodical societies in a new way, through its establishment of a department of Christian Social Service, thus trying to stimulate women to undertake work for foreigners within the bounds of their own synod. Sixteen synodical societies have already started such work or have plans under way for starting it.

During the year the Board had the honor of presenting service pins to 15 who had served 25 or more years on the home mission field.

The receipts of the Board for the year, from organizations, were $815,654.74; from tuition on the field, $85,438.44; from legacy income, $12,374,77; from interest on invested funds and other sources—$32,442.70, a total of $945,910.65, a gain over the total receipts of the year 1919-1920 of $140,887.41. But as gifts from organizations fell short of apportionments by $203,845.26, the Board closed the year with a deficit of $165,381.97. This deficit, however, represents not only the excess of cash payments over receipts, approximately $77,000, but also amounts appropriated for buildings in process of erection or contracted for, approximately $88,000.

From Headquarters.—The promotion of the work of the Board is done through six departments—missionary education, young people's work, Christian Social service, student work, publicity, and the Home Mission Monthly.

The Secretary for Missionary Education reports that 2050 groups came together for mission study during the year, with a total membership of 36,237. The young people's work shows not only an increase in societies as shown above, but also an increase in gifts, as the following statistics indicate:

1920.	For regular work—	1921.	Increase.
$36,367 57	Y. P. S. (including Jr. and Inter.)...	$40,512 40	$4,144 83
33,530 24	Y. L. M. S., Light Bearers and L. L. B.	35,018 80	1,488 56
27,508 46	W. G. Chapters and Circles.....	34,032 18	6,523 72
12,688 17	S. S.....	13,623 58	935 41
$110,094 44		$123,186 96	$13,092 52

Not only in our churches, but in our colleges young people are reached, and during the year the Student Secretaries of the Woman's Boards visited 89 colleges and interviewed 711 girls in the interest of Home and Foreign Missions. The Home Mission Monthly increased its subscription list by 1216 new names and reported a total of 45,977 subscribers. Missionary leaflet literature was more in demand than in any previous year, as shown by the distribution of free literature and the receipts from priced literature.

The Mission Field.—The Woman's Board operates in seven fields—Alaskan, Indian, Mexican, Mormon, Mountaineer, Cuban and Porto Rican. The most distinct piece of new work undertaken by the Woman's Board is that of Santo Domingo, an interdenominational project under a Board of Trustees composed of two representatives from each coöperating Church Board. The field has been surveyed, and already property in a prominent section of Santo Domingo has been purchased, which is to serve as home for workers, church, clinic, and possibly school. The scope of the work of the Board in these fields is outlined in the following statistical tables:

Abstract of the Eighty-fourth Annual Report.

The Eighty-fourth Annual Report o the Board of Foreign Missions is written in the midst of a world sorely troubled and wounded by war. It is not blind optimism, however, but Christian courage and faith that leads one to say that as a result of the war there probably has never been a time when the whole world was studying and thinking about religion as it is now. There is new freedom to proclaim the Gospel. Age-long prejudices have been leveled to the ground. There is a new willingness to hear the Gospel, which is without parallel. In a day when every attempt of men to establish peace has lamentably failed, it is well for the Church to realize that God has called it to be His representative, and laid upon it the duty of proclaiming to the troubled world the one message which will solve its problems, even the Gospel of Jesus Christ.

Last year's Introduction to the Report mentioned a proposed Post-War Conference of the members and officers of the Board with the representatives of all the missions. The Conference was held in the Graduate School at Princeton, N. J., June 19-27, 1920. Overshadowing all the sessions, was a sense of the greatness, the fineness, the fellowship of the occasion that provoked the meeting. The greatness lay in the Gospel and in the world, the two great objects constantly to the fore. The findings of this Conference have been sent to the mission fields for consideration by the missions.

The Home Department.—Several changes in the staff occurred during the year: the election of Rev. W. M. Cleaveland, D.D., as Assistant Secretary of the Southern District, and the election, as Field Secretary, of Rev. Ernest F. Hall, D.D. Another change was the election to succeed Dr. Halsey, of Rev. Wm. P. Schell, as head of the Home Department, the Board having made him full Secretary. The entire work of the Department reports progress.

Some new problems confront the Board, owing to the expansion of its work in territory which it has heretofore not occupied.

Africa.—The French Government, now in occupation of the Cameroun district, will not permit the German or Swiss missionaries to continue their missionary work, and this entire section has been turned over to the Presbyterian Church, as far as Protestant work is concerned, with the assistance of the French Evangelical Society. This new center of mission activity brings the West Africa Mission into direct contact with Islam.

Syria.—Two new stations have been added to the Syria Mission since the close of the war, at Aleppo and Mardin, and the Board has already sent two of its missionaries to occupy these points.

Mesopotamia.—An entirely new obligation has been assumed by the Board in Mesopotamia. It is proposed to have a union work of the Reformed Board, the German Reformed, the Southern, the United and the Northern Presbyterian, each Board to furnish at least one missionary for three stations, probably Mosul, Bagdad and Kerbela.

China.—The famine, unprecedented even for China famines, has created obligations which it will be difficult to meet. Many of the 210 Presbyterian missionaries at present engaged in work in China are devoting the major part of their time to relief service. The one time secluded land of China, with its great wall, with its walled cities and suburbs, and with walls within walls, is fast being opened to the penetrating influences of modern civilization. The outstanding factor in this awakening is the resistless energy and liberalizing spirit of the Gospel of Christ. Last year the Board reported the China-for-Christ Movement, which is a nation-wide organization under Chinese leadership, with such practical aims as the removal of illiteracy, the training of Christians for service, the inculcation of the spirit of stewardship, the securing of recruits for the ministry, the development of missionary work, and the creation of a true sense of Christian citizenship. At its eighth annual meeting, in April, the China Continuation Committee agreed to become, for one year, the central committee of the China-for-Christ Movement, increasing for that purpose the number of Chinese members to half its total membership. The Student Volunteer Movement in China set apart a week in May for united intercession and a special effort to bring before the individual students the call to the Christian ministry. The Chinese Home

Missionary Society has undertaken responsibility for an area of about 10,000 square miles. An appeal has been issued for workers to occupy three centers in Yunnan Province. The far-reaching influence of the work among the Chinese in New York City is seen when it is stated that five of the elders of this church are now in China, two in educational work, one an editor of an English paper, and another a practising physician, but all letting their light shine in the darkness of their native land. The Church of the Japanese Community on the Pacific Coast has definitely adopted as a slogan, 100 Per Cent. Self-Support. The Japanese Christians have erected practically all of their church buildings. Among the Koreans in the United States the significant event of the year was the organization of the church at Dinuba, the first Korean Presbyterian Church of North America. One hundred and fifty members were enrolled.

Chosen.—The situation in Chosen continued to be one of marked anxiety and rejoicing. The country is still in the throes of economic adjustment to new conditions. But at the ninth meeting of the General Assembly of Chosen there were over 160 Korean delegates and about 40 Western missionaries. The first year the General Assembly was organized it was decided to start a foreign missions work for the Chinese in Shantung. This last Assembly decided to send an additional missionary, and passed a budget of yen 20,000 for the Shantung work.

India.—"The dark clouds settling over India," referred to in the last Report, have not been lifted. They have rather deepened in their gloom and presage. Nowhere have the reactions of the war combined with the general forces of world unrest to create a more unhappy or disturbed condition than is found in India. Against the dark clouds, however, stands out the atmosphere of trust and consideration surrounding the Christian forces. The Punjab Mission, with the approval of the Board, has proposed that the mission and the Lahore and Ludhiana Presbyteries shall be represented, each body in the other, by selected representatives; and the North India Mission proposed a forward step in the solution of the relationship between the Indian Church and the missions, by means of departmental committees dealing with different sections of the work, such as education, evangelization, etc., the committees to be made up of members from the mission and presbyteries. The union of the Welsh Calvinistic Church with the Presbyterian Church in the U.S.A. has brought with it as an addition to the mission work of the Church in India, the mission at Assam, at the stations of Habiganj and Shaistaganj.

Japan.—The outstanding event of the year in Japan was the World's Sunday School Convention in Tokyo. Almost every Protestant community in the world was represented. It was an effective demonstration of the strength of the Christian Church and made a profound impression on the Japanese Government and people. The mission work has met with encouragement, as shown by the crowded schools, the devoted service of many of the Japanese Christians, particularly among the younger element, the kindly personal attitude of the people toward the missionaries, and in particular the special evangelistic service which have been held in various parts of the country.

Mexico.—The New Era Movement in Mexico has stressed self-support, stewardship, and the every member canvass, and while it is too soon to estimate fully the extent to which the Movement has affected the churches, yet it is very evident that there has been a deepening of the spiritual life and that the New Era Movement has awakened a more aggressive spirit of evangelism in many of the churches. The great states of Yucatan, Chiapas, and Tabasco, by action of the Committee on Co-operation, are now the special field of the Presbyterian Church. It is believed that all over this large territory are numerous groups of Christians who are only awaiting the visit of some missionary to join themselves with the people of God, and to take part in the evangelization of their countrymen.

Persia.—At the time of the last Annual Report, the Urumia Station in Persia was closed, and the missionaries and all the Assyrian Christians were in exile. On December 16, 1920, in view of conditions in the Caucasus and the threatened invasion of northwestern Persia by Bolsheviki and Turks, the British and American Consuls determined to withdraw from Tabriz, and decided that the other British and American residents should withdraw also, together with the

Assyrian refugees and some of the Armenians. Until the breaking up of the work in Tabriz, both the school and the hospital and the evangelistic work were carrying on their service in fuller measure and fruitfulness than ever before. Schools and churches were maintained among the refugees, and in spite of all their sufferings and hardships and the inevitable debilitation of their refugee life, dependent upon relief, the people were making real progress. Earlier in the year Bolsheviki troops had crossed to Kazvin and taken Resht, with the result that all foreigners, including the missionaries, had withdrawn, and it has not been possible since to reopen Resht Station. In Teheran, in spite of the many political changes, the missionaries remained at their work, which has never been more flourishing than during the past year. Both boys' school, girls' school, and hospital have been utilized to their fullest capacity, and the evangelistic work has yielded fruitage in the baptism of both Mohammedans and Bahais. In Hanadan and Kermanshah everything is moving forward quietly. At Meshed also the work went on quietly and hopefully until March, when the missionaries, except the Donaldsons, left, on account, no doubt, of the danger of an invasion of Meshed from the north, or of local uprisings.

Philippines.—In the Philippines the past year has been one of quiet and steady development of the work of evangelical missions. The great majority of the population is friendly to the American Government and to the American missionary. One feature in the progress of the Christian Church in the Islands, which is now rapidly developing, is an interdenominational theological seminary in Manila. This theological college has for some years been training the prospective Christian ministers of the various evangelical missions in the Philippines, centering its activities in very inadequate quarters in one of the buildings of our Presbyterian Mission. It is now proposed to erect an adequate plant on a suitable site, which will permit of the greatly needed development of this union training center, where the leaders of the future evangelical Church throughout the Islands will be gathered under the same roof.

Siam.—An event of outstanding interest in Siam is the completion of the long-desired new treaty between America and Siam. It has not yet been ratified by the United States Senate, but there are strong hopes of early favorable action. In addition to important articles relating to commerce, navigation, and extra-territorial rights of American citizens, the articles which bear more directly upon the work of the missionaries are the ones which extend the property rights of American missionaries and mission work. Much of the mission property has been held hitherto under long leases, and it is a relief to have the Siamese Government so cordially recognize, as it does in this treaty, that the time has come for a more satisfactory adjustment.

Brazil.—The crying need in both the Central and South Brazil Missions is for reinforcements. A steady growth is reported where the missionary has been able to visit. The inner development of the southern mission is indicated in the Laymen's Convention which was held at Castro during the year and was most successful. The theme discussed was, "How to become more efficient church workers."

Chile.—The new administration in Chile is liberal and sympathetic with mission work, as was seen in the cordial reception given to the Protestant pastors who waited upon the President-elect and presented him with a handsomely bound Bible. The New Era Movement in Chile has found a ready response, especially in its emphasis on the personal responsibility of Christians to support their religion.

Colombia and Venezuela.—The task of the missionary in Colombia and Venezuela has been most difficult, but there are some bright sides to the picture. At Bogota the contributions have been four times those of any previous year, and the church has never shown such activity in charitable work as in the past months. At Barranquilla both the boys' and girls' schools show a distinct advance in registration, while at Medellin an advance of 120 per cent. in membership in three centers is reported. The chief industry of Antioquia, Colombia, is the making of Panama hats. It takes the full time of one person to make one hat a week, and the week's wage has not passed 40 cents. If, under such conditions, Christians can be reared who will assume financial responsibility for their church support, there is great hope for Colombia and all Latin America. The church at Caracas, Venezuela, rejoices in a Christian Endeavor Society

whose members made during the year 1,390 calls on church members, and 3,320 on non-church-goers.

Guatemala.—This has been a "building" year for the Guatemala Mission. After its long time of waiting, the mission received permission from the Board to proceed with the rebuilding of the residences, church, press, girls' school, and hospital in Guatemala City, which were destroyed by the earthquake three years ago. The handsome new church was dedicated at Christmas time, 1920, and the school and hospital are about half completed. The press is in full running order and is turning out its daily sheaf of the printed page.

Syria Mission.—The Syria Mission will celebrate the one hundredth anniversary of the beginning of Armenian mission work in Syria in 1922. The story of these hundred years would be a record of deepest interest and fascination. If we should clothe this statement with the flesh and blood experiences of the men and women who toiled through the years, we would find vision, resolution, patience, and unshaken faith, in spite of disappointment, sorrow, physical suffering, and personal sorrow. During a large part of the time Mohammedan exclusiveness and opposition stood like a stone wall which the missionaries could not surmount nor overthrow. Never, however, have they given up nor been diverted from their purpose, and in so far as the way could be opened by, the slower process of personal conversation and courteous and subtle strategy every chance was taken to explain the work and way of Jesus Christ. Now, at last, after a hundred years the barriers are down. The war was the missionaries' chance and they did not miss it. Now, they have nothing to do but to enter the doors which Providence has flung open. The mission reports continued progress in its union and coöperation work. Its Union Training and Language School at Suk-el-Gharb has more than vindicated its establishment. Another event of signal interest has been the formation of the fir t Synod of the Syrian Church. After long preliminary planning, the three presbyteries were formed into a synod, on November 11, 1920. Dr. Ford, in spite of his protest, was elected Moderator. The mission will still continue to give financial assistance to the weak churches, but little by little they will become self-sustaining. The Board proposes to celebrate its centennial of mission work in Syria by raising a fund of $250,000 for rebuilding the Press, refurnishing it with modern machinery, and eventually making it a great union enterprise.

THE WOMAN'S BOARD OF FOREIGN MISSIONS.

The Union of the six Woman's Boards of Foreign Missions into one National Board, was consummated at the celebration of their Jubilee in Philadelphia, on May 24 and 25, 1920. Forty-two members were then elected, and an organization meeting was held on May 26. The first regular meeting was held at Princeton at the time of the Post-War Conference of the Board of Foreign Missions, and two meetings have been held since. The plan is to hold one meeting a year of the full Board. The membership of the Board is chosen from the entire country, two representing each of the six original Boards, the others living near enough to New York to form the Executive Committee, which conducts the business during the intervals between Board meetings. The members of the Board are nominated by a committee of five, of whom the Chairman and two others shall belong to the Board, and are elected at the annual or biennial meeting by duly appointed delegates. They are to serve, in the first instance, for two and four years, respectively, and thereafter for a term of four years. In place of the six original Boards, six District Committees have been elected, each with a District Secretary who is an officer of the national Board. There are also national Secretaries in New York. By these means it is hoped to maintain the close personal touch by volunteer workers in different parts of the country, as well as to secure efficiency in administration from the central office.

The Board was incorporated November 18, 1920, at which time the membership was reduced to 40 in order to comply with the Laws of the State of New York, where incorporation took place. Legal steps are being taken in regard to the transfer of securities, trust funds, etc., from the six original Boards to the national Board, and the utmost care is being exercised to guard all the interests involved. Following the plan of incorporation, that it should be auxiliary to and coöperative with the Assembly's Board of Foreign Missions, the following steps have been taken:

First, the creation of a Joint Executive Council, on which the Secretaries of both the Assembly's and the Woman's Boards sit. Then, the erection of a united Candidate Department, where the respective Secretaries of the two Boards correspond with the men and women candidates and together recommend all candidates to the two Boards through Joint Executive Council. There is also a united Educational Department, and plans are under way for a joint Literature Department in New York and joint depositories at one or more of the District Headquarters. There is constant consultation between the Secretaries of the two Boards and cordial coöperation in all Departments. The Woman's Board has been housed in offices adjoining those of the Assembly's Board. The Woman's Board recognizes with appreciation the constant courtesy and help of the officers of the Assembly's Board.

The Districts continued to carry the work up to January, 1921, at which time it was taken over at headquarters. The transfer was made with little or no difficulty. Efforts have been made to conserve in every way the results of the four great Jubilee gifts of Service, Prayer, Gold, and Life. The gold and the life are already beginning to work on the foreign field, and the service and prayer have, we trust, increased during the year.

The Board has again coöperated in the New Era Movement in every possible way, both in New York and in the various conferences throughout the country. We share with the Woman's Board o Home Missions their representative on the staff of the New Era Movement, who is thus able to help coördinate the plans of the New Era Movement and the Woman's Boards.

One of the largest legacies ever left by a woman to a Woman's Board was that of Mrs. Russell Sage to the New York Women's Board of Foreign Missions. It will amount to about $1,500,000 a large part of which has been paid. This gift was not restricted, but in accordance with the expressed wish of Mrs. Sage the buildings erected from this fund will be known as Sage Memorial Buildings. Some of this money has already been sent to the field, and letters are coming in telling of the plan for erecting these as well as the Jubilee buildings, and expressing the joy which the gifts have brought.

The Woman's Board, in former years, published in their Annual Report a summary of the work of the women missionaries and the stations in which they were interested. It will no longer do this, because manifestly the Report of the Assembly's Board covers the work of the women as well as the men. It is hoped that this will tend to a fuller realization of the unity of the whole work. As the report of the Assembly's Board is sent to all pastors, it will be possible for the women, by consulting this report, to review the entire work of Presbyterian women. The achievements of the first year of woman's work, under the new plan, have abundantly vindicated its organization. They have brought to the work wisdom in counsel, enthusiasm in service, and a deepening of the spiritual ideals.

ABSTRACT OF THE THIRD ANNUAL REPORT.

A great sorrow came to the Board and to the Church in the loss of Rev. Richard C. Hughes, D.D., Secretary in charge of the University Department. Dr. Hughes became identified with the old Board of Education in 1910, coming to the work from valuable educational experiences at Ripon College, Wisconsin, and Tabor College, Iowa. He was a pioneer in the experiment of religious work under church auspices at university centers. He lived to see the authorities in tax-supported educational institutions, instead of assuming an attitude of apathy, if not opposition, to the student pastors, looking not only with favor upon these representatives of the Churches, but eagerly welcoming them upon the campuses. Dr. Hughes passed to his reward, almost without warning, October 9, 1920, at his home in Chicago.

After several months of careful investigation, the Rev. M. Willard Lampe, D.D., Ph.D., who had done a conspicuously successful work as student pastor at the University of Pennsylvania, was elected to succeed Dr. Hughes. By reason of his abilities as a scholar and his experience as an administrator, Dr. Lampe is peculiarly fitted for the important office to which he has been called. He will begin his work with the Board June first, and his headquarters will be in Chicago.

Conference—Lay Workers Training Schools.—One of the most significant conferences of the year was held in New York City, Wednesday, February 2, 1921. The discussion revealed the fact that new fields of usefulness for lay workers were being constantly opened and that already the demand for such trained helpers is far beyond the supply. The Foreign Board reported that many teachers and physicians were needed, all of whom should have at least one year of Bible training. The Woman's Board of Foreign Missions has 349 lay women on the field, chiefly physicians, evangelists, nurses, educators and business women. There is a constant demand for additional lay workers in many lines. The representatives of the Board of Home Missions stated that large use is being made of laymen and women in city and immigrant work, as well as in western fields. The problem of educating these persons is met in various ways. Graduates of training schools are used, and in New York special courses are taken at the Teachers' College of Columbia University, where college graduates are thus enabled to receive the Master's degree. The Board of Publication and Sabbath School Work reported a widespread and increasingly urgent call for directors of religious education in local churches. Sunday-school missionaries and colporteurs need special training. The organized presbyteries voiced their earnest desire for trained workers in many fields. These workers should be prepared both with a knowledge of social situations and technical methods as well as biblical training. A professor in the School of Religious Education and Social Service in Boston University was quoted as saying that within a few years many thousands of trained directors of religious education will be needed.

The conference revealed the further fact that the Presbyterian training schools now operating are utterly inadequate to meet the needs of the Church. The theological seminaries are doing very little along this line. At the close of a day of illuminating discussion of this whole subject, certain issues came clearly into the open, which found expression in the following resolutions which were unanimously adopted:

1. That the Church shall enlist and train her own lay workers;
2. That we record our conviction that there is a growing demand for the work of the lay workers training schools which should be promptly met;
3. That these training schools should be affiliated with our theological seminaries wherever possible;
4. That it is the sense of this meeting that the General Board of Education be requested to investigate this whole subject of the training of lay workers, and the feasibility of affiliating the training schools with the theological seminaries, and report to another meeting which it will call.

University Work.—The rise of American universities is one of the most remarkable chapters in the history of the world's modern educational movements. In 1870 there were but 6,000 students in the universities of this country. Ten years later the number had increased to 10,000. In 1890 the student body was 22,000. Today there are 150,000 young men and women in the class-rooms of our state educational institutions.

Many thousands of young people from Presbyterian homes are attending these tax-supported institutions of higher learning. During the past year a survey was made of 55 of these institutions, and it was discovered that out of an enrollment of 124,416 there were 17,510 who announced themselves as Presbyterians, or one in every seven.

The Presbyterian Church is now at work in more than 40 of these university centers. During the past year new work was begun at the following points: University of Arizona, Tucson; University of Arkansas, Fayetteville; Kansas Agricultural College, Manhattan; University of Kentucky, Lexington; Boston District, Massachusetts; U. S. Naval Military Academy, Annapolis, Md.; Miami University, Oxford, Ohio; Oklahoma Agricultural College, Stillwater; University of Oklahoma, Norman; Utah Agricultural College, Logan; Colorado School of Mines, Golden; University of Vermont, Burlington; Montana Agricultural College, Bozeman.

College Work.—In some of the colleges new men have taken charge. In Iowa Rev. A. M. Boyd, Ph.D., has become president of Buena Vista College at Storm Lake; Dr. H. M. Gage has become president of Coe College at Cedar Rapids, coming from Huron College. Dr. H. M. Moore has recently been elected president of Lake Forest College in Illinois; Professor Frederick Torrey, a graduate of Princeton University, has been made head of West Nottingham Academy, which for a century has been a Presbyterian school in Maryland. Cumberland University at Lebanon, Tennessee; Carroll College at Waukesha, Wisconsin; Huron College of South Dakota; Occidental College at Los Angeles, and Whitworth College at Spokane are without permanent leaders, though they are being ably managed temporarily by other college officers. Oswego and Highland Colleges in Kansas have ceased to be recommended by Synod for coöperation on the part of the Board, and Oswego College has closed. In New York State, Hamilton College has been unanimously recommended by the Synod for coöperation on the part of the Board, and therefore Hamilton is enrolled in that group of institutions with which the Board coöperates because of their connection with the Presbyterian Church through their history and traditions, Washington and Jefferson College and Park College being conspicuous members of this same group.

Two years ago, at the meeting of the General Assembly held in St. Louis, a movement was launched for the purpose of securing $35,000,000 to equip adequately our colleges and the work at our university centers. Seven million dollars a year was to be the objective. Of this amount the colleges were to raise $5,000,000 a year and $2,000,000 was to be secured through the New Era Movement. A group of seventeen colleges was selected by the Board for the first year, and to these institutions tentative appropriations from the New Era Fund were made on condition that the colleges raise amounts aggregating five million dollars by March 31, 1921. The time limit for this group of colleges has now expired. In spite of unparalleled financial difficulties, these seventeen institutions report that they have secured pledges to the amount of over $5,000,000. This seems almost incredible. The work has been done so quietly that the Church at large has scarcely known what has been going on. It is a matter of regret that the amount expected through the New Era Movement has fallen so far short. But it is a matter of gratitude to God that under the stimulus of the plan so very large an amount has been added to the assets of our educational institutions.

Student Department—Life Work Supper Conferences.—It is particularly necessary that those boys who have qualities for leadership should have the proper attitude toward a life work choice. For this reason the Board has continued to promote the evening life work supper conferences with selected boys to consider this subject. The boys are guests of the church and are accompanied by their pastors and elders. They appreciate being taken seriously in this their most perplexing problem. Since these conferences were inaugurated, choice boys have been found in college and seminary preparing for the ministry, who ascribe their first impulse toward the ministry to one of these occasions. In forty cities such conferences have already been held. Six cities have repeated the plan and others are preparing to do so. Some time ago one of these conferences was held in Oakland, California. This year, in January, the students of the theological seminary at San Anselmo entertained 55 selected high school boys over the week-

end at the seminary, showing them a royal good time and planting in their minds serious thoughts regarding the ministry and other Christian life service.

College Visitation.—In 29 colleges of the Church the customary evangelistic and life work meetings were held, chiefly in February, the Assembly's Permanent Committee on Evangelism coöperating as heretofore. In Maryville 108 students gave themselves to Christ. In the Asheville schools 39 young people made a similar decision; in the College of the Ozarks, 12; at Carroll, 7; Jamestown, 19; at Westminster, 15.

Student Field Secretary.—Since December 1, 1920, the Rev. Gilbert Lovell, for fifteen years in educational work in China under the Foreign Board, has been at work with our Student Department, visiting colleges and universities, counseling with students about their personal problems and their life service. Mr. Lovell has proved himself most acceptable and efficient in this work. He is giving several months' intensive help at Lafayette College, and to his tact and spiritual power has been ascribed much of the success of the three days' campaign of Mr. herwood Eddy in that institution.

Students' Rotary Loan Fund.—In spite of the publicity given to it, the Church is only gradually becoming aware of the Board's new policy of aid in the form of loans to needy and worthy Presbyterian students, apart from any promises as to the forms of their life service. Knowing that for almost a century direct aid to students was confined entirely to those preparing for the ministry, members of the church are now learning with pleasurable surprise of the wider service extended to struggling students.

The rules, as approved by the last Assembly, permit loans of as much as $200 in any one year to needy and worthy Presbyterian college and graduate students, who are endorsed by their church sessions as giving promise of Christian usefulness. A maximum of $500 may be owing to the Fund by any student at a given time. Interest may be remitted on all payments of principal made within two years of graduation. Printed copies of the rules may be had from the Board.

There have been 77 students who have this year received loans averaging $165.35; a total of 92 loans since the Fund was inaugurated.

Scholarship Aid.—During the year, 10 students who have been preparing for mission service other than medical or ministerial have been aided, with the approval of a mission board, in the average sum of $142.50. Of these 6 were young women. The Church does not yet fully realize that a young woman who is preparing for mission service, so far as aid is concerned, is placed on a par with her brother who is preparing for the ministry. There have been nineteen young women attending Presbyterian training schools for Christian workers who have been aided, in the average sum of $119.73. There have been 27 students preparing for medical missions, 3 of them young women, who have received an average of $231.72. There have been 530 young men preparing for the ministry, who have received an average of $132.29; 151 of these are new men.

The Finance Department.—The policy of coöperating with the colleges is a new feature of the Board's work in relation to the colleges. The wisdom and value of it are proved by the following results. During the year the Finance Department has coöperated in one way or another with 29 colleges; 10 of this number are in the 1920-21 group. The remaining are distributed through the groups that are to participate in the challenge funds of the remaining years of the New Era period as appointed by past Assemblies. The total amount raised as reported by the colleges with which the Finance Department has coöperated and which have conducted campaigns this year, is more than $5,000,000.

Gifts of the Year.—We record with gratitude receipts from churches for the year, amounting to $614,700.06, and showing an increase of $155,443.83 above the amount received from churches last year. An examination of the records reveals the gratiyfing fact that an unusually large proportion of this amount has been received undesignated, the increase in this amount, as compared with last year, being $157,610.37. The individual gifts and legacies sent to colleges and reported to the Board were $2,353,180.39.

A summary of the Treasurer's report follows.

Respectfully submitted for the Board,

Edgar P. Hill, *General Secretary.*

Abstract of the Eighty-third Annual Report.

Educational Staff.—During the year the Board has made the following changes in the personnel of its Educational Staff: Rev. Calvin W. Laufer has been transferred from the office of Director of Week-Day Religious Instruction to become Special Field Representative, in charge of the Board's program of missionary education in its own behalf. Rev. Walter Albion Squires has become Director of Week-Day Religious Instruction. Miss Helen E. McKinney has been promoted to membership on the Staff as Assistant for Young People's Work. Mrs. Mary S. Harney has become Director of Girls' Work, succeeding Miss Rebecca I. Hughes, who resigned after a few months of useful service to resume her public-school connection.

Field Representatives.—All the field representatives of the Board, whether synodical or presbyterial, are charged with the responsibility of promoting the whole program of the Board. The field representatives for religious education and the children's division representatives are appointed upon the recommendation of the synodical committees and confirmed by the synods. They work directly under the supervision of the synods through the synodical committees. The presbyterial directors of religious education, the Sunday-school missionaries, and the colporteur missionaries are appointed upon the recommendation of the presbyterial committees and confirmed by the presbyteries. They work directly under the supervision of the presbyteries through the presbyterial committees.

Staff Conferences.—During the year, five-day conferences for the training of the Sunday-school missionaries in the whole educational program of the Board have been held. A conference of the field representatives for religious education, with the Educational Staff, the children's division representatives and district superintendents under the Missionary Department being included was held, in which the whole educational program of the Board was developed and methods of promotion in the field considered. Representatives of the Department of Missionary Education of the New Era Movement, of the Board of Home Missions, and the Women's Board of Home Missions were present.

The Advisory Committee.—Although very desirable, it was not possible to hold during the year a conference of the Advisory Committee authorized by the General Assembly, composed of the chairmen of the Board's synodical committees. Budget conditions forbade it.

The Unified Program of Religious Education.—In accordance with the instructions of the General Assembly, the Board is working out a comprehensive system of Christian instruction and training for the children and youth. It has adopted the slogan, "Christian Education Seven Days a Week, in the Home, in the Individual Church, and in the Community." The following is a brief statement of this unified program, as it is at present conceived, together with indications of the progress made in developing and promoting the program during the year.

Foreign Speaking Peoples—Periodicals and Literature.—Our Czecho-Slovak paper, *Krestanske Listy*, is a medium of communication between the Bohemian churches, besides being a source of inspiration and comfort to many isolated Bohemian familes. The membership of our Presbyterian Bohemian churches is about 4,000. Practically all of them are either subscribers or readers of our paper. About 600 copies weekly are mailed to subscribers in Czecho-Slovakia.

Our children's story paper, *Besidka*, for use in Bohemian Sunday schools, continues to be a popular medium through which the work and influence of the Sunday school are being introduced into the homes. For twelve years we have been publishing a weekly periodical in the Italian language, *L'Era Nuova*, which contains devotional material, the exposition of the Sunday-school lesson, a young people's page (in English), and news of the activities of the churches. This paper has a circulation of nearly 3,000 copies per week. For Hungarians (Magyar) our weekly paper, *Reformatusok Lapja*, which is published jointly with the Publication Board of the Reformed Church, has practically doubled its circulation during the past year. The monthly paper, *Bibliai Tanito*, for Sunday-school teachers and adult pupils, is being discontinued, space being given in the weekly paper, *Reformatusok Lapja*, for the material on the Sunday-school lessons which it contained. Beginning July 1, 1921, we shall publish a weekly Sunday-school story paper for children of Hungarian families similar to *Besidka*. Our weekly paper, *Sojuz*, for Ruthenians (Ukrainians) has had a difficult year, due to our inability to obtain an editor. Nevertheless the paper has been published regularly throughout the year, and the Advisory Committee supervising the work is earnestly endeavoring to enlarge the scope of its influence. The Board continues to share in the cost of publishing the monthly paper in Polish, *Slowa Zywota*, for circulation by our colporteurs. The Yiddish quarterly, *The Watchman*, has been published during the year, and widely circulated by our Presbyterian colporteurs and missionary pastors who are engaged in the work of Jewish evangelization. The present circulation is 9000. Bible picture cards, containing the Sunday, school lesson (Uniform Series) are published in Spanish, Italian, Bohemian Hungarian, Ruthenian, and Polish to the number of 20,000 per quarter. These cards are in use not only in the United States, but also among the mission stations in all the Spanish-speaking countries, as well as in Czecho-Slovakia. Hungary, the Ukraine, and Poland.

For the Welsh Calvinistic Methodist constituency, the Board is financing a monthly periodical entitled *Y Cyfaill* (The Friend) for use in the home and the Sunday school. The circulation is about 1500 copies.

The total number of Bibles, Testaments, and portions of Scripture sold and given away by the colporteur-missionaries is 13,578, besides 15,688 other religious books and 419,733 pages of tracts, in at least twenty different languages. In the performance of their labors these missionaries visited 58,154 families.

Religious Education in the Home.—The Board reaffirms its conviction that religious education in the family ought to occupy the first place in any program of religious education and that such a program must be broadly conceived not only to include the maintenance of family worship but the cultivation of a thoroughly Christian atmosphere in the home and a definite program of Christian instruction and training. All the field representatives have actively promoted the Board's program during the year in public addresses, conferences, institutes, and personal interviews with pastors and church leaders. The Sunday-school missionaries have directly visited 145,000 familes in the interests of religion in the home.

Organizing the Individual Church for Religious Education.—Bulletin No. 2, which contains the Board's plans for a Council of Religious Education in the individual church, has been revised so as to adapt it to the use of sessions whose ultimate responsibility for religious education in the individual church has been emphatically affirmed by the General Assembly.

The Sunday School.—The statistics, which cannot yet be accurately summarized for the year, seem to indicate that the Sunday-school has recovered the losses sustained during the World War, and a new interest is being manifested in its purposes and importance. It is a well-known fact that 12,000,000 Protestant boys and girls of school age, six to eighteen, are not even enrolled in the Sunday-school. During the past year 1902 communities have been visited for the first time by the Sunday-school missionaries. As a result of these efforts, Sunday schools have been organized in 843 localities and 329 Sunday schools have been revived. Into these schools 34,092 children and young people have been gathered and 3703 men and women have been enlisted as officers and teachers. The Sunday-school missionaries have under their fostering care 2848 mission Sunday schools not attached to any church, in which there are 12,058 officers and teachers and 102,193 pupils. These schools have no pastoral care other than is given by the Sunday-school missionary. In practically every case the Sunday school stands as the only Christian organization in the community.

Frequent visitation of Sunday schools by the missionaries is necessary for encouragement and practical assistance. During the year 5540 Sunday schools have thus been visited. Conferences are held with the officers and teachers, and plans are made for the advancement of the work. The Sunday-school missionaries have organized 292 Cradle Rolls, 302 Home Departments, 181 teacher-training classes, 91 Bible classes for adults, and 110 classes for young people. Institutes have been held in 473 localities and 85 Young People's Societies have been organized.

The Board renders practical aid to many Sunday schools in the form of grants of Sunday-school literature, more than 2100 schools having received such donations during the past year, including libraries, hymnals, Bibles, and other Sunday-school equipment. Grants of hymnals and other publications of the Board have been made also to mission churches, pastors, and to home and foreign missionaries. The total value of such grants, consisting of 9584 volumes and 15,575,840 pages of tracts and periodicals is $23,817.39.

Week Day Schools for Religious Education.—Absolutely accurate statistics concerning Daily Vacation Bible Schools are not available. Knowledge is had of at least 500 schools with a gross enrollment of more than 50,000 children. This includes schools conducted for a shorter period of time than the standard five weeks. A three-year curriculum for the Daily Vacation Bible Schools has been provided. The number of communities carrying on week-day religious instruction has increased by two hundred per cent. during the past year. Before the opening of the present school year (1920-1921) there were no week-day church schools west of Northfield, Minnesota, or south of Louisville, Kentucky. During the year the movement entered the South and West, schools having been started in the following states which had none before: Tennessee, West Virginia, Missouri, Kansas, Colorado, California, Montana, Arkansas, North Dakota, and Iowa. Over fifty communities now have well-established week-day church-school systems.

Training a Leadership in Religious Education. The Board has far-reaching plans for training a leadership in religious education. Such of these plans as involve coöperation with training schools, colleges, and seminaries have had to be held in abeyance owing to the financial situation. The summer conference is a one-week training school for developing Christian leaders. Every conference has been a recruiting ground for the Christian ministry, missions, and other phases of full-time work for the Church, and at the same time a training school for those volunteer leaders so essential to our church life, the Sunday-school officer and teacher, leaders of religious education and young people's organizations in the church. Winter Institutes are in many respects the extension work of the summer conferences. The program, generally extending over four or five consecutive evenings, includes study classes, discussion groups, and inspirational addresses. As a means of providing special training for those mature persons who are already carrying leadership responsibility in educational work in the individual church, the Educational

Staff has conducted conferences of a distinct type, usually calling them "Schools of Method in Religious Education." These schools run from three to five evenings and are best suited to the larger towns or compact communities where several Presbyterian churches may be represented without the necessity of providing lodging. The program aims to present religious education as a major function of the whole church and to cover in its class work the soundest and most fruitful methods in all phases of religious education: in the family, in the Sunday school and its graded departments, in the expressional and missionary organizations, in vacation and week-day schools of religion. The results reported from the Schools of Method held the past year call for a wider use of this type of leadership training during the coming year.

Business Department.

The Board has never in its history been able to report so large an increase in business, and the only reason we are not able to declare commensurate net profits is that we have consistently refrained from advancing the selling prices of our supplies beyond what would take care of the actual increase in the cost of manufacture. The sales of the year amount to $1,837,333.74. This represents an increase in sales of $371,527.45, or slightly more than twenty-five per cent over the figures of last year. A large part of this is attributable to the higher selling prices which now prevail, but there is sufficient margin remaining to indicate a satisfactory growth in actual business.

The net profits for the year, after deducting ten per cent from the book inventory, so as to provide a necessary reserve in the coming year of falling values, are $58,364.80. One half of this amount, or $29,182.90, will accrue to the business capital, which, at the beginning of the year, was $597,273.62, making the present capital $626,456.52. The remaining half will be transferred to the Missionary and Education Fund, by which the missionary and educational work of the Board is maintained.

The Hymnals.—The hymnal business of the Board is always one of great interest. Of the $144,731.51 sales of the Board's own publications, forty per cent, or $58,602.00, is represented by the various hymnals published by the board. These have been adopted in 9,128 churches, and 1,253,679 copies have been sold.

Periodicals.—Our total periodical business last year amounted to $1,045,393.63, and the steadily increasing circulation list attests the appreciation of the Church at large.

Distribution.—The publications of the Board are distributed through the main headquarters, at Philadelphia, and also through the branch houses, designated as depositories, located at important centers throughout the country.

Abstract of the Fifty-first Annual Report.

During the past year the Board received applications asking for $2,028,786. The Board appropriated $1,294,210, and paid $1,095,626. The total receipts of the Board for current work were $815,131.

It was possible to pay out more than the Board received, for the reason that a balance was carried over from the previous year.

The Board made appropriations for the building of 269 churches, manses, and student pastors' houses.

For building projects of the Board of Home Missions, the Board of Church Erection appropriated $176,673; for Educational Centers work the Board appropriated $67,900; for foreign-speaking peoples the Board appropriated $60,594; and for the building of churches and manses for our colored congregations there was appropriated $24,724.

Since its organization the Board has assisted in the erection of 12,087 churches and manses.

The Assembly requires the Board to protect its Mortgage interest in church and manse by fire insurance, and this has been done. All of our churches are urged to carry sufficient insurance.

The correspondence with churches, Presbyteries, and Synods during the past year has been large and profitable.

As in former years, the Board is coöperating with the Board of Missions for Freedmen, the General Board of Education and the Board of Home Missions.

There has been urgent calls for funds for the building of manses which, in every section of the Church, are badly needed. Many distressing situations have been brought to the attention of the Board where ministers have found it impossible to secure houses for their families. At the present time about one half our ministers live in manses, and the Board believes every settled pastor should be provided with a comfortable home. A manse is a great asset to a congregation.

The Manse Funds of the Board should be strengthened immediately. The Manse Movement should appeal to Presbyterians of wealth, some of whom might be willing to provide money with which to build memorial manses. For many years the slogan of the Board has been "A Manse for Every Minister."

The past year the Board has sent out statements showing the amounts appropriated to the various Presbyteries and Synods, and the amounts due to the Board. An attractive leaflet, well illustrated, has been prepared and will be sent to churches, upon request. Tens of thousands of leaflets have been called for during the past year. A new booklet on Church Architecture has been prepared and will be sent, on application, to pastors or building committees.

The last Assembly made no change in the rules of the Board except in one instance—the combination of funds. According to the amended rule, the Board is permitted to make appropriations from its Funds, Grants, Loans without interest, and Loans, with interest, but, in no case can the Grant in such combination be more than $4,000. The combination of Funds to any one church can only be made where the church is strategically located, and the project has the endorsement of an incorporated Church Extension Committee, Presbytery and Synod.

The Board planned generous things for the churches of the denomination and asked to have $1,188,000 incorporated in the Budget. In the scaling down of Budgets the Budget Committee of the Executive Commission allowed only $250,000, which is wholly inadequate to meet the needs of building operations of the Presbyterian Church in any one year. On account of the small Budget the Board will not be able to deal as generously with churches in the building of houses of worship and manses this year as last, and this the Board greatly regrets. The Board's Budget for 1920-21 was $1,388,600. Received on account of Budget, $207,772. Increase over preceding year, $17,354. Cost of promoting and collecting Board's Budget paid to the New Era Movement, $17,481. Repayment by churches on interest-bearing Loans, and interest from Board's invested funds, sales of property, and receipts from all other sources together with the amount received on the Budget, gave the Board resources of $815,131.

In behalf of the Board,

DAVID G. WYLIE, *General Secretary.*

1. That the Minutes of the Board and the audited report of the Treasurer be approved.

2. That the action of the General Assembly of 1912 be reaffirmed, requesting the Board to raise for endowment and reserve the sum of $10,000,000, and we heartily approve of the plan of the Board to prosecute this task vigorously until the full amount is obtained.

3. That the General Assembly direct the Executive Commission to include in the Budget for 1922-3 an item of $700,000 (instead of $1,000,000 asked for by the Board in its printed report), for the Reserve Fund of the Sustentation Department, this to be in addition to such increase of endowment as the Board may be able to secure in accordance with the previous action of the Assembly.

Resolution No. 3 was referred to the Executive Commission, which Commission reported the following recommendation which was adopted by the General Assembly: "With reference to the resolution in the report of the standing committee on Ministerial Relief and Sustentation, referred to the Executive Commission for consideration and report to this Assembly, the Executive Commission would recommend that the Assembly direct the Executive Commission

5. That the General Assembly approve of the Board's proposal to pay for the ensuing year 100% of the annuity in the Sustentation Department.

6. That the Board be directed to place in its Budget for the year 1922-3 an amount sufficient to maintain the level of the payments to annuitants in the Relief Department during the year at, or above, the level of the payments during 1921-2.

7. That the General Assembly recommend the prosecution of an immediate and vigorous campaign to secure the $300,000 necessary to build, equip and maintain a hospital and sanitorium where cases, otherwise eligible for admission to the Homes, but barred on account of the condition of health, may be received and cared for.

8. That the General Assembly urge all churches, Presbyteries and Synods to make it possible for representatives of the Board to present the work and ask for subscriptions for the permanent and reserve funds as hitherto.

9. That the following persons, whose term of office expires at this meeting of the Assembly, be re-elected, namely:

Rev. Andrew Mutch, D.D., Bryn Mawr, Pa.

ABSTRACT OF THE FIFTY-SIXTH ANNUAL REPORT.

We are thankful to be able to say that we have once more, and for the twenty-first time in annual succession, closed our fiscal year with enough funds on hand to meet all outstanding financial obligations.

During the past year the annual contributions from the churches amounted to $149,416.82, as compared with $155,306.53 the year before, making a decrease of $5,889.71. This probably is accounted for by the contributions of the churches to the Interchurch World Movement underwriting, and relief in China and the Far East, together with business depression. The contributions from Sunday Schools direct and through the Women's Department amounted to $15,815.76, an increase of $1,566.59. The Young People's Societies gave us direct, and through the Women's Department, $18,064.06, an increase of $4,024.43. The Women's Societies gave us direct, and through the Women's Department, $156,989.74, an increase of $31,183.53. Undoubtedly, while the women made this splendid increase to their regular work they went the "second mile" in their giving to the various relief funds. We can always depend on the women's doing their share in the work of the Kingdom. We received interest on invested funds, amounting to $53,278.80, an increase of $9,396.03. From legacies we received $88,089.48, an increase of $45,082.62. From miscellaneous sources we received

$228,494.49, an increase of $195,225.60. Much of this increase is due to an annuity gift of $200,000.00 from "a friend of the Negro." The income of it, after the death of the donor, is to be used toward the endowment of one of the Board's schools. This friend of the Negro has previously given to the Board another annuity gift of $200,000.00, making $400,000.00 in all. Would that we had many more such friends of the Negro.

During the year, the S. P. Harbison Estate authorized the Board to purchase two thousand four hundred and two acres of land at Irmo, S. C., to become a part of the farm homes community established in connection with the Harbison Agricultural College, with the proviso that as this land is sold off, in small tracts of about twenty-five acres each, to worthy colored families, the money received from the sales is to become a permanent fund for the endowment of the Harbison College. The college now has five hundred acres of land in the college farm, and about three thousand and six hundred acres in the farm homes community. Special stress is laid on scientific agriculture at this institution. Purchasers of these farm homes have a good church and well equipped college in their immediate community. We have thus practically brought together the Christian home, church and school, the three essential factors in the building up of any community in righteousness. Why should not all of our seminaries and advanced institutions of learning be endowed? If it is necessary to endow institutions of learning for white people, why should it not be expected that institutions of learning for colored people can get along without such endowments?

We are pleased to note that gifts from living sources indicate an enlarged interest on the part of the people in the great cause which we represent. The number of churches that helped us in any one way, either by congregational collections or through the Sunday-schools or Young People's Societies or through the Women's Board (counting each church only once, whether it gave in only one or in all these ways) was 6,271, a decrease of 740, leaving 3,498 churches that gave us nothing whatever.

The number of Sunday-schools that contributed to the Board direct was 731; the number that gave through the Women's Board, 173, making a total, this year, of 904, an increase of 68.

The number of Young People's Societies contributing direct to the Board was 25, and the number that gave through the Women's Board was 1,609, making a total of 1,634, an increase of 96.

The number of Women's Societies contributing to our work, through the Women's Board or direct, was 4,821, an increase of 281.

The amount given to church work by the people on the field, including church buildings, repairs, contingent expenses, and ministerial support, as reported to us by our ministers in their annual reports to the Board, was this year $208,129.10.

The amount given, on the field, to our school work by patrons and friends, as reported to us by our teachers, was $151,467.33.

In addition to this, the churches under our care, which reported to us gave $18,909.74 to benevolences.

Adding the amounts raised for church and school purposes to the amount given by these churches for the benevolent agencies of the Church, we have a sum total passing through the hands of our ministers, elders and teachers, directly and indirectly, for their own good in their own communities and for the good of others in our own land and in other lands, amounting to $378,506.17.

The Women's Department of our Board is an indispensable adjunct to our original organization. It began its work some thirty-seven years ago and has grown in power and influence for good from year to year. With Mrs. W. T. Larimer as its General Secretary and Miss Roberta C. Barr as its Field Representative for the Pacific Coast, it has made itself felt in every part of this broad land of ours. By their earnestness, energy and tact, they are popularizing a cause that for many years received scant favor and support in many parts of the country. We are glad to say that this has been the banner year for the Women's Department. The women have exceeded their budget by $5,254.06. Mrs. Larimer's annual report is published in the back of this report and should be read by everyone in any way interested in our work.

About two years ago the Board organized a Sunday-school Department with Miss Maud A. Kinniburgh as Secretary. A plan was adopted for selling shares in the different church schools, of which there are one hundred and forty-one, at $2 .00 each, to Sunday-schools. We are pleased to note the interest taken by the Sunday-schools in this plan. Already we have issued 315 shares, and we

hope to enlist the interest of every Sunday-school in this plan. In this way the young people become identified with a particular mission point from which they may receive definite information. An engraved certificate for each share of stock is issued to the school, upon the receipt of $25.00, and as these schools are located in thirteen different southern states, each northern state has one or more schools assigned to it. The importance of enlisting the interest of the young people in this field of missionary effort cannot be over stated.

The schools are classified as follows: 1. Two boarding schools for males only. 2. Five boarding schools for females only. 3. Twenty-one co-educational boarding schools. 4. One hundred and thirteen church schools.

During the year we have received into our churches on confession of faith 2,139 members, and by certificate 303 members. The services have been well attended, and the ministers and people are devoted to their tasks.

The schools have increased from 138 to 141, making three new schools. The number of pupils in the schools during the year has been 18,317, somewhat less than last year, due to the slump in the cotton market, which made it impossible for many of the parents to furnish the tuition and necessary clothing for their children to attend school, at the same time several of the schools were so overcrowded with pupils that many had to be turned away for lack of room in the dormitories.

The salaries of the ministers at the beginning of the year were increased ten per cent., with the provision that the people in the churches would likewise increase their gifts to the minister not less than ten per cent., in addition to the increase allowed by the Board. The teacher also substantially received an increase of ten per cent. from the Board. Even with this increase we had great difficulty in retaining our teachers, as the remuneration offered in other lines of work was so much greater.

The colored Presbyteries, 16 in number, again enthusiastically took hold of the New Era Movement and both in their gifts towards local church support and to the Board made a magnificent increase.

During the year we have completed the erection of the girls' dormitory at Keysville, Ga., known as Adams Hall, at a cost of about $25,000.00. It contains a dining-room in the basement; reading room, music room, and teachers' parlor on the second floor; and dormitory rooms on the third and fourth floors. Part of the money for this building was given by a good friend of the cause, the balance being furnished by the Board. Just when we were congratulating ourselves on having secured at last all the buildings necessary or this school at present, the recitation building known as Boggs Memorial Building was burned to the ground with all its contents, and during the year the classes have been held in the church building, the basement of the new dormitory, and some of them in the principal's home. The recitation building which was destroyed by fire was frame, but the new administration building to be erected should be of brick, and will cost about $25,000.00 when completed. The insurance on this building amounted to $8,000.00; we are therefore hoping and praying that some

good friend of the cause will give us the other $17,000.00 necessary for the erection of the new building.

We have also completed during the year the erection of the girls' dormitory at Arkadelphia, Ark., at a cost of $25,000.00, to be known as the C. W. Black dormitory. Nearly all of the money for this building was given by a good friend of the cause. The building contains a dining-room in the basement, some recitation rooms on the first floor, and dormitory rooms on the second and third floors. Arkadelphia had long been waiting for this much-needed building, and the principal writes that everybody in Arkadelphia, both white and colored, are delighted with this addition to their working equipment.

At Bamberg, S. C., we erected a new school building, at a cost of about $5,000.00. This is a large and flourishing day school, which has only been in existence about two years, known as Frazier Excelsior school; already they have over 232 pupils in attendance.

At Mary Allen Seminary, Crockett, Texas, a new steam heating system is being installed in one of the dormitory buildings, at a cost of $5,000.00, the money having been given by a friend of our work. The barn has been repaired and numerous repairs made to the other buildings of this Institution.

At Selden Institute, Brunswick, Ga., the Board has begun the transformation of the modest frame boys' dormitory into a twenty-room brick veneer building, at a cost of $6,750.00.

From the one hundred and forty-one schools and from the four hundred and forty-eight churches and missions there came up a stream of requests in one way or another. These requests covered a multitude of items, viz.; new stoves, new roofs, paint, fences, desks, plumbing, etc., etc.

The Board made grants amounting to $66,435.38 for various repairs and equipment needed in the schools and for repairs and the building of new churches. Any one of these requests seems too small to mention, but the keeping up of four hundred and eighty school buildings means constant repair.

We have a large number of requests on the waiting list for new buildings, which ought to be granted. Cotton Plant Academy, Cotton Plant, Ark., is in great need of a combination boys' dormitory and recitation building, the old one having been destroyed by fire; $20,000 in addition to the insurance money received will be required for this building.

Biddle University, Charlotte, N. C., lost by fire the theological dormitory, which also contained the kitchen and dining-room. Two buildings should be erected at once, a refectory containing the kitchen and dining-room, at a cost of $15,000, and a brick theological dormitory, at a cost of $30,000. What a splendid opportunity for some benevolently-disposed man or woman to put up this dormitory for the theological students. Biddle has a theological department and there are about forty-five students taking the theological course. We have a small nucleus of $2,000 toward the erection of this building.

Alice Lee Elliott, at Valliant, Okla., must have a recitation building, which would cost about $15,000.00. The good women of California are sending in contributions toward this object; meanwhile, the principal and his workers are constantly besieging us to erect the building this summer.

Albion Academy, Franklinton, N. C., some years ago lost their boys' dormitory by fire and have suffered great inconvenience during the last few years. A friend of the cause has started a fund for this building, which now amounts to $8,327.00; it will require $16,673.00 more to complete the building.

At Martinsville, Va., there is urgent need for a school building, which would cost $6,000.00. This is a day school with about one hundred and forty pupils. The present school meets in the basement of the church, which has very poor light and ventilation and is much over-crowded. The members of the church are willing to purchase a good lot, if the Board will furnish the money for the building.

Mary Potter Memorial School, Oxford, N. C., has outgrown the girls' dormitory known as Wells Hall, and a wing could be very easily added to this building, thus increasing the dormitory space and also enlarging the dining-room; $15,000 would accomplish this. This school has had a most remarkable history under the principalship of Rev. G. C. Shaw, D.D., who has been in charge for about twenty-seven years. It is worth noting that the town of Antioch, which is about ten miles from the school, is almost entirely made up of the graduates from the Mary Potter School, and is one of the prettiest and best kept towns in the South.

In addition to these requests, there are not less than twenty others, for school

buildings, that are worthy of immediate attention if the Board had sufficient funds.

The rapid development of the South during the war period has compelled the Board to add up-to-date plumbing in many of the schools, at a very great cost. Sewerage systems have been installed in many of the southern towns and cities and the Board has been compelled to connect the school properties with these.

There is great need for modern desks in many of the schools. The day has passed when we can use old-fashioned benches in the schools and do efficient work.

During the war period only necessary repairs were made to the school properties, and now a great deal must be done in order to put them in safe condition for use. They should be painted, for their own preservation.

Dr. I. H. Russell, Carthage, N. C., is the successor of Dr. J. J. Wilson as Evangelist for the Synods of Atlantic and Catawba. Dr. Wilson was very successful in his work as an Evangelist, but decided to return to the pastorate. Dr. Russell is in constant demand for services in the churches and schools.

The school at Bowling Green, Kentucky, formerly managed by trustees of the Colored Cumberland Church, is now under the direction of our Board. Members of the Colored Cumberland Church are especially welcome at this school and the ministers of the Colored Cumberland Church take advantage of the Bible Department to secure a better training for their work.

Rev. J. W. Lee, D.D., Field Missionary for work in the northern states has been extremely busy during the year in the investigation of new work located within the bounds of white Presbyteries, and in the visitation of churches already established. He has assisted in the organization of several new churches and has proved himself to be worthy of the confidence placed in him by the various Presbyteries. We have included the northern churches in our annual report, for the convenience of any who may wish a list of all the colored churches in our denomination.

During the year, Mr. John Updegraff, an elder in the East Liberty Church, and Mr. James I. Kay, an elder in the Shadyside Church of Pittsburgh, both of whom were very useful men as members of our Board, passed on to receive their crown. Mr. Newton K. Delavan, of the East Liberty Church, was elected to take the place of Mr. John Updegraff, and Mr. Alexander Murdock, of the Shadyside Church, was elected to take the place of Mr. James I. Kay.

ABSTRACT OF THE FORTIETH ANNUAL REPORT.

With the adoption of the 18th Amendment to the Federal Constitution, the General Assembly enlarged the work of its Board of Temperance so as to include other subjects. The questions referred to this Board have been grouped under several heads as follows:

1. Temperance at Home and Abroad. 2. Family and Juvenile Welfare. 3. Social Hygiene. 4. Defective and Delinquent Classes. 5. Drugs and Narcotics. 6. Hospitals and Orphanages. 7. Humane Education. 8. Research and Statistics.

Temperance at Home and Abroad.—The enactment of law prohibiting a thing which has been practiced for centuries, and which appeals to the appetite or cupidity, is not quickly or willingly accepted by all; and where there is incentive and opportunity for violation, education must be continued until favorable sentiment is in such preponderance as to make violation increasingly dangerous and disreputable.

It is to be remembered that the merit of prohibition is not now before the people for consideration. That question has been decided, and is embodied in the fundamental law of the land. There are only two courses open to patriotic, law-abiding citizens—one is to uphold and enforce the law; the other is to advocate its orderly repeal. Any effort to nullify or evade the law is as unworthy as it is anarchistic.

Many violations of the law have gone unpunished through indifference, incompetence, or miscarriage of justice, but in the first ten months of prohibition approximately 25,000 people were arrested; thousands of breweries, distilleries, still-worms and "fermenters" were destroyed, and more than $22,000,000 was realized in penalties, from various sources.

In coöperation with our own Board of Foreign Missions and other similar agencies, your Board has been at work in the following foreign countries: Mexico, Costa Rica, Cuba, Brazil, Chile, Siam, Japan, Korea, Australia, South Africa, three centers in China, three in India, France, England, Scotland, Wales, Ireland and Persia. This work is done through the World Prohibition Federation, through which body most of the active denominational, interdenominational and some non-ecclesiastical organizations function.

Family and Juvenile Welfare.—Some of the lines of work under this department are: Amusements and Recreation; Child Labor; Marriage and Divorce; Illegitimacy; Community Centers; and "Better Cities" Campaigns. For the latter, the Rotary Club of Shawnee, Oklahoma, provides a cash prize of $2,500, to be given to the city which shows itself the best place in which to rear a family, as judged by ten points agreed upon, and decided by a commission appointed for the purpose, after visiting the respective places. At the present time about thirty-five cities have entered the contest.

Of the many subjects committed to this Board, few, if any, have received more careful consideration than that of Amusements and Recreation, especially the moving picture. The extent of this industry, the money involved, the people who attend, the youthful age of many of them, the impression made through the eyes, the difficulty of insuring wholesome pictures, the character of the persons lionized, the possibilities of good, and the equal possibilities of evil, are all such as to complicate the problem.

The family is the unit of civilization. Any thing which threatens its integrity and permanency strikes not only at the foundation of the Republic, but is the enemy of all government, and one of the direst curses that can afflict mankind. We do not take the position that a marriage should never be annulled, but we do insist that only on scriptural warrant, or such other conditions as are warranted by the spirit of the Scripture, is such a step justified. According to reliable authority, more than 115,000 homes are annually broken up in this way,

and it is from such broken homes that a large proportion of juvenile delinquency comes. Polygamy, consecutive or simultaneous, is equally sinful.

Social Hygiene.—This Board has been fortunate in having throughout the year the wise and diligent oversight of Winfield Scott Hall, M.D., for this department. Author, lecturer, educator, husband, father, counselor and Christian, he has devoted himself to his department with a faithfulness which is equalled only by the enthusiasm with which his labor has been received by colleges, universities, high schools, Mother's Clubs, Y.M.C.A.'s, and other organizations, with an aggregate attendance of 183,990, of whom 128,000 were college and high school students, in 291 schools located in 27 states.

Drugs and Narcotics.—This department has been under the direction of Mr. J. H. Dickason, for many years a professor in the College of Wooster, and a Sunday-school superintendent, as well as an elder. His tact, strength, and general acceptability as a speaker have won for him a large place on the Chautauqua platform, as well as in our high schools, churches, and other places. The fact that Chautauquas, farmers' institutes, and school superintendents are glad to pay for his message, is evidence of its high character and popular presentation. The wealth of literature which he has produced is as large as it is valuable.

About the first of the calendar year arrangements were made with Miss Helen K. Strain, of Brooklyn, N. Y., to take charge of work among women and girls addicted to drugs and other bad habits. Associated with her is Mrs. Amy Unrhue, a "brand snatched from the burning." Miss Strain is a woman of education, culture, consecration, and wide experience at home and abroad. Committees have been appointed by the Presbyteries of New York and Brooklyn-Nassau to confer about and coöperate in this work, and it is hoped that similar committees may be appointed by the several Presbyteries adjacent to New York.

Defectives and Delinquents.—Statistics regarding the number of deaf, dumb, blind, crippled, insane, epileptics, feeble-minded and other defectives are very difficult to secure, because of the lack of any accepted definition for many included in these several classes. There are more people in our penal and correctional institutions than there are students in all of our colleges and universities. This will at first be doubted, and even denied, but, unhappily, statistics confirm the statement. Whatever be one's idea of penology, there can be no dispute that while prisoners have forfeited their liberty, they have not forfeited all their rights, and should not be subjected to the incredible barbarity which is said to characterize the discipline in some prisons.

Forms of delinquency which have assumed enormous proportions are profanity and gambling. The habit, the contagion, the sinfulness and the prevalence of profanity, especially during and since the world war, are shocking in the extreme. The forms of gambling are almost legion, and its prevalence among all classes is so widespread that there are few professions, trades or groups that escape. Most commonwealths have laws against games of chance, both because they are dishonest, in that they give nothing in return for what is received, and because they lead to murder, suicide, embezzlement, defalcation, bankruptcy, and many other evils, as shown by the statistics of many communities. As in the case of other subjects committed to the Board, effort is being made through public address and the printed page to discourage all forms of gambling, and to encourage legislation against it.

Hospitals and Orphanages.—Thousands of disabled soldiers are confined in government hospitals, many of them far from home and friends. Whatever may have been their lack of interest in the church and religion previously, they served their country and the cause of freedom, and are therefore entitled to the material help of the government, and equally to the spiritual help of the church. The National Service Commission having been dissolved, at the request of the committee appointed to close up the business, and on authority of the General Assembly, the Board of Temperance and Moral Welfare took charge of the hospital work on behalf of our church July 1st, 1920.

Humane Education.—The teaching of kindness and mercy to every living thing, including the lower animals, is the task which the Presbyterian Church has set for itself in this department. So far as we are aware, this is the first instance in history where a great religious denomination has undertaken humane work as a regular part of its program. Because man has been given dominion over these creatures which cannot speak for themselves, and can defend themselves only within certain limits, largely subject even then to the will of man, the reflex influence of humane education is large and lasting; but the direct influence is nothing more than is due one of God's creatures to another.

Research and Statistics.—This department is intended to be the servant of all the other departments. To this end, investigations are made when and where practicable, reports are verified, literature is published, speakers furnished, and reliable information supplied.

Conclusion.—At a time when there is much anxiety regarding expenditures and indebtedness, and some uncertainty and depression as to the future, it is gratifying to report that this Board again goes to the General Assembly free from all debt as it has done for at least twenty-five years.

All of which, with gratitude to God, is respectfully submitted to the General Assembly.

Abstract of the Twentieth Annual Report.

The General Assembly's Permanent Committee on Evangelism has completed two decades of work among the churches and has come to the close of its twentieth year, with profound gratitude to God for the really remarkable way in which the Church has received the suggestions of the Committee, and entered into coöperation with it in all its plans for the carrying forward of a Scriptural and comprehensive evangelistic work.

The calls which have come to the Committee from the churches individually and through their presbyteries during the past year, it is safe to say, have equaled in number all the calls that have come to the Committee at least in the past fifteen years of its history. Presbyteries which represent more than one-half of the whole number of our churches have opened wide their doors to your Committee, and have invited it to come into their fields for a coöperative service which usually requires two years for each presbytery. First, a year of preparation and organization of the presbytery and churches, followed by a

year of intensive evangelistic work according to the plan which has come to be known throughout the Church as "the Assembly's Plan of Presbyterial Evangelism."

Your Committee has been faithful to its work and its own members, seeing early in the year that there was danger of a break-down in our organization, through lack of funds, largely increased their own giving at a critical time in order to enable the Committee to keep its contracts with the presbyteries in which it was already engaged.

As the Committee has gone deeper into the actual life and work of the Church in the various presbyterial campaigns which have been concluded, and which are now in course of preparation, it has found that the principles of action which it adopted and stated at the last meeting of the General Assembly are those principles which should continue to guide it in its work. These principles of action may be summarized as follows:

(1) That the very constitution of our Church and the experience of all the years through which we have passed makes it essential that initiative and responsibility for the development of our spiritual life and evangelistic fruitfulness must rest, first of all, upon pastors and sessions; and if they fail, that the ultimate responsibility rests upon the presbyteries.

(2) That although the instructions of the Assembly from year to year have given the Committee the privilege of direct approach to individual churches, and authority to make suggestions to them concerning their evangelistic work, yet the Committee feels that the work of evangelism can be built upon a sound and lasting basis only by the recognition of the primary responsibility of the pastor and the ultimate responsibility of the presbytery to build up in each church and maintain in each presbytery an evangelistic organization which will knit the churches together, keep constant watch over them, and be ready always to aid those in need.

(3) That churches cannot successfully be dealt with in their evangelistic work by wholesale methods, but that close, personal acquaintance with pastors and officers is essential; that the facts concerning the particular situation and needs of each church must be at hand before effective help can be rendered; that congregations differ to such an extent in environment, tradition, temperament and degree of development that it is useless to formulate mechanical plans and programs for presentation to the whole Church.

(4) That the Committee, in the past twenty years, having tested the high-pressure method and also the quiet pastoral and presbyterial or community method of evangelism, stands to-day more firmly than ever for a work which will insure the *normal growth* of the Church as a result of her inward spiritual life and testimony, rather than for methods which may bring about *abnormal accretions* to her membership through temporary and external pressure.

In the past three years the title "Corresponding Secretary," formerly held by Board Secretaries, but which has fallen into disuse, quite accurately described the duties which demand the whole thought and action of at least one secretary.

The correspondence of the Assembly's Committee on Evangelism comes from these sources: (1) From pastors or elders in pastorless churches asking for the Committee's guidance and help in preparing their churches for evangelistic action, and often in securing a leader for evangelistic services. (2) With two hundred or more committees of presbyteries—not only with the chairmen, but with the members—with reference to their evangelistic leadership of the churches in their presbyteries. (3) With the parents of Presbyterian boys and girls in the colleges, concerning the annual week of prayer and evangelistic preaching for which your Committee is primarily responsible to the Assembly. (4) With pastors and sessions about securing the release of men for part-time service—at least five hundred men must be secured for this year in presbyterial campaigns, and a thousand more for work in individual churches. (5) There is also a large volume of general correspondence. Much of this is with other denominations, and part of it has to do with our Assembly's Plan of Evangelism, which continues to attract attention and awaken their desire for a similar work among their churches.

Both in the correspondence and distribution of literature, as in all the work of the Committee, special attention has been given to churches which are without pastors, or which are only irregularly supplied with pastoral service, and to churches which are weak numerically, and in other ways. One of the best features of the work which is being carried on by the presbyteries, in coöperation with your Committee, has been its effect upon these weak and struggling churches. No more glowing report has come from any section of the Church during the past year than from fields that had practically been given up by the presbyteries, but that are now rejoicing in the Lord by reason of a largely increased membership, a new spirit of service, a new independence, and a consciousness of constant victory as they carry on the work which began among them during the intensive evangelistic effort put forth by the presbyteries on their behalf.

The Committee is gratified to find that so large a number of sessions and congregations are willing to release their pastors for periods varying from two to four weeks each for evangelistic work in presbyterial campaigns, and they are gratified also to find that the pastors are eager and willing to enter upon such work at the call of your Committee. It is safe to say that no man who in the past four years has served with the Committee under presbyterial direction as an evangelistic preacher is unwilling to go again. We believe that nearly all the splendid men who have served with us in the past four years constitute an available force for service in presbyteries next year. Their willingness is due to the fact that they have entered into the joy of real evangelistic service and have seen souls by the score coming to Jesus Christ and confessing Him with every evidence of deep repentance and a surrendered will. Their hearts have glowed with a new sense of power and victory as they have stood beside their fellow pastors before those who have made confession of faith in Jesus Christ under their preaching. They are willing to repeat this experience of service from time to time for other churches because they have been able to return to their own fields with a new note of victory in their lives. Their own people have caught the vision from their pastors on their return and in many cases there has followed a revival in the church which they did not expect to see when they gave an affirmative answer to the request of the Assembly's Committee for the release of their pastors for presbyterial evangelistic service.

At a time when the proclamation of a living evangel is the only thing that will make barren churches fruitful, it is pitiful that our churches in any presbytery should not have an instant response from the Assembly through us. If it is asked why there should be such a remarkable increase of interest in the Committee's plan of work on the part of the presbyteries, there are four answers: (1) from the beginning of our service, your Committee and its secretaries have had a clear plan in their minds and a passion in their hearts for just such activity as is now in evidence; (2) more than one half of our ministers and at least one fourth of our elders have been in conference with the Committee members and secretaries; (3) because the method of work which we have developed appeals to the Church as being true to the spirit of apostolic evangelism, in accord with the temperament and best traditions of our Presbyterian fellowship, and immensely practical. Again, it is more fruitful, with a few exceptions, than any coöperative evangelistic work which our churches have hitherto undertaken, and, also, because its indirect results in forming a new comradeship among the men of presbyteries, and the re-establishment of the presbytery as the true bishop of the churches, are of incalculable value, as the men of the presbyteries gladly declare; (4) and finally, because your Committee seldom fails to have the needed man on hand in any presbytery when his services are required to help crystallize presbytery's resolutions into action.

The lines of coöperation between the Assembly's Committee on Evangelism and the Presbyteries, proceed about as follows:

(1) A study of the condition of the whole field is made by the Assembly's Committee, gathered from correspondence often initiated by the presbyteries, and from the statistical reports that comes from the churches.

(2) On the basis of this information, the Assembly's Committee selects presbyteries, which, by reason of their need and the efficiency of their organization, seem ready to enter upon the active year's work of preparation necessary for a successful campaign.

(3) The Assembly's Committee places before the presbyteries information regarding the plan of operation, through literature and correspondence, and this usually results in voluntary action either in a conference or at a regularly called meeting of presbytery, favoring a presbyterial campaign. At this stage the initiative passes from the Assembly's Committee to the presbytery, and the Committee never attempts to exploit the plan further or to urge it upon any presbytery.

(4) The Assembly's Committee now determines—upon the basis of the invitations that have been extended it by the presbyteries to coöperate with them—which of the presbyteries should first proceed to enter upon the active year's preparation for a campaign. After a presbytery has formally taken action adopting the Assembly Committee's plan, pledging itself to carry out all the essential features in the work of preparation, the Assembly's Committee coöperates in the following manner:

(*a*) The Committee, through its representative, advises with the presbytery, in setting up the organization which is to direct the campaign. This involves a General Campaign Committee composed of representative ministers and elders, and such sub-committees as are included in the plan. The Assembly's Committee carries the Campaign Committee through a course of training for such duties as the deputation work, which involves the visitation of every session in the presbytery and the presentation of the plan before every congregation with a view to securing their definite action.

(*b*) The presbytery is then trained in what is necessary for the adequate preparation of each church, and how the Presbytery's Committee on Preparation serves in this work. The Assembly's Committee suggests the method of financing the campaign, and of making up the schedule of meetings, and also coöperates with the committee in charge of the publicity.

(*c*) The responsibility which the Assembly's Committee assumes when the campaign actually begins in the presbytery is the selection of evangelists who are to work within the bounds of the presbytery. These evangelists are loaned to the presbytery for the period of the campaign, and the Assembly's Committee makes itself responsible for them. Again, it secures pastors whose services are requested by the larger churches in the presbytery through correspondence with them and the sessions of their churches, and secures their release for a period of two weeks at a given time.

(*d*) Throughout the entire active campaign, the Assembly's Committee, through its representative, is frequently on the field, coöperating with the Presbytery's Committee on Arrangements, keeping the schedule unbroken; with the Committee on Preparation, keeping up the average standard of preparation in the churches; with the Committee on Publicity in the work of unifying the interest and enabling each church to get the cumulative effect of what is taking place in the presbytery; with the Committee on Finance, keeping clearly before the churches the financial obligations; and with the Campaign Committee in every possible way, working wth them in their purpose to make the whole movement cumulate in a great success for the Kingdom of Christ.

Fourteen years ago the attention of your Committee on Evangelism was called to the fact that college presidents and professors in our Presbyterian institutions of learning were greatly in need of some sympathetic and direct message from the great body of the Church, a message which would be helpful to them in their endeavor to develop the mental and moral life of the young men and women under their care. Accordingly your Committee, under the instruction of the Assembly, engaged a secretary to give his entire time to the work of college visitation in order that he might bring spiritual and moral re-enforcement to faculty members and inspiration to the students through pastoral addresses and personal counsel. Four years later the Board of Education agreed that its campaign for candidate enlistment should be merged with the evangelistic work which your Committee was carrying on, and ever since that time these two agencies have coöperated in this service for our students. For some years there has been a Joint Committee composed of the General Secretaries and three representatives each from the Board of Education and the Committee on Evangelism. The new General Board of Education has entered into this arrangement with a fine spirit of coöperation. Under this Joint Committee on College Visitation

and Evangelistic Work, Rev. W. H. Crothers has served for the past eight years with ever-increasing efficiency and acceptability to the colleges which he has visited, and to the agencies which he serves. During the past year thirty of our colleges were served through the Committee. It has frequently been pointed out in our reports that from 80 to 90 per cent. of the students in our own institutions are members of the Church, but it does not follow that they no longer need the sharp, insistent call of the Gospel to confess and forsake sin, to walk once more with God in true humility and to serve Him with all fidelity. The visitors sent to the colleges do not all follow evangelistic methods or stress the evangelistic note. One year the work will be distinctly evangelistic, and the following year it will be that of calling men to Christ's service.

ABSTRACT OF REPORT.

Encouraging Progress.—More could not be desired relative to openings in the field and encouragement and appreciation from pastors and other leaders among the churches. The increase in contributions is over 50% more than was received during the preceding year. This evidence of growth of interest in the work is gratifying.

Work Done in the Field.—This is chiefly by Institutes, Supper Conferences, and monthly Brotherhood Meetings. These discussions make a valuable contribution to mutual understanding and agreement as to methods of organization and constructive programs of activities for Men's Societies.

It is most evident that they do a vast deal of good in strengthening the fellowships of Presbyterian men and establishing *esprit de corps* among them, and especially in equipping leaders for the work in the Synods, Presbyteries and local churches.

Men Think Differently About Their Churches.—One primary object now sought in meetings and conferences is to lead the men to think of their churches as they ought to think of them. It is clear that if the men think as they should of their churches, they will join in putting into operation our plans and methods for Men's Work. The men are very responsive to the challenge the church itself makes to them when they understand its uniqueness among all institutions with which men affiliate and its more necessary ministry to human need.

Brotherhood and Bible Class.—A very important question, to which the Assembly's Committee has given long and careful consideration is—What kind of organization of men is best in local churches? It seems clear, that while each church must determine what now can best be done in it, in most cases it is best to have in the local church both a Brotherhood or Club and one or more Men's Bible Classes. The Brotherhood or Club should express, in name and constitution, the whole purpose of the Men's Work in the local church. The Brotherhood or Club, under right conditions, makes a large contribution to the building up of the Bible Classes. In a large majority of Presbyterian churches the Men's Bible Classes, after a long experiment, do not enroll 33% of the men of these churches. The Brotherhood or Club, with its more comprehensive program of activities, appeals to a much larger number of men.

Help in Church Finances.—We are almost ready to make the statement that in a church with the right kind of Men's Work the financial problem is solved. Certainly this is true in many churches and is a reasonable expectation. When the men are happy and interested and active in a church; bring into it their business methods, put on the every-member canvasses and advance their own standard of giving, as they do in a men's church, a natural result is the solution of the problem of finance.

New Era Conferences.—Our Secretaries took their full share in the large number of New Era conferences held in October and November. These were a fruitful opportunity for coördinating the Men's Work with that of the other Permanent Agencies.

Field Secretary.—Rev. George P. Horst, D.D., pastor of the Second Church of Portsmouth, Ohio, has been elected Field Secretary. He will be principally in charge of the organization of conferences, and will coöperate with Synodical and Presbyterial Committees. Dr. Horst is thoroughly trained in the work of the pastorate and in work with men. He had a remarkable experience in work with men on the battlefields of Europe. He is by training and natural gifts splendidly equipped for our Men's Work and will bring much wisdom and energy to the staff.

The Service Men.—The Rev. George J. Russell, a returned chaplain, has been engaged in making a careful survey of the situation regarding Service Men throughout our church, and in stimulating interest in them by addresses in churches.

Most ministers recognize that the former Service Men present a serious problem to the church, and a determined effort is being made to reach them. They are destined to be either an asset or a liability and special efforts must be put forth if they are to be won for the life and work of the church. Where special work has been attempted and wisely carried on, the success has been very great. One of the most difficult phases of the problem is due to the fact that there is a large changing of residence among these men. The Committee on Men's Work desires to render every possible service to churches in order that their duty to these men to whom we owe so much may be discharged, and it awaits the direction, and will welcome the counsel of the General Assembly concerning this work.

Reports on Men's Organizations.—In order to know as far as possible the state of Men's Work throughout the church, a letter and report card were sent March 10 to all the churches on the mailing list of the New Era Distribution Department; and 2580 churches reported on Men's Work. Of these churches, only one-half have Men's Work, and 26% of them report

organizations formed since January 1, 1920. These figures are significant, coming as they do from a cross-section of the Church, including all classes of churches from all sections of the country. More than two-thirds of those addressed sent no report, and many of these have organizations, a goodly proportion of them formed recently.

The Yearly Program of Activities.—Many men's societies adopt yearly programs of activities. These are carefully wrought out by leaders in the local church, in consultation with representatives of the Assembly's Committee, and adopted by the Men's Society. This is an effective way to keep the work going. While there are fundamental activities—each society must adapt its program to meet local conditions. A careful inventory of the field and of the available force will enable the local leaders to adapt the program of activities to local needs each year. This survey should cover such matters as, the church plant, the pastor's needs, the church services, the community needs, and the denominational needs.

Underlying Principles.—Leaders must appreciate certain underlying principles in Men's Work. We can secure permanency and effectiveness only as we carry on certain educational processes that will create motive power in men. Some of these underlying principles are—appreciation of the need and worth of the church, building the men of the same church into a corporate Christian body, development of the religious life of the individual man, appreciation of Presbyterian denominational agencies and institutions as having first claim on our men and as giving them their best opportunity for a fruitful continuous ministry.

Denominational Men's Work Necessary.—The Interdenominational Men's Movements were limited in large measure to educational and inspirational features. The men must be organized for permanent work in thousands of local churches, the only available fields of service for most men. Only the denominational agency has the facilities for doing this. There is general agreement among leaders about this fact. Our Presbyterian Polity is well adapted to such a purpose. We are following here he well-known lines of development in other departments of the work of the Church.

Publicity.—The following publications are available on request: "Men's Work in the Presbyterian Church," "What Presbyterian Men Are Doing in Their Churches," "What a Man Owes to His Church," "How to Organize Presbyterian Men; How to Keep Them at Work," "Sixteen Years of Men's Work in a Presbyterian Church," "Declaration of Purpose for Presbyterian Men's Organizations," "Boy Scouts and the Presbyterian Church," "Duties of Committees."

The Permanent Committee on Sabbath Observance completes its second year with a word to the General Assembly full of encouragement, and also with a note of warning that should be heeded quickly, and a challenge worthy of most enthusiastic acceptance. And, first, it cannot praise too highly those faithful pastors and wide-awake churches that have been wrestling with principalities and powers of a modern day; those organized forces of Sabbath desecration which have been seeking to discredit the preacher, side-track the Church and, rob the Bible School of its right of way on the Lord's Day. Launching its educational program and providing every Church and Bible School with selected literature dealing with various phases of the Sabbath question, the Permanent Committee soon realized that a deal of practical service must be rendered, as these organized forces backed by millions of dollars for propaganda work were moving with concerted action in a well-timed attack on the American Sunday, in the hope of casting upon the scrap heap its traditional and historic sacred observance for a Continental and commercial consideration, capitalizing the people's freedom and rest into the biggest money-making day of the week. With a limited and very meagre apportionment of the Church's money on which to base its hope of service, the Committee had to move with extra caution financially, though it realized its tasks merited attention and effort second to none in the Church's varied activities. With so limited a support of the purse of the Church it yet has to its credit a year's work fruitful in results, giving aid and succor to a multitude of pastors and agencies of the Church, reaching large stretches of uncultivated territory and coöperating with the Lord's Day Alliance of the United States and its affiliated societies.

Educational Work.—More than a million pages of literature were published by the Committee and distributed among pastors, churches, schools and societies. A special "Lord's Day" program was issued for Lord's Day Sunday, April 3rd, 1921, and used in all sections of the country. Thousands of "Ameri-

can Christian Sabbath" button pins were distributed. Numerous conferences and discussion meetings were held with pastors and ministers' associations. Hundreds of addresses were delivered by the Secretary and some members of the Committee. Many pastors were given aid on their local Sabbath problems.

Practical Victories.—*Maine* rejected a Sunday bill which would open certain trade establishments and amateur sport and unpaid movies, and *New Hampshire* did the same. *Rhode Island* buried the Sunday movie bill. The *Massachusetts* legislature voted unanimously against commercialized Sunday baseball. *Connecticut* passed the commercial Sunday Baseball Bill, but the Governor vetoed it. In *New York State* the double defeat of the Dickstein Sunday Business Bill and eighteen other bills which attacked the American Sunday and the whole penal code of the State is significant. Excellent progress was also made on bills to close all grocery stores and barber shops in New York State on Sunday. Aid was given the Motion Picture Censorship Bill which passed the legislature. In *New Jersey* the motion picture forces and the commercial sporting advocates were held absolutely in check. The Alliance led the Sabbath forces here as also in the states and districts mentioned below. In *Pennsylvania* here was defeated an obnoxious Sunday Motion Picture Bill by an overwhelming vote in the Assembly, and other proposed Anti-Sunday legislation was killed in committees. In *Ohio* the Taylor Sunday Movie Bill was defeated, and at this writing progress was made on a bill to more strictly censor motion pictures. In *Wisconsin* an advantage for more rest days for Policemen was won through the passage of such a bill which the Wisconsin Lord's Day Alliance auxiliary had introduced and led to success. A grist of anti-Sabbath bills is being held back through the influence of this auxiliary. Splendid results may also be reported from *Delaware*, *Maryland*, and some of the *mid-West and Pacific Coast states*, the *South* where last July organized work was undertaken by the Alliance, and in the *District of Columbia*, where a Sunday Rest Law for the District has the support of the Alliance and our Committee coöperating with the Pastor's Federation of Washington.

A Dangerous Propaganda.—The Committee would stress as the outstanding feature of the year, a Nation-wide propaganda for a wide open Sunday, and which was started at Washington, D. C., November 22nd, through the generous help of the daily press. Back of it were powerful amusement and sporting organizations bent on making the Christian Sabbath the big money-getting day of the week. This propaganda was used as a smoke screen to hide their real purpose of a commercial Sunday; and by misrepresentations, exaggerations and a string of false statements published through the press and in the movie houses, and intensive advertising, extensive efforts were made to fool the people and make good the former threat of "wiping out every vestige of laws protecting Sunday from the statute books of every State in the United States." Although the attack was made directly against the Lord's Day Alliance of the United States, which has withstood so successfully the mighty onslaughts of the Motion Picture Industry, the International Sporting Club, the American Amusement Corporation, and certain kinds of business organizations seeking the overthrow of our Sunday laws; your Committee saw that the real issue was, interrogatively stated, "Shall the American Christian Sabbath be Abolished?"

A communication was shaped up by the Secretary of the Committee and sent out to strategic centers warning Presbyterian pastors, and leading ministers of this movement, a more dangerous than which has not been attempted against the American Sunday in the last fifty years. One thing in connection with this propaganda should arouse the righteous indignation of every American Patriot and certainly of every Christian. Financed by the International Sporting Club and filmed by the motion picture managers, an exhibition of five floats which caricatured the imagined foibles of the Puritan was paraded through famous Fifth Avenue, New York, on December 17th. The daily press and movie concerns announced two days before the parade that a surprise would be given the advocates of a "Blue Sunday," another example of he attempt to conceal the real advocates of the "Blue Law" propaganda and an effort to discredit the defenders of the American Sabbath. A few of the ridiculous misrepresentations were—boys imprisoned for "fishing on Sunday," a man in the stocks for "kissing his wife on Sunday," a mother in the pillory for "kissing her child on Sunday," a man in the pillory for "bowling on Sunday."

We heartily commend the fifty representative clergymen of New York and vicinity who met in the Marble Collegiate Church, and after a full discussion of the evidence relating to "Blue Law" propaganda issued a statement warning "the people of the country against believing the ridiculous statements in the press and shown on the movie screens." They urged the heartiest coöperation of the people with the Churches and the Lord's Day Alliance in preventing our American Sunday from being commercialized.

The Southland.—That the South is awakening to the perils of the Sabbath is plainly set forth in the following statement by Rev. I. Cochrane Hunt, D.D., who is directing the work for Sabbath Observance in the Southern states:

"Sabbath Desecration has developed to the point where one, who is neither a prophet nor the son of a prophet, may safely predict—'That unless some radical awakening transpires and an aroused Church turns 'face about' to defend and re-establish God's Day, as such, the Sabbath is doomed.' Nor does it require marked prophetic gifts to still further assert that the final destruction of the Christian Sabbath will inevitably be followed by the complete destruction of the Christian Home, the paralysis of the Christian Church and the certain downfall of the Christian State. This is no idle statement, but the saddest fact which to-day confronts the Church of Christ."

District of Columbia.—For many years, the Pastors' Federation of the District of Columbia has been anxious to secure a proper Sunday rest law for the District, bringing it into line with the States which have ample Sunday law protection. The Federation, the Lord's Day Alliance, and the Permanent Committee, through its Secretary, are working together on plans for the early introduction into Congress of a bill similar to one before Congress a year ago. Recently, as a result of a conference of the Sabbath Committee of the Pastors' Federation and reform societies, held in Washington, the Secretary of the Permanent Committee was requested to prepare such a bill and forward it to the Washington Committee. This bill is now in that Committee's hands. Every citizen who believes in our American Sabbath should promptly get behind this bill when it is introduced in Congress. He should watch for information concerning the progress of the bill which will be sent to him in due time.

Foreign Lands.—The Sabbath has not fared so well in a number of foreign lands, yet it is interesting to note that Switzerland calls upon her people to resort to less pleasure automobiling on the Lord's Day, that Spain has restricted the time of distributing the Sunday newspapers, and that France is considering a six day newspaper bill before the Chamber of Deputies, while Italy is also falling in line with a six day week for many commercial institutions now operating seven days a week. The Federation of Labor of Belgium recently approved law prohibiting virtually all business activity between six o'clock Sunday morning until the same hour Monday morning.

Lord's Day Program.—We ask particular attention to the LORD'S DAY SPECIAL PROGRAM FOR LORD'S DAY WEEK, which has so successfully been used the last several years, and which has been of so great help to Sunday-schools and Young People's Societies using it. The number of copies needed by any school or society will be furnished on application, on the simple condition that an offering be taken for the Committee. Pastors have found it helpful for Sunday and the mid-week service.

Observations.—The Committee would make a further observation or two. The Church which has shown a quickened activity in the direction of meeting the organized attacks against the Christian Sabbath should move with far greater speed if it would give adequate help toward the solution of this most vexing and perplexing problem of the Churches.

Abstract of the Annual Report.

Introductory Statement.—To prepare a full and accurate report of the work carried on by this Committee during the past year is impossible. Its activities have been far too numerous and varied to permit of such record. Moreover, a very large part of the Committee's work is necessarily of such private and confidential character as to prevent any publication of details. Very much of it must be passed over in silence. The most that can be undertaken is to present a very general sketch of the important lines of activity pursued throughout the year.

Ministers and the Assembly's Committee.—During the past year about 800 different ministers sought the assistance of the Assembly's Committee in finding new fields of labor. As is nearly always the case, on the average about 10% were men who for one cause or another were temporarily out of work, while possibly 90% were ministers laboring as regular pastors or stated supplies but desirous of changing fields. When this Committee was established by the General Assembly, its central task as stipulated by the amendment to the Form of Government was "to supervise the supply of vacant pulpits and the service of unemployed ministers." While at that time there was a problem of unemployment which called for definite attention, yet as time advanced it became quite evident that ordinarily about nine-tenths of the real and ever present problem relates to the pastor for one cause or another seeking to change fields. This Committee, in the prosecution of its task, has proceeded under the conviction that "an ounce of prevention is worth a pound of cure," and therefore that considering not only the interests of the men themselves but the work of the Church, it is better wherever possible to prevent ministers from becoming unemployed than to wait until they are without parishes and then have the task, sometimes only more intensified, of assisting them to again find fields of service.

As to Unemployment.—This Committee does not believe that at the present time we have any serious problem of unemployment. Here and there a minister may be found temporarily out of pastoral service, who desires to enter such service, but throughout the year the demand for pastors has been such that practically all men able and available for pastoral service have found suitable fields. Those still unemployed, with few exceptions, are men whose prompt settlement as pastors has been delayed by the conditions attached. Sometimes there is a desire for a certain section of country or for a certain type of field, and not infrequently for a certain amount of financial support. Under existing conditions no man able, available and fitted for pastoral work need be idle if he is willing to go where he is needed without attaching too many or too serious conditions.

Facts for Presbyterians to Consider.—At the present time our Church is probably short at least 400 men for pastoral service. This means that if we should undertake to regularly supply all of our churches or groups of churches able to support men, we would require about 400 more men than we have at the present time. This condition is due to the fact that covering a period of nearly 25 years, as a Church we have not been raising and training a sufficient number of men for the Gospel Ministry. During the last quarter of a century we should have been ordaining on the average 300 men per year, in order to have properly cared for the work already established and provided for a very limited expansion. As a matter of fact, we only ordained during the 25 years on the average 232 men per year. Last year we ordained 169 men, the smallest number ordained in 25

years, with the single exception of the year 1905. In the earlier times, it was our historical record as a Church, covering a period of more than 80 years, that we should have one young man preparing for the Gospel Ministry for every 800 of our members. We reached the high water mark in the year 1896, when as a Church we had one young man preparing for the Ministry for every 625 of our members. How far we have fallen below these standards is indicated by the fact that on March 31, 1920, we had one young man preparing for the Ministry for every 1617 of our members. The only development which has to some extent remedied the situation during the last quarter of a century has been the reception of men from other Denominations. Surprising as it may seem, during the last 25 years we received from other branches of the Church a total of 2554 ministers. True, we certified to other branches of the Church a total of 1121 ministers, some of these being men who came to us and later returned to the Denominations from which they had come. However, during the last quarter of a century we had a net gain in ministers received from other branches of the Church of 57 annually. The above computation does not include the ministers who came to us by virtue of the Cumberland Union. If these were considered in the calculation, then probably at least 40% of the additions to our Ministry during the last 25 years were trained by other branches of the Church. Practically 200 of our ministers die every year. The average for the last 5 years was 190. At the present time, the Church is not annually ordaining as many men as she is losing by death.

Pastoral Support.—It is gratifying to note that during recent years, generally speaking, the scale of ministerial support has steadily risen. During the past year the church endeavoring to find a pastor on a small or insignificant support has rather been the exception.

Of 400 churches or groups of churches reported to us as vacant late in the Fall of 1920, the average support proposed was about $1750, and 75% of these fields had manses. 80% of the entire number offered a support of $1500 and manse or more. 40%, however, proposed a support of from $1500 and manse to $1600 and manse. 27% offered a support of $1800 and manse or more, and 12% of the entire number offered a support of more than $2000 and manse. It is now pretty generally recognized that where pastors give whole time service the support should be at least $1500 and manse for a married man and not less than $1500 for a single man. This is not a very high standard, but if it can be retained as minimum it will, with the cost of living decreasing, be a very decided improvement over former conditions.

District Conferences.—During the year, Conferences of Presbyterial representatives were conducted by the Corresponding Secretary in Cedar Rapids, Ia., Des Moines, Ia., Omaha, Neb., Kansas City, Mo., St. Louis, Mo., Harrisburg, Pa.; Baltimore, Md., Washington, D. C., Wilmington, Del., and Princeton, N. J. These Conferences were well attended and both interesting and profitable, affording opportunity for members of Presbyterial Committees and others interested to come together and enjoy a free interchange of opinion on all phases of this important subject. Similar gatherings should be held in every section of the Church.

Obligations Resting on Presbyteries.—The present scarcity of pastors only emphasizes the necessity that each Presbytery be definitely organized to supervise and care for its own work. To leave vacant churches without proper supply arrangements or permit them to drift along through long, extended periods of searching for pastors without the guidance and assistance of the Presbytery, is inexcusable. Our Form of Government makes the Presbytery directly responsible for the supply of every pulpit within its bounds. The extent to which some Presbyteries are willing to shirk this responsibility, so vitally related to the life and work of the Church, is appalling. The Vacancy and Supply Plan as prepared by this Committee has now been before the Church long enough to demonstrate its practical and effective qualities wherever it has been properly administered. The Presbytery that adopts the Plan and works it as intended by its authors finds a very large number of its troubles disappearing. The Presbytery that nominally adopts the Plan and then fails to work it simply makes a farce of the entire matter, and it would be infinitely better for such a Presbytery not to adopt the Plan. The Presbytery that ignores the Plan and leaves its vacant churches to their own devices will sooner or later reap the harvest of such wilful and inexcusable neglect.

OFFICE: PRESBYTERIAN BUILDING, 156 FIFTH AVE., NEW YORK.

ABSTRACT OF THE THIRD ANNUAL REPORT.

Agreeably with the action of the General Assembly of 1920, the reconstituted Committee on the New Era Movement met and carried out the Assembly's instructions. To clear the way, all the officers presented their resignations. After full discussion, the Committee re-elected its general officers and re-organized its work. The Committee determined that the New organization should comprise a Division of Coördination embracing departments of Stewardship and Missionary Education, and a Division of Promotion, including the work of Every Member Mobilization and Financial Ingathering. Dr. W. S. Marquis was elected head of the Division of Coördination and Rev. Barclay Acheson head of the Division of Promotion. Mr. Acheson declined his appointment and upon request of the Committee Dr. Foulkes was requested to act in the place until it should be filled. The Division of Coördination has worked along three lines: the formulation of a coördinated program for the church, built on the plans and activities of all the Boards and Agencies; the incorporation of the principle of Stewardship in this program; the incorporation also of Missionary Education.

The principal items of this coördinating effort have been: preparation and publication of a Schedule of Suggested Seasonal Activities for nine months of

1920-21; the issuing of a catalogue of leaflets offered for free distribution by the Boards and Agencies, in response to which 1,205,720 leaflets were sent out; the sending out of a program for united evangelistic effort from January 1 to March 30, 1921, prepared with the coöperation of seven Boards and Agencies; the cultivation of publicity along several lines in behalf of the "Raise the Budget" and "Pay the Debt" efforts in the autumn; the supervising of the preparation of 125 sets of slides setting forth the work of all the Boards and Agencies, which slides were used in 948 Churches between October 1920 and April 1921; the production of a set of charts depicting graphically the work of all the Boards and Agencies; the preparing and issuing of a packet of printed matter to promote Sabbath Observance, daily vacation Bible schools, Children's Day and week-day religious schools.

The department of Missionary Education, under the Division of Coördination, reports 7,543 study groups organized, with 137,849 studying missionary text books. The banner presbytery was Detroit, with 273 classes. The banner church was the second of Duluth, with 32 classes.

The department of Stewardship stressed the stewardship of life as well as of possessions, and encouraged definite enrollment for proportionate giving: The director, Mr. McConaughy, held numerous conferences from Iowa westward with great success.

The Division of Promotion was organized with about seven office executives and three mobile field men, with secretaries for fourteen districts.

Its Centralized Distribution Department sent out 8,886,428 pieces of printed matter, a considerable part being board publications. This Department maintains the most perfect address list of pastors and churches available.

The Division of Promotion, by direction of the Assembly's Committee, devoted a part of its time to securing funds to pay off our portion of the debt of the Interchurch World Movement. Nearly $450,000 were thus secured. Also the department allocated from synod to presbytery and from presbytery to individual church the $12,000,000 benevolence budget. It also put through the Every-Member Canvass.

Changes introduced during the year were: a great reduction in printed matter; the issuing of all plans and material on schedule time; the abandonment of forced circulation of printed matter, most of it being sent out only on request; the larger use of stereopticon lectures; the setting up in three cities of a Presbyterian Exposition with splendid success; the simplification of the presbyterial New Era Committee, making it consist of a chairman, a director of stewardship, a director of missionary education, and a director of every member mobilization.

The New Era organization, at the request of the President's Committee on the China Famine Relief Fund, has given considerable help to that worthy cause.

The New Era Committee, on the request of the Executive Commission, conducted the New Era Magazine and the Department of Publi ity for the last five months of the fiscal year.

The total cost of the New Era Movement from April 1, 1918, to March 31 1921, was $1,459,056.21. To it in large part, no doubt, are due the following results:

Average annual increase in receipts from living givers to Boards and Agencies for ten years, ending March 31, 1919, old-era years	$ 163,000
One year increase in receipts from living givers to Boards and Agencies for the year ending March 31, 1920, first New Era year	2,848,000
One year increase in receipts from living givers to Boards and Agencies for the year ending March 31, 1921, second New Era year	1,807,000
Two year increase in receipts from living givers to Boards and Agencies over receipts of last old-era year	4,655,000
Two year increase in receipts from living givers to Boards and Agencies over receipts of last old-era year, on basis of average increase gain d before the New Era Movement	326,000
Two year New Era gain over two year gain at average rate of increase before the New Era Movement began	4,329,000

The total receipts of the General Assembly's Boards and Agencies, including the Woman's Boards and the Self-Supporting Synods, for the year ending March 31, 1919 (the last year before the efforts of the New Era Movement were registered), were $5,354,807.67. Ten years before, in 1910, the budget receipts for the same causes, from the same sources, totalled $3,181,782.05. In the year

ending March 31, 1920, the Boards and Agencies received from the same source $8,393,999.83. In other words, the ten year increase, between 1910 and 1919, was $2,173,025.62, or an average one year increase of $217,302. Contrasted with this, is the record of the first New Era year's increase, over the preceding year of $3,039,192.16, a gain of $866,166 more in one year than the sum total of the gains in the preceding ten years.

In addition to the benevolent receipts during the first New Era year, 1919-1920, the income for congregational expenditures reached the gratifying total of $25,750,000, a gain of $4,663,207 over the preceding year, and a gain of 843% over the average annual increase for the preceding ten years.

The first 240 presbyteries reporting show accessions upon profession of faith of 96,855, as contrasted with 76,565 for the year before, a gain of 26.5%.

The national budget was worked out as carefully as possible in coöperation with representatives of all the Boards and Agencies, whose claims were adjusted as equitably as might be. And the Central Receiving Agency was utilized in the service of the Boards more than ever before.

The experience of the past three years shows that there is a place in the life of the church for these special functions: promotion of a coördinated program of the Boards and Agencies; the use of goals and a seasonal schedule; the employment of the group system; the inculcation of stewardship and missionary education; the employment of intelligent methods of publicity; the promotion of a coördinated budget for all the Boards and Agencies through the every-member canvass.

The Resolutions adopted by the General Assembly concerning the New Era Movement will be found in the Journal of the Assembly, page 46.

WILLIAM HIRAM FOULKES, *General Secretary.*

The above statement shows, in general, the financial condition of the General Assembly from year to year for thirty-six Assemblies. The management which began with 1884 resulted in such economies that a surplus was accumulated, which enabled the Assembly to meet in Portland, Ore., in 1892, and Los Angeles, Cal., in 1903, without calling for additional funds from the Presbyteries, and also to reduce the apportionments from 1896 to 1905. The interest earned during the period amounted to $41,946.32.

*Note: The Assembly year is a *fiscal*, not a calendar year, and ends March 31.

The Trustees of the General Assembly of the Presbyterian Church in the U. S. A., in accordance with the ninth section of its Charter, respectfully report to the General Assembly the state of the accounts of the Corporation for the year ending March 31, 1921.

The accounts are herewith presented and made part of this Report and consist of the Treasurer's annual account of the principal and income, showing the receipts and disbursements of both funds and the balance of cash on hand at the end of the fiscal year, together with the investment of the principal.

These accounts are accompanied by the Report of the Committee of the Board of Finance, with the usual certificate of this Committee and the Report of the Committee on Accounts as to the conditions of the finances and the investment of the funds as shown by the account, and the audit of the Treasurer's account. The certificate of Vollum, Fernley and Vollum, certified public accountants, as to the examination of the accounts, cash and securities of the Corporation, is also appended.

The disposition of the income received upon the various trusts appears in the Treasurer's accounts.

The principal account shows an increase of $78,878.36 accounted for as follows:

Estate of Helen H. P. Manson	$9,427 93
" " Elmira B. Hines	1,000 00
" " Mary Stevenson	2,421 04
Addition to Mead Holmes bequest	100 00
" " Palethorp Estate	16,929 39
J. C. Lord, Legacy	50,000 00
	$79,878 36
Less amount of E. B. Hines, Legacy (Paid to Board of Ministerial Relief)	1,000 00
	$78,878 36

The additions to the Palethorp Legacy are accounted for by the fact that the accumulations of interest, etc. had heretofore been carried to income account. As the church building has been completed and these amounts expended in its construction, they were carried to principal account as a matter of proper bookkeeping.

The Trustees are now administering the following trusts:

Princeton Theological Seminary:	
" 29 Scholarships	$46,575 83
" 4 Professorships	34,284 60
" Permanent Fund	10,661 80
" Student's Fund	10,794 10
38 Miscellaneous Funds	1,057,061 15
Principal Palethorp Legacy	88,179 39
	$1,247,556 87

Of the various trusts twenty-seven were founded prior to 1832. The earliest in 1817. Eight of them are 100 years old and over.

Many of the Miscellaneous funds are subdivided, thus largely increasing the number of beneficiaries.

The funds in the hands of the Trustees are invested as follows:

52 separate loans on real estate secured by first mortgage	$285,400 00
1 ground rent, 6%	700 00
53 separate investments in securities	855,307 81
Real estate devised to Trustees	8,990 04
Real estate held for account of the Palethorp Legacy	88,179 39
Balance uninvested	8,979 63
	$1,247,556 87

The figures on the column marked Assessed Amount in the values placed upon real estate upon which mortgages are held are those of the official assessment of the properties. Those in the column marked Appraised Amount are the valuation of the expert appraiser of the Philadelphia Trust Company, Treasurer of the Board.

The income from investments in stocks, bonds and mortgages and real estate, averaged nearly 4 9/10 per cent. Nearly all of the investments in Corporation Bonds were made at the time when the income return was much smaller than that obtainable at the present time, besides which the Trustees are necessarily restricted to the highest class of investments. The Trustees hold $58,000.00 in U. S. Liberty Loan 4¼ per cent. bonds and $85,000.00 U. S. Treasury 6 per cent. certificates.

The 89 shares of Delaware & Hudson Company, 3 shares Germantown Passenger Railway Co., of Philadelphia, and 14 shares Arlington Fire Insurance Co., of Washington, D. C., the only stocks owned by the Trustees, were received as legacies, also real estate to the value of $8,750.00.

At the date of this Report, no interest is in default on either bonds, stocks or mortgages on real estate, except on $20,000.00 Chicago & Eastern Illinois R. R. Company's General and First Mortgage bonds. This Company was forced into the hands of a receiver by the failure of the St. Louis & San Francisco R. R. Company, lessee of the road. The bonds are a first mortgage on a considerable portion of the C. & E. I. R. R. Co. A plan of reorganization has been prepared which the Trustees will no doubt be willing to accept.

The entire regular expenses of administering the various trusts were $2,451.50. This includes the salaries of the Secretary and of the Treasurer, the compensation of the Solicitor and also printing, auditing, etc.

In addition to acting as Treasurer, the Philadelphia Trust Company supplies to the Board, free of charge, a safe in its burglar-proof vaults under two separate sets of keys, for the safekeeping of the securities, provides storage facilities for the large number of title papers, insurance policies, etc., which accompany the mortgages and also allowed $1,249.65 interest on current balance in their hands.

The Palethorp Memorial Presbyterian Church in Philadelphia for the erection of which there was received a legacy of $75,000.00 has been completed. The amount expended by the Trustees was $88,179.39. The excess over the amount received from the original bequest being the interest accrued while awaiting construction and some $2,100.00 from other sources.

In accordance with the will of the Rev. John C. Lord, the income from the legacy received from his estate is to be disposed of and distributed by the General Assembly at each annual meeting for the furtherance of the Gospel of our Blessed Saviour, at home or abroad as to the Assembly may seem best. It will be necessary for this General Assembly to direct the Trustees as to how the income from this legacy shall be distributed under the terms of the will. The Trustees respectfully request that the Assembly direct them how the income shall be applied during the current year. In 1920 they were directed to distribute it equally between the Boards of Home and Foreign Missions.

It is with great regret that the Trustees announce to the Assembly the death of the Rev. William H. Roberts. It will be necessary for the General Assembly to fill the vacancy occasioned by the death of Dr. Roberts.

The indemnity bond of the Treasurer for $25,000.00 has been renewed for another year.

GEORGE STEVENSON, *President.*

H. P. FORD, *Secretary.*

The undersigned, in accordance with the direction of the General Assembly of 1899, have caused the securities, bonds and mortgages and other evidences of property belonging to the *Trustees of the General Assembly of the Presbyterian Church in the United States of America*, as set forth in the foregoing statement of the Treasurer, to be examined by Messrs. Vollum, Fernley & Vollum, Certified Public Accountants, whose Certificate hereto annexed shows that the same are in proper order, and amounting at their cost value in the aggregate, at the close

of the fiscal year, March 31, 1921, to One million, one hundred and fifty thousand, three hundred and ninety-seven and 85/100 Dollars, adding to which eighty-eight thousand, one hundred and seventy-nine and 39/100 Dollars, being the cost of ground, church building and furnishings of the Henry B. Palethorp Memorial Church at Second and Clearfield Streets, Philadelphia; and eight thousand, nine hundred and seventy-nine and 63/100 Dollars, Cash Balance of Principal, makes total fund on hand at close of fiscal year, as shown on books, One million, two hundred and forty-seven thousand, five hundred and fifty-six and 87/100 Dollars.

All the securities are deposited in the vaults of the Philadelphia Trust Company, Philadelphia, and are all registered in the name of the Corporation, with the exception of Ten thousand (10,000) Dollars Cincinnati, Indianapolis, St. Louis and Chicago Railway Company General 4's and Twenty thousand (20,000) Dollars Chicago and Eastern Illinois Railroad Company General Consolidated and First Mortgage 5's, Twenty thousand (20,000) Dollars U. S. of America Certificates of Indebtedness 6's, due August 16, 1921, Thirty thousand (30,000) Dollars U. Part of the securities mentioned in said statement were specially bequeathed to the Corporation.

The Committee further reports that all investments have been made and are maintained in carefully selected high class securities strictly within the category and classes prescribed by Article IV of the By-Laws. All real estate securities are based upon the values of the specific properties not exceeding an average of sixty per cent. thereof as ascertained by both official assessment and appraisement of competent experts, and all of highest class and, while under the exceptional monetary and financial conditions just now existent the present market price of some of the securities, other than mortgages, may be considerably less than their cost price, their real value is, in the judgment of the Committee, not diminished; the interest and income therefrom being regularly paid with one exception, namely:—that on the Chicago and Eastern Illinois Railroad Company General Consolidated and First Mortgage 5% bonds.

Default was made in the payment of interest due May 1st, 1915, the road having passed into the hands of a Receiver.

A competent Committee has been formed to look after the interests of the bondholders.

A plan of re-organization of the Chicago and Eastern Illinois Railroad Company has been prepared and will be submitted to the Finance Committee.

Miscellaneous.

I. THE MILEAGE AND CONTINGENT FUNDS.

Special attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended, it is, in part, as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chapter xxii, Section 3, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebler Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

* * * * * * * * * * * * *

"4. * * * * * * It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that Commissioners asking compensation for sleeping car fare attach receipts to their claims for Mileage, for all sleeping car fares. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

* * * * * * * * * * * * *

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every Minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual *Minutes* of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from and to their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Treasurer of the General Assembly, a sum equal to *three cents* for Mileage, and *three cents* for Contingent Expenses, or in all *six cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

ENTERTAINMENT FUND.

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *two cents* per church member, and to forward it, with the Mileage and Contingent Funds, to the Treasurer of the Assembly.

The bills for entertainment for moneys actually expended, up to the limit fixed by the Assembly, the Treasurer is authorized to pay, subject to the provisions of the Plan of Financial Administration of the Assembly.

☞See, *Minutes* of 1921, p. 191.

II. THE ANNUAL MINUTES.

The *Minutes* for 1921 will be supplied in accordance with the following regulations:

1. A paper-covered copy is sent, free of charge:

(1) To every ordained minister belonging to a Presbytery having paid its full Contingent and Mileage apportionments. (2) To each vacant church connected with a Presbytery that has paid its apportionments for the Contingent and Mileage Funds, if the Session Clerk applies for it by writing to the Stated Clerk. (3) To lay commissioners of the preceding Assembly. (4) To lay members of Boards and of Permanent and Special Committees. (5) To Foreign Mission Stations and Missionaries whose addresses are furnished by the Foreign Board Secretaries. (6) To such persons, organizations, and institutions as the Stated Clerk, with the advice of the Executive Commission, may place on his "exchange" and "free" lists.

2. To any of the above-mentioned, if they so request, cloth-bound copies will be sent, instead of paper, for 50 cents per copy, provided the Stated Clerk receives the money in time to make this change.

3. In addition to the distribution above indicated, a free cloth copy is sent to each Assembly officer and Synodical and Presbyterial Stated Clerk.

4. The charge to Session Clerks is 75 cents per copy, for paper; $1.00 for cloth.

5. Others than those here designated, who wish to purchase *Minutes*, can obtain the paper-bound for $1.50 and the cloth for $2.00 per copy, free of postage, by making application to the Presbyterian Book Store, Witherspoon Building, Philadelphia, Pa. The Stated Clerk's office does not handle the *Minutes* for sale to the public.

III. SYNODICAL REPORTS.

A *Statistical Report* is to be made to the Assembly by the Stated Clerk of every Synod, in which are to be stated the number and names of the Presbyteries within the bounds of the Synod; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting of the Synod; the names of the Moderator and the Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod for this purpose, which should be filled out and forwarded, without delay, to the Stated Clerk of the Assembly.

IV. PRESBYTERIAL REPORTS.

It is required of every Presbytery to prepare and forward to the Stated Clerk of the General Assembly:

1. A *Statistical Report*, according to the form exhibited on page 405 of the present Appendix; a printed blank for which will be furnished, in due season, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes made in the Presbytery previous to the first day of April.

2. A *Narrative of Christian Life and Work* within the bounds of the Presbytery, for the year ending March 31st. A blank has been adopted by the Assembly (*Minutes*, 1917, p. 289; 1918, pp. 243, 283; 1919, pp. 264, 319), and a copy will be forwarded to every Stated Clerk. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Standing Committee of the Assembly in preparing their Annual General Narrative of the State of Religion within the bounds of the Church. The blanks for the *Congregational* Narratives are also furnished by the Stated Clerk of the Assembly.

3. A *Tabulated Statement*. By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly, together with the Narrative, at least ten days before the meeting of that body.

A statement of the number of licensures, ordinations, installations, dissolutions of pastoral relations; organizations and dissolutions of churches; receptions and dismissions of Ministers and churches; together with the number of deaths of Ministers since the last Annual Report, are to be inserted in the proper places in the Tabulated Statement.

V. STATED CLERKS OF PRESBYTERIES.

In preparing the Statistical Report, let the following RULES be strictly observed:*

(1) Fill up the *Statistical Report Blank* in every detail. (See above, 1.)

(2) Record Ministers in the order of dates of ordination, *not alphabetically*, with their CHRISTIAN names in full, without abbreviations, or duplications, and put their P. O. address on the same line, in the adjoining column.

(3) Report as *in transitu* the name of each Minister dismissed by action of Presbytery. Do not strike his name from your Roll until you have been officially informed of his reception by another Presbytery.

(4) ☞Place the name of every Church and Mission Chapel opposite the name of its Pastor, or Stated Supply; never opposite the name of any other Minister. * The Reports of the Presbyteries in the *Minutes* show the established form, which should be carefully followed in every particular by *Clerks of Sessions*, as well as by Stated Clerks of Presbyteries.

It is respectfully recommended that such titles as B.D., Ph.D., A.M., Sc.D., be omitted after the names of ministers. Their insertion has not been approved by General Assembly.

(6) Place after the name of every Church the abbreviation P., for one that has a Pastor; P.E., for one that has a Pastor-Elect; S.S., for one that has a Stated Supply; V., for one that is vacant, and also add "m" for each church with a manse.

(7) If a Church fail to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants, denoting the fact.

(8) *Additions.*—In the additions to church membership, distinguish between those by Examination, those by Certificate, and those by Restoration. The column headed "Restored" is to include all those who have been reinstated, whether from the Suspended Roll, or by action of Session in restoration after full judicial process.

The column headed "Suspended Roll" is to include the number of non-resident members whose cases were acted upon, *during the year*, by the Session under Sections 50 and 51, Book of Discipline (not the total number on the Roll); also those suspended after full judicial process.

(10) *Baptisms.*—In the baptisms, distinguish between the persons baptized upon confession and those baptized as infants.

(11) *Balancing of Returns.*—Compare your report of communicants with that of the previous year and adjust the return so that it will balance. For example: Total members previous year, 205. Additions, "Examination" 22, "Certificate" 16, "Restored" 5, total 43. Losses, "Dismissed," etc., 12, "Suspended Roll" 18, "Deceased" 6, total 36. Gain, 7. Net total this year, 212.

(12) *Sabbath-school Membership.*—To include officers, teachers and scholars in all Sabbath-schools connected with the congregation, not including the "Cradle Roll" nor the "Home Department." [*Note.*—A separate statement of the details of Sabbath-school work is to be made for the use of the Board of Publication and Sabbath School Work, but this is to be on a special blank furnished by the Board of Publication, and not from the office of the Assembly's Stated Clerk.]

Funds.—The columns for the Funds Contributed are to be filled as follows:

Congregational.—To include all moneys collected in or by the congregation for local church purposes—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices, the liquidation of debts, church endowments and other objects. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included.

m. Miscellaneous.—To include all moneys paid to Tract Societies, Christian Endeavor, Young Men's Christian Associations, Hospitals, general benevolence, etc.

Individual Gifts.—If the donors do not object, the direct gifts of individuals to any of the Boards, or to the causes they represent, should be reported with other gifts under the proper head. Individual gifts for religious and charitable causes not included in the regular schedule should be placed under the head "Miscellaneous."

Be sure to omit the fractions of the dollar, except in the General Assembly column.

(14) The *Names* of the Licentiates are to be recorded immediately after the list of Ministers, in the same column, with their *Addresses* in the next column; next give the *Names* and *Addresses* of the Local Evangelists; these are *not* ordained ministers. Of the Candidates—including all who are studying for the ministry under the care of the churches of the Presbytery—the *Number* only is to be given.

(15) ☞**ADD UP**☜ and **verify** every column of figures, and *Authenticate* the Report with your signature, together with the date.

(16) Avoid erasures and interlineations, **make names and numbers distinctly legible,** and punctuate properly.

(17) Affix no extraneous matter, such as memoranda, explanations, or orders for the delivery of the printed *Minutes* of the Assembly; let these be given on a separate sheet; also, every Overture to the Assembly.

Revise your Report, and find out its defects. Put in the commas and periods that are wanting; fill out the abbreviations; supply the *Christian* names of every Minister (an *initial* letter is not a name), and see that every name and figure is perfectly legible and arranged in strict accordance with the established form.

☞ Forward the Statistical Report at the earliest date possible, to the office of the Stated Clerk of the General Assembly, 515 Witherspoon Building, Philadelphia, Pa.

(The foregoing instructions apply to the Statistical Blanks now in use. The last Assembly passed an order for the issuing of the *Minutes* hereafter in three volumes, and the execution of this plan will necessarily require the preparation of new Blanks, which will carry their own appropriate directions.)

VI. STANDING RULES.

1. The General Assembly shall meet annually, on the third Thursday of May, beginning at 10.30 A.M.; the afternoon session shall be held at 2.30 P.M.

2. The enrollment of Commissioners and Delegates takes place on the same day, or the preceding day, according to public notice.

3 In all regions, where through the organization of Union Presbyteries or the existence of Missions without Presbyterial organization, there are no Presbyteries in connection with this Assembly, each Mission organized, as such, under our Board of Foreign Missions, may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under the rules, on all questions, and that his expenses from his domicile, in this country, to and during the Assembly, and return, shall be met, as those of Commissioners, out of the funds of the Assembly [1887, p. 247]. This rule shall also apply to Home Mission Presbyteries whose members are so located as to prevent regular meetings, and in the discretion of the Assembly. The names of the Advisory members shall be called at the first Roll-Call, and seats shall be assigned them by the Stated Clerk. [1907, p. 88; 1908, p. 130.]

4. The Lord's Supper is celebrated by the Assembly on the first day of its sessions, all details as to place and hour and the order of the service being left to the discretion of the local Committee of Arrangements and the Moderator of the last Assembly, who presides on this occasion.

5. The whole territory of the Church shall be divided into twenty-two Electing Districts, composed of Presbyteries, so arranged, by combining the smaller Synods, and dividing the larger by Presbyteries, as to make nearly equal delegations, as follows, *e.g.:*

6. (*a*) The General Assembly shall be divided into twenty-two Electing Sections, composed of Commissioners, so arranged as to make the Sections of nearly equal delegations. The Electing Sections shall be numbered the same as the Electing Districts.

(*b*) The members of each Electing Section shall be seated together in a compact body. Accordingly, each Commissioner shall be assigned to his seat in advance of the meeting of the Assembly, by the Committee of Arrangements, under the supervision and direction of the Stated Clerk, and shall occupy such pew or seat from the beginning of the first session until the end of the second day. The Commissioners of any one Electing District shall not occupy the same position relative to the Moderator's Chair two years in succession. Electing Sections, in the place of meeting, shall be numbered beginning from right to left immediately in front of the Moderator, and the respective Electing Sections shall be rotated from front to rear successively.

(*c*) The organization of the Electing Sections shall be effected in the following manner, to wit:

Immediately after the roll call, and before the nominating and seconding speeches for Moderator shall be made, the Stated Clerk shall announce one Commissioner in each Electing Section as the Convener thereof, and the receiver of any necessary papers for the Section. Under the supervision of such Convener, each Electing Section shall then elect a Chairman and a Secretary. The quorum of an Electing Section shall be a majority of its members.

7. (*a*) The roll shall be called immediately after the opening prayer at the afternoon session of the first day, in the following manner, unless there be a motion to the contrary, to wit: only the names of absentees as they appear on the roll shall be called, at which time any needed corrections may be made.

(*b*) Whenever additional members take their seats, their names shall be added to the roll.

(*c*) No Commissioner failing to enroll shall be allowed to vote in his Electing Section.

8. The election of the Moderator shall be effected immediately after the roll-call and the organization of the Electing Sections, in the following manner, to wit:

(*a*) Only one speech nominating a candidate for Moderator shall be made, limited to ten minutes; and only one speech, and that not to exceed five minutes, shall be made in seconding the nomination of a candidate.

(*b*) Where there is only one nominee for Moderator, the election may be made by acclamation. Where there are more than one, the election may be made by ballot, in the following manner, to wit:

After the nominations are made (the organization of the Electing Sections having been effected (see Rule 6, (*c*)), the Chairman of each Electing Section shall appoint two tellers. Each Commissioner shall write the name of his choice on a blank, to be provided in advance by the Stated Clerk. The tellers shall collect the ballots and count them, under the supervision of the Chairman. The result shall be recorded by the Secretary on blanks in duplicate, one of which shall be handed to the Stated Clerk, with the number of the Section written thereupon. The other shall be retained by the Secretary.

(*c*) When the reports of the ballots have been handed in from all the Sections, the Stated Clerk shall read each aloud, giving the number of the Section and the vote cast. Tellers appointed by the Stated Clerk shall take and tabulate the votes as read. The Moderator shall then announce the vote as tabulated. If no one has received a majority of the whole vote, another vote shall be taken in the same manner. When one shall have received a majority, the Moderator shall announce the result, and declare him to be elected.

9. The election of the Standing Committees, by the Electing Sections shall be effected immediately after the election of the Moderator, in the following manner, to wit:

(*a*) The Electing Sections shall meet, at the places assigned them, for the purpose of electing the Standing Committees, at the close of the second session on Thursday, the first day, and the place of meeting shall be designated by the Stated Clerk.

(*b*) The Standing Committees shall be numbered consecutively, and shall each consist of twenty-three members, including the Chairman and eleven ministers and eleven elders. The Committees shall be chosen from the Electing Sections as herein provided. The quorum shall be a majority of the members. Each Presbytery shall be represented on some Standing Committee.

(*c*) On odd-numbered years, each odd-numbered Section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee.

On the same year, each even-numbered Section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee.

On the even-numbered years this order shall be reversed.

(*d*) The Stated Clerk shall furnish to each Electing Section properly printed Election Return Blanks, for the election of the Standing Committees, which shall be filled in by the Secretary of the Electing Section, and returned forthwith to the Stated Clerk.

(*e*) As soon as possible after his election, the Moderator shall appoint an additional member of each Standing Committee, who shall be the Chairman thereof, provided that he shall not appoint more than one member, as Chairman, from the same Electing Section, except in the case of the Committees on Mileage and on Finance, and the Chairmen of these two Committees shall be Ruling Elders.

If the Moderator shall appoint, as a member and Chairman of any Standing Committee, any one chosen by any Electing Section, as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee, caused by the Moderator's appointment.

10. The Stated Clerk shall give notices to the Commissioners as to their places in the Electing Sections and as to the Committeemen to be chosen. He shall also assign their places, in the Electing Districts, to new Presbyteries that may be erected during the intervals of the meetings of the Assembly, and he shall attend to other details connected with the operation of the Plan.

11. The election of the class of members of the Executive Commission whose term expires at an Assembly shall take place on the second Thursday of the Assembly's session, the nominations to be made by a Special Committee of twenty-three members, eleven ministers and eleven elders, together with the Moderator; the twenty-two ministers and elders to represent the twenty-two Electing Sections, and to be appointed as follows: on odd-numbered years each odd-numbered Section shall elect one minister, and each even-numbered Section shall elect one elder; but on the even-numbered years the order shall be reversed. The members of the Special Committee shall be elected by the respective Electing Sections immediately after the election of the members of the Standing Committees. And no person who has served a full term of three years on the Executive Commission shall be eligible for re-election until another full term of three years has intervened. (*Minutes*, 1909, p. 99; 1912, p. 79.)

12. The Assembly of 1920 directed that "to the list of the General Assembly's Standing Committees there shall be added one, as Number 19, on Synodical Records, to which shall be referred all Minutes of Synods, for examination, this method of caring for the records of Synods to supplant the one now in vogue."

13. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of the same, and then deliver them, for distribution or reference, to the Standing Committee on Bills and Overtures. All complaints and appeals, however, shall be transmitted by the Stated Clerk directly to the Judicial Committee.

14. All Overtures, memorials and miscellaneous papers, connected with the business of the Assembly, must be presented to the Assembly through the Stated Clerk not later than the close of the second day of its session.

15. Hereafter, all Overtures from Presbyteries and Synods, which are to come before the General Assembly shall be, so far as practicable, in the hands of the Stated Clerk at least two weeks before the meeting of the Assembly, and by him shall be printed in convenient form for distribution on the floor of the Assembly, such distribution to be made not later than the second day of the Assembly.

16. All Special Committees appointed by one General Assembly to report to the next Assembly shall be ready to present their Reports on the second day of the session. Only one formal address in explanation of a Report shall be made. (See Rule 17.)

17. All reports of Special and other Committees shall be delivered to the Stated Clerk on or before April 1, in each year, shall be printed by him, and copies shall be sent, in bound form, to Commissioners, so far as practicable, immediately upon notification of their election; and copies shall also be delivered to the Assembly on the second day of the sessions.

GENERAL RULES FOR JUDICATORIES.

[The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. Subsequent Assemblies have modified them from time to time.]

I. The Moderator shall take the chair precisely at the hour to which the judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present *being a Commissioner*, or, if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the Standing Committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members: but he shall not vote in any other case, unless the judicatory be equally divided; when, if he do not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the Clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the Clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the Clerk immediately to file all papers, in the order in which they have been read, with proper endorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment, to report its recommendations as to orders of business or reference of papers, and this right of the committee shall take precedence of the Orders of the Day. This committee shall report

the papers retained by it, as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory. (See Standing Rule, No. 13, p. 408.)

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its sessions, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate, but it shall not be in order for any one debating another motion to propose the motion to lay on the table or the previous question, at the close of his remarks, unless he shall obtain the floor again for that purpose. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion to amend an amendment to an amendment, shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, viz.: A motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall be admitted only when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and, lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a small proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule, the "yeas and nays" shall not be called except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If, on such a rising vote, the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles, and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order, or for the purpose of correcting mistakes or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely, in their speeches, to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private, on business which, in their judgment, ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called "interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce, from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high character as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XLI. It is expedient that Judicatories appoint a Standing Committee, to be known as the Committee on Judicial Business, to which shall be referred all papers and questions of a judicial nature, and whose duty it shall be to recommend to the judicatory answers to judicial questions, and orders of procedure in all judicial cases.

In the General Assembly, the province of the Committee on Judicial Business shall be to pass upon the question of the regularity of the papers and the record in all cases referred to it by the Assembly; to determine, upon the face of the papers, whether questions of doctrine or Constitution are raised, and if, *prima facie*, there is a case, to recommend the same to the Assembly for reference to Judicial Commissions. The members of the Committee on Judicial Business are not debarred by their appointment from sitting and voting as members of the judicatory.

XLII. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XLIII. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung an appropriate psalm or hymn, and shall pronounce the apostolical benediction.

XLIV. Whenever a case is to be taken from an inferior judicatory to the General Assembly, the Stated Clerk of such inferior judicatory shall, at least twenty days before the meeting of the General Assembly, send a notice concerning such case to the Stated Clerk of the Assembly, who shall forthwith notify the Chairman of the Permanent Judicial Commission, unless the General Assembly shall have ordered otherwise, that the services of the Commission will be needed at the approaching Assembly; but if no such notice shall be received by the Stated Clerk of the General Assembly, he shall forthwith notify the Chairman of the Permanent Judicial Commission that the services of the Commission will not be needed at the approaching Assembly.

XLV. These Rules may be suspended by a two-thirds vote of the judicatory, upon motion duly made.

RULES OF THE PERMANENT JUDICIAL COMMISSION.

In accordance with the requirements of the Constitution, the Permanent Judicial Commission respectfully reports to the General Assembly the following Rules of Procedure:

1. The General Rules for Judicatories, as far as applicable.

2. *Vice-Moderator.*—In addition to a Moderator and Clerk, the Commission shall elect, annually, a Vice-Moderator, who shall act as Moderator in the event of the death, disability, resignation or absence of the Moderator, or of the termination of his commissionership; and he shall hold office until the election of his successor.

The Vice-Moderator shall be a member of the Commission, whose term expires at a period not less than two years from the date of his election.

3. *Clerk.*—In the event of the death, disability, resignation or absence of the Clerk, or the termination of his commissionership, the Moderator shall appoint a Clerk *pro tem.*, to serve in the interim of the meetings of the Commission.

5. The Commission, when so ordered, shall meet at the same time and place with the General Assembly, and shall convene for organization at 5 o'clock P.M. of the first day of the meeting of the General Assembly. The time and place of all other meetings shall be determined by the Moderator and the Clerk of the Commission, unless otherwise ordered by the Commission or the General Assembly.

6. Immediately after the organization of the Commission, at any meeting of the General Assembly, the fact shall be reported to the General Assembly, and at the same time a report shall be made as to vacancies existing or about to occur, caused either by the expiration of the term for which members were elected or by death or resignation, for reference to the Judicial Committee, according to the Constitution.

7. The officers of this Commission shall be elected, annually, on Tuesday, the fifth day of the meeting of the General Assembly, at 3 o'clock P.M., and such officers shall assume the duties of their several offices upon the final adjournment of the General Assembly, serving in the interim between meetings of the General Assembly and until final adjournment of the next succeeding General Assembly.

8. It shall be the duty of the Moderator, or some one designated by him, to appear before the General Assembly to present the findings of the Commission in cases referred to it by the General Assembly.

9. The Commission shall designate a member or members to represent it in the General Assembly to defend any action or finding of the Commission.

10. The Commission shall set a time limit for arguments of such litigants and their counsel as may appear before the Commission in any case, and shall so notify them prior to the hearing of the same.

11. The Commission is requested and directed to file its Minutes in due time after the adjournment of the Assembly with the Stated Clerk.

NOTE.—See also Rules on Complaints and Appeals, *Minutes*, 1914, pp. 256–258

RULES GOVERNING THE TAKING AND HEARING OF APPEALS AND COMPLAINTS.

The General Assembly of 1914 adopted certain rules on the above subject which are given below so far as related to Assembly business.

1 and 2: These rules have to do with the duties of Stated Clerks of Presbytery and Synod.

3. It shall be the duty of the Stated Clerk of the General Assembly in transmitting to the Committee on Judicial Business the transcript in any Appeal or Complaint, also to transmit a certified copy of the docket made by him.

4. It shall be the duty of the Committee on Judicial Business to examine the record and all the papers and documents in all appeals and complaints and determine whether it contains all steps taken by the Synod or Presbytery where the action sought to be reviewed was had. If the Committee on Judicial Business finds that all such precedent action had is properly embraced therein, it shall then certify such case to the General Assembly, which certificate shall be in the following form:

"The Committee on Judicial Business of the General Assembly of 19— hereby certifies that it has duly examined all the papers, documents and records filed with it by the Stated Clerk of the Assembly in the within Case, and finds that all steps have been taken which are required by the laws of the Church, in order to properly present to the Permanent Judicial Commission the questions arising therein, and herewith transmits to said General Assembly all such papers, documents and records."

5. It shall be the duty of the Clerk of the Judicial Commission to docket the records of each of said Causes in the order indorsed thereon by the Stated Clerk of the General Assembly.
